American Pageant 15th Edition: A Timeless Resource for U.S. History Enthusiasts

american pageant 15th edition has long been recognized as a cornerstone in the study of American history. Whether you're a high school student preparing for the AP U.S. History exam, a college undergraduate, or simply a history enthusiast, this edition of "The American Pageant" offers a comprehensive and engaging narrative that brings the story of the United States to life. In this article, we'll delve into what makes the 15th edition stand out, explore its content and structure, and share tips on how to make the most of this classic textbook.

Understanding the American Pageant 15th Edition

The American Pageant series, authored by Thomas A. Bailey, David M. Kennedy, and later contributors, has been a trusted resource for decades. The 15th edition continues the tradition of blending factual accuracy with vivid storytelling, making complex historical themes accessible and compelling.

What's New in the 15th Edition?

The 15th edition of American Pageant was updated to reflect recent historiographical developments and incorporate contemporary perspectives on U.S. history. This means that alongside traditional topics like the Constitution, the Civil War, and World War II, this edition includes discussions on social movements, cultural transformations, and evolving interpretations of historical events.

Key updates include:

- Expanded coverage of civil rights movements, including women's rights and LGBTQ+ history
- More emphasis on global context and America's role in international affairs
- Inclusion of recent scholarship to provide balanced and nuanced narratives

These enhancements make the 15th edition particularly relevant for today's students who are encouraged to think critically about history and its impact

on current society.

Structure and Content Highlights

One of the strengths of the American Pageant 15th edition is its clear organization and engaging presentation style. The book is structured chronologically, starting with pre-Columbian America and progressing through to the modern era.

Chronological Flow and Thematic Focus

Each chapter is designed to not only present facts but also to explore broader themes such as democracy, freedom, economic development, and social change. This approach helps readers see the interconnectedness of historical events and their lasting significance.

For example, early chapters focus on the Age of Exploration and colonization, setting the stage for the complex social and political dynamics that shaped the early colonies. Moving into the Revolutionary era and the formation of the Constitution, the narrative carefully examines the ideological foundations of the United States.

Later chapters highlight industrialization, immigration, the Progressive Era, and America's emergence as a global power in the 20th century. The final sections delve into contemporary issues, including Cold War conflicts, civil rights struggles, and the technological revolution.

Visual Aids and Supplementary Materials

The 15th edition is also notable for its rich collection of maps, political cartoons, photographs, and primary source excerpts. These visual aids help readers better understand the historical context and engage with the material in a multidimensional way.

Additionally, each chapter includes review questions, timelines, and summaries that reinforce key concepts and assist in exam preparation. This makes the American Pageant 15th edition not just a textbook but a comprehensive study guide.

Why Choose the American Pageant 15th Edition

for AP U.S. History?

For students taking AP U.S. History, the American Pageant 15th edition is often recommended because it aligns well with the AP curriculum framework. Its detailed content, combined with a narrative style that is both informative and enjoyable, helps students retain information more effectively.

Effective Study Strategies Using the American Pageant

To maximize learning from the American Pageant 15th edition, consider these tips:

1. **Active Reading:** Don't just passively read the chapters. Take notes, highlight key events, and jot down questions.
2. **Utilize Chapter Reviews:** Use the end-of-chapter summaries and questions to test your understanding and reinforce retention.
3. **Engage with Primary Sources:** Pay attention to the excerpts of historical documents and speeches included in the book. These provide insight into the perspectives of people who lived through the events.
4. **Create Timelines:** Mapping out timelines based on the chronological chapters can help visualize cause and effect relationships.
5. **Discuss and Debate:** Try discussing key themes or controversial topics with classmates or teachers to deepen your comprehension.

These methods will not only prepare you for exams but also cultivate a deeper appreciation for U.S. history.

Comparing the 15th Edition to Other Editions

While newer editions of American Pageant exist, the 15th edition remains popular due to its balance of detail and readability. Some students and educators prefer it for its straightforward approach and well-curated content.

Strengths and Considerations

- **Strengths:** Clear narrative, excellent visuals, comprehensive coverage, and alignment with AP standards.
- **Considerations:** Some newer editions include updated events and fresh perspectives that might not be present in the 15th edition.

Ultimately, the choice between editions may depend on your specific course requirements and personal preference. However, the 15th edition continues to be a valuable resource for a solid foundation in American history.

Additional Resources to Complement the American Pageant 15th Edition

To enhance your study experience, consider supplementing the textbook with additional materials such as:

- **Review Books:** AP U.S. History review books like those from Princeton Review or Barron's often provide condensed notes and practice tests.
- **Documentaries and Podcasts:** Visual and auditory materials can bring historical events to life and provide alternative explanations.
- **Online Practice Quizzes:** Websites dedicated to AP U.S. History offer practice questions that can reinforce your knowledge.

Combining these tools with the American Pageant 15th edition can create a well-rounded and engaging study regimen.

The American Pageant 15th edition remains a trusted companion for anyone eager to explore the rich tapestry of American history. Its engaging narrative, detailed content, and thoughtful features make it an indispensable resource for learners aiming to understand the past and its lasting impact on the present.

Frequently Asked Questions

What is 'The American Pageant 15th Edition' about?

The American Pageant 15th Edition is a widely used textbook for AP U.S. History courses that covers American history from pre-Columbian times to the 21st century, known for its engaging narrative and detailed content.

The 15th Edition of The American Pageant was authored by David M. Kennedy, Elizabeth Cohen, and Thomas A. Bailey.

What makes the 15th edition of 'The American Pageant' different from previous editions?

The 15th edition includes updated content reflecting recent historical scholarship, revised chapters for clarity, and new primary source documents to enhance student understanding.

Is 'The American Pageant 15th Edition' suitable for AP U.S. History exam preparation?

Yes, it is one of the most popular and comprehensive textbooks specifically designed to prepare students for the AP U.S. History exam.

Where can I find supplementary resources for 'The American Pageant 15th Edition'?

Supplementary resources such as study guides, quizzes, and lesson plans are available through the publisher's website, online educational platforms, and teacher resource sites.

Does 'The American Pageant 15th Edition' include primary source documents?

Yes, the 15th edition includes numerous primary source excerpts to help students engage with historical evidence and develop critical thinking skills.

How is the content structured in 'The American Pageant 15th Edition'?

The content is organized thematically and chronologically into chapters that cover major events, movements, and periods in American history with clear headings and timelines.

Can 'The American Pageant 15th Edition' be used for college-level American history courses?

Yes, due to its comprehensive coverage and depth, many college instructors also use The American Pageant 15th Edition as a textbook for introductory American history courses.

Additional Resources

American Pageant 15th Edition: A Detailed Review of the Popular U.S. History Textbook

american pageant 15th edition stands as a prominent resource in the realm of American history education, widely adopted by high schools and colleges across the United States. Known for its engaging narrative style and comprehensive coverage, this edition aims to provide students with a thorough understanding of American history from pre-Columbian times to the modern era. As the 15th iteration of this long-standing textbook, it reflects updates and revisions designed to align with contemporary pedagogical standards and historical scholarship. This article delves into the features, content structure, pedagogical approach, and overall effectiveness of the American Pageant 15th Edition, while situating it within the broader context of history textbooks used in U.S. education.

In-Depth Analysis of American Pageant 15th Edition

The American Pageant series has a reputation for blending storytelling with factual accuracy, making it a go-to text for educators aiming to engage students beyond rote memorization. The 15th edition continues this tradition by integrating updated historical interpretations and a more inclusive narrative. The textbook covers a wide span of U.S. history across its 42 chapters, providing a balanced mix of political, social, economic, and cultural perspectives.

Content and Coverage

One of the defining features of the American Pageant 15th Edition is its chronological structure, which takes readers through significant epochs such as Colonial America, the Revolutionary War, the Civil War, Reconstruction, the Gilded Age, both World Wars, the Civil Rights Movement, and contemporary political developments. Each chapter is meticulously crafted to highlight key events, influential figures, and transformative movements.

Moreover, this edition incorporates recent historical debates and scholarship, addressing topics like immigration, race relations, and economic change with greater nuance. The inclusion of primary source excerpts and political cartoons enriches the learning experience by providing students with direct engagement with historical materials.

Pedagogical Features and Learning Aids

The American Pageant 15th Edition is designed with a variety of pedagogical tools that assist both teachers and students. Features include:

- **Chapter Outlines:** Summaries at the beginning of each chapter help students grasp the main themes.
- **Review Questions:** These prompt critical thinking and reinforce comprehension.
- **Key Terms and People:** Highlighted throughout chapters to focus attention on essential concepts.
- **Maps and Visuals:** Detailed maps, charts, and photographs provide visual context and aid memory retention.
- **Online Resources:** The edition often comes with digital supplements, including quizzes, videos, and interactive timelines.

Such features are intended to foster a multidimensional understanding of U.S. history, encouraging students not only to memorize dates but also to analyze causation and consequences.

Comparison with Previous Editions and Competitors

Compared to earlier versions of the American Pageant, the 15th edition exhibits notable improvements in inclusivity and modern relevance. Where previous editions might have focused predominantly on political history, this edition expands its scope to include social history and diverse perspectives, reflecting shifts in historiography.

When juxtaposed with other popular U.S. history textbooks, such as "Give Me Liberty!" by Eric Foner or "A People's History of the United States" by Howard Zinn, the American Pageant 15th Edition occupies a middle ground. It is less ideologically driven than Zinn's narrative yet more engaging and less dry than some traditional textbooks. This balance has contributed to its sustained popularity in educational settings.

Strengths and Limitations

The strengths of the American Pageant 15th Edition lie in its accessible prose, comprehensive scope, and balanced presentation of complex events. The narrative style is particularly praised for making history relatable and interesting, which can help motivate students who might otherwise find the subject daunting.

However, some critiques have been raised regarding the textbook's occasional reliance on a somewhat traditional interpretation of history. While efforts are made to include multiple viewpoints, certain marginalized groups' experiences could be further amplified. Additionally, the dense volume of information might overwhelm some students, necessitating supplementary teaching support.

Impact and Usage in Academic Settings

The American Pageant 15th Edition is widely used in Advanced Placement (AP) United States History courses, where its thorough coverage aligns well with AP exam requirements. Its structured format and detailed content make it a valuable tool for both instructors and students preparing for rigorous assessments.

Teachers often appreciate the textbook's blend of narrative and analytical content, which facilitates classroom discussions and critical inquiry. The inclusion of primary documents and diverse media also supports varied learning styles, catering to visual, auditory, and kinesthetic learners.

Digital Integration and Accessibility

Recognizing the increasing role of technology in education, the 15th edition offers digital versions and online platforms that complement the printed textbook. These resources allow for interactive learning experiences, such as practice exams, flashcards, and video lectures, which enhance engagement and retention.

Moreover, the digital integration aligns with current trends in education technology, making the American Pageant 15th Edition adaptable to both in-person and remote learning environments. This flexibility has been particularly valuable in recent years, as schools navigate hybrid learning models.

Conclusion

The American Pageant 15th Edition remains a cornerstone in American history education, valued for its comprehensive approach and engaging presentation. While it faces competition from other history textbooks and evolving pedagogical trends, its blend of narrative storytelling, scholarly updates, and educational resources ensures its continued relevance. For educators seeking a dependable, well-rounded U.S. history textbook that balances depth with accessibility, the American Pageant 15th Edition presents a compelling option.

american pageant 15th edition: AP* U.S. History Review and Study Guide Aligned With American Pageant 15th Edition Mill Hill Books, 2015-10-08 Study guide and review for Advanced Placement United States History for the student serious about doing well in the course. It serves as a great resource either while going through the course, or at the end of the course as a review before the AP exam. This book is directly aligned with American Pageant so the student will do as well as possible during the course. Included are detailed outlines for each chapter. The outline links directly to the chapter and even chapter sub-sections making it great for a student taking U.S. History and using Bailey and Kennedy's American Pageant as his or her main text and who strives to excel in the course. Since history is really textbook-independent, students using other textbooks will also find this book very useful. Study guides for other editions of the textbook and digital editions (ebook/epub/ipad/others) can be found on lulu.com as well.

american pageant 15th edition: The American Pageant 15th Edition+ (AP* U. S. History) Student Activities Book David Tamm, 2016-03-22 Kaplan's, 5-Steps, Crash Course and other review books are great resources for that last month before the exam, but Tamm's Textbook Tools student activity books are meant to be an accompaniment all year long. This AP* U.S. History companion is filled with vocab and assignments that follow the Kennedy/Cohen fifteenth edition for all 42 chapters. They can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook. Teachers can copy at will, or the book can be used as a student consumable. As publishers began putting their content online, a niche for traditional classwork was opened, a void filled by this series. And whether the textbook itself is written in ink or electrons, many students still find it more valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, and diagram every chapter. Find TTT on FB.

american pageant 15th edition: The American Pageant, Volume 2 David M. Kennedy, Lizabeth Cohen, 2012-01-01 THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The Fifteenth edition includes

markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Additional pedagogical features make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Fifteenth Edition (Chapters 1-42); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-42). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

american pageant 15th edition: Comparative Perspectives on School Textbooks

Dobrochna Hildebrandt-Wypych, Alexander W. Wiseman, 2021-04-22 This book examines the discourses on nation-building, civic identity, minorities, and the formation of religious identities in school textbooks worldwide. It offers up-to-date, practical, and scholarly information on qualitative and mixed-method textbook analysis, as well as the broader context of critical comparative textbook and curriculum analyses in and across selected countries. The volume offers unique and empirical research on how internal educational policies and ideological goals of dominant social, political, and economic groups affect textbook production and the curricular aims in different educational systems worldwide. Chapters address the role of school textbooks in developing nationhood, the creation of citizenship through school textbooks, the complexity of gender in normative discourses, and the intersection of religion and culture in school textbooks.

american pageant 15th edition: Sweet Land of Liberty Rossi Anastopoulou, 2022-10-25 A delicious and delightful narrative history of pie in America, from the colonial era through the civil rights movement and beyond. With corresponding recipes for each chapter and sidebars of quirky facts throughout, this book—winner of the International Association of Culinary Professionals (IACP) Award for Best Literary or Historical Food Writing—is an entertaining, informative, and utterly charming food history for bakers, dessert lovers, and history aficionados alike. Ultimately, the story of pie is the story of America itself, and it's time to dig in. From the pumpkin pie gracing the Thanksgiving table to the apple pie at the Fourth of July picnic, nearly every American shares a certain nostalgia for a simple circle of crust and filling. But America's history with pie has not always been so sweet. After all, it was a slice of cherry pie at the Woolworth's lunch counter on a cool February afternoon that helped to spark the Greensboro sit-ins and ignited a wave of anti-segregation protests across the South during the civil rights movement. Molasses pie, meanwhile, captures the legacies of racial trauma and oppression passed down from America's history of slavery, and Jell-O pie exemplifies the pressures and contradictions of gender roles in an evolving modern society. We all know the warm comfort of the so-called "All-American" apple pie . . . but just how did pie become the symbol of a nation? In *Sweet Land of Liberty: A History of America in 11 Pies*, award-winning food writer Rossi Anastopoulou cracks open our relationship to pie with wit and good humor. For centuries, pie has been a malleable icon, co-opted for new social and political purposes. Anastopoulou traces the pies woven into our history, following the evolution of our country across centuries of innovation and change. Includes Illustrations

american pageant 15th edition: Cengage Advantage Books: The American Pageant, Volume 2: Since 1865 David Kennedy, Lizabeth Cohen, 2013-01-01 Developed to meet the demand for a low-cost, high-quality history book, this economically priced version of THE AMERICAN PAGEANT, Fifteenth Edition, offers readers the complete narrative while limiting the number of features, photos, and maps. All volumes feature a paperback, two-color format for those seeking a comprehensive, trade-sized history text. THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Additional features of THE AMERICAN PAGEANT help you understand and master the

content: chapter-ending chronologies provide a context for the major periods in American history, while other features present global context and key historical figures for analysis. Available in the following split options: CENGAGE ADVANTAGE BOOKS: THE AMERICAN PAGEANT, Fifteenth Edition Complete, Volume 1: To 1877, and Volume 2: Since 1865. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

american pageant 15th edition: *Law and Religion in Colonial America* Scott Douglas Gerber, 2023-11-02 By focusing on law, this book offers new insights into the history of religious liberty in colonial America.

american pageant 15th edition: *The Path of American Public Policy* Anne Marie Cammisa, Paul Christopher Manuel, 2013-12-20 Among all the worlds' democracies, the American system of government is perhaps the most self-conscious about preventing majority tyranny. The American constitutional system is predicated on an inherent ideational and institutional tension dating back to the foundation of the nation in the eighteenth century, which constrains innovative policy development. Namely, the framers designed a system that simultaneously seeks to protect the rights of the minority out of power and provide for majority rule. These opposing goals are based on the idea that limiting governmental power will guarantee individual liberty. *The Path of American Public Policy: Comparative Perspectives* asks how this foundational tension might limit the range of options available to American policy makers. What does the resistance to change in Washington teach us about the American system of checks and balances? Why is it so difficult (though not impossible) to make sweeping policy changes in the United States? How could things be different? What would be the implications for policy formation if the United States adopted a British-style parliamentary system? To examine these questions, this book gives an example of when comprehensive change failed (the 1994 Contract with America) and when it succeeded (the 2010 Affordable Care Act). A comparison of the two cases sheds light on how and why Obama's health care was shepherded to law under Nancy Pelosi, while Newt Gingrich was less successful with the Contract with America. The contrast between the two cases highlights the balance between majority rule and minority rights, and how the foundational tension constrains public-policy formation. While 2010 illustrates an exception to the rule about comprehensive policy change in the United States, the 1994 is an apt example of how our system of checks and balances usually works to stymie expansive, far-reaching legislative initiatives.

american pageant 15th edition: Teaching and Learning Difficult Histories in International Contexts Terrie Epstein, Carla Peck, 2017-08-07 Grounded in a critical sociocultural approach, this volume examines issues associated with teaching and learning difficult histories in international contexts. Defined as representations of past violence and oppression, difficult histories are contested and can evoke emotional, often painful, responses in the present. Teaching and learning these histories is contentious yet necessary for increased dialogue within conflict-ridden societies, reconciliation in post-conflict societies, and greater social cohesion in long-standing democratic nations. Focusing on locations and populations across the globe, chapter authors investigate how key themes—including culture, identity, collective memory, emotion, and multi-perspectivity, historical consciousness, distance, and amnesia—inform the teaching and learning of difficult histories.

american pageant 15th edition: *The Environment and International History* Scott Kaufman, 2018-12-13 Studies of the history of international relations traditionally have focused on the decisions made by those at the highest levels of government. In more recent years, scholars have expanded their attention to cover economic, cultural, or social interactions among nations. What has remained largely ignored, however, is the impact of an increasingly-interdependent world upon the environment and, conversely, how environmental concerns have affected the ecology, social relationships, economics, and politics at national, regional, and global levels. *The Environment and International History* fills this gap, looking at the interrelationship between international politics and the environment. Using a transnational and interdisciplinary approach, this book examines how

imperialism, war, and a divergence of interests between the developed and underdeveloped world all have had implications for plants, animals, and humans worldwide.

american pageant 15th edition: Fast Track to A 5 Mark Epstein (Educator), 2016 Prepares students for the advance placement United States history examination with an introductory strategy section, diagnostic test, and document-based questions for practice.

american pageant 15th edition: The American Pageant David M. Kennedy, Donald J MacLachlan Professor of History David M Kennedy, Lizabeth Cohen, 2011-12-01 The American Pageant, 15/e, International Edition enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The Fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Additional features of The American Pageant, 15/e, International Edition help readers understand and master the content: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present primary sources, scholarly debates, and key historical figures for analysis.

american pageant 15th edition: The University of Illinois Memorial Stadium Kevin Hinders, Benjamin Bross, 2024-10-28 This book offers a rigorous but graphically compelling narrative historic analysis of one of the most important civic buildings not only of the University of Illinois Urbana-Champaign, or the State of Illinois, but arguably of the United States, Memorial Stadium. Like all spatial products, the design and construction of the University of Illinois Memorial Stadium embodies the social, political, economic, aspiration, and aesthetic values of its time. This book will engage in critical analysis including documenting the civic discourse that led to the Stadium and thereafter explore the iterative nature of the Stadium in shaping civic discourse. In this vein, central topics include its role in embodying the state's economic growth; the changing nature of the sociocultural tendencies and its impact on campus life and the University's community; the Stadium's effects on UIUC sports and the campus' built environment; the rise of College sports as big business; and the impact on mass culture across the State and the country, like the use of stadiums as concert venues and place of public discourse. More than a simple study of the building's conceptualization, design, and construction, this book reveals why Illinois' Memorial Stadium is an iconic part of the American Midwest's built landscape and in many ways part of the American mythic landscape. This will be interesting reading for all those familiar with the building, as well as all students and scholars of sports architecture.

american pageant 15th edition: Founding Myths Ray Raphael, 2014-07-04 First published ten years ago, award-winning historian Ray Raphael's *Founding Myths* has since established itself as a landmark of historical myth-busting. With the author's trademark wit and flair, *Founding Myths* exposes the errors and inventions in America's most cherished tales, from Paul Revere's famous ride to Patrick Henry's "Liberty or Death" speech. For the seventy thousand readers who have been captivated by Raphael's eye-opening accounts, history has never been the same. In this revised tenth-anniversary edition, Raphael revisits the original myths and explores their further evolution over the past decade, uncovering new stories and peeling back additional layers of misinformation. This new edition also examines the highly politicized debates over America's past, as well as how school textbooks and popular histories often reinforce rather than correct historical mistakes. A book that "explores the truth behind the stories of the making of our nation" (National Public Radio), this revised edition of *Founding Myths* will be a welcome resource for anyone seeking to separate historical fact from fiction.

american pageant 15th edition: The International status of education about the Holocaust Carrier, Peter, Fuchs, Eckhardt, Messinger, Torben, Georg Eckert Institute for International Textbook Research (Germany), 2015-01-14 How do schools worldwide treat the Holocaust as a subject? In which countries does the Holocaust form part of classroom teaching? Are representations of the Holocaust always accurate, balanced and unprejudiced in curricula and

textbooks? This study, carried out by UNESCO and the Georg Eckert Institute for International Textbook Research, compares for the first time representations of the Holocaust in school textbooks and national curricula. Drawing on data which includes countries in which there exists no or little information about representations of the Holocaust, the study shows where the Holocaust is established in official guidelines, and contains a close textbook study, focusing on the comprehensiveness and accuracy of representations and historical narratives. The book highlights evolving practices worldwide and thus provides education stakeholders with comprehensive documentation about current trends in curricula directives and textbook representations of the Holocaust. It further formulates recommendations that will help policy-makers provide the educational means by which pupils may develop Holocaust literacy.

american pageant 15th edition: Autobiography of an Ex-white Man Robert Paul Wolff, 2005 Autobiography of an Ex-White Man is an intensely personal meditation on the nature of America by a White Philosopher who joined a Black Studies Department and found his understanding of the world transformed by the experience. The book begins with an autobiographical narrative of the events leading up to Wolff's transfer from a Philosophy Department to the W. E. B. Du Bois Department of Afro-American Studies at the University of Massachusetts, and his experiences in the Department with his new colleagues, all of whom had come to Academia from the Civil Rights Movement of the 1960s. Wolff discovered that the apparently simple act of moving across campus to a new Department in a new building worked a startling change in the way he saw himself, his university, and his country. Reading as widely as possible to bring himself up to speed in his new field of academic responsibility, Wolff realized after a bit that his picture of American history and culture was undergoing an irreversible metamorphosis. America, he realized, has from its inception been a land both of Freedom and of Bondage: Freedom for the few, and then for those who are White; Bondage at first for the many, and then for those who are not White. Slavery is thus not an aberration, an accident, a Peculiar Institution -- it is the essence and core of the American experience. Wolff's optimistic outlook leads him to express the hope that our acknowledging the realities of America's racial history and present will begin to tear down the formidable barrier to change. He sees this refashioning of the American story as a first step toward the crafting of a truly liberatory project. Robert Paul Wolff is Professor of Afro-American Studies at the University of Massachusetts-Amherst and the author of numerous books, including *Introductory Philosophy* and *In Defense of Anarchism*.

american pageant 15th edition: The American Pageant, Volume 1 David M. Kennedy, Lizabeth Cohen, 2012-01-01 THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The Fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Additional pedagogical features make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Fifteenth Edition (Chapters 1-42); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-42). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

american pageant 15th edition: Division and Imagined Unity in the American Renaissance Shawn Thomson, 2017-11-15 In examining the era's multivalent tropes of seams and seamlessness, Thomson provides an innovative understanding of the interplay between division and unity in the thought, culture, and literature of the American Renaissance. New insights are offered on works by major authors such as Nathaniel Hawthorne, Frederick Douglass, Walt Whitman, Herman Melville, Emily Dickinson, Henry David Thoreau, Solomon Northup, Harriet Jacobs, and Elizabeth Stoddard, along with marginal figures. Thomson expands the canon by recovering the unknown authors

Charles Edward Anthon and John S. Sauzade and recognizing their works as vital to the American Renaissance. Taking the 1844 display of the Holy Tunic at the Cathedral of Treves as its point of departure, Thomson sheds light on the controversy of the seamless garment in the New England press and explores its transmutation in Anthon's Pilgrimage to Treves, Hawthorne's *The Scarlet Letter*, Dickinson's poetry, and Melville's major novels. In excavating seamlessness as a cultural artifact of the American Renaissance, Thomson pursues a cultural studies approach to the fabric of antebellum life. Thomson reads the seams of material culture to reveal the meaning of the dressing gown and the keepsake in Dickinson's and Stoddard's lives and letters. Thomson positions Sauzade's Dickensian novel *The Spuytenduyvel Chronicle* as one of the first great works of the American metropolis and explores the spiritual-material dichotomy of the slave narratives of Douglass, Jacobs, and Northup. This book further reassesses the bitter literary rivalry between Melville and George Washington Peck, re-conceptualizes Melville the author through his relationship to the divided nation, and illuminates his failed idealism as a literary artist in *Pierre*. Thomson's approach to the interrelationship of material culture, technology, and the modes of literary production creates a new sense of the American Renaissance as a paradoxical seamless whole wherein its seams are exposed for all to see.

american pageant 15th edition: Beyond 1492 James Axtell, 1992-09-17 In this provocative and timely collection of essays--five published for the first time--one of the most important ethnohistorians writing today, James Axtell, explores the key role of imagination both in our perception of strangers and in the writing of history. Coinciding with the 500th anniversary of Columbus's discovery of America, this collection covers a wide range of topics dealing with American history. Three essays view the invasion of North America from the perspective of the Indians, whose land it was. The very first meetings, he finds, were nearly always peaceful. Other essays describe native encounters with colonial traders--creating the first consumer revolution--and Jesuit missionaries in Canada and Mexico. Despite the tragedy of many of the encounters, Axtell also finds that there was much humor in Indian-European negotiations over peace, sex, and war. In the final section he conducts searching analyses of how college textbooks treat the initial century of American history, how America's human face changed from all brown in 1492 to predominantly white and black by 1792, and how we handled moral questions during the Quincentenary. He concludes with an extensive review of the Quincentenary scholarship--books, films, TV, and museum exhibits--and suggestions for how we can assimilate what we have learned.

american pageant 15th edition: The American Pageant David M. Kennedy, Lizabeth Cohen, 2012-01-01 THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The Fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Additional pedagogical features make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Fifteenth Edition (Chapters 1-42); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-42). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
