

13 the broadway musical piano vocal selections

****Exploring 13 the Broadway Musical Piano Vocal Selections: A Guide for Performers and Fans****

13 the broadway musical piano vocal selections offer a unique window into the youthful energy and heartfelt storytelling that defines this modern coming-of-age musical. Whether you're a student performer preparing for an audition, a pianist seeking fresh repertoire, or simply a Broadway enthusiast wanting to dive deeper into this show's music, these selections provide an excellent opportunity to connect with the spirit of 13. In this article, we'll explore what makes these piano vocal selections special, highlight key songs, and share tips on how to approach them effectively.

Understanding 13 the Broadway Musical Piano Vocal Selections

"13" is a notable musical because it centers exclusively on the experiences of young teenagers navigating the tricky waters of adolescence. The piano vocal selections from this show capture the emotional highs and lows, humor, and relatable themes that resonate with audiences of all ages. These collections typically include piano arrangements combined with vocal lines and lyrics, making them perfect for singers who want to practice or perform songs from the musical in a more intimate setting.

What Are Piano Vocal Selections?

Piano vocal selections are essentially sheet music books that contain arrangements of songs from a musical, adapted for piano accompaniment alongside the vocal melody. Unlike full orchestral scores, piano vocal selections are more accessible for individual practice or small performances. They usually include:

- Vocal lines written with lyrics
- Piano accompaniments that capture the essence of the original orchestration
- Song introductions and sometimes helpful performance notes

For "13," these selections distill the musical's spirited numbers into manageable pieces without losing their catchy and emotional core.

Key Songs Featured in 13 Broadway Musical Piano Vocal Selections

The musical “13” boasts a variety of songs that explore friendship, identity, and the chaos of becoming a teenager. The piano vocal selections often highlight the most popular and impactful numbers. Here are some standout tracks you’ll find:

1. “Thirteen”

The opening number sets the tone for the entire show. It’s energetic and filled with youthful optimism, making it a great choice for performers wanting to showcase a bright, upbeat style.

2. “The Bloodmaster”

This song captures the awkwardness and drama of middle school social hierarchies. The piano arrangement emphasizes the rhythmic drive and quirky character of the piece, which is fun for both pianists and vocalists.

3. “Getting Ready”

A vibrant ensemble number that conveys the excitement and nerves before a party. The piano vocal selection highlights the interplay between voices, making it ideal for group rehearsals or solo performances with piano.

4. “Here I Come”

This is a heartfelt ballad that offers a chance to dive into emotional expression. The piano accompaniment supports the vocal line beautifully, allowing singers to focus on storytelling.

5. “Brand New You”

An empowering song about transformation and self-discovery. Its catchy melody and engaging piano score make it a favorite among young performers.

Tips for Performing 13 the Broadway Musical Piano Vocal Selections

Performing songs from “13” can be both fun and challenging. Here are some tips to get the most out of these piano vocal selections.

Focus on Character and Storytelling

“13” is a character-driven show, so it’s important to understand the context behind each song. Spend time reading the script or watching performances to grasp the emotions and motivations behind the lyrics. This will help you convey authenticity in your singing.

Master the Piano Accompaniment

The piano parts in these selections are written to closely mirror the original orchestrations, but they can still be complex. Practice slowly at first, paying attention to rhythm and dynamics. If you’re accompanying yourself, make sure your piano playing supports and doesn’t overpower your vocal line.

Work on Vocal Style

The musical style of “13” blends pop, rock, and musical theatre influences. Experiment with your vocal tone to capture the youthful, contemporary feel of the songs. Don’t be afraid to add subtle nuances that reflect the character’s personality.

Use the Selections for Auditions and Rehearsals

Because these piano vocal books are designed for individual use, they are perfect for audition preparation. Choose songs that showcase your vocal range and acting ability, and use the piano accompaniment to practice timing and expression.

Where to Find 13 the Broadway Musical Piano Vocal Selections

If you’re interested in acquiring these selections, several options are

available:

- **Music Publishers:** Official sheet music publishers like Hal Leonard or Musicnotes often carry the authorized piano vocal selections for “13.” Buying from these sources ensures quality and accuracy.
- **Online Retailers:** Websites like Amazon or SheetMusicPlus offer physical copies or digital downloads, providing flexibility depending on your needs.
- **Local Music Stores:** If you prefer browsing in person, check out local stores that specialize in sheet music or theatre resources.
- **Libraries and Schools:** Many university or public libraries have collections of musical theatre scores, including piano vocal selections, available for loan.

Why Learn Songs from 13 Broadway Musical Piano Vocal Selections?

There are several reasons why these piano vocal selections are a valuable addition to any performer’s repertoire:

- **Age-Appropriate Material:** The songs are written from the perspective of teenagers, making them relatable for young performers navigating similar life stages.
- **Diverse Musical Styles:** The score blends pop and rock with traditional musical theatre, offering a versatile range of vocal and piano challenges.
- **Performance Opportunities:** Many schools and community theaters produce “13,” so knowing these songs can open doors to castings and ensemble roles.
- **Skill Development:** The piano parts develop coordination and rhythm, while the vocal lines encourage expressive singing and character work.

Expanding Your Musical Theatre Knowledge

Studying “13 the Broadway Musical Piano Vocal Selections” also enriches your

understanding of contemporary musical theatre trends. The show's themes and musical style reflect a shift toward stories about real, everyday young people rather than larger-than-life characters. This makes the music not just enjoyable but culturally relevant and insightful.

Incorporating 13's Selections into Your Practice Routine

If you're a music teacher or student, integrating songs from "13" into your regular practice can be rewarding. Here's a suggested approach:

1. **Start with Familiar Tunes:** Begin by learning the more straightforward songs like "Thirteen" to build confidence.
2. **Focus on Technique:** Use the piano vocal selections to work on specific skills such as sight-reading, vocal agility, or dynamic control.
3. **Record Your Practice:** Listening back can help identify areas needing improvement and track your progress.
4. **Explore Characterization:** Try performing the songs as if you're the character, adding gestures or facial expressions to enhance interpretation.

This method ensures that your engagement with the music is both technical and expressive.

The Lasting Appeal of 13 the Broadway Musical Piano Vocal Selections

Though "13" debuted in the mid-2000s, its music remains fresh and appealing for performers today. The piano vocal selections keep the show accessible, whether you're performing solo in a recital or preparing for a school production. The songs' blend of humor, heart, and catchy melodies ensures they resonate beyond the stage.

For those passionate about musical theatre, diving into these selections offers not only a chance to polish musical skills but also to experience a slice of adolescence through a creative, musical lens.

As you explore these piano vocal selections, remember that the joy of "13" comes from its honest portrayal of growing up—something that every performer can relate to and bring to life.

The music and lyrics for '13 The Broadway Musical' were composed by Jason Robert Brown, and the piano vocal selections feature his original compositions arranged for piano and voice.

Additional Resources

13 the Broadway Musical Piano Vocal Selections: A Detailed Exploration of Its Musical and Educational Significance

13 the broadway musical piano vocal selections stands out as a distinctive collection that captures the essence of the musical "13," composed by Jason Robert Brown. This compilation offers a unique blend of piano arrangements and vocal lines, designed for performers, educators, and enthusiasts of contemporary Broadway music. Its relevance extends beyond mere sheet music; it serves as a tool for understanding the intricate relationship between lyrical storytelling and musical composition in a modern theatrical context.

Understanding 13 the Broadway Musical Piano Vocal Selections

The "13" musical, which premiered in 2007, centers on the experiences of a thirteen-year-old boy navigating adolescence. The piano vocal selections book encapsulates the musical's score, providing piano accompaniments alongside vocal melodies and lyrics. This format is invaluable for rehearsals, auditions, and educational settings where full orchestral arrangements are impractical.

Unlike full orchestral scores, piano vocal selections strip down the music to its core harmonic and melodic components. This allows musicians to engage deeply with the material, focusing on the nuances of vocal expression supported by versatile piano arrangements. The selections book typically includes all the principal songs from the show, offering a comprehensive view of the musical's tonal and thematic development.

Musical Content and Arrangement Quality

The piano vocal selections for "13" maintain a high standard of musical fidelity to the original orchestration while adapting the score for solo piano accompaniment. Jason Robert Brown's compositions are known for their rhythmic complexity, harmonic richness, and emotional depth. Translating these elements into a piano vocal score demands careful consideration to preserve the musical integrity without overwhelming the pianist.

This collection adeptly balances these requirements. The arrangements emphasize essential harmonic progressions and rhythmic motifs, ensuring that the piano part is both playable and evocative. The vocal lines are presented clearly, facilitating singers' interpretation of the material with accurate pitch and phrasing guidance.

Moreover, the inclusion of lyrics alongside the music enhances the

performer's ability to connect text and melody, a critical aspect of musical theatre performance. This integration supports expressive singing and aids in character development, which is central to the narrative-driven structure of "13."

Educational and Practical Applications

From an educational perspective, 13 the Broadway musical piano vocal selections prove to be an excellent resource for voice students, piano players, and musical theatre programs. The songs vary in style and difficulty, offering a broad spectrum of learning opportunities:

- **Vocal Development:** The range of songs accommodates different voice types and skill levels, making it accessible for young performers and more advanced vocalists alike.
- **Piano Technique:** The piano arrangements challenge players with syncopated rhythms and intricate chord voicings that reflect Brown's signature style.
- **Performance Preparation:** For auditions or recitals, having access to piano vocal selections allows performers to practice in a realistic setting without the need for full accompaniment.

In addition to individual practice, the selections serve as a valuable tool in classroom environments, where instructors can use the material to teach musical phrasing, diction, and stage presence. The songs' thematic focus on adolescence and personal growth also provides a relatable context for young performers, enhancing engagement.

Comparative Analysis with Other Broadway Piano Vocal Selections

When compared to piano vocal selections from other contemporary musicals such as "Dear Evan Hansen" or "Hamilton," "13" offers a more intimate and youthful perspective. Its musical style integrates pop, rock, and musical theatre idioms, reflecting the teenage protagonist's emotional landscape.

While "Hamilton" piano vocal selections are often characterized by their dense rap rhythms and historical storytelling, and "Dear Evan Hansen" features soaring ballads and modern pop influences, "13" leans into lighter, more playful melodies that still carry significant emotional weight. This makes its piano vocal selections particularly appealing for performers seeking a repertoire that bridges traditional musical theatre with

contemporary sounds.

Furthermore, the accessibility of the arrangements in "13" makes it a practical choice for school productions and community theatre, where resources for orchestras might be limited. The piano vocal selections facilitate high-quality musical experiences without the logistical demands of full-scale productions.

Pros and Cons of 13 the Broadway Musical Piano Vocal Selections

Analyzing the strengths and potential limitations of this collection offers insight for prospective users:

- **Pros:**

- Comprehensive inclusion of all major songs from the musical.
- Faithful and playable piano arrangements that capture the original score's spirit.
- Clear vocal lines with lyrics for effective practice and performance.
- Suitable for a wide range of skill levels and educational settings.

- **Cons:**

- Some arrangements may still challenge beginner pianists due to rhythmic complexity.
- Limited orchestral cues, which can affect interpretation without additional context.
- Less suitable for those seeking solo piano repertoire without vocal parts.

These considerations emphasize the importance of matching the piano vocal selections to the user's goals—whether for study, rehearsal, or performance.

Availability and Formats

Publishers commonly release "13 the Broadway musical piano vocal selections" in both physical and digital formats. Physical copies are often preferred by educators and performers who favor tangible sheet music for annotation and ease of use during rehearsals. Digital editions, on the other hand, offer immediate accessibility and portability, ideal for on-the-go practice or remote learning environments.

Additionally, some editions may come bundled with a CD or digital audio tracks, providing reference performances that assist in mastering timing and style. The availability of such supplements can enhance the learning experience and offer valuable interpretive guidance.

Impact on Musical Theatre Repertoire and Community

The inclusion of "13" in the canon of piano vocal selections contributes to the diversification of musical theatre repertoire available for study and performance. Its focus on adolescent themes, coupled with Jason Robert Brown's distinctive compositional voice, enriches the options for performers seeking contemporary yet character-driven material.

Moreover, this collection supports community theatre initiatives and educational institutions by providing a resource that is both artistically satisfying and logistically feasible. The continued use and popularity of these selections highlight their role in nurturing the next generation of musical theatre talent.

In essence, 13 the Broadway musical piano vocal selections bridge the gap between complex orchestral scores and practical performance needs, ensuring that the musical's vibrant storytelling continues to resonate in varied performance contexts.

13 the Broadway musical piano vocal selections: *13: The Musical (Songbook)* , 2009-03-01 (Vocal Selections). Variety says Jason Robert Brown's joyous, wholesome tuner ... is sheer bliss. Our songbook features vocal lines with piano accompaniment for a dozen songs from the all-teen Broadway show about a bar mitzvah. Includes: Brand New You * Get Me What I Need * Here I Come

* I'm a Good Girl * The Lamest Place in the World * A Little More Homework * Tell Her * Thirteen/Becoming a Man * and more. Includes a bio and photos of Brown.

13 the broadway musical piano vocal selections: *Changed for Good* Stacy Wolf, 2011-07-07 In this lively book, Stacy Wolf illuminates the women of American musical theater--performers, creators, and characters--from the start of the cold war to the present day, creating a new feminist history of the genre. Moving from decade to decade, Wolf highlights the assumptions that circulated about gender and sexuality at the time and then looks at the leading musicals, stressing the aspects of the plays that relate to women. The musicals discussed here are among the most beloved in the canon--West Side Story, Guys & Dolls, Cabaret, and many others--with special emphasis on Wicked.

13 the broadway musical piano vocal selections: *The Routledge Companion to the Contemporary Musical* Jessica Sternfeld, Elizabeth L. Wollman, 2019-08-16 The Routledge Companion to the Contemporary Musical is dedicated to the musical's evolving relationship to American culture in the late twentieth and early twenty-first centuries. In the past decade-and-a-half, international scholars from an ever-widening number of disciplines and specializations have been actively contributing to the interdisciplinary field of musical theater studies. Musicals have served not only to mirror the sociopolitical, economic, and cultural tenor of the times, but have helped shape and influence it, in America and across the globe: a genre that may seem, at first glance, light-hearted and escapist serves also as a bold commentary on society. Forty-four essays examine the contemporary musical as an ever-shifting product of an ever-changing culture. This volume sheds new light on the American musical as a thriving, contemporary performing arts genre, one that could have died out in the post-Tin Pan Alley era but instead has managed to remain culturally viable and influential, in part by newly embracing a series of complex contradictions. At present, the American musical is a live, localized, old-fashioned genre that has simultaneously developed into an increasingly globalized, tech-savvy, intensely mediated mass entertainment form. Similarly, as it has become increasingly international in its scope and appeal, the stage musical has also become more firmly rooted to Broadway--the idea, if not the place--and thus branded as a quintessentially American entertainment.
