bishop david oyedepo and: *Reverse in Ministry and Missions: Africans in the Dark Continent of Europe* Israel Olofinjana, 2010-05-21 There has been a recent shift in global Christianity from North to South. Christianity, particularly Pentecostalism, is growing day by day in the continents of Africa, Latin America and Asia whereas it is declining in the Western world. Africans are now bringing the Gospel back to Europe and other parts of the world. This reverse in missions has been a recent phenomenon and is the subject of this book. This book documents the history and contributions of European missions in Africa. It then chronicles the history and development of African Churches in Europe, focussing on the UK. It is passionately articulated that these Churches are certainly contributing positively to global and local Christianity. The historical development of Kingsway International Christian Centre (KICC) is documented to illustrate the impact African Churches are making in Europe. It is a book that is valuable to people interested in African Churches in the UK. "The presence of so many vigorous and committed black churches is one of the bright spots on the horizon of churches in the UK. This work is a pioneering contribution to understanding where these churches are coming from, how they understand their mission in and to the UK and how they are likely to shape the future of Christianity in these islands. It is very welcome." Dr Nigel Wright, Principal of Spurgeon's College, London "Rev Israel has produced a winning combination of research, history and practical theology with this wonderful piece. bishop david oyedepo and: *The Spirit of Acceleration* Tobe Momah, MD, 2019-10-21 As many have had their hope deferred, and their hearts sickened as a result, The Spirit of Acceleration offers a rekindling of that hope. The Spirit of Acceleration does, in seconds or minutes, what would normally take months or years to accomplish. Wherever the Spirit of Acceleration dawns, God quickens things up. These last days are not a time for despair, but a time for delight, demonstration, and deliverance. According to apostle Peter, it will be a time of refreshing (and)...restitution of all things (Acts 3:19-21). This book espouses fundamental principles that guarantee speed and strength for the last-day church before Jesus returns. In this book, God teaches believers to work with wisdom so they can be backed up by kingdom wealth and accomplish God's end-time agenda. The last-day Spirit of Acceleration is God's last push to close the age and herald the return of the Lord Jesus Christ. Only a church militant and on the move, however, can eject the enemy and get victory in life. It takes speed to shine in life and going to manifest his glory! God has saved the best for the last. A glory that is unprecedented is about to shine forth from the church, and it will herald his coming and be characterized by unusual speed and uncommon glory. That is why in Romans 9:28-30, the Bible says He will finish the work, and cut it short in righteousness: because a short work will the Lord make upon the earth...(so that)...the Gentiles, which followed not after righteousness, have attained to righteousness, even the righteousness which is of faith.

bishop david oyedepo and: *Global Pentecostal and Charismatic Healing* Candy Gunther Brown, 2011-02-24 Pentecostal and Charismatic Christianity is a global phenomenon that comprises a quarter of the world's two billion Christians and is growing rapidly. This volume reveals that the primary appeal of pentecostalism worldwide is as a religion of healing. Contrary to popular stereotypes of flamboyant, fraudulent, anti-medical faith healing televangelists who preach a materialistic, health and wealth gospel, handle serpents, or sensationally exorcize demons, this book offers a more nuanced portrait. The collected essays illumine local variations, hybridities, and tensions in practices on six continents, and depict the extent of human suffering and powerlessness experienced by people everywhere and the attractiveness to many of a global religious movement that promises material relief by invoking spiritual resources. This is the first book of its kind. Achieving the twin goals of thick description and comparative analysis of global practices is best achieved by bringing area experts into conversation. This volume's distinguished, international team of contributors includes sociologists, anthropologists, historians, political scientists, theologians, and religious studies scholars from North America, Europe, and Africa. Read together, these essays set the agenda for a new program of scholarly inquiry into some of the largest forces of change at work in the world today-globalization, pentecostalism, and healing-each of which is extremely powerful in itself and which together are reshaping our world in vastly significant ways.

bishop david oyedepo and: Reverse Mission: the Dialectics of the Nigerian Religioscape Nelson Olusegun Adewole, 2022-08-08 It is obvious that Pentecostalism according to this work is a force to reckon with in the contemporary Christianity. No doubt it has created permanent positive and negative impact on the mainline churches therefore; religious landscape cannot be the same again. Now that some (Pentecostals) are returning to the mainline churches, it shows either that the initial intention has selfish tendencies or that there are some terms of liturgy, faith experiences, and

theology in the mainline that cannot be compromised. There is need to articulate a model of Church that will explicate theologically, and ecclesiology, the reality of the Christian faith in the contemporary society, capable of making the encounter between God and humanity an experimental reality. I humbly appreciate this piece and recommend it for publishing. The Rt. Revd. Dr. J. Akin Atere, Bishop, Diocese of Awori & Old Testament Scholar

Olofinjana, 2011-02-04 Ever so often a book comes along that I feel should have been written years ago, and this book is one of them. As a Christian who found faith in Nigeria in the 80s, I was intrigued by stories about 'God Generals, those men and women that led 20th century revivals across the world (most of them in the West). Now I have in my hands, a book that shares some of the stories of some of my fellow countrymen who shaped the faith landscape in Nigeria. I am really impressed with the diversity of the leaders identified and the depth of the research undertaken. This book, in my view, should be a must read for anyone interested in origins of Pentecostalism in Nigeria. The Lord's sovereign work in the continent is going to impact the globe for generations to come. Thank God for the African church of Jesus Christ. Millions of strong and faithful believers are coming forth at this critical time as God builds His church. Dr Kent & Ruth Hodge, President of Christian Faith Institute, Jos, Nigeria. Christianity has been recognised to be a growing religion in Sub Sahara Africa. The expression of Christianity that is expanding in Africa is Pentecostalism. One reason for this growth is the renewal factor which has engulfed the whole continent. Nigeria is one of the countries that has and is still experiencing revival that is contributing to local and global Christianity. What is the origin of Pentecostalism in Nigeria? What contributions did the late Archbishop Benson Idahosa make to the Pentecostal scene in Africa? Why is RCCG one of the fastest growing Churches in the World? This book considers the history of Pentecostalism in Nigeria by looking at the pioneering efforts of men and women who laid the foundation of the Movement.

The evil, graft, and corruption in government and large institutions are being revealed to those willing to see and acknowledge the proof that is presented to them. But it seems nobody dares look behind the curtain of religion. When Martin Luther first visited Rome, he was shocked at the corruption and perversion of the Roman Catholic Church he witnessed—so shocked that he started the Protestant Reformation. But the dirty secret is that the deceit, fraud, graft, and corruption in Christianity, as well as other religions, has gotten greater and more pervasive since the beginning of the Protestant Reformation.
