

history of the golden globes

The Fascinating History of the Golden Globes

history of the golden globes is a story rich with glamour, controversy, and transformation, reflecting the evolving landscape of Hollywood and the entertainment industry at large. From its modest beginnings to becoming one of the most prestigious and widely watched award ceremonies, the Golden Globes have carved out a unique place in celebrating film and television excellence. Let's dive into the origins, key moments, and cultural significance that have shaped the Golden Globes over the decades.

Origins: How the Golden Globes Came to Be

The history of the Golden Globes began in the mid-20th century, specifically in 1943. The awards were established by the Hollywood Foreign Press Association (HFPA), a group of journalists based in Southern California who reported on the film industry for international audiences. Unlike the Academy Awards, which were created by industry insiders, the Golden Globes were conceived by foreign correspondents eager to recognize outstanding achievements in movies and later television.

In its inaugural ceremony, the Golden Globes honored films released in 1943, with a small, private gathering rather than the star-studded televised event we know today. Early awards focused mainly on film, but the Golden Globes quickly expanded their scope to include television, reflecting the growing importance of the medium.

Evolution and Expansion of the Awards

From Film to Television: Broadening the Scope

One of the pivotal developments in the history of the Golden Globes was the addition of television categories. This expansion came in the 1950s and marked the Globes as the first major awards ceremony to recognize television alongside film. This dual focus helped the Golden Globes stand out from other awards shows, offering a more comprehensive celebration of entertainment.

By the 1970s and 1980s, the ceremony had grown in popularity and prestige. The introduction of new categories for genres such as comedy, drama, and musicals allowed for a more nuanced recognition of talent. This genre-specific approach gave actors, directors, and writers more opportunities to be honored for their work.

The Iconic Golden Globes Trophy

The Golden Globe trophy itself is instantly recognizable – a golden globe encircled by a film strip, mounted on a pedestal. This symbol encapsulates the international spirit of the HFPA and the global reach of cinema and television. Over time, the trophy has become a coveted symbol of success, often displayed proudly by winners across the industry.

Noteworthy Moments in the History of the Golden Globes

The Golden Globes have not only celebrated artistic achievements but have also mirrored cultural shifts and sparked memorable moments in Hollywood history.

Historic Wins and Surprising Snubs

Throughout its history, the Golden Globes have been a platform for groundbreaking wins that

challenged Hollywood norms. For example, Sidney Poitier's win in the 1960s as the first Black actor to receive a Golden Globe was a landmark moment, paving the way for greater diversity in the industry. Similarly, the ceremony has sometimes been criticized for snubbing deserving films or performances, which adds an element of unpredictability and debate each year.

Controversies and Criticisms

No recounting of the history of the Golden Globes would be complete without touching on the controversies. The HFPA has faced criticism over the years regarding its membership transparency, diversity, and voting processes. In recent years, these issues have prompted calls for reform and have influenced how the ceremony is perceived by the public and industry professionals alike.

Additionally, the Golden Globes have occasionally been overshadowed by scandals involving celebrities or organizational decisions, impacting the awards' reputation. However, these challenges have led to efforts to modernize and improve the awards' credibility and inclusivity.

The Golden Globes' Impact on Hollywood and Pop Culture

The Golden Globes play a significant role in the awards season calendar, often seen as a precursor to the Oscars. The timing and influence of the Globes can boost a film's visibility and box office performance, making it a critical event for studios and artists.

Shaping Careers and Trends

Winning a Golden Globe can catapult an actor or filmmaker into the spotlight, sometimes providing their first major career breakthrough. For instance, many stars have cited their Golden Globe wins as key moments that opened doors to bigger projects and broader recognition.

Moreover, the Globes have helped popularize certain genres, styles, and narratives, reflecting and often shaping audience tastes. The ceremony's inclusion of television has also highlighted the growing prestige of TV productions, especially with the rise of streaming platforms.

A Unique Blend of Glamour and Casual Charm

Unlike other awards shows that can be ultra-formal and rigid, the Golden Globes are known for their relatively relaxed atmosphere. Held at the Beverly Hilton Hotel, the event features dinner tables and an intimate setting where celebrities mingle and deliver heartfelt, sometimes humorous acceptance speeches. This approachable vibe has endeared the Globes to viewers and participants alike.

Looking Forward: The Future of the Golden Globes

As the entertainment industry continues to evolve, so too does the history of the Golden Globes. Recent reforms within the HFPA aim to address past criticisms by diversifying membership and increasing transparency. These changes are essential to maintaining the Globes' relevance and integrity in a rapidly changing cultural landscape.

Technology and streaming services are also reshaping the kinds of productions that gain recognition, pushing the Golden Globes to adapt their categories and criteria. This evolution ensures that the awards continue to celebrate the best in storytelling, no matter where or how audiences consume content.

The history of the Golden Globes is a fascinating journey through the highs and lows of Hollywood's celebration of artistry. From its journalistic roots to its status as an entertainment staple, the Globes remain a beloved tradition that honors creativity, sparks conversation, and offers a glamorous glimpse into the world of film and television.

Frequently Asked Questions

When were the Golden Globe Awards first established?

The Golden Globe Awards were first established in 1944 by the Hollywood Foreign Press Association to recognize outstanding achievements in film.

Who founded the Golden Globe Awards?

The Golden Globe Awards were founded by the Hollywood Foreign Press Association, a group of international journalists based in Southern California.

How have the Golden Globes evolved over time?

Originally focused on film, the Golden Globes expanded to include television awards in 1956, making it one of the few ceremonies to honor both mediums.

What makes the Golden Globes different from the Oscars?

Unlike the Oscars, which are voted on by the Academy of Motion Picture Arts and Sciences, the Golden Globes are voted on by the Hollywood Foreign Press Association, a smaller group of international journalists.

Have the Golden Globes ever faced controversies in their history?

Yes, the Golden Globes have faced various controversies including accusations of lack of diversity within the HFPA and questions about the transparency of their voting process.

How has the Golden Globe Awards ceremony changed in recent years?

In recent years, the Golden Globes have updated their rules to improve diversity and inclusion within the HFPA and have also shifted their broadcast partnerships to reach wider audiences.

The History of the Golden Globes: Tracing the Evolution of Hollywood's Prestigious Awards

history of the golden globes reveals a fascinating journey through the evolution of Hollywood's most glamorous and influential award ceremony. Established as a beacon recognizing excellence in film and television, the Golden Globes have grown from a modest gathering into a globally watched event that often shapes the awards season narrative. Understanding this history not only provides insight into the entertainment industry's dynamics but also highlights the shifting cultural and professional landscapes that have influenced the ceremony's significance and format over the decades.

Origins and Early Development of the Golden Globes

The Golden Globe Awards were inaugurated in 1944 by the Hollywood Foreign Press Association (HFPA), a relatively small group of international journalists based in Southern California. Unlike the Academy Awards, which are voted on by industry professionals, the Golden Globes' unique perspective comes from foreign correspondents reporting on the U.S. entertainment industry for outlets outside the United States. This distinction helped the Golden Globes carve out a specific niche, combining a global viewpoint with Hollywood's star-studded glamour.

Initially, the awards focused exclusively on film, celebrating achievements in motion pictures. The first ceremony was a modest luncheon at the 20th Century Fox studios, where winners were announced publicly for the first time. Early recipients included notable figures such as Bing Crosby and Joan Fontaine, whose careers were emblematic of Hollywood's Golden Age. The awards quickly gained prestige, largely due to the HFPA's connections and the increasing reach of American cinema worldwide.

Expansion to Television and Category Evolution

A significant milestone in the history of the Golden Globes occurred in 1956 when television categories were introduced. This expansion mirrored the growing importance of television as a storytelling medium and signaled the HFPA's intent to remain relevant amid shifting entertainment consumption habits. The Golden Globes became one of the first major awards to acknowledge TV alongside film, a feature that continues to distinguish it from other ceremonies like the Oscars and Emmys.

Over the years, the categories have undergone numerous changes and refinements. For example, the awards segregate film into drama and musical/comedy categories, allowing a broader range of genres to receive recognition. This dual-category system is particularly notable, as it contrasts with the Oscars' more consolidated approach and often results in a more diverse slate of nominees and winners.

The Golden Globes' Role in the Awards Season Landscape

Positioned annually in January, the Golden Globes serve as a critical barometer for the awards season, which culminates with the Academy Awards. Industry insiders and audiences alike closely watch the Golden Globes because the results frequently influence Oscar predictions and campaign strategies. Winning or even receiving a nomination can significantly boost a film's or show's visibility, box office revenue, and critical reputation.

The Golden Globes are also known for their convivial atmosphere, often described as a cocktail party rather than a formal ceremony. This tone contributes to a more relaxed and spontaneous event, where celebrities interact at dinners and tables rather than isolated on a stage. Such a format contrasts with the more rigid structure of other awards shows and has been credited with creating memorable moments that resonate culturally.

Controversies and Challenges

Despite its prestige, the history of the Golden Globes is not without controversy. Criticism has been leveled at the HFPA over the years for a variety of issues, including questions about the transparency of its voting process, accusations of favoritism, and concerns regarding the diversity and representation within the organization. These criticisms culminated in heightened scrutiny during the early 2020s, prompting calls for reform and greater accountability.

The HFPA responded by implementing changes aimed at increasing inclusivity, such as diversifying its membership and revising its voting procedures. These efforts have been a pivotal chapter in the Golden Globes' history, reflecting broader societal demands for equity and fairness within entertainment industry institutions.

The Impact of the Golden Globes on Film and Television

The influence of the Golden Globes extends beyond mere accolades. By spotlighting emerging talent, international productions, and innovative storytelling, the awards have helped shape trends in Hollywood. For example, foreign-language films and limited series have gained greater prominence thanks to the HFPA's recognition, often preceding their wider acceptance in mainstream American markets.

Moreover, the Golden Globes have historically been a platform for advocacy and commentary. Winners and presenters frequently use their time in the spotlight to address social and political issues, contributing to the awards' role as a cultural touchstone. This intersection of entertainment and activism underscores the ceremony's evolving identity and its resonance with contemporary audiences.

Comparisons with Other Major Awards

When analyzing the history of the Golden Globes, it is instructive to compare them with other key industry awards like the Oscars and the Emmys. The Golden Globes' dual focus on film and television sets them apart, offering a unique vantage point on the entertainment ecosystem. Unlike the Oscars, the Globes are voted on by journalists rather than industry peers, which can result in different tastes and selections.

This distinction sometimes leads to divergent winners in major categories, adding an element of unpredictability to the awards season. Additionally, the Golden Globes' categorization of genres enables a wider variety of productions to be celebrated, which critics often view as both a strength and a limitation depending on one's perspective on award exclusivity versus inclusivity.

Looking Ahead: The Future of the Golden Globes

As the entertainment industry continues to evolve, the Golden Globes face the challenge of maintaining relevance amid changing viewer habits, digital streaming dominance, and increasing demands for transparency and diversity. The history of the Golden Globes demonstrates an ability to adapt—from expanding categories to reforming membership—suggesting that the awards will continue to play a significant role in shaping Hollywood's narrative.

Future ceremonies may further embrace global cinema and new media formats, reflecting the ongoing globalization and technological innovation within the entertainment sector. Whether through revamped voting processes or enhanced engagement with audiences, the Golden Globes are poised to remain a key fixture in the cultural calendar, continuing their legacy as a barometer of artistic achievement and industry trends.

history of the golden globes: Introduction to Leonardo DiCaprio Gilad James, PhD, Leonardo DiCaprio is a renowned American actor, producer, and environmental activist. Born on November 11, 1974, in Los Angeles, California, DiCaprio started his career in the entertainment industry in the late 1980s. DiCaprio first gained recognition for his role as Arnie Grape in the 1993 film "What's Eating Gilbert Grape," and later landed leading roles in films such as "Romeo + Juliet" (1996), "Titanic" (1997), "The Departed" (2006), and "The Revenant" (2015), among many others. Throughout his career, DiCaprio has been nominated for numerous awards, including six Academy Awards, and has won several, including a Best Actor Oscar for his role in "The Revenant." In addition to his work in the entertainment industry, Leonardo DiCaprio is also passionate about environmentalism. He has produced several documentaries focused on environmental issues, including "The 11th Hour" (2007) and "Before the Flood" (2016), and has established the Leonardo DiCaprio Foundation, which supports projects aimed at environmental conservation and climate change mitigation.

history of the golden globes: Award Season Mistakes Pasquale De Marco, The Oscars are the most prestigious awards in the film industry, but they have also been criticized for their lack of diversity, their bias towards certain genres, and their tendency to favor big-budget films over smaller, independent films. In this book, we take a critical look at the Academy Awards and examine some of the most egregious mistakes the Academy has made over the years. We look at films that were snubbed for Oscars, analyze why these films failed to win, and consider the impact of these snubs on the careers of the filmmakers involved. We also discuss the politics of Oscar voting and the role that studio campaigning plays in influencing the outcome of the awards. We also take a look at some of the alternative award shows that have been created in response to the perceived shortcomings of the Oscars. We analyze the strengths and weaknesses of these alternative shows and consider their potential to challenge the dominance of the Academy Awards. Finally, we look at the future of the Oscars and consider some of the proposed reforms that could make the awards more inclusive and representative of the film industry as a whole. This book is a must-read for anyone who loves movies and wants to understand the complex and often controversial world of the Academy Awards. It is also a valuable resource for filmmakers who want to learn how to make films that are more likely to be recognized by the Academy. With in-depth analysis and engaging writing, this book offers a fresh perspective on the Academy Awards and their impact on the film industry. It is a must-read for anyone who loves movies and wants to understand the complex and often controversial world of the Academy Awards. If you like this book, write a review!

history of the golden globes: The Complete History of American Film Criticism Jerry Roberts, 2010-02-01 The Complete History of American Film Criticism is a chronicle of the lives and work of the most influential film critics of the past 100 years. From the first movie review in the New York Times in 1896 through the Silent Era, the pre- and postwar years, the Film Generation of the 1960s, the Golden Age of the 1970s, and into the 21st century, critics have educated generations of discriminating moviegoers on the differences between good films and bad. They call attention to great directors, cinematographers, production designers, screenwriters, and actors, and shed light on their artistic visions and storytelling sensibilities. People interested in what the great film critics had to say have usually been shortchanged as to their backgrounds, and just why they are qualified to sit in judgment. Using mini-biographies, placed within a chronological framework, The Complete

History of American Film Criticism is the biography of a profession whose cultural impact has left an indelible mark on the 20th century's most significant art form.

history of the golden globes: *The History of the Book in the West: 19142000* Alexis Weedon, 2017-03-02 This collection brings together published papers on key themes which book historians have identified as of particular significance in the history of twentieth-century publishing. It reprints some of the best comparative perspectives and most insightful and innovatively presented scholarship on publishing and book history from such figures as Philip Altbach, Lewis Coser, James Curran, Elizabeth Long, Laura Miller, Angus Phillips, Janice Radway, Jonathan Rose, Shafquat Towheed, Catherine Turner, Jay Satterfield, Clare Squires, Eva Hemmungs Wirtén. It is arranged into six sections which examine the internationalisation of publishing businesses, changing notions of authorship, innovation in the design and marketing of books, the specific effects of globalisation on creative property and the book in a multimedia marketplace. Twentieth-century book history attracts an audience beyond the traditional disciplines of librarianship, bibliography, history and literary studies. It will appeal to publishing educators, editors, publishers, booksellers, as well as academics with an interest in media and popular culture.

history of the golden globes: *Hollywood Foreign Press Association* Timothy M. Gray, 2018

history of the golden globes: *The Power of Words A Compendium of Great Speeches from World Leaders* LornaMarie, 2018-07-09 This book is a treasure in the hands of anyone required to use oratory skill in their role. It is known in most countries of the world that lawyers are good orators, perhaps due to the nature of their profession, Barristers are known to address the court. Some of our world leaders past and present are great orators; it is, however, important to note that while not all of them were lawyers, they have delivered remarkable and memorable speeches to their respective nations. One of the qualities of a good leader is the ability to address the nation with good oratory skills. This book therefore explores the power and effect that words have on all of us.

history of the golden globes: *The Closet* Danielle Bobker, 2022-08-09 A literary and cultural history of the intimate space of the eighteenth-century closet—and how it fired the imaginations of Pepys, Sterne, Swift, and so many other writers Long before it was a hidden storage space or a metaphor for queer and trans shame, the closet was one of the most charged settings in English architecture. This private room provided seclusion for reading, writing, praying, dressing, and collecting—and for talking in select company. In their closets, kings and duchesses shared secrets with favorites, midwives and apothecaries dispensed remedies, and newly wealthy men and women expanded their social networks. In *The Closet*, Danielle Bobker presents a literary and cultural history of these sites of extrafamilial intimacy, revealing how, as they proliferated both in buildings and in books, closets also became powerful symbols of the unstable virtual intimacy of the first mass-medium of print. Focused on the connections between status-conscious—and often awkward—interpersonal dynamics and an increasingly inclusive social and media landscape, *The Closet* examines dozens of historical and fictional encounters taking place in the various iterations of this room: courtly closets, bathing closets, prayer closets, privies, and the moving closet of the coach, among many others. In the process, the book conjures the intimate lives of well-known figures such as Samuel Pepys and Laurence Sterne, as well as less familiar ones such as Miss Hobart, a maid of honor at the Restoration court, and Lady Anne Acheson, Swift's patroness. Turning finally to queer theory, *The Closet* discovers uncanny echoes of the eighteenth-century language of the closet in twenty-first-century coming-out narratives. Featuring more than thirty illustrations, *The Closet* offers a richly detailed and compelling account of an eighteenth-century setting and symbol of intimacy that continues to resonate today.

history of the golden globes: The Routledge Companion to American Film History

Pamela Robertson Wojcik, Paula J. Massood, 2025-02-12 Presenting new and diverse scholarship, this collection brings together original essays that explore American film history from a fresh perspective. Comprising an introduction and 34 chapters written by leading scholars from around the globe, and edited by Pamela Robertson Wojcik and Paula J. Massood, this collection offers discussions of the American film industry from previously unexplored vantage points. Rather than follow a chronological format, as with most film histories, this Companion offers a multiplicity of approaches to historiography and is arranged according to often underdeveloped or overlooked areas in American film, including topics such as alternate archives, hidden labor, histories of style, racialized technologies, cinema's material cultures, spectators and fans, transnational film production, intermedial histories, history in and about films, and the historical afterlives of cinema. An exciting collection for serious film studies students and scholars interested in new perspectives and fresh approaches to thinking about and doing American film history.

history of the golden globes: The American Story: 100 True Tales from American

History Jennifer Armstrong, 2006-08-22 American history comes alive in these 100 true stories that define our country. This magnificent treasury tells the story of America through 100 true tales. Some are tales of triumph—the midnight ride of Paul Revere, the Wright brothers taking to the air, Neil Armstrong's first steps on the moon. Some are tales of tragedy—the fate of the Donner Party, the great fire in Chicago, the eruption of Mount Saint Helens. There are stories of inventors and athletes and abolitionists and artists. Stories about struggling for freedom—again and again, in so many ways. With full-color illustrations on nearly every page and short, exciting stories, this book is perfect for browsing by the entire family. Notes at the end of each story direct readers to related stories. And a guide to thematic story arcs offers readers (and teachers) an easy way to follow their particular interests throughout the book. A treasure trove of a book that belongs in every home! "This lively and engaging collection of stories recounting American history is a wonderful gift not only to the children of this country but also their parents. I can't wait to share it with my grandchildren." —Tom Brokaw

history of the golden globes: Asian American History and Culture: An Encyclopedia Huping

Ling, Allan W. Austin, 2015-03-17 With overview essays and more than 400 A-Z entries, this exhaustive encyclopedia documents the history of Asians in America from earliest contact to the present day. Organized topically by group, with an in-depth overview essay on each group, the encyclopedia examines the myriad ethnic groups and histories that make up the Asian American population in the United States. Asian American History and Culture covers the political, social, and cultural history of immigrants from East Asia, Southeast Asia, South Asia, the Pacific Islands, and their descendants, as well as the social and cultural issues faced by Asian American communities, families, and individuals in contemporary society. In addition to entries on various groups and cultures, the encyclopedia also includes articles on general topics such as parenting and child rearing, assimilation and acculturation, business, education, and literature. More than 100 images round out the set.

history of the golden globes: Uncle John's Bathroom Reader: History's Lists Bathroom

Readers' Institute, 2012-08-15 Lots and lots of lists of quick and quirky historical facts, from the Stone Age to the Internet Age! Leave it to Uncle John to find a new way to make history fun and exciting! This quirky collection of lists is the latest volume in the Bathroom Reader's bestselling history series. Over 500 fact-packed pages will breathe life into history's most famous (and most unusual) stories. History buffs, trivia hounds, and readers looking for an educational snack will love learning about some of history's greatest—and strangest—events. In one great book, you'll find: * Two famous pioneering trails * Three one-armed men who lent a hand * Four famous folks who literally died laughing * Five horrifying medieval punishments * Six photographic firsts * Seven hotel rooms where history was made * Eight disgusting secret ingredients * Nine famous trains * Ten places you can't go * Eleven disasters that changed the world * Twelve fast food firsts, and much, much more!

history of the golden globes: "Can you say that on TV?" United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Telecommunications and the Internet, 2004

history of the golden globes: *From Shtetl to Stardom* Michael Renov, Vincent Brook, 2016-12-15 The influence of Jews in American entertainment from the early days of Hollywood to the present has proved an endlessly fascinating and controversial topic, for Jews and non-Jews alike. *From Shtetl to Stardom: Jews and Hollywood* takes an exciting and innovative approach to this rich and complex material. Exploring the subject from a scholarly perspective as well as up close and personal, the book combines historical and theoretical analysis by leading academics in the field with inside information from prominent entertainment professionals. Essays range from Vincent Brook's survey of the stubbornly persistent canard of Jewish industry control to Lawrence Baron and Joel Rosenberg's panel presentations on the recent brouhaha over Ben Urwand's book alleging collaboration between Hollywood and Hitler. Case studies by Howard Rodman and Joshua Louis Moss examine a key Coen brothers film, *A Serious Man* (Rodman), and Jill Soloway's groundbreaking television series, *Transparent* (Moss). Jeffrey Shandler and Shaina Hamermann train their respective lenses on popular satirical comedians of yesteryear (Allan Sherman) and those currently all the rage (Amy Schumer, Lena Dunham, and Sarah Silverman). David Isaacs relates his years of agony and hilarity in the television comedy writers' room, and interviews include in-depth discussions by Ross Melnick with Laemmle Theatres owner Greg Laemmle (relative of Universal Studios founder Carl Laemmle) and by Michael Renov with *Mad Men* creator Matthew Weiner. In all, *From Shtetl to Stardom* offers a uniquely multifaceted, multimediated, and up-to-the-minute account of the remarkable role Jews have played in American movie and TV culture.

history of the golden globes: *The Tao of Self-Confidence* Sheena Yap Chan, 2023-05-23 A WALL STREET JOURNAL BESTSELLER A PUBLISHERS WEEKLY BESTSELLER A guide for Asian women to tap into their confidence and joy, and shine as leaders in today's world In 2021, women represented 54.3% of the US workforce but only held 35% of senior leadership positions. Of that percentage, only 2.7% of Asian women were seen in management roles. While there have been great leaps for women in the workplace in the last decade, women of color still fall behind. *The Tao of Self-Confidence* book sets a foundation to help Asian Women start being seen as leaders in work and life rather than by our stereotypes. In this book, you'll read about: Getting to the root causes of what's holding you back and stepping into your greatness Cultural and historical issues that affect our leadership potential Finding and gaining more confidence as your authentic self With an honest and vulnerable approach, Yap Chan discusses and explores the specific challenges our community faces, historically and now in the midst of the pandemic, intergenerational and historical trauma, false stories we tell ourselves, and how we can rise above stereotypes. We'll tap into our inner joy, celebrate our authentic self, and awaken the leader within.

history of the golden globes: *Tell Your Story* Alice Fairfax, 2023-11-28 No more blank pages, no more sweaty palms! Filled with behind-the-scenes stories from a career storyteller at Walt Disney World, *Tell Your Story* delivers the secret formula to engage an audience. Alice Fairfax provides over 50 tools for not only writing a great story, but getting up and delivering one in person or online. With wit, warmth, and plenty of stories, *Tell Your Story* helps anyone seeking to overcome the stress and fears of being a great communicator—from the weekly social post to the annual board presentation, and everything in between!

history of the golden globes: *The Remarkable Rise of Transgender Rights* Jami Kathleen Taylor, Donald P. Haider-Markel, Daniel Clay Lewis, 2018-10-17 While medical identification and treatment of gender dysphoria have existed for decades, the development of transgender as a "collective political identity" is a recent construct. Over the past twenty-five years, the transgender movement has gained statutory nondiscrimination protections at the state and local levels, hate crimes protections in a number of states, inclusion in a federal law against hate crimes, legal victories in the courts, and increasingly favorable policies in bureaucracies at all levels. It has achieved these victories despite the relatively small number of trans people and despite the widespread discrimination, poverty, and violence experienced by many in the transgender

community. This is a remarkable achievement in a political system where public policy often favors those with important resources that the transgender community lacks: access, money, and voters. The Remarkable Rise of Transgender Rights explains the growth of the transgender rights movement despite its marginalized status within the current political opportunity structure.

history of the golden globes: *Crime in TV, the News, and Film* Beth E. Adubato, Nicole M. Sachs, Donald F. Fizzinoglia, John M. Swiderski, 2022-05-20 *Crime in TV, the News, and Film* provides a fresh look at the interplay between criminal events and the media outlets that cover them. The authors' diverse backgrounds— a criminologist researcher, a documentarian and media professor, a police officer, and a criminologist who is a former TV reporter— allow for frank discussion. Combining field experience with criminological research, the book gives insight to the everyday media operations that can produce most people's views on crime and profoundly influence public opinion— public opinion that often frames public policy. Viewers of crime dramas and consumers of news will gain a new understanding of the way their programs are produced. Readers will become more aware of the issues and biases that sometimes cloud perceptions of crime and criminals. Finally, both experts and scholars interested in the subject will improve their discernment of media stories and media depictions, shining a light on crime in a hazy field. This book can be used in the classroom for an array of courses in the fields of media and communications, criminology, sociology, and more.

history of the golden globes: *Negative Life* Steven Swarbrick, Jean-Thomas Tremblay, 2024-08-15 How films help us understand the inevitable death of Earth and humanity *Negative Life: The Cinema of Extinction* brings cinema studies, queer theory, and psychoanalysis into novel configuration around the concept of negative life, a sundering of human and nonhuman relations. Engaging a philosophical and cinematic corpus that rejects the pastoralism of "entanglement" or "enmeshment," Steven Swarbrick and Jean-Thomas Tremblay counter ecocritical pieties and cut a new path for theory. They examine films by Julian Pölsler, Kelly Reichardt, Lee Isaac Chung, Mahesh Mathai, Paul Schrader, and others that exemplify the existential contradictions currently intensifying amid the sixth mass extinction. Each case study testifies formally and thematically to negative life as a structural condition of thought and film. Together, the cases reveal the unlivable dimension of life and art, where form, desire, and nonbelonging tarry with the future-oriented promise of ecostudies—where all that lives connects. *Negative Life* militates against this promise, showing that faith in connection is a dead end.
