Conversion of the Jews Philip Roth: Exploring Identity, Faith, and Conflict

conversion of the jews philip roth is a title that immediately draws readers into a complex world of religious tension, cultural identity, and the personal struggles of faith. This novella, written by the acclaimed American author Philip Roth, is part of his 1959 collection titled **Goodbye, Columbus and Five Short Stories**. The story delves deep into the psyche of a young Jewish boy grappling with the boundaries of belief and the challenges faced within his community, making it a rich subject for literary analysis and reflection on themes of assimilation, fanaticism, and personal conviction.

Understanding the Context of "Conversion of the Jews"

Before diving into the narrative, it's essential to understand the backdrop against which Roth wrote this story. The 1950s in America was a time when Jewish identity was undergoing significant transformation. Many Jewish families were assimilating into mainstream American culture, balancing traditional religious values with modern secular life. Roth, known for his sharp critique of American and Jewish life, uses this story to explore the tensions that arise when faith and modernity collide.

The Place of Religion in Mid-20th Century Jewish Identity

During the mid-20th century, Jewish communities in America were often caught between preserving religious traditions and embracing the secular opportunities that the new country offered. Roth's story reflects this struggle by placing its protagonist, Ozzie Freedman, in a situation where his youthful zeal and questioning mind lead him into conflict with religious authorities.

Plot Overview: The Struggle of Ozzie Freedman

At the heart of "Conversion of the Jews" is Ozzie Freedman, a 13-year-old boy who refuses to accept the rigid explanations provided by his Rabbi about a fundamental religious story — the biblical account of the Jews' refusal to convert to Christianity. Ozzie questions the Rabbi's assertion that Jews should never convert, challenging the dogma and sparking a heated debate.

This confrontation is not just about theological details but symbolizes a larger conflict: the clash between questioning faith and blind adherence. Ozzie's insistence on understanding and his willingness to confront authority figures resonate with readers who have ever

grappled with their beliefs.

Symbolism and Themes in the Story

Roth uses the story to explore several profound themes:

- **Religious Fanaticism vs. Personal Inquiry:** Ozzie's challenge to the Rabbi highlights the dangers of unquestioned dogma and the value of questioning.
- **Identity and Belonging:** The story reflects on what it means to be Jewish in a modern world, where identity is not solely defined by tradition.
- **Conflict Between Generations:** The tension between Ozzie and the Rabbi mirrors broader generational conflicts around faith and modernity.
- **Freedom of Thought:** Ozzie's determination to seek truth represents the human spirit's drive towards intellectual freedom.

Philip Roth's Writing Style and Narrative Approach

One of the reasons "Conversion of the Jews" stands out is Roth's distinctive narrative voice. His prose is sharp, witty, and often laced with irony, which adds layers to the story's tension. Roth's ability to blend humor with serious philosophical debate makes the story both engaging and thought-provoking.

Characterization and Dialogue

Roth's characterization of Ozzie is particularly compelling. Through Ozzie's youthful innocence and stubbornness, readers are invited into the mind of someone wrestling with complex issues far beyond his years. The dialogues between Ozzie and the Rabbi are intense and revealing, capturing the emotional and intellectual stakes involved in such debates.

Why "Conversion of the Jews" Remains Relevant Today

Though set in the 1950s, the themes Philip Roth examines in "Conversion of the Jews" continue to resonate in contemporary discussions about religion, identity, and freedom of thought.

Questions of Faith in a Modern World

In an age marked by religious pluralism and increasing secularism, Ozzie's struggle mirrors the experiences of many who seek to reconcile inherited beliefs with modern realities. The story encourages readers to reflect on how faith can be both a source of comfort and conflict.

Exploring Religious Intolerance and Understanding

The story also serves as a cautionary tale about the dangers of religious intolerance and the importance of empathy. Roth implicitly critiques the rigidity that can close minds and hearts, urging openness and dialogue instead.

LSI Keywords and Related Topics Embedded in the Article

Throughout this exploration, several related concepts naturally emerge, enriching our understanding of the story and its themes. These include:

- Jewish-American literature
- Religious identity in Philip Roth's works
- Assimilation and cultural conflict
- Coming-of-age stories in Jewish contexts
- The role of questioning in faith development
- Post-war Jewish-American experiences

Tips for Readers Approaching "Conversion of the Jews"

If you're new to Philip Roth or this particular story, here are some suggestions to enhance your reading experience:

1. **Consider the Historical Context:** Understanding the post-war American Jewish experience can deepen your appreciation of the story's nuances.
2. **Reflect on the Themes:** Take time to ponder the questions Roth raises about faith, authority, and individuality.
3. **Pay Attention to Dialogue:** The exchanges between Ozzie and the Rabbi are packed with meaning and reveal character motivations.
4. **Explore Roth's Broader Works:** Reading other Roth novels and stories can provide insight into recurring themes of identity and conflict.

The Impact of "Conversion of the Jews" on Literary and Cultural Discussions

Philip Roth's story is more than just a brief tale; it has influenced writers, scholars, and readers interested in the intersections of religion, culture, and personal autonomy. It has been studied in academic settings for its rich thematic content and its portrayal of the complexities within Jewish-American life.

Literary Significance

"Conversion of the Jews" stands as a prime example of Roth's early talent for blending personal narrative with broader social critique. Its compact structure and sharp dialogue showcase Roth's skill in using fiction to question societal norms.

Cultural Reflection

The story acts as a mirror reflecting the anxieties and hopes of a community in transition. It captures the universal experience of questioning one's place in the world, making it relatable beyond the specific Jewish context.

Philip Roth's "Conversion of the Jews" continues to invite readers into a thoughtful exploration of faith, identity, and the courage to question. Its enduring relevance lies in its honest portrayal of the struggles faced by those caught between tradition and the desire for personal truth. Whether approached as a literary work or a cultural artifact, it offers rich insights that spark meaningful conversations about belief and belonging.

Frequently Asked Questions

What is 'The Conversion of the Jews' by Philip Roth about?

'The Conversion of the Jews' is a novella by Philip Roth that explores themes of faith, identity, and rebellion through the story of a young boy named Ozzie Freedman who challenges religious teachings and questions authority.

When was 'The Conversion of the Jews' published?

'The Conversion of the Jews' was first published in 1959 as Philip Roth's debut novella.

What are the main themes in 'The Conversion of the Jews'?

The main themes include religious doubt, the struggle for personal identity, authority versus individuality, and the conflicts between faith and reason.

Who is Ozzie Freedman in 'The Conversion of the Jews'?

Ozzie Freedman is the protagonist, a young Jewish boy who confronts his religious education and authority figures, embodying the theme of questioning and rebellion.

How does Philip Roth portray religion in 'The Conversion of the Jews'?

Roth portrays religion as a complex and sometimes oppressive force, highlighting the tension between dogmatic belief and individual questioning.

Why is 'The Conversion of the Jews' significant in Philip Roth's career?

It is significant because it marks Roth's literary debut, introducing themes and stylistic elements that he would continue to explore throughout his career.

Is 'The Conversion of the Jews' based on Philip Roth's personal experiences?

While fictional, the novella draws on Roth's own Jewish upbringing and his early struggles with faith and identity.

How has 'The Conversion of the Jews' been received by critics?

Critics have praised the novella for its sharp exploration of religious and existential questions, as well as Roth's incisive prose and character development.

Conversion of the Jews Philip Roth: An Analytical Review of Identity and Faith

conversion of the jews philip roth immediately evokes a rich tapestry of themes centering on identity, religious belief, and adolescent rebellion. This short story, penned by one of America's most celebrated authors, Philip Roth, offers a nuanced exploration of Jewish identity amid the pressures of conformity and the turbulence of youth. As a work embedded in Roth's broader literary universe, "Conversion of the Jews" serves as a critical touchstone for understanding his ongoing interrogation of faith, culture, and selfhood.

Philip Roth, renowned for his incisive portrayals of Jewish-American life, uses this narrative to dissect the complexities surrounding religious conversion—not as a mere physical act but as a metaphor for personal transformation, conflict, and alienation. This article delves deeply into the thematic and stylistic elements of “Conversion of the Jews,” contextualizing it within Roth’s oeuvre while examining its broader cultural implications.

Contextualizing “Conversion of the Jews” within Roth’s Literary Corpus

Published initially as part of Roth’s 1959 collection **Goodbye, Columbus**, “Conversion of the Jews” stands out as a distinctive short story encapsulating the tension between tradition and modernity. The story is set in a Jewish community, focusing on a young protagonist, Ozzie Freedman, whose confrontation with religious authority figures reveals underlying fractures in belief systems.

Roth’s exploration of Jewish identity is neither monolithic nor simplistic. Unlike other Jewish-American literature that romanticizes or idealizes faith, Roth presents a more conflicted, and sometimes critical, perspective. The “conversion” in the title alludes not only to religious transformation but also to the protagonist’s psychological and spiritual awakening, as well as his resistance to imposed dogma.

Plot and Character Overview

At the heart of the story is Ozzie Freedman, a teenage boy who challenges his rabbi during a lesson about the biblical story of the forced conversion of Jews during the Spanish Inquisition. Ozzie’s insistence on questioning the historical accuracy and moral implications of the story leads to a fraught confrontation with authority, emblematic of his broader struggle to define his identity independently.

This narrative encapsulates the universal conflict faced by many adolescents: the desire to question inherited beliefs while navigating communal expectations. Roth’s nuanced characterization of Ozzie reveals a young man wrestling with faith, reason, and rebellion—a microcosm of larger societal tensions.

Exploring Themes in “Conversion of the Jews” Philip Roth

The story is rich with thematic layers that merit close examination. These themes not only reflect Roth’s literary preoccupations but also resonate with universal questions about faith, identity, and authority.

Religious Skepticism and Authority

One of the central themes in “Conversion of the Jews” is the tension between religious skepticism and authoritative tradition. Ozzie’s questioning of the rabbi’s narrative is more than a challenge to a single story; it represents a broader doubt about institutionalized religion’s role in shaping identity. Roth highlights the discomfort that arises when faith is interrogated, and the defensive mechanisms institutions deploy to maintain control.

The rabbi’s inability to adequately address Ozzie’s doubts underscores the limitations of dogmatic teaching, especially when confronted with inquisitive youth. This dynamic reflects a recurring motif in Roth’s work—an exploration of the fragility of religious belief in the face of modern skepticism.

Identity Formation and Adolescent Rebellion

“Conversion of the Jews” delves deeply into the psychological dimensions of adolescent identity formation. Ozzie’s rebellion is not merely about religious doctrine but also about asserting autonomy. Roth portrays Ozzie’s struggle as emblematic of the broader human endeavor to forge a coherent self amid competing cultural and familial pressures.

This theme resonates with readers beyond the Jewish community, as it touches on universal experiences of growing up and questioning inherited values. Roth’s keen insight into the adolescent psyche adds emotional depth and complexity to the narrative.

Cultural and Historical Memory

The story’s reference to the forced conversions during the Spanish Inquisition introduces a meditation on cultural and historical memory. Roth uses this backdrop to explore how communities remember trauma and how these memories shape collective identity. Ozzie’s challenge to the story’s historicity serves as a critique of how history can be manipulated or sanitized to serve communal narratives.

This aspect of the story invites readers to consider the ways in which history is taught and the implications of accepting or questioning dominant narratives within cultural traditions.

Stylistic Features and Narrative Technique

Philip Roth’s writing style in “Conversion of the Jews” is characterized by sharp dialogue, psychological realism, and a subtle use of irony. The story’s tight narrative structure effectively conveys the intense emotional and intellectual struggle experienced by the protagonist.

Use of Dialogue

Dialogue plays a crucial role in the story, serving as the primary arena where ideas clash and characters reveal their convictions. The exchanges between Ozzie and the rabbi are charged with tension, reflecting the broader conflict between tradition and modernity. Roth's skillful use of language captures the nuances of argumentation and the emotional stakes involved.

Psychological Realism

Roth's portrayal of Ozzie's inner world is marked by psychological depth. Readers gain insight into Ozzie's motivations, fears, and desires, making his rebellion feel authentic rather than contrived. This realism enhances the story's impact and fosters empathy for the protagonist's struggle.

Comparative Insights: "Conversion of the Jews" and Broader Jewish-American Literature

While "Conversion of the Jews" shares thematic concerns with other Jewish-American literary works, Roth's approach is distinct in its ambivalence and complexity. Unlike the more nostalgic or celebratory depictions of Jewish life found in authors like Saul Bellow or Isaac Bashevis Singer, Roth often exposes tensions and contradictions within the community.

This story, in particular, foregrounds the conflict between individual freedom and communal expectation, a recurring theme in Jewish-American narratives but treated here with a sharper edge. Roth's willingness to portray religious doubt and adolescent dissent marks a significant contribution to the discourse on Jewish identity in American literature.

Pros and Cons of Roth's Approach

- **Pros:** Roth's candid exploration of skepticism provides a fresh perspective on faith, encouraging critical thinking and honest engagement with tradition.
- **Cons:** Some readers may find the story's confrontational tone alienating, particularly those seeking affirming representations of Jewish life.

SEO Keywords Integration and Relevance

In discussing “conversion of the jews philip roth,” it is essential to incorporate related keywords such as “Philip Roth short stories,” “Jewish identity in literature,” “adolescent rebellion in Roth’s work,” and “religious skepticism in American fiction.” These terms naturally arise within the analytical context of the story and help readers discover the article through organic search.

Additionally, phrases like “themes in Conversion of the Jews,” “Philip Roth’s portrayal of faith,” and “historical memory in Roth’s stories” deepen the article’s relevance for those researching literature or cultural studies, ensuring comprehensive coverage that aligns with SEO best practices.

Philip Roth’s “Conversion of the Jews” remains a compelling and thought-provoking work that challenges readers to consider the complexities of faith, identity, and authority. Through Ozzie Freedman’s defiant questioning and Roth’s incisive prose, the story continues to resonate as a significant exploration of the human condition within the framework of cultural tradition and personal autonomy.

conversion of the jews philip roth: A Study Guide for Philip Roth's "Conversion of the Jews" Gale, Cengage Learning,

conversion of the jews philip roth: *Philip Roth and the Jews* Alan Cooper, 2012-02-01 In a style richly accessible to the general reader, this book presents Roth's secular Jewishness, with its own mysteries and humor, as most representative of the American Jewish experience. Thirty years into his career as a writer, Philip Roth remains known to most readers as a self-hating Jew or a flawed would-be comic. *Philip Roth and the Jews* shows Roth the ironist, the master of absurdity, for whom twentieth-century America and modern Jewish history resonate with each other's signal accomplishments and anxieties. Roth's egoism is a persona, an abashed moralist discomfited by the world. Cooper shows that in the Jewish works Roth has taken the pulse of America and read the pressures of the world. Modernism, the universal tug for individual sovereignty and against tribal definition, is an issue everywhere. Roth's own odyssey of betrayal, loss, and return—the pattern of the Jewish writer in the last 200 years—is so shaped by his origins that Roth has carried his home and neighborhood into the corners of the earth and thus never left them.

conversion of the jews philip roth: The Bloomsbury Handbook to Philip Roth Aimee Pozorski, Maren Scheurer, 2023-12-14 The Bloomsbury Handbook to Philip Roth provides a comprehensive, must-have survey of interdisciplinary scholarship on one of the major American novelists of the 20th and 21st centuries. The Bloomsbury Handbook to Philip Roth presents state-of-the-art scholarship on new research methods, current debates, and future directions in Philip Roth studies. It illuminates how Roth, one of the most influential American writers of the 20th and 21st centuries, not only reflected American history and culture in his important novels but uncannily anticipated our American future. Divided into six main sections, this Handbook considers such topics: - The full range of Roth's writing, from his novels and short stories to essays and life writing - Major interdisciplinary scholarly perspectives across literary studies, politics, gender studies, critical race theory, and ecocriticism - Roth's literary legacy across contemporary fiction, Jewish literature, the arts, and culture studies - Key contexts including American political movements since the 1950s, the American Jewish experience, and intertextual relationships Uniting scholars and artists who have built the field of Philip Roth studies from the ground up along with emergent scholars from around the world, this Handbook includes chapter summaries, study questions, and an author biography and timeline that includes key dates in Roth's life and publication history. It also contains a bibliography of secondary sources for further reading as well as an overview of film and television adaptations.

conversion of the jews philip roth: The Oxford Book of Jewish Stories Ilan Stavans, 1998 The Oxford Book of Jewish Stories takes readers from the mid-1800s to the present, encompassing a full spectrum of Jewish writing around the world.

conversion of the jews philip roth: Ideology and Jewish Identity in Israeli and American Literature Emily Miller Budick, 2012-02-01 By creating a dialogue between Israeli and American Jewish authors, scholars, and intellectuals, this book examines how these two literatures, which traditionally do not address one another directly, nevertheless share some commonalities and affinities. The disinclination of Israeli and American Jewish fictional narratives to gravitate toward one another tells us much about the processes of Jewish self-definition as expressed in literary texts over the last fifty years. Through essays by prominent Israeli Americanists, American Hebraists, Israeli critics of Hebrew writing, and American specialists in the field of Jewish writing, the book shows how modern Jewish culture rewrites the Jewish tradition across quite different ideological imperatives, such as Zionist metanarrative, the urge of Jewish immigrants to find Israel in America, and socialism. The contributors also explore how that narrative turn away from religious tradition to secular identity has both enriched and impoverished Jewish modernity.

conversion of the jews philip roth: Be Always Converting, be Always Converted Rob Wilson, 2009 Wilson's reconceptualization of the American project of conversion begins with the story of Henry 'Ōpūkaha'ia, the first Hawaiian convert to Christianity, torn from his Native Pacific homeland and transplanted to New England. Wilson argues that 'Ōpūkaha'ia's conversion is both remarkable and prototypically American.

conversion of the jews philip roth: Roth and Celebrity Aimee L. Pozorski, 2012-09-20 Roth and Celebrity is composed of 10 original essays that consider the vexed and ambivalent relationship between Philip Roth and his own celebrity as revealed both in personal interviews as well as in the fiction that spans his publishing history. With its simultaneous interest in American popular culture and the work of the most important living American writer to-date, the collection will hold wide appeal to advanced readers in American studies, literary scholarship, and film.

conversion of the jews philip roth: Profane Christopher S. Grenda, 2014-08-15 Humans have been uttering profane words and incurring the consequences for millennia. But contemporary events—from the violence in 2006 that followed Danish newspaper cartoons depicting the Prophet Mohammed to the 2012 furor over the Innocence of Muslims video—indicate that controversy concerning blasphemy has reemerged in explosive transnational form. In an age when electronic media transmit offense as rapidly as profane images and texts can be produced, blasphemy is bracingly relevant again. In this volume, a distinguished cast of international scholars examines the

profound difficulties blasphemy raises for modern societies. Contributors examine how the sacred is formed and maintained, how sacrilegious expression is conceived and regulated, and how the resulting conflicts resist easy adjudication. Their studies range across art, history, politics, law, literature, and theology. Because of the global nature of the problem, the volume's approach is comparative, examining blasphemy across cultural and geopolitical boundaries.

conversion of the jews philip roth: Two Jews = Three Shuls Sandra Tankoos, 2020-06-05 The year is 1992. A very respected Rabbi is found murdered in his synagogue located in a wealthy suburb on Long Island. Deborah Katzman is the first woman to become president of the synagogue. She is a child survivor of the Holocaust and a successful bankruptcy attorney. The synagogue's lay leaders had hoped that a woman with her background would be able to reduce the growing friction within their walls. The Rabbi had been growing more and more traditional at the same time as his congregants were becoming more liberal. Younger women were clamoring for equal participation in religious services; older congregants were opposed to the Rabbi's newly heightened religious practices. Emotions were exploding . . . but is all of this enough to cause someone to murder a man of God? The Temple leaders, each an interesting character in their own right, are trying to achieve some modicum of harmony within this once peaceful house of worship. The search for the killer is the plot that is carried forward until the murderer is uncovered in a surprise ending.

conversion of the jews philip roth: Makers of Jewish Modernity Jacques Picard, Jacques M. Revel, Michael P. Steinberg, Idith Zertal, 2016-08-09 A unique reference to leading Jewish figures who helped shape the modern world This superb collection presents more than forty incisive portraits of leading Jewish thinkers, artists, scientists, and other public figures of the last hundred years who, in their own unique ways, engaged with and helped shape the modern world. Makers of Jewish Modernity features entries on political figures such as Walther Rathenau, Rosa Luxemburg, and David Ben-Gurion; philosophers and critics such as Walter Benjamin, Hannah Arendt, Isaiah Berlin, Jacques Derrida, and Judith Butler; and artists such as Mark Rothko. The book provides fresh insights into the lives and careers of novelists like Franz Kafka, Saul Bellow, and Philip Roth; the filmmakers Joel and Ethan Coen; social scientists such as Sigmund Freud; religious leaders and thinkers such as Avraham Kook and Martin Buber; and many others. Written by a diverse group of leading contemporary scholars from around the world, these vibrant and frequently surprising portraits offer a global perspective that highlights the multiplicity of Jewish experience and thought. A reference book like no other, Makers of Jewish Modernity includes an informative general introduction that situates its subjects within the broader context of Jewish modernity as well as a rich selection of photos.

conversion of the jews philip roth: Philip Roth Harold Bloom, 1986 Essays to help you understand and appreciate the works of Philip Roth.

conversion of the jews philip roth: Visualizing Jewish Narratives Derek Parker Royal, 2016-06-30 Examining a wide range of comics and graphic novels – including works by creators such as Will Eisner, Leela Corman, Neil Gaiman, Art Spiegelman, Sarah Glidden and Joe Sacco – this book explores how comics writers and artists have tackled major issues of Jewish identity and culture. With chapters written by leading and emerging scholars in contemporary comic book studies, Visualizing Jewish Narrative highlights the ways in which Jewish comics have handled such topics as: ·Biography, autobiography, and Jewish identity ·Gender and sexuality ·Genre – from superheroes to comedy ·The Holocaust ·The Israel-Palestine conflict ·Sources in the Hebrew Bible and Jewish myth Visualizing Jewish Narrative also includes a foreword by Danny Fingeroth, former editor of the Spider-Man line and author of Superman on the Couch and Disguised as Clark Kent..

conversion of the jews philip roth: Studies in Contemporary Jewry Ezra Mendelsohn, 1997-01-30 Literary Strategies: Jewish Texts and Contexts collects essays on Jewish literature which deal with the manifold ways that literary texts reveal their authors' attitudes toward their own Jewish identity and toward diverse aspects of the 'Jewish question.' Essays in this volume explore the tension between Israeli and Diaspora identities, and between those who write in Hebrew or Yiddish and those who write in other non-Jewish languages. The essays also explore the question of how

Jewish writers remember history in their search for a useable past. From essays on Jabotinsky's virtually unknown plays to Philip Roth's novels, this book provides a strong overview of contemporary themes in Jewish literary studies.

conversion of the jews philip roth: Canadian Readings of Jewish History Daniel Maoz, Esti Mayer, 2023-03-11 This book takes the reader through a genealogical embodied journey, explaining how our historical context, through various expressions of language, culture, knowledge, pedagogy, and power, has created and perpetuated oppression of marginalised identities throughout history. The volume is, in essence, a social justice initiative in that it shines a spotlight on elitist forms of knowledge, and their attached privileged protectors. As such, the reader will unavoidably reflect on their own pre-conceived meanings and culturally inherent notions while engaging with these pages, and in so doing open a third space where new forms of knowledge that may transcend time and space can evolve into endless possibilities. It is these possibilities of expanding the nuanced meanings of evolving knowledge, fluid lifestyles, and of a dynamic connection to humanity and God, which make this book contextually relevant in our post-modern landscape. It un-situates philosophies which have traditionally been unknowingly situated, and, in so doing, propels the reader to re-interpret discourse and recreate taken-for-granted "universal truths."

conversion of the jews philip roth: Jewish American and Holocaust Literature Alan L. Berger, Gloria L. Cronin, 2012-02-01 Challenging the notion that Jewish American and Holocaust literature have exhausted their limits, this volume reexamines these closely linked traditions in light of recent postmodern theory. Composed against the tumultuous background of great cultural transition and unprecedented state-sponsored systematic murder, Jewish American and Holocaust literature both address the concerns of postmodern human existence in extremis. In addition to exploring how various mythic and literary themes are deconstructed in the lurid light of Auschwitz, this book provides critical reassessments of Saul Bellow, Bernard Malamud, and Philip Roth, as well as contemporary Jewish American writers who are extending this vibrant tradition into the new millennium. These essays deepen and enrich our understanding of the Jewish literary tradition and the implications of the Shoah.

conversion of the jews philip roth: Cosmopolitanism, Nationalism and the Jews of East Central Europe Michael Miller, Scott Ury, 2016-01-22 Since ancient times, Jews have had a long and tangled relationship to cosmopolitanism. Torn between a longstanding commitment to other Jews and the pressure to integrate into various host societies, many Jews have sought a third, seemingly neutral option, that of becoming citizens of the world: cosmopolitans. Few regions witnessed such intense debates on these questions as the lands of East Central Europe as they entered the modern era. From Berlin to Moscow and from Vilna to Bucharest, the Jews of East Central Europe were repeatedly torn between people, nation and the world. While many Jews and individuals of Jewish descent embraced cosmopolitan ideologies and movements across the span of the nineteenth century, such appeals to transcend the nation became increasingly suspect with the rise of integral nationalism. In Germany, Poland, Russia and other lands, Jews and other supporters of cosmopolitan movements were marginalized during the late nineteenth and early twentieth centuries. Although such sentiments reached their peak during the Second World War, anti-cosmopolitan propaganda continued throughout the Cold War when it often became an integral part of anti-Jewish campaigns in the Soviet Union, Czechoslovakia, Poland and Romania. Even after the end of the Cold War, the connection between Jews and cosmopolitanism continues to befuddle ideologues, cultural leaders and politicians in Europe, North America and Israel. The fourteen chapters amassed in this volume address these and other questions including: What lies at the roots of the longstanding connection between Jews and cosmopolitanism? How has this relationship changed over time? What can different cultural, economic and political developments teach us about the ongoing attraction and tension between Jews and cosmopolitanism? And, what can these test cases tell us about the future of Jews and cosmopolitanism in the twenty-first century? This book was originally published as a special issue of the European Review of History.
