This dual approach appeals to users who prefer guidance that is both compassionate and realistic.

In terms of artwork, Reid's decks are modern and polished but maintain a mystical quality, whereas some decks might lean more heavily into either abstract symbolism or overtly traditional tarot imagery. This middle ground broadens the decks' accessibility.

colette baron reid oracle cards: *Wisdom of the Hidden Realms Oracle Cards* Colette Baron-Reid, 2009-10 Mystics have passed down stories of magical realms hidden from mortal sight, bridging the world of Nature and Spirit. Even before the written word, the ancients established a Divine partnership between humans and these Hidden Realms. Both agreed to form an eternal Sacred Alliance to establish harmony and balance between the material and the spiritual. The Alliance ensured that when we asked for guidance in manifesting our reality, they would help us find

our way to the highest good for all. But in time, humanity turned itself away from the natural world as a source for the Divine and forgot about the realms in the Unseen realities. Religious superstition, dominance, and the power of intellect, reason, and technology became our focus; and our partnership was forgotten, so the realms faded away. As our global concerns have increasingly been more plaintive, they have returned to help us find our way home to our true purpose, prosperity, hope, and happiness. These cards represent some of those realms and their Queens and Kings, Princes, and other magical helpers. Let the Swan Queen point the way to transformation, the Arrow Master help you reach your goals, the Sun Dancers herald your victories, and the Sacred Union speak to the depth of your longing for love. Ask and ye shall receive, for the Highest Good is their motto. If you call upon them, they will answer
