reinhard bonnke books: Faith: The Link with God's Power Reinhard Bonnke, 2014-03-03 God's Gift to All Believers Some believe that simply having faith is an entitlement to blessing and prosperity. Others believe that faith in oneself is all that is needed in life. Still others contend that faith is a cosmic force that breeds superhuman, super-spiritual, invincible power. It is none of these. Faith is not something requiring you to believe in what you know is not true, nor is it believing something for which there is no evidence. The Bible—a book all about faith—provides the evidence that makes faith so vital, so important, and so astounding. In Faith: The Link with God's Power, international evangelist Reinhard Bonnke draws from his years of personal study and vibrant ministry to reveal that... Faith is like a wiring system that carries power into our lives. Faith itself is not the power, but it links us to the power source. There is no link to God's power without faith. Our belief in what happens tomorrow stems from what we already experienced yesterday. It is not the size of your faith but the size of the God you believe in that determines the results. Reinhard Bonnke is more qualified than most to shed light on what it means to minister in the power of the Holy Spirit. He and his CfaN team regularly conduct gospel crusades in Africa, where signs and wonders follow the preaching of the gospel. In one six-day crusade, more than 1,600,000 people attended a single service, with 3,450,000 making positive decisions for Christ over the course of the event. Indeed, these are days in which God's people can abound in faith!

But as international evangelist Reinhard Bonnke says, hell was never designed for people, and heaven is expecting them! Tens of millions of people have come to know Christ through Reinhard's ministry. In this book, he shares his contagious passion for bringing the gospel to the lost. Each chapter in Hell Empty, Heaven Full discusses biblical stories that highlight how God's priority is saving people and how He wants us to join Him in that process. As Reinhard says, "Our calling is to put a kind hand on the shoulder of the world and turn it round to see God. It will adore Him. The Lord is the Savior.... He loves because to love gives Him joy. He loves beyond all the parameters of human affection and makes even the assault of the cross an expression of His love. His pain asserts it. He finds satisfaction in giving, pouring Himself out to us, surrounding us with wonders, making His redeemed the garden of delight in which He walks. To proclaim the gospel is to

move for Him, act with Him, love in Him, and delight in His joy as the privilege, meaning and purpose of all life." Filled with vivid illustrations, this book is designed to show you how to reach the lost as Jesus did: with the passion and compassion of the heavenly Father.

reinhard bonnke books: Evangelism by Fire Reinhard Bonnke, 2011-08-09 The Gospel is not good news to people who do not hear it ...and an unpreached gospel is no Gospel at all. In the New Testament we never read about God going forth on His own, but that His followers went out and preached everywhere, the Lord working with them. In short, God acted when they acted. Evangelist Reinhard Bonnke has led millions of people into a life-transforming encounter with God. In *Evangelism by Fire* he lays out the principles necessary for effective evangelism, showing how God operates through anyone who is willing to follow His plan. reinhard bonnke books: Fulfilling Our Mission Reinhard Bonnke, 2022-11-29 Fulfilling Our Mission, by noted international evangelist Reinhard Bonnke, explores truths, stories, and principles from the Bible that show how to effectively reach out to others with the love of God and the salvation of Jesus Christ. Tens of millions of people came to know Christ through Bonnke's ministry. He explains that there is no "right" approach in evangelism, only right principles. Bonnke illustrates these principles from the New Testament in a way that gives direction for action and inspiration to act:

- God deeply loves all people.
- He wants each of us to participate in reaching the world.
- God equips the least likely individuals for His providential purposes.
- Where the Holy Spirit provides the tiniest spark, a start can be made.
- Evangelism is not an intellectual pursuit. It is a hands-on activity, a demand, a challenge, a commission, and a consuming passion!

From biblical times to today, believers have claimed God's promises and moved forward in faith. God's Word is our authority for action and the secret to success in outreach that reveals Jesus to men, women, and children, and brings them into God's eternal kingdom. Today, Jesus calls us to go into all the world and make disciples, demonstrating God's great compassion. God not only accompanies those who are go-getters, but He also makes and equips them. With the Word as our guide, let us fulfill the commission Jesus gave us to reach everyone in the world with the message of His salvation!

reinhard bonnke books: Raised From the Dead Reinhard Bonnke, 2014-01-01 In 2001, as Reinhard Bonnke debated whether or not to move his ministry to America, he did something he had never done before: he prayed for a sign to confirm that God truly was calling him to go to America. God was about to answer that prayer. A few days later, a woman brought her husband to the Nigerian church where Bonnke was preaching, in hopes that his partially embalmed body would be raised from the dead after three days in a coffin. Although Bonnke was unaware of this and never even prayed for the man, the woman's husband, lying in the church basement, began to breathe again during the sermon. In front of thousands of witnesses, this man, who still couldn't move because of rigor mortis, was raised back to life. After his message, Bonnke was besieged by a crowd yelling, "He's breathing! He's breathing!" This incredible miracle, now detailed for the first time, is part of a movement of God, birthed in a small African church and stretching around the world to America. It is the beginning of a work of God that will confirm His word to Bonnke: "America shall be saved."
