**country living magazine subscription uk: Travelling Light** Alastair Sawday, 2017-07-06 A charming and beautifully written account of the pleasures of slow travel - for readers of Patrick Leigh Fermor, Colin Thubron and Eric Newby. 'Lawrence Sterne once suggested that we travel for one of just three reasons: imbecility of mind, infirmity of body or inevitable necessity. One might add

to Sterne's little list: envy, curiosity - or just too much bloody rain at home. Escape, in other words.' Campaigner, publisher and wanderer Alastair Sawday has spent his life travelling. En route he has unearthed a multitude of stories - stories of people ploughing their own furrows, of travellers' tales, stories from the 'front line' of his publishing, ruminations and reflections about places, people and ideas. In this deeply charming, erudite and spirited book, he shares his experiences and explores the value of travel. 'The richer our imaginations, the richer our travel experience. We British do things one way and the Spaniards another; there are unlimited ways of doing everything. Kindness is found in unexpected places, as is eccentricity. Eccentrics are an endangered species and need as much protection as does the house sparrow.' Travelling Light is a gradual awakening to the fragility of everything we love through contemplative, consciously slow journeying. Every visit uncovers difference - from France profonde to the darker side of Sicily, and to the woodland, flora, fauna, views and silence of rural Britain. Alastair Sawday gives voice to those of us who have climbed no mountains, discovered no rivers, created no great institutions, powered no legislation, changed very little - but who yearn to understand the world and make sense of its infinite variety.

- Over 450 magazines; and
- Over 600 publishers that don't charge fees.

International markets become more accessible than ever, with listings that cover both the main publishing centres of New York and London, as well as markets in other English speaking countries. With more and more agents, publishers, and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials, and no obscure listings padding out hundreds of pages. By including only what's important to writers – contact details for literary agents, publishers, and magazines – this directory is able to provide more listings than its competitors, at a lower price. The book also allows you to create a subscription to the [firstwriter.com](http://firstwriter.com) website for free until 2025. This means you can get free access to the [firstwriter.com](http://firstwriter.com) website, where you can find even more listings, and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions listings, searchable personal notes, and more. "I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like [firstwriter.com](http://firstwriter.com) that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now!" ~ Robin Wade; literary agent at the Wade & Doherty Literary Agency Ltd, and long-term [firstwriter.com](http://firstwriter.com) subscriber
