

dog training classes for pitbulls

****Dog Training Classes for Pitbulls: Building a Strong Bond Through Effective Training****

dog training classes for pitbulls are becoming increasingly popular as more pet owners recognize the importance of structured training for this energetic and intelligent breed. Pitbulls, often misunderstood due to misconceptions about their temperament, can thrive with the right approach to training. These classes not only help in teaching obedience but also foster a positive relationship between the dog and its owner, ensuring a well-behaved and happy companion.

Why Choose Dog Training Classes for Pitbulls?

Pitbulls are known for their strength, agility, and loyalty. However, without proper guidance, their powerful nature can sometimes lead to behavioral issues. Enrolling your pitbull in specialized dog training classes offers many benefits beyond basic obedience.

Firstly, professional trainers understand the unique traits of pitbulls. They tailor training techniques that emphasize positive reinforcement, consistency, and patience, which are crucial for this breed. These classes help curb unwanted behaviors such as excessive barking, jumping, or pulling on the leash, making everyday life more enjoyable.

Additionally, dog training classes for pitbulls provide socialization opportunities. Meeting other dogs and people in a controlled environment helps reduce anxiety and aggression, promoting a balanced temperament. Socialization is especially critical during a pitbull's formative months to ensure they grow into confident, well-adjusted adults.

Addressing Common Pitbull Behavior Challenges

While pitbulls are affectionate and eager to please, they can sometimes display stubbornness or high energy levels that challenge owners. Training classes address several common issues:

- ****Leash pulling:**** Pitbulls are strong dogs, and without proper leash manners, walks can become stressful. Trainers teach owners how to use positive methods to encourage loose-leash walking.
- ****Jumping and excitement:**** Pitbulls often greet people with exuberance. Training helps them learn polite greeting behaviors.
- ****Resource guarding:**** Some pitbulls may try to protect toys or food. Professional guidance helps manage and reduce guarding tendencies.

- **Recall training:** Ensuring your pitbull reliably comes when called is vital for safety, especially given their strength and speed.

Types of Dog Training Classes Suitable for Pitbulls

Not all training classes are created equal, and choosing the right type can make a significant difference in your pitbull's progress.

Basic Obedience Classes

These classes focus on essential commands such as sit, stay, come, and heel. They are perfect for puppies and newly adopted pitbulls to establish foundational skills. Basic obedience is often the first step before moving on to more advanced training.

Advanced Obedience and Behavioral Training

For pitbulls that have mastered the basics, advanced classes work on refining skills and addressing specific behavioral issues. This may include impulse control, off-leash commands, and problem-solving exercises.

Agility and Physical Training

Pitbulls are naturally athletic, and agility classes provide both physical exercise and mental stimulation. These classes improve coordination and reinforce obedience in a fun, engaging setting.

Private Training Sessions

Some owners prefer one-on-one training tailored to their dog's unique needs and personality. Private sessions offer personalized attention, allowing trainers to focus on specific challenges or goals.

What to Expect in a Dog Training Class for Pitbulls

When attending dog training classes for pitbulls, it's helpful to know what

the experience will be like. Typically, classes include a combination of demonstrations, hands-on exercises, and guidance for owners on effective communication with their dogs.

Trainers emphasize positive reinforcement techniques, such as treats, praise, and play, which motivate pitbulls without fear or intimidation. Sessions often start with short, manageable exercises to keep the dog engaged, gradually increasing in complexity as skills improve.

Socialization is a key part of many classes, with controlled interactions between dogs to build confidence and reduce fear or aggression. Owners learn how to read their dog's body language and how to intervene appropriately if needed.

Training Tools and Equipment

Many classes recommend or provide tools that support effective training, including:

- **Flat collars and harnesses:** For safe and comfortable control during walks.
- **Clickers:** Used in clicker training to mark desired behaviors.
- **Treat pouches:** Handy for rewarding your pitbull promptly.
- **Leashes:** Usually 6 feet long to allow some freedom while maintaining control.

Avoid punitive tools like choke chains or prong collars, as these can cause harm and damage the trust between you and your dog.

Tips for Maximizing Success in Pitbull Training Classes

Training your pitbull is a journey that requires consistency and patience. Here are some tips to get the most out of your dog training classes:

Start Early and Be Consistent

The earlier you begin training, the easier it is to shape your pitbull's behavior. Consistency in commands, routines, and expectations helps your dog

learn faster and reduces confusion.

Engage in Daily Practice

Classes typically meet once or twice a week, but practicing commands and exercises daily reinforces learning. Short, frequent training sessions work best to keep your pitbull focused.

Keep Training Positive and Fun

Pitbulls respond best to encouragement and rewards. Celebrate small victories and keep sessions upbeat. Avoid punishment, which can lead to fear or aggression.

Socialize Regularly

Beyond classes, expose your pitbull to various environments, people, and other dogs. This broadens their comfort zone and reduces behavioral problems stemming from fear or overexcitement.

Finding the Right Trainer and Class for Your Pitbull

Selecting a qualified trainer experienced with pitbulls is crucial. Look for trainers who use positive reinforcement methods and have a solid reputation in your community. Many trainers offer trial classes or consultations to help you determine the best fit.

Local dog training centers, specialty breed clubs, and even online platforms may offer suitable classes. Reading reviews, asking for recommendations, and visiting classes beforehand can ensure you find a supportive and effective environment for your pitbull.

Community and Support

Joining a community of pitbull owners who are also engaged in training can be invaluable. Sharing experiences, tips, and encouragement helps keep motivation high and provides solutions to challenges along the way.

Training classes for pitbulls are more than just lessons—they're an investment in your dog's happiness and your relationship. With the right approach, patience, and expert guidance, you can unlock your pitbull's full potential and enjoy the loyal, loving companion this breed is known to be. Whether starting with basic obedience or exploring advanced agility, dog training classes for pitbulls pave the way to a balanced, confident, and well-mannered dog.

Frequently Asked Questions

What are the benefits of enrolling a pitbull in dog training classes?

Enrolling a pitbull in dog training classes helps improve obedience, socialization, and behavior management, making them well-adjusted pets and reducing the risk of aggressive tendencies.

At what age should I start training my pitbull in a dog training class?

It is best to start training pitbull puppies as early as 8 weeks old to establish good habits early, though adult pitbulls can also benefit from training classes.

Are there specific dog training classes designed for pitbulls?

Yes, some trainers and training centers offer classes tailored to pitbulls, focusing on their unique temperament, energy levels, and behavioral needs.

How do dog training classes help with pitbull aggression issues?

Training classes use positive reinforcement techniques to manage and reduce aggressive behaviors by teaching impulse control, socialization skills, and obedience commands.

What should I look for when choosing a dog training class for my pitbull?

Look for certified trainers experienced with pitbulls, positive reinforcement methods, small class sizes, and programs that include socialization and behavior modification.

Can dog training classes help with leash pulling and hyperactivity in pitbulls?

Yes, training classes teach leash manners and provide mental and physical exercises that help reduce hyperactivity and improve control during walks.

Are group dog training classes suitable for pitbulls?

Group classes can be beneficial for pitbulls as they offer socialization opportunities, but it is important the class is well-managed and the trainer can handle strong or energetic dogs.

How long do pitbull training classes typically last?

Most dog training classes last between 6 to 8 weeks, with weekly sessions ranging from 45 minutes to an hour, though duration can vary based on the program and the dog's progress.

What training methods are most effective for pitbulls?

Positive reinforcement methods, including treats, praise, and clicker training, are most effective for pitbulls, as they respond well to reward-based training rather than punishment.

Can I train my pitbull myself or do I need professional dog training classes?

While basic training can be done at home, professional dog training classes provide expert guidance, socialization opportunities, and behavior correction that are especially helpful for pitbulls.

Dog Training Classes for Pitbulls: A Professional Review and Analysis

dog training classes for pitbulls have gained considerable attention in recent years, reflecting a broader shift in how society perceives and manages this often misunderstood breed. Known for their strength, intelligence, and loyalty, pitbulls require specialized training approaches that address their unique temperaments and physical capabilities. This article explores the landscape of dog training classes tailored for pitbulls, evaluating their methodologies, effectiveness, and the challenges trainers and owners face when working with this breed.

Understanding the Need for Specialized Pitbull Training

Pitbulls, encompassing breeds such as the American Pit Bull Terrier, American Staffordshire Terrier, and Staffordshire Bull Terrier, have historically been labeled as aggressive or difficult to manage. However, recent studies and expert opinions highlight that the breed's behavior is highly influenced by training and environment rather than inherent aggression. Consequently, dog training classes for pitbulls focus heavily on socialization, obedience, and controlled exposure to various stimuli.

Unlike more passive breeds, pitbulls possess a high energy level and muscular build, which demands rigorous physical and mental engagement. Training classes designed specifically for pitbulls recognize these characteristics, integrating strength management techniques alongside behavioral conditioning. This dual approach helps mitigate potential risks while enhancing the dog's natural positive traits, such as loyalty and eagerness to please.

Key Features of Effective Pitbull Training Classes

When evaluating dog training classes for pitbulls, several critical features emerge as vital to their success:

- **Positive Reinforcement Methods:** Most reputable trainers employ reward-based systems, using treats, praise, and play as incentives to encourage desired behaviors. This method fosters trust and reduces fear-based reactions.
- **Early Socialization:** Classes often emphasize exposing pitbull puppies and adolescent dogs to other dogs, people, and various environments to prevent future behavioral issues.
- **Focus on Impulse Control:** Given their powerful physique, pitbulls benefit from exercises that teach patience and restraint, such as "sit," "stay," and "leave it" commands practiced under distraction.
- **Customized Training Plans:** Trainers often tailor programs based on individual dog temperament, age, and behavioral history, ensuring an adaptive and personalized approach.
- **Owner Education:** Responsible training classes include owner participation, teaching handlers how to maintain consistency and reinforce training outside the classroom.

Comparing Training Modalities for Pitbulls

Dog training classes for pitbulls come in various formats, each with distinct advantages and limitations. Understanding these can help owners choose the most suitable option.

Group Classes

Group sessions provide an environment for pitbulls to socialize under professional supervision. These classes often focus on basic obedience and social skills.

Pros:

- Opportunities for controlled social interaction.
- Cost-effective compared to private sessions.
- Owners can observe and learn alongside other handlers.

Cons:

- Less individualized attention.
- May overwhelm some dogs, particularly those with anxiety or aggression issues.

Private Training

One-on-one sessions offer personalized instruction tailored to the pitbull's specific needs and the owner's goals.

Pros:

- Customization of training techniques and pace.
- Focused attention on problematic behaviors.
- Trainers can work directly in the dog's home environment for practical application.

Cons:

- Higher cost.
- Limited socialization opportunities during sessions.

Specialized Behavioral Training

For pitbulls exhibiting aggression or other serious behavioral issues, specialized programs led by certified behaviorists are crucial.

Pros:

- Address complex behavioral problems with evidence-based methods.
- Use of comprehensive assessments to guide training plans.
- Often include medical or psychological consultations if necessary.

Cons:

- Can be expensive and time-intensive.
- Requires commitment from owner and dog.

Effectiveness and Outcomes of Pitbull Training Programs

Data on the success rates of dog training classes for pitbulls is somewhat limited, but anecdotal evidence and trainer testimonials indicate significant improvements in obedience, social behavior, and owner satisfaction when proper methods are applied. A study conducted by the American Veterinary Society of Animal Behavior suggests that consistent positive reinforcement and regular socialization reduce the likelihood of aggressive incidents in pitbulls by up to 60%.

Furthermore, pitbulls that undergo structured training tend to demonstrate higher adaptability, reduced anxiety, and better integration into family and community settings. This is particularly important in jurisdictions where breed-specific legislation may impose restrictions or require additional behavioral certifications.

Owner Commitment and Its Role in Training Success

The effectiveness of dog training classes for pitbulls is heavily dependent on owner engagement. Pitbulls thrive when training is consistent, clear, and continuous beyond formal classes. Trainers emphasize that owners must maintain routines, reinforce commands, and provide adequate physical and mental stimulation daily.

Owners who fail to apply learned techniques or underestimate the breed's strength and energy often encounter setbacks, reinforcing negative stereotypes associated with pitbulls. Therefore, education and realistic expectations are paramount components of any training program.

Challenges Unique to Training Pitbulls

Despite the benefits of professional training classes, pitbulls present certain challenges that trainers and owners must anticipate:

- **Misconceptions and Stigma:** Negative public perception can influence the availability of training resources and social opportunities for pitbulls.
- **Strong Prey Drive:** This breed often exhibits a high prey drive, requiring targeted impulse control exercises.
- **Physical Strength:** Pitbulls' muscular build necessitates early and consistent leash training to prevent pulling and potential injuries.
- **Legal Considerations:** Some regions impose restrictions that affect training and socialization options, complicating the process.

Addressing these challenges within dog training classes for pitbulls requires trainers to possess expertise not only in canine behavior but also in navigating social and legal frameworks.

Innovations in Pitbull Training Techniques

Modern training programs increasingly incorporate technology and scientific insights to enhance outcomes. Tools such as clicker training, remote reward dispensers, and video analysis allow for precise behavior modification and feedback. Additionally, some classes integrate fitness and agility components to channel the breed's energy constructively.

Such innovations reflect a growing recognition that pitbulls benefit from holistic training that combines mental stimulation, physical exercise, and emotional bonding with their handlers.

The evolving landscape of dog training classes for pitbulls underscores a broader cultural shift toward evidence-based, humane, and breed-specific approaches. As more owners and trainers share success stories and methodologies, the stigma surrounding pitbulls continues to diminish, paving the way for healthier, happier relationships between these dogs and their communities.

dog training classes for pitbulls: *Pit Bull* Bronwen Dickey, 2017-04-04 The controversial story of one infamous breed of dog--a New York Times Bestseller (Animals list). When Bronwen Dickey brought her new dog home, she saw no traces of the infamous viciousness in her affectionate pit bull. Which made her wonder: How had the breed—beloved by Teddy Roosevelt and Helen Keller—come to be known as a brutal fighter? Dickey’s search for answers takes her from nineteenth-century New York dogfighting pits to early twentieth-century movie sets, from the battlefields of Gettysburg to struggling urban neighborhoods. In this illuminating story of how a

popular breed became demonized--and what role humans have played in the transformation--Dickey offers us an insightful view of Americans' relationship with their dogs.

dog training classes for pitbulls: Pit Bull Nation - Special Edition Cindy Marabito, What goes on behind the scenes at a well-funded city shelter? Cindy Marabito tells the story from the trenches. Big money organizations shade the truth while millions of dogs are being destroyed because they look like a pit bull. Take this journey and peek inside the clanging metal doors where animals who have no voice are given a face and a story. Cindy Marabito makes it personal. Pit Bull Nation is the story of a woman who found a pit bull and how that one dog changed the course of her life. The chain of events which follow would discourage most people, but Cindy finds a connection with these dogs that gives her the strength to overcome adversity and confront her own fears. She finds a comrade and soul mate in these unwanted dogs whose very name and image inspire media frenzy. This book is a journey over the hills and valleys of rescue work and a tell all look from behind the scenes in the killing fields where most of these dogs are being slaughtered simply because they look like pit bulls. Cindy Marabito believes there is a solution for America's first native dog breed, the American Pit Bull Terrier. This book is Cindy's story about these extraordinary dogs and the people who believe in them. This book tells the story of Reunion Rescue saving thousands of pit bulls and other dogs placed into loving forever homes. Reunion Rescue is the home of the world's friendliest pit bulls with never so much as a nail scratch. Pit Bull Nation is their story, the rescue bible...all about saving, training, treating, feeding pit bulls and other animals. Part page-turner, part manual, 100% love. Hands down, the best pit bull book on the market.

Also included are a Note to Parents that stresses the importance of

spaying or neutering and microchipping pets, a Words to Know section to help young readers learn new vocabulary, and a Read About Dogs section to encourage further exploration.

dog training classes for pitbulls: The Ultimate American Pit Bull Terrier Jacqueline O'Neil, 2009-05-18 Congratulations! You own or are about to own one of the most distinguished breeds of the twentieth century, the American Pit Bull Terrier. Your dog is automatically feared and respected by other people, and it's up to you to be his caretaker and ambassador. This book will help you do both-and more. In the caretaking department, *The Ultimate American Pit Bull Terrier* will tell you everything you need to know about feeding your dog from puppyhood to old age. It will explain grooming essentials, like trimming toenails, cleaning ears, checking teeth, brushing and bathing. It will describe basic health concerns, from vaccination schedules to flea control to what to do in an emergency. As for being an ambassador for your breed, *The Ultimate American Pit Bull Terrier* will tell you all sorts of fun facts about the Pit Bull's history so you can boast about your dog and help people understand him for who he really is. Did you know *The Little Rascals'* devoted companion, Petey, was a Pit Bull? Or that the Pit Bull was the symbol of American strength and courage during World War I? It's true; the Pit Bull was once the all-American dog, a companion cherished for his excellent way with children, his playfulness and his doggy demeanor. In most homes, he still is. But it's also true that today Pit Bulls are associated more with crime than with companionship. *The Ultimate American Pit Bull Terrier* celebrates the breed for the kind of dog it is with the right owners. A dog with physical and mental stature whose intelligence, charm and energy make him a superb friend, fellow athlete and playmate. A Howell Dog Book of Distinction

dog training classes for pitbulls: American Pit Bull Terrier F. Favorito, 2011-07-26 This Comprehensive Owner's Guide to the American Pit Bull Terrier serves as a complete introduction to the dog who can do virtually anything, regarded by his owners as the smartest, most devoted, and most versatile dog in existence. Despite the breed's controversial beginnings as a fighting dog and reams of bad press it has garnered in contemporary times, lovers of the APBT defend the breed as one of the true red, white, and blue originals, worthy of high praise for its flawless devotion. Author F. Favorito sits firmly in this camp and details the breed's origins without apology, offering fascinating insight and detail that all breed lovers will relish. The author continues with chapters on characteristics and the breed standard encapsulating all of the virtues of this one-of-a-kind working terrier breed, offering sound advice about which owners are best suited (and worthy) to own this potentially challenging breed. New owners will welcome the well-prepared chapter on finding a breeder and selecting a healthy, sound puppy. Chapters on puppy-proofing the home and yard, purchasing the right supplies for the puppy as well as house-training, feeding, and grooming are illustrated with handsome adults and puppies bursting with energy and personality! In all, there are over 135 photographs in this compact, useful, and reliable volume. The author's advice on obedience training the ever-ready Pit Bull will help readers better mold and train their dogs into the most socialized, well-mannered bully in the neighborhood. The extensive chapter on healthcare provides detailed information on selecting a qualified veterinarian, vaccinations, parasites, infectious diseases, and more. Sidebars throughout the text offer helpful hints, covering topics as diverse as toxic plants, bloat, first aid, crate training, carsickness, fussy eaters, and parasite control. Fully indexed.

dog training classes for pitbulls: Pit Bull 101 HowExpert, Catherine Thompson, 2020-01-25 "Pit Bull 101" traces the loveable Pitbull from its historic ancestry to today. The dog's pedigree, genealogy, and temperament are illustrated. Pitbulls have been the subject of adverse legislation illegal operations, and public disquiet. By learning about the Pitbull, you will find that they are not dangerous, vicious, or difficult to train. Pitbulls have a varied history. They are not fighting dogs but rescue dogs, police dogs, dogs used for care, and support dogs. They will love you, unconditionally and be your most loyal friend. At one time in America's history, Pitbulls were known as America's dog. They were on war posters for WWI and WWII, the face of Buster Brown shoes, and known as nanny dogs. You have seen the Pitbull running with the Little Rascals and as a part of Rachael Ray's dog food commercial. The Pitbulls reputation was horribly damaged by magazine articles, media

prejudice, and the story of Michael Vick and his dogfighting project. Yet, these dogs that were horribly abused and tortured became happy and loving family pets and mascots. The Michael Vick tragedy changed the face of dog rescue. Fighting dogs are no longer indiscriminately "put down." The care and feeding of a Pitbull are outlined in the book. These same training techniques, feeding, and scheduling tips can be used for any dog, and if you are diligent and consistent, these tips will provide you with a Pitbull who will outlive any other breed. Now there are rescue societies and groups who understand what a Pitbull is, and they are working diligently to repair this breed's reputation. Own a Pitbull, and you will find that they are awesome dogs. About the Expert Catherine Thompson holds a Masters' Degree in Criminal Justice with an emphasis on grant writing. She has written thousands of articles that include natural health, drug rehab, dog training, investing and the metals industry, recipes, and how to cook organically. dog training classes for pitbulls: This is the American Pit Bull Terrier Richard F. Stratton, 1976 Describes the breed's general characteristics, particularly its inborn urge to fight, and highlights tales and several famous dogs that have nurtured the legend concerning its fighting fame.

dog training classes for pitbulls: Pit Bull Heroes Greg Murray, 2019-11-26 A celebration of forty-nine pit bulls doing a world of good, from the photographer behind Peanut Butter Dogs. Pit Bull Heroes spotlights forty-nine good boys and girls who beat the odds and became heroes in their families, neighborhoods, and communities. Meet Chad, found on a street corner, who now serves as the first pit bull in the pet therapy program at Children's Hospital of Philadelphia; Apollo, who finished first in his police training and now sniffs out narcotics at his full-time job in Washington State; and Charlie, who rallied an entire community to fight breed-specific legislation laws in

Lakewood, Ohio. All pit bulls; all heroes in their own way. Animal advocate and photographer Greg Murray captures these pit bull heroes in their day-to-day lives and shares their inspiring stories. Also included are helpful resources to show how you, too, can become an advocate for pit bulls and animal safety in your community. "A heartwarming testament to the incredible value dogs have in our lives. Greg captures these special friendships beautifully with his remarkable photography." —Maggie Marton, Oh My Dog blog "I hope and believe this inspiring, joyful book will help more dogs get adopted into homes so they can become heroes, too." —Arin Greenwood, author of Your Robot Dog Will Die

dog training classes for pitbulls: American Pit Bull Terrier Puppy Training Book for Pit Bull Terrier Puppies By BoneUP DOG Training Karen Douglas Kane, 2019-05-10 American Pit Bull Terrier Puppy Training Book for American Pit Bull Terrier puppies by BoneUp Dog Training Are You Ready to Bone Up And Easily Train Your American Pit Bull Terrier? All this in fact: American Pit Bull Terrier puppy training, American Pit Bull Terrier puppy, American Pit Bull Terrier for dummies, American Pit Bull Terrier savvy, American Pit Bull Terrier Book, Pit Bull Terrier puppy training, American Pit Bull Terrier puppy

dog training classes for pitbulls: The Lost Dogs Jim Gorant, 2011-09-06 An inspiring story of survival and our powerful bond with man's best friend, in the aftermath of the nation's most notorious case of animal cruelty. Animal lovers and sports fans were shocked when the story broke about NFL player Michael Vick's brutal dog fighting operation. But what became of the dozens of dogs who survived? As acclaimed writer Jim Gorant discovered, their story is the truly newsworthy

aspect of this case. Expanding on Gorant's Sports Illustrated cover story, *The Lost Dogs* traces the effort to bring Vick to justice and turns the spotlight on these infamous pit bulls, which were saved from euthanasia by an outpouring of public appeals coupled with a court order that Vick pay nearly a million dollars in restitution to the dogs. As an ASPCA-led team evaluated each one, they found a few hardened fighters, but many more lovable, friendly creatures desperate for compassion. In *The Lost Dogs*, we meet these amazing animals, a number of which are now living in loving homes, while some even work in therapy programs: Johnny Justice participates in Paws for Tales, which lets kids get comfortable with reading aloud by reading to dogs; Leo spends three hours a week with cancer patients and troubled teens. At the heart of the stories are the rescue workers who transformed the pups from victims of animal cruelty into healing caregivers themselves, unleashing priceless hope. Includes an 8-page photo insert. Watch a video

dog training classes for pitbulls: The American Pit Bull Terrier Jacqueline O'Neil, 1995-09-19 For book sales on individual dog breeds, this one tops all others. An all-American media-and family-favorite.

dog training classes for pitbulls: Beware of Dog Melissa Crawley, 2021-05-13 For many of us, the only way we meet dangerous dogs is through news reports about vicious attacks, and films and TV shows that feature out-of-control versions of man's best friend. But there's more to the Bad Dog's story than sensational headlines and movie beasts. A deeper look at these representations reveals a villain much closer to home. This book takes the reader on a rich journey through depictions of violent dogs in popular media. It explores how press accounts and screen stories transform canines into bloodthirsty hunters, rabies-infested strays, ferocious fighters, rogue law enforcement partners and diabolical pets, all adding up to a frightening picture of our usually beloved companions. But, when media tells the dangerous dog's story, it is often with a deep connection to the person on the other end of the leash.

dog training classes for pitbulls: Successful Dog Adoption Sue Sternberg, 2008-05-05 Expert guidance in choosing the right dog -the first time Written by a renowned expert in shelter adoption, Successful Dog Adoption delivers all the information you need to find the perfect dog at a shelter and make him part of your family. In easy-to-understand language, Sue Sternberg helps you decide if you're ready to adopt by evaluating your reasons and translating them into what you should look for in a particular dog. She shows you how to find a reputable shelter, prepare for the adoption process, and work with shelter personnel to make sure they have appropriately screened their dogs. You'll also learn about rescue dogs and why one might be right for you. This practical guide covers all the vital issues you need to consider when adopting-choosing a male or female, a puppy or an adult; identifying fearful dogs or dogs who will bite; and seeking out a dog with the ideal temperament. Featured here are detailed tests and observations used by professionals to ascertain the temperament and compatibility of shelter dogs-now made available to the public for the first time. You'll discover how to determine risk factors in an unknown dog, gauge a dog's potential reaction to guests and strangers, and predict the compatibility level when you add another dog to your household. This book also offers invaluable advice on training your new pet, including guidance in housebreaking, selecting a training class, and helping a dog who gets carsick or doesn't like to be home alone. And, if you still experience difficulties with your dog, Sternberg gently discusses the steps you can take. Authoritative and friendly, Successful Dog Adoption is the one-stop guide for finding your own superdog-and keeping the dog-owner relationship fresh and rewarding for years to come.
