

cheaper by the dozen 1950

Cheaper by the Dozen 1950: A Classic Family Comedy That Endures

cheaper by the dozen 1950 is more than just a film title; it represents a timeless slice of Americana that has charmed audiences for decades. This delightful family comedy, based on the real-life Gilbreth family, captures the chaos and warmth of raising twelve children under one roof. If you're curious about the origins, impact, and enduring appeal of this classic movie, you're in the right place. Let's dive into the world of "Cheaper by the Dozen" and explore why the 1950 version continues to resonate with viewers today.

The Origins of Cheaper by the Dozen 1950

The 1950 film "Cheaper by the Dozen" is adapted from the 1948 semi-autobiographical novel of the same name, written by Frank B. Gilbreth Jr. and Ernestine Gilbreth Carey. The book recounts the real experiences of their large family, led by efficiency experts Frank and Lillian Gilbreth. The story humorously explores the challenges and triumphs of managing a household with twelve children, blending family dynamics with lessons on organization and teamwork.

From Page to Screen: Adapting the Gilbreth Family Story

Translating a beloved book into a film can be a tricky endeavor, but the 1950 adaptation of "Cheaper by the Dozen" struck a perfect balance between comedy and heart. Directed by Walter Lang and starring Clifton Webb as Frank Gilbreth and Myrna Loy as Lillian Gilbreth, the movie brought the characters and their quirky family life to vivid life. The screenplay highlighted the humorous clashes between the parents' efficiency-driven methods and the children's natural antics, making it relatable and entertaining.

Why Cheaper by the Dozen 1950 Remains a Family Favorite

Despite being over seventy years old, "Cheaper by the Dozen 1950" continues to captivate audiences, and there are several reasons why this classic has staying power.

Relatable Family Dynamics

One of the key reasons for the movie's lasting appeal is its authentic portrayal of family life. The struggles of managing a large household, juggling career and family responsibilities, and parenting challenges are themes that transcend time. Viewers of all ages can see a bit of themselves or their own families reflected in the Gilbreths' story.

Lighthearted Comedy with Heart

The film's comedic moments stem naturally from the situations rather than forced gags. It showcases the chaos of raising twelve children with warmth and understanding. The humor is gentle and wholesome, making it perfect for family viewing, and this tone has helped the film age gracefully.

Strong Performances by the Cast

Clifton Webb's portrayal of Frank Gilbreth is both authoritative and endearing, balancing the character's obsession with efficiency with genuine love for his family. Myrna Loy's Lillian brings warmth and subtle humor that complements Webb's performance. Together, they create a believable and engaging parental duo.

Behind the Scenes: Production Insights and Trivia

Learning about the production of "Cheaper by the Dozen 1950" offers a deeper appreciation for the film.

Challenges of Filming a Large Family Cast

Working with a big ensemble cast, especially including many child actors, presented logistical challenges. Coordinating schedules, managing on-set dynamics, and ensuring every child's role contributed meaningfully to the story required careful planning from the director and crew.

The Gilbreths' Real Influence on Efficiency Techniques

Interestingly, the real Frank and Lillian Gilbreth were pioneers in time and motion studies, applying scientific principles to improve efficiency in the workplace and at home. This aspect adds an educational layer to the story, highlighting how their professional expertise influenced their parenting style.

Filming Locations and Set Design

The production recreated an idealized mid-century American household, complete with period-appropriate decor and props. The sets enhanced the story's nostalgic feel, transporting audiences back to the 1920s and 1930s when the real Gilbreth family story took place.

The Legacy of Cheaper by the Dozen 1950 in Modern Media

The success of the 1950 movie paved the way for multiple adaptations and remakes, reflecting the story's timeless nature.

Subsequent Film Remakes and TV Adaptations

There have been several remakes of "Cheaper by the Dozen," notably the 2003 and 2005 versions starring Steve Martin. While these later films took a more contemporary approach, they owe much of their inspiration to the original 1950 classic. Additionally, various TV shows and adaptations have drawn on the theme of large families and comedic parenting challenges popularized by the Gilbreth story.

Impact on Popular Culture

"Cheaper by the Dozen 1950" has influenced how large families are depicted in media, often serving as a reference point for stories about the joys and struggles of big households. Its blend of humor and heart set a standard for family comedies that followed.

Exploring the Themes of Cheaper by the Dozen 1950

Beyond its comedic surface, the film offers several meaningful themes worth reflecting on.

Efficiency vs. Emotional Connection

The Gilbreths' obsession with efficiency and time management occasionally clashes with the unpredictability of family life. The film gently explores the balance between structure and spontaneity, showing that love and emotional connection ultimately trump rigid schedules.

Parenting Styles and Family Values

"Cheaper by the Dozen 1950" presents a parenting approach rooted in discipline, organization, and teamwork. Yet, it also underscores the importance of flexibility, empathy, and understanding each child's individuality. These lessons remain relevant to parents today.

Resilience and Adaptability

Managing a dozen children requires resilience and adaptability, qualities the Gilbreth family exhibits throughout the film. Their ability to face challenges with humor and cooperation offers an uplifting message to viewers navigating their own family complexities.

Tips for Watching Cheaper by the Dozen 1950 Today

If you're planning to watch "Cheaper by the Dozen 1950," here are some tips to enhance your viewing experience:

- **Watch with family:** The film's family-centric themes make it ideal for group viewing, sparking conversations about parenting and family life.
- **Consider reading the book:** Reading the original Gilbreth memoirs before or after watching the movie can deepen your understanding of the story's real-life roots.
- **Pay attention to historical context:** Noticing the period details in costumes and settings adds an extra layer of appreciation for the era the film depicts.
- **Reflect on the parenting lessons:** Think about how the Gilbreths' techniques compare to modern parenting philosophies and what insights you might apply.

"Cheaper by the Dozen 1950" remains a beloved classic that invites viewers into the whirlwind world of a large, loving family. Its combination of humor, heart, and historical charm ensures it will continue to entertain and inspire generations to come. Whether you're a fan of vintage cinema, family comedies, or stories rooted in real life, this film offers a special cinematic experience that's truly worth revisiting.

Cheaper by the Dozen 1950: A Classic Family Comedy Revisited

cheaper by the dozen 1950 remains a distinctive entry in the pantheon of mid-20th-century American cinema, celebrated for its portrayal of a large family's humorous yet heartfelt dynamics. Directed by Walter Lang and based on the autobiographical book by Frank B. Gilbreth Jr. and Ernestine Gilbreth Carey, the film captures the essence of family life, discipline, and the pursuit of efficiency through the lens of the Gilbreth family. Despite being over seven decades old, this black-and-white comedy continues to attract attention from classic film enthusiasts and scholars interested in family representations in media.

Contextual Background and Production Insights

The 1950 film adaptation of Cheaper by the Dozen was produced by 20th Century Fox, a studio known for its diverse catalog of family-friendly films during the post-war era. The movie stars Clifton Webb as Frank Bunker Gilbreth Sr., a pioneering efficiency expert, and Myrna Loy as his wife, Lillian Gilbreth, an industrial psychologist. The story revolves around their life managing a household of twelve children while balancing professional responsibilities.

This film is a direct adaptation of the 1948 book "Cheaper by the Dozen," which humorously recounts the real-life experiences of the Gilbreth family, spotlighting time and motion studies that Frank Sr. applied not just in factories but also within his home. The screenplay, written by Lamar Trotti, carefully balances comedic moments with elements of drama, reflecting the challenges and rewards of raising a large family.

Plot Overview and Thematic Elements

At its core, Cheaper by the Dozen 1950 explores themes of family unity, discipline, and innovation. The plot follows Frank Gilbreth's efforts to implement efficiency methods in everyday family life, often resulting in amusing situations. His wife Lillian complements his rigidity with warmth and understanding, creating a dynamic that underscores the importance of balance between order and affection.

The narrative delves into the children's individual personalities and how they adapt to their parents' unconventional yet methodical upbringing. The film's structure allows for episodic moments that highlight both the chaos and charm of a household bustling with twelve children, making it relatable to audiences across generations.

Character Portrayals and Performances

Clifton Webb's portrayal of Frank Sr. is notable for its blend of stern authority and underlying tenderness. His performance captures the nuances of a man dedicated to his work and family, embodying the era's ideal of the patriarch. Myrna Loy's Lillian, meanwhile, brings emotional depth to the film, portraying a mother who supports and tempers her husband's ambitions.

The supporting cast, including the actors playing the Gilbreth children, contributes significantly to the film's appeal. Their interactions and individual story arcs enrich the narrative, providing a multifaceted view of family life. The ensemble's chemistry helps maintain a lively pace throughout the film's 98-minute runtime.

Comparative Analysis: 1950 Film vs. Later Adaptations

Cheaper by the Dozen's enduring popularity has led to several remakes, notably the 2003 and 2005 versions starring Steve Martin and family. Comparatively, the 1950 version offers a more subdued, classic Hollywood approach, emphasizing character-driven storytelling and period-specific social norms. The later adaptations tend to incorporate contemporary humor and situational comedy, reflecting changing audience preferences.

While the modern films often focus on slapstick and exaggerated scenarios, the 1950 original remains grounded in its source material's autobiographical nature. This lends it a unique authenticity and a nostalgic charm that differentiates it from its successors. For viewers seeking a more traditional cinematic experience with historical context, the 1950 version stands out.

Visual Style and Cinematography

Shot in black and white, the film uses lighting and framing techniques typical of the 1950s studio system. Cinematographer Charles G. Clarke employs medium shots and group compositions to emphasize the family's collective presence while occasionally focusing on intimate close-ups to convey emotional moments. The set design reflects a middle-class American home of the era, reinforcing the film's realistic portrayal of domestic life.

The restrained visual style complements the film's focus on narrative and character development rather than spectacle. This approach allows viewers to engage more deeply with the story and the themes of familial responsibility and innovation.

Critical Reception and Cultural Impact

Upon release, *Cheaper by the Dozen* 1950 received generally positive reviews for its charming depiction of family life and strong performances. Critics praised the film's humor and heartfelt moments, though some noted that it adhered closely to a formulaic structure typical of family comedies of its time.

Over the years, the film has gained recognition as a cultural artifact that reflects post-war American values, particularly the emphasis on efficiency, order, and family cohesion. It also offers insight into gender roles, with Lillian Gilbreth's character highlighting early conversations about women's contributions to both the workforce and home life.

Legacy in Family Cinema

Cheaper by the Dozen 1950 has influenced subsequent portrayals of large families in cinema and television. Its blend of humor, discipline, and warmth set a precedent for family-oriented storytelling. The film's legacy persists in its continued availability through classic film channels and home media, inviting new audiences to explore its timeless themes.

Moreover, the movie serves as an educational reference for those interested in industrial psychology and the application of scientific management principles within personal domains. The Gilbreth family story exemplifies how professional expertise can intersect with everyday living, a concept that remains relevant today.

Pros and Cons of the 1950 Film Adaptation

- **Pros:** Faithful adaptation of the original book; strong performances by lead actors; authentic depiction of 1950s family life; blend of comedy and heartfelt moments.
- **Cons:** Pacing may feel slow to modern viewers accustomed to faster storytelling; some dated social norms and gender roles; limited diversity in cast and perspectives reflective of its time.

Despite these drawbacks, *Cheaper by the Dozen* 1950 continues to be appreciated for its warmth and insight into a unique family dynamic.

In revisiting *Cheaper by the Dozen* 1950, viewers are offered a window into an era when family values, efficiency, and humor intertwined to create a memorable cinematic experience. Its enduring appeal lies not only in its entertainment value but also in its historical and cultural significance, bridging generations through the universal themes of family life.

cheaper by the dozen 1950: Home Movies Claire Jenkins, 2015-04-06 The American family has long been at the centre of the typical Hollywood narrative. But the depiction of the nuclear family within contemporary mainstream US cinema has not yet been closely studied. Home Movies addresses this oversight by assessing recent cinematic representations of the family in terms of cultural politics and representations of gender, sexuality, race and class. Focusing on a diverse range of popular films - from Meet the Parents to The Incredibles - Claire Jenkins analyses the father-daughter relationship within sequels and series; Meryl Streep's embodiment of the mother; the superhero family and extraordinary manifestations of the ordinary family; disaster films which depict the president as father; 'mom-coms' and Hollywood's representations of the non-traditional family. She combines film studies, gender studies and family history to demonstrate the complexities of Hollywood's family values.

cheaper by the dozen 1950: Motion Pictures From the Fabulous 1950's Terry Rowan, 2015-12-22 The 1950s marked a decade of great fads - Hula-Hoops, Davy Crockett coonskin caps, Roy Rogers or Gene Audrey guns or Cowboy boots, and poodle skirts. It gave us Elvis Presley and rock and roll, crew cuts and sideburns, argyle sweaters, saddle shoes and white bucks. College kids on panty raids and sock hops. In the corner of every sitting room, was a small but ever-expanding eye fixed on an opening world - Television set. Films of the 1950s were wide variety and the studios sought to put audiences back in the seats of the theaters.

cheaper by the dozen 1950: *It's All in the Delivery* Victoria Sturtevant, 2024-12-03 2025 John G. Cawelti Award for the Best Textbook/Primer, Popular Culture Association/American Culture Association (PCA/ACA) How changing depictions of pregnancy in comedy from the start of the twentieth century to the present show an evolution in attitudes toward women's reproductive roles and rights. Some of the most groundbreaking moments in American film and TV comedy have centered on pregnancy, from Lucille Ball's real-life pregnancy on I Love Lucy, to the abortion plot on Maude; Murphy Brown's controversial single motherhood; Arnold Schwarzenegger's pregnancy in Junior; or the third-trimester stand-up special Ali Wong: Baby Cobra. In the first book-length study of pregnancy in popular comedy, Victoria Sturtevant examines the slow evolution of pregnancy tropes during the years of the Production Code; the sexual revolution and changing norms around nonmarital pregnancy in the 1960s and '70s; and the emphasis on biological clocks, infertility, adoption, and abortion from the 1980s to now. Across this history, popular media have offered polite evasions and sentimentality instead of real candor about the physical and social complexities of pregnancy. But comedy has often led the way in puncturing these clichés, pointing an irreverent and

satiric lens at the messy and sometimes absurd work of gestation. Ultimately, Sturtevant argues that comedy can reveal the distortions and lies that treat pregnancy as simple and natural “women’s work,” misrepresentations that rest at the heart of contemporary attacks on reproductive rights in the US.

cheaper by the dozen 1950: *All that Hollywood Allows* Jackie Byars, 2003-09-02 *All that Hollywood Allows* explores the representation of gender in popular Hollywood melodramas of the 1950s. Both a work of feminist film criticism and theory and an analysis of popular culture, this provocative book examines from a cultural studies perspective top-grossing film melodramas, such as *A Streetcar Named Desire*, *From Here to Eternity*, *East of Eden*, *Imitation of Life* and *Picnic*. Stereotypically viewed as a complacent and idyllic time, the 1950s were actually a time of dislocation and great social change. Jackie Byars argues that mass media texts of the period, especially films, provide evidence of society's consuming preoccupation with the domestic sphere - the nuclear family and its values - and she shows how Hollywood melodramas interpreted and extended societal debates concerning family structure, sexual divisions of labour, and gender roles. Her readings of these films assess a variety of critical methodologies and approaches to textual analysis, some central to feminist film studies and some previously bypassed by scholars in the field.

cheaper by the dozen 1950: Some Versions of Cary Grant James Naremore, 2022 Cary Grant famously said, Everyone wants to be Cary Grant--even I want to be Cary Grant. His development of that star image required serious work, but he also played a variety of characters requiring special performing talents. He was equally skilled in the screwball farce *The Awful Truth*, the dark thriller *Notorious*, the romantic melodrama *An Affair to Remember*, the domestic comedy *Mr. Blandings Builds His Dream House*, and the social drama *None But the Lonely Heart*. In a lively style accompanied by many illustrations, James Naremore analyzes these and other of Grant's best films, demonstrating that he had exceptional talent and greater range than usually recognized.

cheaper by the dozen 1950: *The Encyclopedia of Best Films* Jay Robert Nash, 2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece), and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

cheaper by the dozen 1950: *Letters to the Dead: Things I Wish I'd Said* Ann Palmer, 2014-06-20 With loving respect and a desire to pay homage to many who have passed on and to help keep their personalities and talents alive in the public's mind, I wrote letters to the following celebrities and special people in my life: Orson Welles, Gary Cooper, Grace Kelly, Frank Sinatra, Dean Martin, Bill Bryant, Howard Hawks, Robert Mitchum, David Janssen, Audrey Hepburn, George Peppard, Steve McQueen, Natalie Wood, Milton Krasner, Walter Matthau, Ray Walston, Rock Hudson, Cornel Wilde, Gardner McKay, Fred Holliday, John Carroll, Rex Harrison, Jessica Tandy & Hume Cronin, Richard Burton, Desmond Llewelyn, Joseph L. Mankiewicz, Leon Shamroy, Stuart Lyons, Joan Jones, Arthur Shields, Harry Guardino, Nick Colasanto, Vince Edwards, Red Skelton, Bob Hope, Jayne Mansfield, Joan Crawford, Charles Bronson, Leon Mirell, Rick Jason, Richard E. Lyons, John Bernardino, Norma Connolly, Emily McLaughlin, David Lewis. And my family and friends: Richard Castle, Helen Coffey, Mary, Jack Kogel, my father, my mother, Dr. Richard E. Goodrich, and my daughter Debbie. This is my last tribute to many of those wonderful souls that

passed through my life that I honor in this way.

cheaper by the dozen 1950: *Sitting Pretty* Clifton Webb, 2011-05-17 More than any other male movie star, the refined Clifton Webb (1889-1966) caused the moviegoing public to change its image of a leading man. In a day when leading men were supposed to be strong, virile, and brave, Clifton Webb projected an image of flip, acerbic arrogance. He was able to play everything from a decadent columnist (Laura) to a fertile father (Cheaper by the Dozen and The Remarkable Mr. Pennypacker), delivering lines in an urbanely clipped, acidly dry manner with impeccable timing. Long before his film career began, Webb was a child actor and later a suavely effete song-and-dance man in numerous Broadway musicals and revues. The turning point in his career came in 1941 when his good friend Noël Coward cast him in Blithe Spirit. Director Otto Preminger saw Webb's performance and cast him in Laura in 1944. Webb began to write his autobiography, but he said that he eventually had gotten "bogged down" in the process. However, he did complete six chapters and left a hefty collection of notes that he intended to use in the proposed book. His writing is as witty and sophisticated as his onscreen persona. Those six chapters, information and voluminous notes, and personal research by coauthor David L. Smith provide an intimate view of an amazingly talented man's life and times.

cheaper by the dozen 1950: *So How's the Family?* Arlie Russell Hochschild, 2013-09-30 In this new collection of thirteen essays, Arlie Russell Hochschild—author of the groundbreaking exploration of emotional labor, *The Managed Heart* and *The Outsourced Self*—focuses squarely on the impact of social forces on the emotional side of intimate life. From the work it takes to keep personal life personal, put feeling into work, and empathize with others; to the cultural blur between market and home; the effect of a social class gap on family wellbeing; and the movement of care workers around the globe, Hochschild raises deep questions about the modern age. In an eponymous essay, she even points towards a possible future in which a person asking How's the family? hears the proud answer, Couldn't be better.

cheaper by the dozen 1950: *Affairs to Remember* Bruce Babington, Peter William Evans, 1989

cheaper by the dozen 1950: *Hollywood's Censor* Thomas Doherty, 2009-03-31 From 1934 to 1954 Joseph I. Breen, a media-savvy Victorian Irishman, reigned over the Production Code Administration, the Hollywood office tasked with censoring the American screen. Though little known outside the ranks of the studio system, this former journalist and public relations agent was one of the most powerful men in the motion picture industry. As enforcer of the puritanical Production Code, Breen dictated final cut over more movies than anyone in the history of American cinema. His editorial decisions profoundly influenced the images and values projected by Hollywood during the Great Depression, World War II, and the Cold War. Cultural historian Thomas Doherty tells the absorbing story of Breen's ascent to power and the widespread effects of his reign. Breen vetted story lines, blue-penciled dialogue, and excised footage (a process that came to be known as Breening) to fit the demands of his strict moral framework. Empowered by industry insiders and millions of like-minded Catholics who supported his missionary zeal, Breen strove to protect innocent souls from the temptations beckoning from the motion picture screen. There were few elements of cinematic production beyond Breen's reach he oversaw the editing of A-list feature films, low-budget B movies, short subjects, previews of coming attractions, and even cartoons. Populated by a colorful cast of characters, including Catholic priests, Jewish moguls, visionary auteurs, hardnosed journalists, and bluenose agitators, Doherty's insightful, behind-the-scenes portrait brings a tumultuous era and an individual both feared and admired to vivid life.

cheaper by the dozen 1950: *Hollywood and the Movies of the Fifties* Foster Hirsch, 2023-10-10 A fascinating look at Hollywood's most turbulent decade and the demise of the studio system—set against the boom of the post-World War II years, the Cold War, and the atomic age—and the movies that reflected the seismic shifts "The definitive book on 1950s Hollywood." —Booklist "Lavish. . . insightful, rich, expansive, penetrating." —Kirkus Hollywood in the 1950s was a period when the film industry both set conventions and broke norms and traditions—from Cinerama, CinemaScope, and VistaVision to the epic film and lavish musical. It was a decade that

saw the rise of the anti-hero; the smoldering, the hidden, and the unspoken; teenagers gone wild in the streets; the sacred and the profane; the revolution of the Method; the socially conscious; the implosion of the studios; the end of the production code; and the invasion of the ultimate body snatcher: the “small screen” television. Here is Eisenhower’s America—seemingly complacent, conformity-ridden revealed in Vincente Minnelli’s *Father of the Bride*, Walt Disney’s *Cinderella*, and *Brigadoon*, among others. And here is its darkening, resonant landscape, beset by conflict, discontent, and anxiety (*The Man Who Knew Too Much*, *The Asphalt Jungle*, *A Place in the Sun*, *Touch of Evil*, *It Came From Outer Space*) . . . an America on the verge of cultural, political and sexual revolt, busting up and breaking out (*East of Eden*, *From Here to Eternity*, *On the Waterfront*, *Sweet Smell of Success*, *The Wild One*, *A Streetcar Named Desire*, and *Jailhouse Rock*). An important, riveting look at our nation at its peak as a world power and at the political, cultural, sexual upheavals it endured, reflected and explored in the quintessential American art form.

cheaper by the dozen 1950: *I Do and I Don't* Jeanine Basinger, 2014-03-11 Here is “happily ever after”—except when things aren’t happy, and when “ever after” is abruptly terminated by divorce, tragedy . . . or even murder. With her large-hearted understanding of how movies—and audiences—work, leading film historian Jeanine Basinger traces the many ways Hollywood has tussled with the tricky subject of marriage, explicating the relationships of countless marriages from Blondie and Dagwood to the heartrending couple in the Iranian *A Separation*, from Coach and his wife in *Friday Night Lights* to Tracy and Hepburn, and even to Laurel and Hardy (a marriage if ever there was one). A treasure trove of insight and sympathy, illustrated with scores of wonderfully telling movie stills, posters, and ads.

cheaper by the dozen 1950: *Love Me Tonight* Geoffrey Holden Block, Distinguished Professor of Music History and Humanities Emeritus Geoffrey Block, 2024 In this Oxford Guide to Film Musicals, renowned author Geoffrey Block introduces scholars, students, and general readers to the remarkable musical film, *Love Me Tonight* (1932) from a accessible musicological perspective, giving readers of all stripes new ways to hear this classic film.

cheaper by the dozen 1950: *Mystery Movie Series of 1930s Hollywood* Ron Backer, 2012-08-15 This companion volume to *Mystery Movie Series of 1940s Hollywood* (McFarland, 2010) focuses on 22 series and 167 individual films, primarily released during the 1930s. It was a decade that featured some of the most famous cinema detectives of all time, among them Charlie Chan, Nick and Nora Charles, Philo Vance, Nancy Drew, and such lesser known but equally entertaining figures as Hildegard Withers, Torchy Blane, Mr. Moto, Mr. Wong, and Brass Bancroft. Each mystery movie series is placed within its historical context, with emphasis on its source material and the changes or developments within the series over time. Also included are reviews of all the series' films, analyzing the quality and cohesiveness of the mystery plotlines. For titles based on literary sources, a comparison between the film and the written work is provided.

cheaper by the dozen 1950: *The Family in America* Joseph M. Hawes, Elizabeth F. Shores, 2002-05-22 An incisive, multidisciplinary look at the American family over the past 200 years, written by respected scholars and researchers. *Family in America* offers two powerful antidotes to popular misconceptions about American family life: historical perspective and scientific objectivity. When we look back at our early history, we discover that the idealized 1950s family—characterized by a rising birthrate, a stable divorce rate, and a declining age of marriage—was a historical aberration, out of line with long-term historical trends. Working mothers, we learn, are not a 20th century invention; most families throughout American history have needed more than one breadwinner. In the exciting new scholarship described here, readers will learn precisely what is new in American family life and what is not, and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change.

cheaper by the dozen 1950: *Becoming Nick and Nora* Rob Kozlowski, 2023-08-01 As Nick and Nora Charles in the six *Thin Man* movies from 1934 to 1947, the team of William Powell and Myrna Loy showed that marriage didn’t have to mean the end of the romantic comedy. From the comedic delight that was the initial *The Thin Man* through its five sequels as well as eight other films

(including the Oscar-winning *The Great Ziegfeld* and *Manhattan Melodrama*), Powell and Loy were cemented in the public imagination as Hollywood's happiest married couple. In *Becoming Nick and Nora*, comedy writer and Hollywood historian Rob Kozlowski follows the winding path that Powell and Loy's screen personas took over their careers. Studios originally cultivated the two as villains in the silent era: Powell as a mustachioed, swashbuckling fiend and Loy as an "exotic" adversary. With the rise of talkies, the two managed to broaden their range beyond villainous stereotypes, but it took several false starts before they achieved their lasting legacy as Nick and Nora. Packed with behind-the-scenes details and memorable characters, this is a lively look at two tinseltown icons and a film series that remains beloved nearly a century later.

cheaper by the dozen 1950: [The Cinema Book](#) Bloomsbury Publishing, 2019-07-25 The Cinema Book is widely recognised as the ultimate guide to cinema. Authoritative and comprehensive, the third edition has been extensively revised, updated and expanded in response to developments in cinema and cinema studies. Lavishly illustrated in colour, this edition features a wealth of exciting new sections and in-depth case studies. Sections address Hollywood and other World cinema histories, key genres in both fiction and non-fiction film, issues such as stars, technology and authorship, and major theoretical approaches to understanding film.

cheaper by the dozen 1950: [Heroes, Antiheroes and Dolts](#) Ashton D. Trice, Samuel A. Holland, 2017-07-06 This book is a discussion of 75 of the most popular films in America from 1921 through 1999 and the changes that have taken place in how masculinity is portrayed in the movies over that period of time. Traditionally in popular films, men have met challenging tasks, but what they accomplish and how successful they are have been drastically changed since the early 1920s. Prior to World War II, men were most often presented within the context of a family. After the war, men were presented as concerned with issues beyond their immediate families, and after 1970, they were portrayed as being overwhelmed by their situations. Recently, popular films have tended to focus on the relationships between men. This work documents these changes over eight decades, using the movies as vehicles to illustrate the major transformations.
