

marriage interview questions and answers

****Marriage Interview Questions and Answers: Navigating the Path to a Stronger Relationship****

Marriage interview questions and answers have become an essential part of the process for couples preparing to take their relationship to the next level. Whether you're meeting with a counselor, a religious leader, or even preparing for a formal marriage interview required by immigration authorities, understanding the types of questions asked and how best to respond can make a significant difference. These conversations are less about grilling and more about fostering honest communication, mutual understanding, and setting realistic expectations for married life.

In this article, we'll explore the common marriage interview questions and answers you might encounter, provide insights on how to approach them with confidence, and discuss why these questions matter. Along the way, we'll naturally integrate related concepts like pre-marital counseling, relationship communication, and marriage readiness, ensuring you're well-prepared for this important step.

Why Are Marriage Interview Questions Important?

Marriage interview questions serve multiple purposes. For couples, they offer a valuable opportunity to reflect on their relationship dynamics, goals, and values. For officiants or counselors, these questions help assess the compatibility and readiness of the couple to commit to a lifelong partnership. In some cases, such as immigration or legal procedures, interviews help verify the authenticity of the relationship.

Understanding why these questions are asked can reduce anxiety and help couples approach the interview as a meaningful conversation rather than an interrogation. Being prepared with thoughtful answers can also demonstrate maturity and sincerity, which are crucial in building trust with the interviewer and between partners.

Common Marriage Interview Questions and How to Answer Them

While every marriage interview varies based on cultural, legal, or religious contexts, certain questions frequently appear across different settings. Here are some common marriage interview questions along with suggestions on how to answer them effectively.

1. How Did You Meet?

This is often an icebreaker question designed to ease tension and encourage storytelling. When answering, be honest and share your genuine experience. You might say:

> “We met through mutual friends at a dinner party. We connected instantly over our shared love for travel and music.”

Avoid overly rehearsed or vague responses, as authenticity is key here.

2. What Do You Love Most About Your Partner?

This question assesses the emotional bond and appreciation between partners. Highlight qualities that reflect your partner’s character, such as kindness, humor, or supportiveness:

> “I admire my partner’s patience and their ability to stay calm even in stressful situations. It’s something that really complements my personality.”

Providing specific examples can make your answer more heartfelt and credible.

3. How Do You Handle Conflicts in Your Relationship?

Conflict resolution skills are fundamental in marriage. Discussing how you manage disagreements shows maturity and communication skills:

> “We believe in talking things through openly and listening to each other’s perspectives. When tensions rise, we take a break and revisit the conversation calmly.”

Mentioning any tools like counseling, compromise, or active listening adds depth to your response.

4. What Are Your Future Plans Together?

Interviewers want to see that you share a vision for your life as a couple. This can include career goals, family plans, or lifestyle preferences:

> “We plan to support each other’s careers and eventually start a family. We also want to travel more and build a home filled with love and respect.”

Honesty about your goals ensures you’re both on the same page.

5. How Do You Support Each Other’s Families and Cultures?

Especially in intercultural or arranged marriages, understanding and respecting each other’s backgrounds is vital:

> “We make an effort to learn about each other’s traditions and celebrate important festivals together. We also communicate openly with our families to build strong relationships.”

This answer highlights cultural sensitivity and inclusivity.

Tips for Answering Marriage Interview Questions Confidently

Even if you know the questions in advance, answering them confidently requires more than memorization. Here are some tips to help you prepare:

Be Honest and Authentic

Interviewers appreciate sincerity. Avoid giving answers you think they want to hear. Instead, share your real thoughts and feelings, which will come across as more genuine.

Practice Active Listening

Sometimes, interviewers may ask follow-up questions based on your responses. Listen carefully and respond thoughtfully. This shows engagement and respect.

Prepare Together as a Couple

Discuss potential questions with your partner ahead of time. This ensures your answers don't contradict each other and helps you clarify your shared values.

Stay Calm and Composed

It's natural to feel nervous, but try to stay relaxed. Remember, the interview is a dialogue aimed at understanding your relationship better, not a test you must pass.

Understanding the Role of Pre-Marital Counseling in Marriage Interviews

In many traditions and legal systems, marriage interviews are part of a broader pre-marital counseling process. This counseling helps couples explore important topics such as financial management, communication styles, parenting philosophies, and expectations around intimacy. These sessions often include guided questions similar to those in marriage interviews.

Pre-marital counseling encourages couples to confront potential challenges before marriage and develop healthy habits for conflict resolution and mutual support. When couples attend counseling,

their responses during the marriage interview often reflect deeper self-awareness and readiness for commitment.

Marriage Interview Questions for Immigration Purposes

When marriage interviews are conducted for immigration, the focus shifts slightly to verifying the legitimacy of the relationship. Interviewers may ask detailed questions about daily habits, shared routines, and personal histories. Examples include:

- Where do you usually spend your holidays together?
- Can you describe your partner's family members?
- What side of the bed does your partner sleep on?
- What are your partner's hobbies or favorite foods?

These questions might seem intrusive, but they serve to confirm that the relationship is genuine and not solely for immigration benefits. Preparing for this type of interview involves reviewing your shared experiences in detail and practicing honest, consistent answers.

How to Use Marriage Interview Questions and Answers to Strengthen Your Relationship

Beyond interviews, these questions can be a powerful tool for couples to deepen their connection. Taking time to discuss your feelings, values, and future plans can prevent misunderstandings and build a stronger foundation. Here's how you can use them constructively:

- **Schedule regular check-ins:** Use some interview questions as conversation starters during quiet evenings together.
- **Identify areas for growth:** If certain questions reveal differences or uncertainties, consider seeking counseling or advice.
- **Celebrate shared values:** Reflecting on what you love about each other can boost appreciation and intimacy.

By viewing marriage interview questions as opportunities rather than hurdles, couples can nurture a more open and supportive partnership.

Final Thoughts on Preparing for Marriage Interviews

Approaching your marriage interview with an open mind and heart can transform it from a stressful event into a meaningful milestone. Remember, the goal of marriage interview questions and answers is to ensure both partners are ready for the commitment ahead and understand each other deeply. Whether it's a formal interview for legal purposes or a conversation with a counselor, embracing honesty and empathy will guide you through smoothly.

Preparation is key—take time to reflect on your relationship, communicate openly with your partner, and practice discussing your future together. With this approach, marriage interview questions become less about proving your relationship and more about celebrating it.

Frequently Asked Questions

What are common questions asked in a marriage interview?

Common questions in a marriage interview include inquiries about your background, reasons for marriage, understanding of marital responsibilities, future plans, and how you handle conflicts.

How should one prepare for a marriage interview?

To prepare for a marriage interview, research typical questions, reflect on your relationship and personal values, practice clear and honest communication, and be ready to discuss your commitment and compatibility with your partner.

What is the purpose of a marriage interview?

The purpose of a marriage interview is to assess the sincerity, compatibility, and intentions of the couple to ensure a stable and genuine marital relationship, often conducted by authorities or counselors.

How can I answer questions about financial stability in a marriage interview?

When answering questions about financial stability, be honest about your current situation, discuss your plans for managing finances together, and emphasize your commitment to transparency and shared financial responsibility.

What should I avoid saying during a marriage interview?

Avoid giving vague or dishonest answers, speaking negatively about your partner or family, showing a lack of commitment, or appearing unprepared. It's important to be respectful, sincere, and clear in your responses.

Marriage Interview Questions and Answers: Navigating the Path to Marital Harmony

marriage interview questions and answers form a crucial component in the process of understanding compatibility between partners, whether in the context of arranged marriages, counseling sessions, or even immigration interviews. These questions serve as a structured method to explore the values, expectations, and communication styles of prospective spouses, providing insights that can predict the strength and longevity of the relationship. In today's evolving social landscape, where cultural nuances and individual preferences intersect, mastering the art of marriage interview questions and answers has become indispensable for couples, counselors, and legal authorities alike.

The Role and Importance of Marriage Interview Questions

Marriage interviews are designed to assess compatibility, reveal intentions, and address potential conflicts before they escalate. They are increasingly used not only in traditional arranged marriage settings but also in premarital counseling and legal procedures such as spousal visa applications.

The primary purpose of these interviews is to create a safe space where partners can discuss their expectations candidly. For example, questions about financial management, family planning, and conflict resolution strategies enable couples to align their life goals early on. Moreover, these conversations help identify areas requiring compromise or professional guidance, ultimately fostering stronger marital foundations.

Understanding the Types of Marriage Interview Questions

Marriage interview questions generally fall into several categories, each targeting a specific aspect of the relationship:

- **Personal Values and Beliefs:** Questions that explore religious views, cultural traditions, and ethical principles.
- **Communication and Conflict Resolution:** Inquiries about how couples handle disagreements and express emotions.
- **Financial Expectations:** Discussions on budgeting, income management, and financial responsibilities.
- **Family and Social Relationships:** Topics covering family involvement, social activities, and support systems.
- **Long-term Goals and Aspirations:** Questions about career ambitions, children, and lifestyle preferences.

By categorizing questions this way, interviewers and couples can ensure a comprehensive

understanding of compatibility without overlooking critical areas.

Common Marriage Interview Questions and How to Approach Them

Anticipating the questions that may arise during a marriage interview can empower couples to prepare thoughtful and genuine answers. Here is an analytical review of some frequently encountered questions alongside strategic approaches for responding effectively.

1. What are your expectations from marriage?

This open-ended question serves to gauge the partner's vision of marriage. A balanced answer might include emotional support, partnership, growth, and mutual respect. Avoid overly idealistic or vague responses; instead, focus on realistic and shared expectations.

2. How do you handle conflicts or disagreements?

Conflict resolution is a cornerstone of successful relationships. Providing examples of past experiences where calm communication or compromise helped resolve issues demonstrates maturity and emotional intelligence.

3. How do you plan to manage finances as a couple?

Financial compatibility is often a hidden yet significant factor in marital satisfaction. Clear articulation of budgeting plans, spending habits, and saving goals can prevent future misunderstandings.

4. What role does family play in your life?

Since family dynamics vary widely across cultures, discussing boundaries and involvement levels clarifies potential friction points, especially in extended family relationships.

5. Are you planning to have children? If so, how many and when?

Discussing family planning openly helps align future objectives and avoids assumptions that might lead to disappointment or conflict.

Analyzing Effective Responses: Features and Pitfalls

Effective marriage interview answers share several key features: honesty, clarity, and empathy. Being truthful about personal beliefs and experiences fosters trust, while clarity ensures the partner understands intentions without ambiguity. Empathy reflects an understanding of the partner's perspective, which is essential for mutual respect.

Conversely, pitfalls such as evasive answers, exaggerations, or dismissive attitudes can create doubts or reveal incompatibilities. For instance, giving overly ambitious or unrealistic expectations about marriage roles may signal potential problems in adapting to mutual compromise.

Integrating Cultural Sensitivity into Answers

In multicultural contexts, marriage interview questions and answers must reflect cultural sensitivity. Understanding and respecting each other's traditions, customs, and religious practices can significantly influence the quality of communication. For example, a question about family involvement might require nuanced responses that acknowledge both partners' cultural backgrounds.

This cultural awareness not only strengthens mutual respect but also enriches the relationship by blending diverse perspectives.

Utilizing Marriage Interview Questions in Premarital Counseling

Beyond legal or procedural uses, marriage interview questions are invaluable tools in premarital counseling. Counselors often employ these questions to facilitate dialogue between couples, uncover hidden concerns, and develop strategies for a successful marriage.

- **Identifying Conflict Triggers:** By discussing hypothetical scenarios, couples can recognize potential stress points.
- **Enhancing Communication Skills:** Role-playing responses to challenging questions improves openness.
- **Setting Realistic Expectations:** Clarifying goals around career, children, and finances reduces surprises post-marriage.

Such proactive engagement reduces divorce rates and promotes healthier relationships.

Comparison Between Arranged and Love Marriage Interview Questions

While the fundamental themes of marriage interview questions remain consistent, their emphasis differs between arranged and love marriages. In arranged marriages, questions often focus more on family background, cultural compatibility, and future planning, reflecting the involvement of families in the decision-making process. Love marriage interviews tend to explore emotional compatibility, personal growth, and shared interests, highlighting the individualistic basis of the relationship.

Understanding these nuances allows interviewers and couples to tailor their approach effectively, ensuring relevance and depth in their conversations.

Key Takeaways for Preparing Effective Marriage Interview Answers

Preparation is essential for navigating marriage interviews successfully. Here are important strategies to consider:

1. **Reflect Deeply:** Understand your own values and expectations before the interview.
2. **Practice Clear Communication:** Articulate your thoughts succinctly without ambiguity.
3. **Maintain Honesty:** Authenticity builds trust and prevents future conflicts.
4. **Show Empathy:** Acknowledge your partner's perspectives and feelings.
5. **Stay Open-Minded:** Be willing to compromise and adapt where necessary.

Couples who adopt these principles often experience more meaningful and productive interviews, laying a foundation for enduring partnerships.

Marriage interview questions and answers remain vital mechanisms for fostering transparency and understanding between partners. As marriage continues to evolve in complexity and diversity, the ability to engage in these interviews thoughtfully becomes an indispensable skill, promoting healthier and more resilient relationships in a variety of cultural and social settings.

He is licensed in the following jurisdictions: Nigerian Supreme Court.United States Supreme Court.New York State Supreme Court.United States Court of Appeal for the Fifth Circuit.United States Court of Appeal for the Sixth Circuit.United States Court of Appeal for the Tenth Circuit.United States District Court, Northern District of Texas.United States District Court, Eastern District of Texas.United States District Court, District of Colorado.

marriage interview questions and answers: Identity and Intimacy in Marriage Susan Krauss Whitbourne, Joyce B. Ebmeyer, 2013-11-11 Through the research on which this book reports, we have been given the unique opportunity to explore the complex nature of two of the most important issues in the lives of adults: identity and intimacy. It is with deep gratitude that we give credit to the 80 individuals in our sample who allowed us to explore these processes in their lives. Our purpose in

writing this book was, in some ways, a modest one. Both of us believed that research on the Eriksonian concept of intimacy was deficient in that it was limited to the reports of individuals about them selves. We maintained that this kind of research could provide only a narrow, and probably biased, view of the intimacy development of individuals. By obtaining complementary responses to the intimacy interview from both partners in a marital relationship, we hope to pave a new path that future researchers in this area will follow. Beyond this methodological advance, we intended that this book's theoretical focus could put a new perspective on the well-trodden path of research on marriage. This more ambitious goal is one that we faced with some trepidation. The literature on marital adjustment and satisfaction is vast and potentially overwhelming.

marriage interview questions and answers: *Hope-Focused Marriage Counseling* Everett L. Worthington Jr., 2013-02-04 Everett L. Worthington Jr. offers a comprehensive manual for assisting couples over common rough spots and through serious problems in a manner that is compassionate, effective and brief.

marriage interview questions and answers: *Naked and Unashamed* Davenia Jones Lea, 2016-03-30 After two years, Shula still can't believe her husband, Seth, is gone. In an effort to live again and to feel again, she accepts an offer to counsel women about marriage, love and fulfillment at Namaans, a Christian spa and retreat center designed to meet the spiritual, emotional, mental, and physical needs of women. It all begins with Shula's first week-long retreat, *Naked and Unashamed*, where she leads four women on a journey, exploring the ins and outs of the big S. Barbara's husband just retired and has finally joined her at home. She dreamed of this moment but so far nothing's changed. Barb reasons there must be passion after sixty, and she's hoping she'll discover ways to spice things up in more ways than adding cayenne pepper to her chicken tetrazzini. Lindsey hopes to boost her confidence as her wedding draws near. She's done it right-virgin til I do-yet the man she loves took an alternate route. How will Lindsey measure up to Gabriela, the mother of her fiancé's son, and how on earth will she fare as a stepmother and new wife? Then there's Savannah, who believes she has the perfect marriage. So why did her husband, Reed, suggest she attend this retreat? Savannah's hoping some new moves in the kitchen and bedroom will solve her problems. But Shula's hoping she can help Savannah uncover the root of her struggles and do what it takes to penetrate the wall that guards her heart. And finally there's Alex. She's already determined divorce is the answer. She makes six figures, six figures more than her husband, and runs her home single-handedly. She's convinced she really has no need for a husband and wonders why she married him in the first place. This week is her last-ditch effort to salvage her marriage, or at least give the illusion that she gave it her all before giving the loafer the boot. These four very different women united by Shula's unusual therapeutic tactics as well as the amazing staff, services and food at Namaans, make unexpected discoveries about marriage, love, and more importantly, themselves. Surprising truths are revealed, past wounds are healed, and precious relationships are made, all while learning to live free of guilt, pain, fear, sorrow, shame, and the lies of the enemy-free to live naked and unashamed.

marriage interview questions and answers: *U.S. Immigration* Edwin T. Gania, 2004 Explains the process of obtaining a green card, including documents, forms, and laws pertaining to qualifying and filing for a visa, and information on the INS interview and immigration court procedures.

marriage interview questions and answers: *Human Trafficking in Asia* Sallie Yea, 2014-01-03 By analysing the complex issues surrounding internal and cross-border human trafficking in Asia, and asserting critical perspectives and methodologies, this book extends the range of sites for discussion and sectors in which human trafficking takes place. The book re-centres human trafficking as an area of legitimate academic inquiry in a region that is often considered as an epicentre for human trafficking: East and Southeast Asia. It thus offers an in-depth analysis and up-to-date knowledge on research methodologies and engagements, patterns and forms of human trafficking, constructively critiquing anti-trafficking campaigns and discourses, and offering examples of good practice within the region that help us move beyond the impasse that currently

hampers human trafficking as a field of inquiry in the social sciences. Providing constructive avenues for human trafficking research to proceed methodologically, theoretically and ethically, this book is of interest to students and scholars of Politics, International Relations and Southeast Asian Studies.

marriage interview questions and answers: Research Interviewing Elliot George MISHLER, Elliot George Mishler, 2009-06-30 Interviews hold a prominent place among the various research methods in the social and behavioral sciences. This book presents a powerful critique of current views and techniques, and proposes a new approach to interviewing. At the heart of Elliot Mishler's argument is the notion that an interview is a type of discourse, a speech event: it is a joint product, shaped and organized by asking and answering questions. This view may seem self-evident, yet it does not guide most interview research. In the mainstream tradition, the discourse is suppressed. Questions and answers are regarded as analogues to stimuli and responses rather than as forms of speech; questions and the interviewer's behavior are standardized so that all respondents will receive the same stimulus; respondents' social and personal contexts of meaning are ignored. While many researchers now recognize that context must be taken into account, the question of how to do so effectively has not been resolved. This important book illustrates how to implement practical alternatives to standard interviewing methods. Drawing on current work in sociolinguistics as well as on his own extensive experience conducting interviews, Mishler shows how interviews can be analyzed and interpreted as narrative accounts. He places interviewing in a sociocultural context and examines the effects on respondents of different types of interviewing practice. The respondents themselves, he believes, should be granted a more extensive role as participants and collaborators in the research process. The book is an elegant work of synthesis--clearly and persuasively written, and supported by concrete examples of both standard interviewing and alternative methods. It will be of interest to both scholars and clinicians in all the various fields for which the interview is an essential tool.

marriage interview questions and answers: African-Australian Marriage Migration Henrike A. Hoogenraad, 2021-09-13 In African-Australian Marriage Migration: An Ethnography of (Un)happiness, Henrike A. Hoogenraad follows journeys of marriage migration among African-Australian couples. The study narrates these journeys as 'happiness projects', since for cross-border couples, happiness is connected to dreams for a life-long partnership that begins with the visa application. Yet, happiness is invoked as an aspired state rather than an achieved goal. The obstacles of government bureaucracy, institutional and everyday racism, and unrealistic expectations of romance prevent the hoped-for happy endings. This monograph upsets a 'scam artist' narrative that generalises migrant men and their sponsoring partners, and which obscures the difficult process of crossing borders both physical and intimate. Hoogenraad's work is a welcome contribution to anthropological literature on marriage migration.

marriage interview questions and answers: Dual-career Marriage Lisa R. Silberstein, 2014-01-14 Dual-career marriage, in which wife and husband each pursue a professional career, offers a window into the changing landscape of gender roles and relations. In the span of a single generation, the family in which both parents work outside the home has gone from being the exception to being the rule. This book examines the multi-layered implications this impressive, rapid change holds for the fabric of family and marital life and for the course of men's and women's work lives. Intensive interviews with dual-career wives and husbands provide rich information about four major issues: * In what ways and for whom do dual-career marriages replicate the traditional gender arrangements of one-career marriages, and in what ways do dual-career marriages represent a revolution in gender roles? * How do the two careers of spouses develop side by side, and in what ways do dual-career spouses help or hinder each other's careers? * How do work and family combine in dual-career marriages? * How are relationships between spouses and between parents and children affected by dual careers? This book presents a subtle, textured portrait of contemporary dual-career marriage -- examining the complicated interplay of expectations, behaviors, and emotions within and between dual-career spouses. The author observes that the centrality of family

or work to each spouse's sense of self powerfully affects how the couple negotiates the challenges posed by dual-career marriage, including feelings of competition between spouses, questions of geographic moves, and division of domestic tasks. The study illuminates many issues of clinical relevance, such as the common hazard of dual-career spouses having little time for marital intimacy once the rigorous demands of careers and children are met, and the complicated intrapersonal as well as interpersonal tensions generated by gender roles in transition.

marriage interview questions and answers: *Psychiatric Interviewing E-Book* Shawn Christopher Shea, 2016-09-19 With time at a premium, today's clinicians must rapidly engage their patients while gathering an imposingly large amount of critical information. These clinicians appropriately worry that the person beneath the diagnoses will be lost in the shuffle of time constraints, data gathering, and the creation of the electronic health record. *Psychiatric Interviewing: The Art of Understanding: A Practical Guide for Psychiatrists, Psychologists, Counselors, Social Workers, Nurses, and other Mental Health Professionals*, 3rd Edition tackles these problems head-on, providing flexible and practical solutions for gathering critical information while always attending to the concerns and unique needs of the patient. Within the text, Dr. Shea deftly integrates interviewing techniques from a variety of professional disciplines from psychiatry to clinical psychology, social work, and counseling providing a broad scope of theoretical foundation. Written in the same refreshing, informal writing style that made the first two editions best sellers, the text provides a compelling introduction to all of the core interviewing skills from conveying empathy, effectively utilizing open-ended questions, and forging a powerful therapeutic alliance to sensitively structuring the interview while understanding nonverbal communication at a sophisticated level. Updated to the DSM-5, the text also illustrates how to arrive at a differential diagnosis in a humanistic, caring fashion with the patient treated as a person, not just another case. Whether the reader is a psychiatric resident or a graduate student in clinical psychology, social work, counseling or psychiatric nursing, the updated third edition is designed to prepare the trainee to function effectively in the hectic worlds of community mental health centers, inpatient units, emergency rooms, and university counseling centers. To do so, the pages are filled with sample questions and examples of interviewing dialogue that bring to life methods for sensitively exploring difficult topics such as domestic violence, drug abuse, incest, antisocial behavior, and taking a sexual history as well as performing complex processes such as the mental status. The expanded chapter on suicide assessment includes an introduction to the internationally acclaimed interviewing strategy for uncovering suicidal ideation, the Chronological Assessment of Suicide Events (CASE Approach). Dr. Shea, the creator of the CASE Approach, then illustrates its techniques in a compelling video demonstrating its effective use in an interview involving a complex presentation of suicidal planning and intent. A key aspect of this text is its unique appeal to both novice and experienced clinicians. It is designed to grow with the reader as they progress through their graduate training, while providing a reference that the reader will pull off the shelf many times in their subsequent career as a mental health professional. Perhaps the most unique aspect in this regard is the addition of five complete chapters on Advanced and Specialized Interviewing (which comprise Part IV of the book) which appear as bonus chapters in the accompanying e-book without any additional cost to the reader. With over 310 pages, this web-based bonus section provides the reader with essentially two books for the price of one, acquiring not only the expanded core textbook but a set of independent monographs on specialized skill sets that the reader and/or faculty can add to their curriculum as they deem fit.

marriage interview questions and answers: *More Than a Great Wedding* Daryl Smith, 2009-09-16 No one leaves the wedding chapel anticipating the divorce court. Somehow it just happens. This book is about creating faith communities as hot houses where healthy marriages naturally grow in the rich soil of thriving relationships. Editable resources available via email.

marriage interview questions and answers: *Living More Human(e)ly?* Rebecca Leong, 2025-04-22 Does it really matter who one chooses to marry and how one makes a choice as to who to marry, or is it basically true that "you always marry the wrong person"? Was Jane Austen right in

her portrayals of couples marrying for “love,” for “comfort,” or for both? What about arranged marriages? Does “the one” exist? How about soulmates? Will getting involved in casual sex or “hook-up culture” affect one’s chances of eventually realizing “happy lifelong monogamy”? Are promoters of “purity culture” basically right that their approach will help lead to happy, lasting marriages? Can there be a way forward through the culture wars? Are dating apps any good? Virtue ethics is sometimes drawn upon for a dependable approach to couple relationships. But what does this approach consist of, and which “virtues” (as there are potentially very many) should one focus on, particularly when navigating dating culture in contemporary contexts? What light might theology, history, and the human sciences (including sociology and psychology) shed on these matters? Rebecca Leong offers findings from wide-ranging interdisciplinary studies that address these questions (and more), in the process developing a five-fold ethic and further building blocks for better approaches to dating in contemporary contexts.

marriage interview questions and answers: Handbook of Marriage and the Family

Marvin B. Sussman, Suzanne K. Steinmetz, Gary W. Peterson, 2013-06-29 To know where we are going as scholars, educators, and practitioners in the field of marriage and family life, we first need to know where we have been. A perusal of early texts on marriage and family life provides some thought-provoking insights into the accuracy of the saying what goes around, comes around. It is interesting to note who has been considered to be in a position to provide information on marriage and family life. Included in the eclectic collection of texts we reviewed were ministers whose focus was on spirituality, doctors who emphasized medical aspects of child and adult health, and public health professionals and home economists concerned with fighting disease, who emphasized cleanliness, order, fighting germs, and eliminating rodents and insects. There are also philosophers who drew from ancient texts when discussing family life and a count who assembled a group of German intellectual elites to address various topics. An insightful essay of this type is by Marta Karlweis (1926), in which she notes: There is no other fetish that society holds to so firmly as the conception woman, with all its usual associations of infantilism and dependence The child requires protection, is a minor and consequently a serf, but above all it possesses no spiritual existence. Neither doctorates or other distinctions nor the right to vote have as yet been able to dispel this sweet idea of the childishness of woman. which man cherishes. (p.

marriage interview questions and answers: Same-Sex Marriage Kathleen E. Hull,

2006-02-16 Fierce and often ugly battles are being waged, especially in the United States, over who is allowed to marry, what marriage signifies, and where marriage is headed. Kathleen Hull examines these debates, and data from interviews with over seventy people in same-sex relationships, to explore the cultural practices surrounding same-sex marriage and the legal battle for recognition. Arguing that the cultural and legal dimensions of marriage are closely intertwined, she shows how same-sex couples use marriage-related cultural practices, such as public commitment rituals, to assert the reality of their commitments despite lack of legal recognition. Though many same-sex couples see the law of the state to hold a unique cultural power to legitimate their relationships and identities, Hull finds that their opponents equally look to the law to re-establish a social normalcy that excludes same-sex relationships. This is a timely look at a contentious issue.

marriage interview questions and answers: The Solicitors' Journal , 1989

marriage interview questions and answers: Medicine Urban and Rural Systems Associates, 1976

marriage interview questions and answers: The Pastor's Wedding Manual Jim Henry,

1984-12-07 A collection of creative wedding ceremonies and helps to guide the pastor in making the wedding service a worshipful experience.
