

david foster wallace brief interviews with hideous men

****David Foster Wallace Brief Interviews with Hideous Men: A Deep Dive into Complexity and Humanity****

david foster wallace brief interviews with hideous men is a phrase that immediately calls to mind one of the most fascinating and challenging works by the late American writer David Foster Wallace. This collection of short stories, published in 1999, stands as a testament to Wallace's unique voice and his unflinching exploration of the human psyche. It's a book that has intrigued readers and critics alike, not just for its provocative title but for its intricate examination of gender, communication, and the often uncomfortable realities of interpersonal relationships.

If you've ever wondered what makes *Brief Interviews with Hideous Men* such a compelling read, or if you're curious about David Foster Wallace's narrative style and thematic depth, this article will guide you through the essential aspects of the collection. From its innovative structure to its raw emotional honesty, we'll unpack why this work remains influential in contemporary literature.

Understanding the Structure and Style of Brief Interviews with Hideous Men

One of the first things that jumps out when reading *david foster wallace brief interviews with hideous men* is the book's distinctive format. Rather than traditional short stories with linear plots, Wallace presents a series of "interviews" — monologues by men who reveal their innermost thoughts, often exposing their flaws, insecurities, and sometimes outright cruelty.

The Interview Format: A Window into the Male Psyche

This interview style creates an intimate and confessional atmosphere. Each "interview" feels like a direct conversation, but often the men speak more to themselves than to any actual interviewer. This technique allows Wallace to dissect complex notions of masculinity and vulnerability without the need for an external narrator or commentary.

The fragmented narrative style challenges readers to piece together the bigger picture, encouraging active engagement rather than passive consumption. This approach mirrors real-life communication — disjointed, contradictory, and sometimes painfully honest.

Wallace's Language and Narrative Voice

David Foster Wallace's prose in *Brief Interviews* is notable for its dense, detailed, and often intricate sentences. His use of footnotes, a hallmark in much of his work, adds layers of meaning and subtext, inviting readers to slow down and truly digest the text.

The language shifts between clinical detachment and emotional intensity. This duality enhances the authenticity of the characters, making their confessions feel both raw and intellectual. Wallace's ability to balance humor, pathos, and critique is on full display here, making the stories resonate on multiple levels.

Themes Explored in Brief Interviews with Hideous Men

At its core, **david foster wallace brief interviews with hideous men** is an exploration of human relationships, particularly the complicated dynamics between men and women. But the themes extend far beyond gender roles, touching on loneliness, self-deception, power, and the struggle for genuine connection.

Masculinity and Its Discontents

The men featured in these interviews often embody what Wallace critiques as the "hideous" side of masculinity — arrogance, emotional repression, and entitlement. Yet, the stories don't simply condemn these traits; instead, they reveal the underlying pain and confusion driving such behavior.

This nuanced portrayal helps readers empathize with characters who might otherwise seem unsympathetic. It also sparks important conversations about how cultural expectations shape male identity and interpersonal conduct.

Communication Breakdown and Emotional Isolation

A recurring motif in the collection is the difficulty of authentic communication. Many of the men seem trapped in their own minds, unable to express themselves honestly without resorting to defensiveness or manipulation. This breakdown in communication leads to isolation, a theme that Wallace explores with profound sensitivity.

The stories highlight how misunderstandings and emotional barriers can create a sense of alienation — not just between men and women but within the self. This focus on isolation reveals the universal human struggle to be seen and understood.

The Impact and Legacy of Brief Interviews with Hideous Men

Since its publication, **david foster wallace brief interviews with hideous men** has become a seminal work for readers interested in postmodern literature, gender studies, and contemporary American fiction. Its influence can be seen in how writers approach complex characters and fragmented storytelling.

Critical Reception and Interpretations

Critics have praised the collection for its originality and depth, though some have found it challenging due to its unconventional style. For many, the book is a bold experiment that pushes the boundaries of what short stories can achieve.

Academic discussions often focus on the ethical implications of Wallace's portrayals and how the book critiques societal norms without offering easy answers. This openness to interpretation invites ongoing dialogue, making the work relevant even decades after its release.

David Foster Wallace's Broader Literary Contributions

Brief Interviews fits within Wallace's broader oeuvre, which includes the acclaimed novel *Infinite Jest* and numerous essays. His work is characterized by intellectual rigor, emotional honesty, and a deep concern with the human condition.

For readers new to Wallace, *Brief Interviews with Hideous Men* serves as a compelling introduction to his style — combining the cerebral with the visceral, the humorous with the tragic.

Tips for Reading and Appreciating Brief Interviews with Hideous Men

If you're considering diving into *David Foster Wallace Brief Interviews with Hideous Men*, here are some tips to enhance your experience:

- **Take your time:** Wallace's prose is dense and layered. Reading slowly can help you absorb the nuances and appreciate the complexity of the characters.
- **Pay attention to footnotes:** These aren't just asides but integral parts of the narrative that offer insight or contrast to the main text.
- **Reflect on the themes:** Consider how the stories relate to broader issues like gender roles, communication, and emotional honesty.
- **Discuss with others:** Because of its complexity, sharing interpretations with fellow readers can deepen your understanding and reveal new perspectives.

Exploring Adaptations and Related Works

Interestingly, *Brief Interviews with Hideous Men* was adapted into a film in 2009, directed by John Krasinski. While the movie received mixed reviews, it brought renewed attention to Wallace's work

and offered a visual interpretation of his challenging narratives.

For those interested in exploring similar themes, reading Wallace's essays or his novel **Infinite Jest** can provide further insight into his literary genius and recurring preoccupations.

David Foster Wallace's **Brief Interviews with Hideous Men** remains a striking exploration of human flaws and the complexities of communication. By peeling back the layers of masculinity, vulnerability, and emotional isolation, Wallace invites readers into a world that is both unsettling and deeply human. Whether you approach the book as a literary challenge or a profound psychological study, it offers a rewarding journey into the depths of contemporary American literature.

Frequently Asked Questions

What is the central theme of David Foster Wallace's 'Brief Interviews with Hideous Men'?

The central theme revolves around the complexities of male identity, relationships, and the often uncomfortable dynamics between men and women, exploring vulnerability, cruelty, and communication.

How does David Foster Wallace use narrative style in 'Brief Interviews with Hideous Men'?

Wallace employs a fragmented and experimental narrative style, using interview transcripts, stream-of-consciousness, and unreliable narrators to provide multifaceted perspectives on masculinity.

What is the significance of the interview format in the book?

The interview format allows Wallace to dissect male psychology through direct, candid, and often disturbing confessions, highlighting the contradictions and insecurities behind social facades.

Are the characters in 'Brief Interviews with Hideous Men' based on real people?

While the characters are fictional, they reflect authentic psychological and emotional experiences that resonate with real human behavior and societal archetypes.

What is the tone of the stories in 'Brief Interviews with Hideous Men'?

The tone is often darkly comedic, ironic, and unsettling, blending humor with a critical examination of human flaws and social dysfunctions.

How does 'Brief Interviews with Hideous Men' fit into David Foster Wallace's overall body of work?

The collection exemplifies Wallace's signature style of deep psychological insight, linguistic complexity, and exploration of postmodern themes, complementing his broader literary contributions on human consciousness.

Has 'Brief Interviews with Hideous Men' been adapted into other media?

Yes, the collection was adapted into a film in 2009, directed by and starring Sean Garrity, which interprets the stories through a cinematic lens while maintaining the book's thematic core.

Additional Resources

David Foster Wallace's Brief Interviews with Hideous Men: An Analytical Exploration

david foster wallace brief interviews with hideous men stands as one of the most provocative and complex short story collections in contemporary American literature. Published in 1999, this work by David Foster Wallace showcases his unique narrative style and his unflinching examination of masculinity, psychology, and human relationships. The collection comprises a series of fragmented, often disturbing monologues and dialogues that peel back the layers of male consciousness, revealing insecurities, desires, and societal constructs in raw form.

This article delves into the thematic core, stylistic innovations, and cultural significance of david foster wallace brief interviews with hideous men, illuminating why it remains a critical touchstone for readers and scholars alike.

Contextualizing David Foster Wallace's Work

David Foster Wallace emerged in the 1990s as a defining voice in postmodern literature, known for his dense prose, footnotes, and metafictional techniques. *Brief Interviews with Hideous Men* represents a departure from his earlier, more experimental works like *The Broom of the System* and anticipates the thematic concerns of his magnum opus, *Infinite Jest*. Through these brief "interviews," Wallace explores the dark recesses of male psychology, often exposing the contradictions and toxic behaviors that define the "hideous men" he depicts.

The title itself signals a duality: the "brief interviews" suggest a journalistic or clinical approach, while the "hideous men" hint at moral and emotional grotesqueness. This framing sets the tone for the collection's exploration of alienation, misogyny, and self-deception.

Thematic Analysis

Exploration of Masculinity and Power

A dominant theme throughout David Foster Wallace's *Brief Interviews with Hideous Men* is an incisive critique of masculinity. The stories dissect how societal norms and personal insecurities intertwine to produce toxic behaviors. Wallace's characters often articulate their feelings through rambling, self-justifications, revealing a desperate need for control or validation.

Unlike traditional portrayals of masculinity, these men are neither heroic nor admirable; they are deeply flawed, sometimes repugnant figures whose "hideousness" is psychological and emotional rather than physical. This nuanced portrayal challenges readers to confront uncomfortable truths about gender dynamics and male identity.

Isolation and Communication Breakdown

The structure of the collection—fragmented monologues and partial interviews—mirrors the inability of these men to truly connect with others. The stories frequently demonstrate a breakdown in communication, where language fails to bridge emotional gaps. This narrative style amplifies the themes of loneliness and alienation, underscoring the paradox of men who desperately seek intimacy but sabotage it through self-centeredness or emotional immaturity.

Self-Deception and Psychological Complexity

Wallace's characters are often unreliable narrators, engaging in self-deception to shield themselves from guilt or vulnerability. The "interviews" reveal layers of psychological complexity, as characters oscillate between confession and evasion. This ambiguity invites readers to actively interpret the subtext, making the stories rich in psychological insight.

Stylistic Features and Narrative Techniques

One of the hallmarks of David Foster Wallace's *Brief Interviews with Hideous Men* is its innovative narrative style. The collection eschews traditional story arcs in favor of fragmented, often disjointed dialogues that mimic real-life conversations and internal monologues.

- **Fragmentation:** The use of incomplete interviews and broken narratives reflects the fractured nature of the characters' psyches.
- **Metafictional Elements:** Wallace occasionally breaks the fourth wall or employs self-referential commentary, highlighting the artificiality of storytelling.
- **Dark Humor:** Despite the often grim subject matter, the collection is infused with wit and irony, offering a satirical lens on male behavior.
- **Dense Prose and Footnotes:** Although less elaborate than in *Infinite Jest*, Wallace's

signature complexity is evident in his layered sentences and occasional footnotes, demanding attentive reading.

These stylistic choices not only deepen the thematic resonance but also challenge conventional storytelling, positioning the collection as a significant contribution to postmodern literature.

Comparisons with Other Works

When juxtaposed with other literary explorations of masculinity, such as Chuck Palahniuk's **Fight Club** or Bret Easton Ellis's **American Psycho**, David Foster Wallace's *brief interviews with hideous men* offers a more introspective and nuanced approach. Unlike the overt violence and nihilism of those novels, Wallace's stories dissect the internal emotional and psychological dysfunctions that underlie toxic masculinity.

Moreover, the collection's experimental narrative form distinguishes it from more straightforward prose narratives, aligning it with the works of contemporaries like Jonathan Franzen, who also examined modern male identity but with more traditional structures.

Reception and Cultural Impact

Upon its release, David Foster Wallace's *brief interviews with hideous men* elicited polarized responses. Critics praised Wallace's linguistic prowess and psychological insight but also grappled with the unsettling nature of the content. Some viewed the stories as misogynistic due to their focus on flawed male perspectives, while others considered the work a critical examination of such flaws.

Over time, the collection has gained recognition for its prescient exploration of themes that resonate with ongoing societal conversations about gender, consent, and emotional vulnerability. It has been influential in academic circles, inspiring discourse on narrative form and gender representation.

Pros and Cons of the Collection

- **Pros:**

- Innovative narrative structure that challenges traditional storytelling.
- Deep psychological insight into male behavior and identity.
- Engagement with complex social and emotional themes.
- Sharp, often humorous prose that balances darkness with wit.

- **Cons:**

- The fragmented style may alienate readers seeking linear narratives.
- Some stories' bleakness and moral ambiguity can be emotionally taxing.
- Controversial depictions of gender dynamics might be misinterpreted.

Legacy and Continued Relevance

More than two decades after its publication, *David Foster Wallace: Brief Interviews with Hideous Men* remains a critical text in understanding late 20th-century masculinity and literary experimentation. Its influence extends beyond literature into cultural studies, psychology, and gender discourse.

The collection's unvarnished portrayal of emotional dysfunction and the search for meaning anticipates many contemporary discussions around male mental health and toxic masculinity. As society continues to grapple with these issues, Wallace's work serves as both a mirror and a critique, urging readers to examine the hidden complexities beneath surface behaviors.

The enduring fascination with *David Foster Wallace: Brief Interviews with Hideous Men* lies in its ability to unsettle and provoke thought, compelling readers to confront uncomfortable realities about human nature.

In navigating the tangled narratives and psychological depths of this collection, one encounters not only the "hideous men" Wallace portrays but also the broader human struggle for understanding, connection, and authenticity.

david foster wallace brief interviews with hideous men: *Brief Interviews with Hideous Men*
David Foster Wallace, 2009-09-24 In this thought-provoking and playful short story collection, David Foster Wallace nudges at the boundaries of fiction with inimitable wit and seductive intelligence. Wallace's stories present a world where the bizarre and the banal are interwoven and where hideous men appear in many guises. Among the stories are 'The Depressed Person,' a dazzling and blackly humorous portrayal of a woman's mental state; 'Adult World,' which reveals a woman's agonized consideration of her confusing sexual relationship with her husband; and 'Brief Interviews with Hideous Men,' a dark, hilarious series of imagined interviews with men on the subject of their

relations with women. Wallace delights in leftfield observation, mining the absurd, the surprising, and the illuminating from every situation. This collection will enthrall DFW fans, and provides a perfect introduction for new readers.

david foster wallace brief interviews with hideous men: Brief Interviews with Hideous Men David Foster Wallace, 2000 In his startling and singular new short story collection, David Foster Wallace nudges at the boundaries of fiction with inimitable wit and seductive intelligence. Among the stories are 'The Depressed Person', a dazzling and blackly humorous portrayal of a woman's mental state; 'Adult World', which reveals a woman's agonised consideration of her confusing sexual relationship with her husband; and 'Brief Interviews with Hideous Men', a dark, hilarious series of portraits of men whose fear of women renders them grotesque. Wallace's stories present a world where the bizarre and the banal are interwoven and where hideous men appear in many different guises. Thought-provoking and playful, this collection confirms David Foster Wallace as one of the most imaginative young writers around. Wallace delights in leftfield observation, mining the ironic, the surprising and the illuminating from every situation. His new collection will delight his growing number of fans, and provide a perfect introduction for new readers.

david foster wallace brief interviews with hideous men: A Not-so-brief Interview with David Foster Wallace's Hideous Men Nandini Nalam, 2025 My thesis assesses the quality of self-conceptualisation and self-representation in David Foster Wallace's anthology 'Brief Interviews With Hideous Men.' My first chapter articulates the struggle to represent the self, where I talk about the postmodern fragmentation of thought and language, alongside silencing as a motif in Wallace's text. My second chapter then locates a subsequent, compromised self-representation that emerges from the struggle. This self-representation is "negotiated" within complex artistic, familial or relational spheres, and is ultimately characterised by shame, anger and lovelessness. Gender (as an oppressive force) is considered. My third chapter ultimately locates an alternative outcome in Wallace's other characters, where their struggle to represent themselves results instead in an idealistic, constantly revising paralysis. Here, I focus on stylistic choices like repetition or a dialogic internal voice. Consistently, I am concerned with genre and how the gestural, episodic nature of the short story lends itself to disembodied, alienated depictions of the self. I conclude with reflections on masculinity and authorial reception.

david foster wallace brief interviews with hideous men: Conversations with David Foster Wallace Stephen Burn, 2012-03-08 Conversations with the author of A Supposedly Fun Thing I'll Never Do Again, Brief Interviews with Hideous Men, and Infinite Jest

david foster wallace brief interviews with hideous men: David Foster Wallace's Toxic Sexuality Edward Jackson, 2020-06-11 David Foster Wallace's Toxic Sexuality: Hideousness, Neoliberalism, Spermatics is the first full-length study of perhaps the most controversial aspect of Wallace's work - male sexuality. Departing from biographical accounts of Wallace's troubled relationship to sex, the book offers new and engaging close readings of this vexed topic in both his fiction and non-fiction. Wallace consistently returns to images of sexual toxicity across his career to argue that, when it comes to sex, men are immutably hideous. He makes this argument by drawing on a variety of neoliberal logics and spermatic metaphors, which in their appeal to apparently neutral economic processes and natural bodily facts, forestall the possibility that men can change. The book therefore provides a revisionist account of Wallace's attitudes towards capitalism, as well as a critical dissection of his approach to masculinity and sexuality. In doing so, David Foster Wallace's Toxic Sexuality shows how Wallace can be considered a neoliberal writer, whose commitment to furthering male sexual toxicity is a disturbing but undeniable part of his literary project.

david foster wallace brief interviews with hideous men: Changing My Mind Zadie Smith, 2009-11-12 [These essays] reflect a lively, unselfconscious, rigorous, erudite, and earnestly open mind that's busy refining its view of life, literature, and a great deal in between. —Los Angeles Times Split into five sections--Reading, Being, Seeing, Feeling, and Remembering--Changing My Mind finds Zadie Smith casting an acute eye over material both personal and cultural. This engaging collection

of essays, some published here for the first time, reveals Smith as a passionate and precise essayist, equally at home in the world of great books and bad movies, family and philosophy, British comedians and Italian divas. Whether writing on Katherine Hepburn, Kafka, Anna Magnani, or Zora Neale Hurston, she brings deft care to the art of criticism with a style both sympathetic and insightful. *Changing My Mind* is journalism at its most expansive, intelligent, and funny--a gift to readers and writers both.

david foster wallace brief interviews with hideous men: New Media and the Transformation of Postmodern American Literature Casey Michael Henry, 2019-02-07 How has American literature after postmodernism responded to the digital age? Drawing on insights from contemporary media theory, this is the first book to explore the explosion of new media technologies as an animating context for contemporary American literature. Casey Michael Henry examines the intertwining histories of new media forms since the 1970s and literary postmodernism and its aftermath, from William Gaddis's *J R* and Bret Easton Ellis's *American Psycho* through to David Foster Wallace's *Infinite Jest*. Through these histories, the book charts the ways in which print-based postmodern writing at first resisted new mass media forms and ultimately came to respond to them.

david foster wallace brief interviews with hideous men: Wallace's Dialects Mary Shapiro, 2020-05-14 Mary Shapiro explores the use of regional and ethnic dialects in the works of David Foster Wallace, not just as a device used to add realism to dialogue, but as a vehicle for important social commentary about the role language plays in our daily lives, how we express personal identity, and how we navigate social relationships. Wallace's *Dialects* straddles the fields of linguistic criticism and folk linguistics, considering which linguistic variables of Jewish-American English, African-American English, Midwestern, Southern, and Boston regional dialects were salient enough for Wallace to represent, and how he showed the intersectionality of these with gender and social class. Wallace's own use of language is examined with respect to how it encodes his identity as a white, male, economically privileged Midwesterner, while also foregrounding characteristic and distinctive idiolect features that allowed him to connect to readers across implied social boundaries.

david foster wallace brief interviews with hideous men: Frag[men]ted Hamish Ansley, 2017

david foster wallace brief interviews with hideous men: *David Foster Wallace's Infinite Jest* Stephen J. Burn, 2012-04-19 *Infinite Jest* has been hailed as one the great modern American novels and its author, David Foster Wallace, who committed suicide in 2008, as one of the most influential and innovative authors of the past 20 years. Don DeLillo called *Infinite Jest* a three-stage rocket to the future, a work equal to the huge, babbling spin-out sweep of contemporary life, while *Time* Magazine included *Infinite Jest* on its list of 100 Greatest Novels published between 1923-2006. *David Foster Wallace's Infinite Jest: A Reader's Guide* was the first book to be published on the novel and is a key reference for those who wish to explore further. *Infinite Jest* has become an exemplar for difficulty in contemporary Fiction-its 1,079 pages full of verbal invention, oblique narration, and a scattered, nonlinear, chronology. In this comprehensively revised second edition, Burn maps Wallace's influence on contemporary American fiction, outlines Wallace's poetics, and provides a full-length study of the novel, drawing out the most important themes and ideas, before surveying Wallace's post-*Infinite Jest* output, including *The Pale King*.

david foster wallace brief interviews with hideous men: The Routledge Companion to Masculinity in American Literature and Culture Lydia R. Cooper, 2021-12-26 Recently, the U.S. has seen a rise in misogynistic and race-based violence perpetrated by men expressing a sense of grievance, from incels to alt-right activists. Grounding sociological, historical, political, and economic analyses of masculinity through the lens of cultural narratives in many forms and expressions, *The Routledge Companion to Masculinity in American Literature and Culture* suggests that how we examine the stories that shape us in turn shapes our understanding of our current reality and gives us language for imagining better futures. Masculinity is more than a description of traits associated with particular performances of gender. It is more than a study of gender and social power. It is an examination of the ways in which gender affects our capacity to engage ethically with

each other in complex human societies. This volume offers essays from a range of established, global experts in American masculinity as well as new and upcoming scholars in order to explore not just what masculinity once meant, has come to mean, and may mean in the future in the U.S.; it also articulates what is at stake with our conceptions of masculinity.

david foster wallace brief interviews with hideous men: Brief Interviews in an International Organization. Life is a Story - story.one L. B. Gules, 2023-08-30 Everyone, without any discrimination, has the right to equal pay for equal work... except interns. In a short story collection portraying a range of dialogues at an international organization, L. B. Gules uses real experiences to offer a glimpse at some of the hypocrisy, absurdity, and indifference that plague these organizations and their intern population.

david foster wallace brief interviews with hideous men: Metamodernism in Contemporary British Theatre Tom Drayton, 2024-10-03 Postmodern theatre is dead. A new theatre is rising - one that combines the well-worn postmodern aesthetics of irony, detachment, and deconstruction with a paradoxical interest in authenticity, engagement, and re-construction. Whilst recent scholarship has treated these evolving interests as unrelated shifts in performance aesthetics, this volume proposes a new understanding: that these are part of a wider emerging cultural paradigm - metamodernism. *Metamodernism in Contemporary British Theatre* is the first book to focus on metamodernism and performance, offering a pioneering framework by which to identify and understand metamodern theatre. By drawing critical links between the works of performance theorists such as Anne Bogart and Andy Lavender and the metamodern as defined by Timotheus Vermeulen and Robin van den Akker, this book makes a clear, vital, and urgent case for the use of the term metamodernism within mainstream theatre scholarship. Focussing on small-scale theatre companies across the UK - including Poltergeist, YESYESNONO, Middle Child and The Gramophones, many of whom have not been documented in academia before - this book also provides a unique analysis of the theatre made by British millennials, a generation who have been distinctly affected by specific structures of contemporary precarity coinciding with this wider cultural shift. Through this, *Metamodernism in Contemporary British Theatre* makes a crucial contribution towards understanding emergent developments in post-millennial theatre practice across Britain and beyond.

david foster wallace brief interviews with hideous men: Modern Fiction, Disability, and the Hearing Sciences Edward Allen, 2024-08-15 The relationship between critical disability studies and the hearing sciences is a dynamic one, and it's changing still, both as clinicians come to terms with the evolving health of deaf and hearing communities and as the 'social' and 'medical' understandings of disability continue to gain traction among different groups. What might a 'cultural' approach to these overlapping areas of study involve? And what could narrative prose in particular have to tell us that other sources haven't sensed? At a time when visual media otherwise seem to have captured the imagination, *Modern Fiction, Disability, and the Hearing Sciences* makes the case for a wide range of literature. In doing so - through serials, short stories, circadian fiction, narrative history, morality tales, whodunits, Bildungsromane, life-writing, the Great American Novel - the book reveals the diverse ways in which writers have plotted and voiced experiences of hearing, from the nineteenth century to the present day.

david foster wallace brief interviews with hideous men: Maximalism in Contemporary American Literature Nick Levey, 2016-11-18 This book begins a new and foundational discussion of maximalism by investigating how the treatment of detail in contemporary literature impels readers to navigate, tolerate, and enrich the cultural landscape of postindustrial America. It studies the maximalist novels of David Foster Wallace, Nicholson Baker, Thomas Pynchon, and others, considering how overly-detailed writing serves the institutional, emotional, and intellectual needs of contemporary readers and writers. The book argues that maximalist novels not only exceed perceived limits of style, subject matter, and scope, but strive to remake the usefulness of books in contemporary culture, refreshing the act of reading. Levey shows that while these novels are preoccupied with detail and description, they are relatively unconcerned with the traditional goals of representation. Instead, they use detail to communicate particular values and fantasies of

intelligence, enthusiasm, and ability attached to the management of complex and excessive information. Whether reinvigorating the banal and trivial in mainstream culture, or soothing anxieties of human insufficiency in the age of automation and the internet, these texts model significant abilities, rather than just objects of significance, and encourage readers to develop habits of reading that complement the demands of an increasingly detailed culture. Drawing upon a diverse range of theoretical schools and cultural texts, including Thing Theory, Marxism, New Formalism, playlists, blogs, and archival manuscripts, the book proposes a new understanding of maximalist writing and a new way of approaching the usefulness of literary objects in contemporary culture.

david foster wallace brief interviews with hideous men: Contemporary Fictions of Attention Alice Bennett, 2018-08-09 With the supposed shortening of our attention spans, what future is there for fiction in the age of the internet? *Contemporary Fictions of Attention* rejects this discourse of distraction-crisis which suggests that the future of reading is in peril, and instead finds that contemporary writers construct 'fictions of attention' that find some value in states or moments of inattention. Through discussion of work by a diverse selection of writers, including Joshua Cohen, Ben Lerner, Tom McCarthy, Ali Smith, Zadie Smith, and David Foster Wallace, this book identifies how fiction prompts readers to become peripherally aware of their own attention. *Contemporary Fictions of Attention* locates a common interest in attention within 21st-century fiction and connects this interest to a series of debates surrounding ethics, temporality, the everyday, boredom, work, and self-discipline in contemporary culture.

david foster wallace brief interviews with hideous men: Storytelling in the Media Convergence Age R. Pearson, A. Smith, 2014-12-18 Why do screen narratives remain so different in an age of convergence and globalisation that many think is blurring distinctions? This collection attempts to answer this question using examples drawn from a range of media, from Hollywood franchises to digital comics, and a range of countries, from the United States to Japan

david foster wallace brief interviews with hideous men: Mathematics in Postmodern American Fiction Stuart J. Taylor, 2024-04-23 This book delivers an innovative critical approach to better understand U.S. fiction of the information age, and argues that in the last eighty years, fiction has become increasingly concerned with its representations of mathematical ideas, images, and practices. In so doing, this book provides a fuller, transnational account of the place of mathematics in understanding mathematically informed novels. Literature and science studies have acknowledged and situated historical points of cultural crossover; by emphasising mathematics within this larger intellectual context - and not as an unlikely and alien adjunct to post-war culture - this monograph clarifies how mathematically informed postmodern fictions work in a cognate fashion to other fields undergoing structuralist revolutions. This is especially evident in fiction by the key, mathematically-literate Postmodern authors upon whom this study focuses, namely, Thomas Pynchon, Don DeLillo, and David Foster Wallace, through which recent the technological revolutions, facilitated by mathematics, manifest in cultural discourse.

david foster wallace brief interviews with hideous men: The Poetics of Fragmentation in Contemporary British and American Fiction Vanessa Guignery, Wojciech Drąg, 2019-12-02 The last decades have seen a revival of fragmentation in British and American works of fiction that deny linearity, coherence and continuity in favour of disruption, gaps and fissures. Authors such as Ali Smith, David Mitchell and David Shields have sought new ways of representing our global, media-saturated contemporary experience which differ from modernist and postmodernist experimentations from which the writers nevertheless draw inspiration. This volume aims to investigate some of the most important contributions to fragmentary literature from British and American writers since the 1990s, with a particular emphasis on texts released in the twenty-first century. The chapters within examine whether contemporary forms of literary fragmentation constitute a return to the modernist episteme or the fragmented literature of exhaustion of the 1960s, mark a continuity with postmodernist aesthetics or signal a deviation from past models and an attempt to reflect today's accelerated culture of social media and over-communication. Contributors theorise and classify literary fragments, examine the relationship between

fragmentation and the Zeitgeist (influenced by globalisation, media saturation and social networks), analyse the mechanics of multimodal and multimedial fictions, and consider the capacity of literary fragmentation to represent personal or collective trauma and to address ethical concerns. They also investigate the ways in which the architecture of the printed book is destabilised and how aesthetic processes involving fragmentation, bricolage and/or collage raise ontological, ethical and epistemological questions about the globalised contemporary world we live in and its relation to the self and the other. Besides the aforementioned authors, the volume makes reference to the works of J. G. Ballard, Julian Barnes, Mark Z. Danielewski, David Markson, Jonathan Safran Foer, David Foster Wallace, Jeanette Winterson and several others.

david foster wallace brief interviews with hideous men: More Dynamite Craig Raine, 2014-06-01 More Dynamite anthologizes a wealth of essays by a writer with one of the keenest critical eyes of his generation. Craig Raine—poet, critic, novelist, Oxford don, and editor—turns his fearsome and unflinching gaze on subjects ranging from Kafka to Koons, Beckett to Babel. He waxes lyrical about Ron Mueck's hyperreal sculptures and reassesses the metafiction of David Foster Wallace. For Raine, no element of cultural output is insignificant, be it cinema, fiction, poetry, or installation art. Finding solace in both literature and art alike, and finding moments of truth and beauty where others had stopped looking, More Dynamite will reinvigorate readers, challenge our perceptions of the classics, and wonderfully affirm our love of good writing, new and old. This extensive collection of essays is a crash course in 20th century artistic endeavor—nothing short of a master class in high culture from one of the most discerning minds in contemporary British letters.
