

when god winks at you by squire rushnell

****When God Winks at You by Squire Rushnell: Discovering the Signs of Divine Guidance****

when god winks at you by squire rushnell is more than just a book title; it's an invitation to notice the subtle signs and meaningful coincidences that life offers us every day. This inspiring work by Squire Rushnell has touched the hearts of millions, helping readers recognize those seemingly small moments that might actually be divine messages. If you've ever wondered whether there's a deeper purpose behind the events in your life, or if the universe is trying to communicate with you, this book offers a comforting perspective and practical insights.

Understanding the Essence of When God Winks at You by Squire Rushnell

At its core, **When God Winks at You** explores the idea that God (or the universe, depending on your beliefs) communicates through "winks" – those unexpected coincidences, flashes of insight, or little surprises that feel like more than mere chance. Squire Rushnell, a well-known author and television producer, uses his own life experiences and stories from others to illustrate how these divine nudges can guide us, reassure us, or simply brighten our days.

What Does a "God Wink" Mean?

The concept of a "God wink" is simple but profound. It suggests that certain moments in our lives—like seeing a special number repeatedly, bumping into an old friend at just the right time, or finding a meaningful object—are not random accidents but purposeful signals. These moments serve as reminders that we are connected to something larger and that help or guidance is often closer than we realize.

The Spiritual and Emotional Impact of Recognizing God Winks

One of the reasons **When God Winks at You by Squire Rushnell** resonates so deeply is because it offers hope and reassurance. Life can be challenging, unpredictable, and sometimes lonely, but noticing these signs can restore a sense of faith and comfort.

How Noticing God Winks Can Change Your Outlook

When you start paying attention to these divine signals, your perspective shifts. Instead of feeling isolated or overwhelmed, you begin to see life as a series of meaningful events. This awareness can:

- Increase your gratitude for everyday moments
- Help you feel more connected to others and to a higher power
- Encourage you to trust your intuition and decisions
- Provide comfort during difficult times

Practical Ways to Recognize and Interpret God Winks

Squire Rushnell's book doesn't just share uplifting stories; it also offers practical advice for tuning into these moments. Here are some tips inspired by **When God Winks at You by Squire Rushnell** to help you spot your own divine nudges:

1. **Stay Open and Mindful**

Pay attention to your surroundings and your feelings. Being present allows you to catch those small but meaningful moments.

2. **Keep a Journal**

Write down experiences that feel like "winks" or coincidences. Over time, you may notice patterns or messages emerging.

3. **Reflect on Your Intuition**

Sometimes a God wink is a gut feeling or a sudden insight. Trusting your intuition can lead you toward the right path.

4. **Look for Repeated Signs**

Numbers, symbols, songs, or phrases that keep appearing might be a form of communication. Don't dismiss these as mere chance.

5. **Share Your Stories**

Talking about your experiences with friends or family can deepen your understanding and encourage others to look for signs too.

The Role of Faith and Personal Beliefs in Experiencing God Winks

When God Winks at You by Squire Rushnell is inclusive and speaks to a broad audience, regardless of their specific religious beliefs. While the book uses the term "God," its message transcends any single faith tradition. Whether you see these moments as messages from God, the universe, angels, or your higher self, the underlying theme is connection and purpose.

How Different Beliefs Interpret God Winks

- **Christianity:** Often views God winks as divine intervention or confirmation of His presence.
- **Spiritual but Not Religious:** Might see these moments as signs from the universe or spiritual guides.
- **New Age or Metaphysical Views:** Consider God winks as synchronicities or manifestations of energy.

No matter your background, the book encourages you to remain open to the possibility that life's coincidences are more than random.

Why When God Winks at You by Squire Rushnell Continues to Inspire Readers

Since its publication, *When God Winks at You* has become a beloved classic, inspiring sequels and even a series of related books. Its appeal lies in its simplicity and positivity. In a world often filled with uncertainty and hardship, this book offers a gentle reminder that we are not alone.

Stories from Readers Who Found Comfort and Meaning

Many readers share how discovering the concept of God winks transformed their lives. For example, a person struggling with loss might notice a symbol that reminds them of their loved one, bringing peace. Others find motivation in seeing repeated number patterns during important moments, interpreting these as confirmation that they are on the right path.

Expanding the Message: Related Books and Media

If *When God Winks at You* by Squire Rushnell resonates with you, there are companion works that expand on the theme of divine signs and spiritual encouragement. Titles like *When God Winks at You Around the World* and *When God Winks at You Every Day* offer more stories and insights into how these moments appear across cultures and daily life.

Additionally, Squire Rushnell has contributed to inspirational media and talks that delve deeper into the psychology and spirituality behind recognizing divine signals.

Bringing the Concept of God Winks into Your Daily Life

Incorporating the idea of God winks into your daily routine can be a simple but powerful practice. Here are a few ways to make it part of your everyday awareness:

- Start your day by setting an intention to notice signs and meaningful coincidences.
- Practice gratitude for small blessings and moments of connection.
- Share your experiences with a community or group interested in spirituality or personal growth.
- Use reminders such as a special bracelet, stone, or image that symbolizes your openness to divine communication.

This practice not only enriches your spiritual life but can also boost mental well-being by fostering optimism and resilience.

When God Winks at You by Squire Rushnell invites us all to slow down, pay attention, and embrace the magic woven into the fabric of our lives. Whether you interpret these moments as messages from God, the universe, or simply as beautiful coincidences, opening your heart to these “winks” can lead to deeper meaning, hope, and joy.

Frequently Asked Questions

What is the main theme of 'When God Winks at You' by Squire Rushnell?

'When God Winks at You' explores the idea that God communicates with us through coincidences or 'winks,' suggesting that these moments are divine signs meant to guide and reassure us.

Who is the author of 'When God Winks at You' and what inspired him to write the book?

Squire Rushnell is the author, inspired by his own experiences with meaningful coincidences and a desire to share the comforting idea that God is always present in our lives through subtle signs.

What are some examples of 'God winks' mentioned in the book?

The book shares various stories such as meeting someone at the right moment, unexpected answers to prayers, or signs in nature that seem too coincidental to be random, all interpreted as 'God winks.'

How does 'When God Winks at You' encourage readers to view coincidences?

The book encourages readers to see coincidences as meaningful and purposeful,

suggesting they are messages from God that offer comfort, guidance, or confirmation in our daily lives.

Is 'When God Winks at You' based on religious teachings or personal experiences?

It is primarily based on personal experiences and anecdotal stories, drawing on spirituality and faith rather than formal religious doctrine.

What audience is 'When God Winks at You' best suited for?

The book is ideal for readers interested in spirituality, faith, and inspirational stories, especially those looking for reassurance that they are not alone in life's challenges.

Has 'When God Winks at You' inspired any related books or series?

Yes, Squire Rushnell expanded on the concept with additional books such as 'When God Winks at You: How God Speaks Directly to You Through the Power of Coincidence' and a series that continues the theme of divine signs.

What impact has 'When God Winks at You' had on readers and communities?

Many readers have found comfort and renewed faith through the book, often sharing their own 'God wink' experiences, which has fostered a supportive community centered on hope and spiritual connection.

When God Winks at You by Squire Rushnell: An Analytical Review of Divine Coincidences

when god winks at you by squire rushnell is a book that has intrigued readers seeking meaning in the seemingly random events of daily life. Authored by Squire Rushnell, a seasoned writer and producer, this work delves into the phenomenon of "God winks" – subtle signs and coincidences that suggest a divine presence guiding or communicating with individuals. The book has garnered attention not only for its spiritual insights but also for its ability to resonate with a broad audience, blending personal anecdotes with a universal quest for purpose and reassurance.

Exploring the Concept of 'God Winks'

At the heart of *When God Winks at You* by Squire Rushnell lies the idea that the universe, or God, sends small, meaningful signals to individuals. These “winks” are often overlooked coincidences or moments of serendipity that, when recognized, can offer comfort or direction. Rushnell’s approach is investigative rather than dogmatic, inviting readers to observe their own lives for these subtle affirmations.

The author defines a God wink as an event that appears coincidental but carries a deeper significance, often arriving just when one needs encouragement or clarity. This premise challenges skeptics to consider whether such instances are mere chance or evidence of a guiding force.

The Narrative Style and Reader Engagement

Rushnell’s writing style in *When God Winks at You* is conversational and accessible, making complex spiritual concepts approachable for a wide audience. He incorporates a variety of real-life stories, both personal and from readers, illustrating how these divine nudges manifest in everyday scenarios. This narrative technique enhances the book’s appeal, positioning it as both a self-help guide and a reflective spiritual text.

The book’s structure encourages active participation by prompting readers to recognize their own God winks, fostering a sense of connection and mindfulness. This interactive element distinguishes it from more abstract spiritual literature.

The Psychological and Philosophical Dimensions

Beyond its spiritual message, *When God Winks at You* offers fertile ground for psychological and philosophical analysis. The concept of noticing meaningful coincidences aligns with the theory of apophenia – the human tendency to perceive patterns or connections in random data. Rushnell’s framing, however, shifts apophenia from a cognitive bias to a potentially profound spiritual experience.

Philosophically, the book engages with questions of fate, free will, and divine intervention. It suggests that while individuals have agency, there exists a larger framework in which synchronicities serve as signposts. This duality appeals to readers grappling with uncertainty and seeking reassurance that their lives have purpose beyond randomness.

Comparative Insights: When God Winks at You and Similar Works

When god winks at you by squire rushnell can be compared to other spiritual and self-help books that explore the role of coincidence and divine messaging. For instance, works like "The Celestine Prophecy" by James Redfield and "Signs" by Laura Lynne Jackson similarly explore synchronicities and spiritual signs but from different perspectives – narrative fiction and psychic phenomena, respectively.

Rushnell's book distinguishes itself through its grounding in everyday life and its practical encouragement for readers to be alert to subtle signs without requiring adherence to specific religious doctrines. This inclusivity broadens its appeal to a diverse readership.

Key Features and Takeaways

When god winks at you by squire rushnell offers several notable features that contribute to its impact:

- **Personal Stories:** Authentic and relatable anecdotes that bring the concept of God winks to life.
- **Accessible Language:** Simple yet profound prose that avoids theological jargon.
- **Interactive Prompts:** Exercises encouraging readers to observe and record their own divine coincidences.
- **Universal Appeal:** A message that transcends specific faith traditions, focusing on spirituality in a broad sense.

These elements combine to create a book that is both inspirational and thought-provoking, making it a useful resource for those interested in spirituality, personal growth, or the search for meaning.

Pros and Cons in Context

While when god winks at you by squire rushnell has been praised for its uplifting message and engaging style, it is important to consider some limitations:

- **Pros:**

- Encourages mindfulness and positive thinking.
- Offers comfort during challenging times.
- Appeals to a wide demographic regardless of religious affiliation.

- **Cons:**

- May be perceived as overly optimistic or simplistic by skeptics.
- Relies heavily on anecdotal evidence without empirical validation.
- Some readers might find the recurring theme of divine intervention repetitive.

These considerations highlight the subjective nature of interpreting life's coincidences and the importance of balancing faith with critical thinking.

Impact and Reception in the Spiritual Literature Landscape

Since its publication, *When God Winks at You* by Squire Rushnell has inspired a series of follow-up books, a documentary, and a dedicated community of readers who share their own experiences of divine signs. This cultural impact underscores the book's resonance in a world where many seek deeper meaning amidst uncertainty.

Critics have noted that the book's strength lies in its ability to empower individuals to find hope and affirmation in their daily lives. It has been incorporated into discussion groups, spiritual workshops, and even therapeutic settings as a tool to foster resilience and optimism.

In the broader context of spiritual literature, Rushnell's work represents a trend toward integrating spirituality with personal development, moving away from rigid doctrines toward experiential understanding.

As readers navigate the complexities of faith, doubt, and existence, *When God Winks at You* by Squire Rushnell offers a unique lens through which to view life's mysteries – one that invites openness to the subtle interplay between the mundane and the miraculous.

when god winks at you by squire rushnell: When GOD Winks on Love Squire Rushnell, 2007-01-16 Draws on the premise that coincidences are messages from a higher power, sharing personal and celebrity stories while instructing readers on how to map unexpected events and recognize other spiritual signs in order to enrich personal relationships.

when god winks at you by squire rushnell: When God Winks at You Squire Rushnell, 2016-09-19

when god winks at you by squire rushnell: Connecting with Coincidence Bernard Beitman, 2016-03-07 We've all experienced or heard of surprising events and unexplainable coincidences—money that seems to come from nowhere, a spontaneous idea that turns into a life-changing solution, meeting our soulmate on a flight we weren't supposed to take, or families being reunited by accident after years of separation. Often these coincidences are explained as

being controlled by a higher power or pure chance. But for the first time since Carl Jung's work, comes bold new research that explains scientifically how we can identify, understand, and perhaps even control the frequency of coincidences in our everyday lives. Bernard Beitman, a leading expert on Coincidence Studies, proposes a greater personal responsibility which depends partly upon newly discovered grid cells located in the brain, near the hippocampus. But neuroscience cannot complete the entire puzzle, and in this fascinating guide, Beitman provides the missing piece. From analyzing true stories of synchronicity from around the globe and throughout history, he shares key personality characteristics and situational factors that contribute to the occurrence of meaningful coincidences in our lives. Where other books on coincidences tend to be theoretical, inspirational, or story collections only, Beitman's book is the first to provide a scientific understanding and practical ways in which readers can use them in their own lives. He reveals: How to activate your observing self so you don't miss synchronistic moments How serendipity can offer insights into solving problems or making difficult decisions Why stress activates meaningful coincidences Which states of mind impede our ability to experience synchronicity How to interpret the meaning of a coincidence Why being attuned to coincidences is a learned skill—and how to hone your sensitivity.

when god winks at you by squire rushnell: *When God Winks on New Beginnings* Squire Rushnell, 2009-04-14 The best is yet to be . . . GodWinks are the so-called circumstances and that are delivered directly to you, one of nearly seven-billion people on the planet, at particularly needed moments in your life. Like the wink you received from a loved one as a child that meant, Hey, kid, I'm thinking of you right now, . . . GodWinks are messages of encouragement from above. With more incredible-but-true stories about how God communicates with us through everyday circumstances, Squire Rushnell delivers another powerful book geared toward people at a crossroads in life—a time when these winks are most needed!

when god winks at you by squire rushnell: *Godwink Stories* Squire Rushnell, 2012-12-04 Building on the themes in his popular book *When God Winks*, Squire Rushnell shares real-life stories that are certain to uplift and encourage you. The stories in this book reaffirm that godwinks happen to everyone. We just need to learn how to see them, allow them to unfold, and accept them as direct, person-to-person communications from God to each of us. As you'll see, those so-called coincidences that you'd been dismissing so easily really do mean something. And you need to pay attention. They are like unopened gifts that have been placed upon your doorstep. You will be amazed to read how every joy, every hurt, and every worry that happens to you has already been written about in the Bible. *Godwink Stories* simply draws upon the parallel between the stories of real people and God's wisdom in the scriptures. *Godwink Stories* can be read in various ways. You can read the book cover to cover. Or follow along each week for a year. It's also perfect to read for a pick-me-up story that fits your need of the day. Whether you're looking for encouragement in a time of need or a story that speaks of joy, there's a godwink story just for you. *** *Godwink Stories* offers weekly readings of godwinks and miracles to encourage and inspire you in every situation. These true stories— from ordinary people—provide Messages of “don't give up” Heartfelt need for love and guidance Hope in the midst of medical crises “Just in time” moments Peace in times of sorrow Tender love stories Amazing answers to prayer

when god winks at you by squire rushnell: *Finding Brian* Tim Norbeck, 2024-02-07 This captivating antihero will amaze you with his wily ways To the outside world, Brian Hart had it all – two loving step kids in college, a thriving law practice, an attractive wife, good friends, and excellent health. What more could a man want? In truth, he was dying a slow death inside. In his wife's desperate effort to find herself, he had become the enemy. In her mind, he was completely and irreversibly irrelevant. Her open contempt for him only fuels his own ever-growing sense of inadequacy. He rejects the advice of others to divorce her because he fears for the possible psychological strain on the kids that he loves. He concludes that disappearing is the only viable option for him. He struggles to come up with a plan, yet an unexpected disaster affords him the perfect opportunity. His new life is complicated by guilt and he finds the transition is difficult. As he travels through the country, his final landing in Montana presents a whole new set of challenges and

he worries that his deception will be discovered. Along the way, he meets a sage old man who greatly influences him and forever changes his outlook on life. But his new mentor will need something important in return. Brian is threatened by exposure, charges of bigamy, fraud and even murder, and a new relationship with a woman he loves is severely compromised as a result. Can he finally find redemption...can Brian find his true self?

when god winks at you by squire rushnell: Protecting Assets in the Coming Economic Collapse Randy Gates, 2017-11-15 I hope that the main purposes of this book have been achieved to offer encouragement to other believers and to introduce Jesus to those who don't know him. Also, I hope that my thoughts regarding our economy and investing will help prepare individuals for the events that are still to come. My mind is more at ease now that I have shared God's blessings in my life and the investing concepts I have learned over the years. Thank you for reading this book, and may God bless you.

when god winks at you by squire rushnell: Journey of the Heart Should I Stay, or Should I Go? Tanya Harris, 2025-04-01 Journey of the Heart: Should I Stay, or Should I Go? is an exploration of one of life's most challenging questions: Should you stay in a relationship or move on? Through personal anecdotes, scriptures, and a curated playlist of evocative songs, this book guides readers on a sensory journey of self-discovery and decision-making. With each chapter, you'll find yourself reflecting deeply on your own relationships. You'll use your phone or computer to look up suggested songs and scriptures, immersing yourself in the emotions they evoke. The lyrics might surprise you, offering new insights and aha moments that you didn't expect. As you navigate the emotional rollercoaster of love, faith, and music, you'll consider the wisdom of Al Green's Let's Stay Together and the contemplation of The Clash's Should I Stay or Should I Go. Whether you're a married couple at a crossroads, single and pondering your next step, or simply seeking clarity, this book will help you find the strength and faith to make the right decision for yourself. Join me on this fantastic voyage of love and life, where every song, scripture, and story is a step toward answering the ultimate question: Can you do life without them, and do you really want to?

when god winks at you by squire rushnell: Hope for America's Youth Jane Edwards Sutter, 2024-06-11 HOPE FOR AMERICA'S YOUTH, BEYOND THE BLUE DOORS OF A BOYS & GIRLS CLUB is an exploration of how caring adults can ignite the bright potential of America's youth. After the loss of her beloved mentor—when the doors of her career in government were slamming shut—Jane Sutter found new purpose, renewed faith, and hope as the CEO of Boys & Girls Clubs of Oklahoma County. Now retired, she catches up with some of her former “Club kids” to see where life has taken them since they walked out those blue doors. Interwoven with their stories is her own journey to—and through—those same doors. She uses the stories of individual Club kids (as well as exceptional volunteers and professional staff) to shine a light on issues of self-esteem, childhood trauma, and generational poverty. Sutter believes it is important to share a sense of hope with young people from all walks of life, not just those in our immediate families, to create stronger, more-compassionate communities.

when god winks at you by squire rushnell: Go Gently into the Night William Schneider, 2020-04-15 God meant for two soulmates, Bill and Linda, to meet, marry, and spend over fifty-seven years together before God's plan for Linda on earth was at its end, and she went to join Him and Jesus in Heaven. The evening of December 20, 2018, Linda was called to Heaven after losing a three-and-a-half-year battle with Idiopathic Pulmonary Fibrosis (IPF). The day after Linda passed, Bill's daughter, Julie, and grandkids were visiting. Julie happened to notice two books by Sarah Young sitting on a shelf under the coffee table. The books had been placed there by Linda. One of the books was Jesus Calling, a book of Devotions for Every Day of the Year. A ribbon, used as a bookmark, was placed in the book for the date Friday, December 21, the day after Linda died. There was no explanation for the ribbon's being there since Linda had not read from that book for some time, perhaps as much as a year. Bill believed that the ribbon was placed by Linda sometime in the past for him to find on that very day, the day after she died. The devotion for that day, December 21, starts out with the words, MY PLAN FOR YOUR LIFE is unfolding before you. Bill believed that he

was to find that book, Jesus Calling, marked with a ribbon on that page, and that God was reminding him that He had a plan for his life. Almost immediately, Bill said, I am going to write a book. He believed he received an inspiration from God through Linda to follow a new path for him. This book is about Bill and Linda's life together, how they met, fell in love, and became soulmates, and the many coincidences in their life before and after Linda was to Go Gently into the Night. They came to call those coincidences, God Winks.

when god winks at you by squire rushnell: America's Four Gods Paul Froese, Christopher Bader, 2010-10-07 Despite all the hype surrounding the New Atheism, the United States remains one of the most religious nations on Earth. In fact, 95% of Americans believe in God--a level of agreement rarely seen in American life. The greatest divisions in America are not between atheists and believers, or even between people of different faiths. What divides us, this groundbreaking book shows, is how we conceive of God and the role He plays in our daily lives. America's Four Gods draws on the most wide-ranging, comprehensive, and illuminating survey of American's religious beliefs ever conducted to offer a systematic exploration of how Americans view God. Paul Froese and Christopher Bader argue that many of America's most intractable social and political divisions emerge from religious convictions that are deeply held but rarely openly discussed. Drawing upon original survey data from thousands of Americans and a wealth of in-depth interviews from all parts of the country, Froese and Bader trace America's cultural and political diversity to its ultimate source--differing opinions about God. They show that regardless of our religious tradition (or lack thereof), Americans worship four distinct types of God: The Authoritative God--who is both engaged in the world and judgmental; The Benevolent God--who loves and helps us in spite of our failings; The Critical God--who catalogs our sins but does not punish them (at least not in this life); and The Distant God--who stands apart from the world He created. The authors show that these four conceptions of God form the basis of our worldviews and are among the most powerful predictors of how we feel about the most contentious issues in American life. Accessible, insightful, and filled with the voices of ordinary Americans discussing their most personal religious beliefs, America's Four Gods provides an invaluable portrait of how we view God and therefore how we view virtually everything else.

when god winks at you by squire rushnell: Love At First Sight Rebecca Merz, 2013-11 After the death of her husband, Rebecca turned to God for everything. She was alone and needed God more than ever. This personal relationship with God became so intense that she experienced Him in ways she never dreamed were possible. Rebecca's journey began when she became convinced God used a man she named Adam to awaken her passion to be a married lady again. When Rebecca shared every little detail of her life with God, she felt certain God orchestrated the funniest situations to give her confidence as she traveled into unknown territory. She insisted God was being playful with her and wanted her to relax and trust that He was the one that was in control. Those times Rebecca experienced doubt, God did some remarkable things to prove He was with her. As a result she developed a boldness to do what she believed God was asking of her. God always confirmed the decisions she made were the stepping-stones leading to her destiny. She learned God was pleased by her faith that she entrusted to Him alone. God demonstrated two-way communication with Him was not only possible but was necessary in order to turn her dreams into reality. This two-way conversation brought her relationship with God to a deeper level. She knew He had prepared the way that would lead her to her future husband. Rebecca claims God is still in the match making business and is the best dating coach any person could ask for because Father knows best. All proceeds from the sale of this book will go to a mobile ministry that gives women who are facing unplanned pregnancies image clear ultrasounds free of charge. When women are in crisis due to an unwanted pregnancy they need to know that God loved them at First Sight. Hopefully with knowledge of this truth these women will now be willing to step out on a maybe and trust God to work out a solution that begins with them choosing life for the child within.

when god winks at you by squire rushnell: When You Think About It Cynthia Mitchell, 2015-02-27 At an early age you begin to ask yourself questions. Lots of questions. Some of these

questions you can find answers to, but many you tell yourself have no answers, so you tuck them away for another day. That day came for the author when she lost her only child, Breana. The pain was immense and the questions unending. Where is she? Would she see her again? Why isn't she here for her son? If everything has a purpose, what could the purpose of losing her possibly be? Is there really a God, and what or who is He? For Cyndi life had no reason without her daughter in it. Is this physical world we live in the only reality? If so, what is the point? She became obsessed with finding her and with answering those long-ago questions. When faith is not enough, where do you turn? The things we learn as children become the facts we base our decisions on. Are they true-or just accepted and passed down through time? She began reading intensely. There was an interest in anything written by mediums, psychics, doctors, nurses, scientists, near-death experiencers, and hospice workers; anyone who had something to say on the subject was where she looked. She noticed that early physicists were being quoted in some of the books she was reading. Why? She wanted to learn more. What is this quantum world and how do we fit into it? She realized that greater minds than hers had written these books and she wasn't sure if she could understand them. The concentration she needed was unavailable to her in the beginning. Determination drove her forward however, and in time the concentration came. She was surprised when she began to see the lines cross between God (not religion) and science. God appeared to be the ultimate scientist and not a god at all. In fact, He is very different from the human god she had learned of as a child. There were many reasons to be afraid of that God. She wondered why she had not come across a book that incorporated all of these subjects into one. Had no one else seen the correlation? Could she write something for her grandson that would help him understand what she now understood so clearly? She began taking notes. Those notes became *When You Think About It*.

when god winks at you by squire rushnell: *What Science Is and How It Really Works* James C. Zimring, 2019-07-18 Scientific advances have transformed the world. However, science can sometimes get things wrong, and at times, disastrously so. Understanding the basis for scientific claims and judging how much confidence we should place in them is essential for individual choice, societal debates, and development of public policy and laws. We must ask: what is the basis of scientific claims? How much confidence should we put in them? What is defined as science and what is not? This book synthesizes a working definition of science and its properties, as explained through the eyes of a practicing scientist, by integrating advances from philosophy, psychology, history, sociology, and anthropology into a holistic view. Crucial in our political climate, the book fights the myths of science often portrayed to the public. Written for a general audience, it also enables students to better grasp methodologies and helps professional scientists to articulate what they do and why.

when god winks at you by squire rushnell: *Coincidence and Synchronicity* Dori Seider Ph.D, 2020-01-31 Has a perfectly timed, seemingly impossible event happened to you? What do you think when this happens to you more than once? Do these glimpses into the extraordinary change you and in what ways? I had experienced too many of these occurrences to ignore. They defied logic. But they happened anyway. This book shares those experiences with you, as well as reflections on how they could occur. How does the impossible become possible? And will the impossible in this century become commonplace in the next?

when god winks at you by squire rushnell: *Living Beyond a Broken Marriage* Dr. David B. Hawkins, 2008-10-01 What happens when a wife says, I don't love you anymore? What happens when a husband says he is going to move out? What does the partner do? How does he or she survive the devastation? Clinical psychologist Dr. David Hawkins offers heartbroken readers his straightforward yet sensitive wisdom for rebuilding their lives. He addresses the realities that reconciliation is not easy and may require separation first--or may not come at all. He helps readers work through their grief and the tough decisions ahead in order to heal their lives, whether or not their marriage is ultimately reconciled. Dr. Hawkins's trustworthy guidance offers compassion and hope to both partners in a failing relationship. Pastors and counselors will recommend this book to those facing this urgent yet rarely addressed struggle.

when god winks at you by squire rushnell: *On a Wing and a Prayer with Good Morning Sunday* Don Maclean, 2004 This is a collection of prayers and quotes from BBC2's Good Morning Sunday programme. It includes contributions from such people as Desmond Tutu, Basil Hume and Princess Anne and offers a breadth of spiritual insights on many aspects of human life.

when god winks at you by squire rushnell: *Behind the Smile: Orphaned by Hitler's Madness* PRK Brenner, 2011-10-06 I was born during the winter of 1944 by an unwed, seventeenyear old, frightened Norwegian girl on the war-torn soil of Germany. Unknowingly, she became part of Heinrich Himmler's plan, known as the Lebensborn Program, a master design for cultivating an Aryan race. The unfolding story is both revealing and touching. Over time slivers of buried history surfaced into the mainstream of my thinking. An orphan's journey is revealed transforming the story into enlightened self-discovery. It wasn't until I found the courage to face the unknown mysteries woven together by people, places and programs that healing could eventually take place. All the intertwining circumstances influenced my life, opened my eyes and helped me make peace with my inner spirit.
