Robert Ruark Something of Value: Exploring the Classic Tale of Honor and Conflict

robert ruark something of value is more than just a title; it represents a profound exploration of cultural conflict, honor, and the human spirit set against the backdrop of colonial Kenya. Written by Robert Ruark, a renowned American author and journalist, this novel delves into the complexities of the Mau Mau Uprising, portraying the struggles faced by both the colonizers and the indigenous Kikuyu people. For readers interested in historical fiction, colonial history, or powerful storytelling, "Something of Value" offers a compelling narrative that remains relevant even decades after its publication.

The Historical Context Behind Robert Ruark's Something of Value

Understanding the historical background of the novel is crucial to fully appreciating the depth of Robert Ruark's work. "Something of Value" is set during the 1950s in Kenya, a period marked by significant political turmoil as native Africans sought independence from British colonial rule. The Mau Mau Rebellion was a violent and passionate uprising primarily involving the Kikuyu tribe, who demanded land rights and political freedom.

Ruark, having spent time in Africa as a hunter and journalist, brought firsthand insight into the tensions and cultural dynamics of the era. His portrayal is not merely of conflict but also of the human emotions and moral dilemmas faced by individuals caught in the crossfire of history.

The Mau Mau Uprising: A Brief Overview

The Mau Mau Uprising (1952-1960) was a pivotal moment in Kenya's path to independence. The rebellion involved guerrilla warfare tactics by the Kikuyu people against British settlers and loyalist Africans. It was fueled by decades of land dispossession, economic inequality, and political repression.

Robert Ruark's "Something of Value" captures this tension by focusing on characters from both sides of the conflict, illustrating how the uprising tore apart communities and families. The novel humanizes the struggle rather than presenting a one-dimensional view of colonialism.

Key Themes in Robert Ruark's *Something of Value*

Much of the enduring appeal of “*Something of Value*” lies in its exploration of universal themes that resonate beyond the specific historical setting.

Honor and Loyalty

One of the core themes in “*Something of Value*” is the concept of honor—both personal and cultural. The characters wrestle with their loyalties, whether to family, tribe, or colonial authority. Ruark's storytelling vividly portrays how honor shapes decisions and often leads to tragic consequences, emphasizing the complexity of human motives during times of crisis.

Cultural Conflict and Identity

The novel delves into the clash between traditional Kikuyu values and the imposed Western colonial system. This cultural conflict forces characters to question their identity and confront painful choices. Robert Ruark masterfully illustrates the emotional and psychological toll of colonialism, making readers reflect on the broader implications of cultural displacement.

The Price of Violence

“*Something of Value*” does not shy away from depicting the brutal realities of rebellion and suppression. Through vivid descriptions and powerful character arcs, Ruark explores how violence begets violence and the heavy cost borne by individuals and societies alike. This theme serves as a poignant reminder of the consequences of unresolved injustice.

Robert Ruark's Literary Style and Impact

Robert Ruark's writing style in “*Something of Value*” is marked by a blend of vivid descriptions, compelling dialogue, and deep emotional resonance. His journalistic background adds authenticity to the narrative, as he integrates factual details seamlessly into the fictional story.

Authenticity and Detail

Ruark's experience in Africa shines through in the novel's rich portrayal of the landscape, customs, and social dynamics. Readers often praise his ability

to create an immersive atmosphere that brings the setting to life, making the historical events more tangible.

Character Development

The novel's characters are complex and multi-dimensional, avoiding simplistic stereotypes. Ruark presents both the colonizers and the indigenous people with empathy, highlighting their humanity amidst conflict. This balanced approach adds to the novel's credibility and emotional impact.

Why Robert Ruark Something of Value Remains Relevant Today

Decades after its initial publication, "Something of Value" continues to resonate with readers and scholars alike. Its nuanced treatment of colonialism, cultural identity, and moral ambiguity provides valuable insights into ongoing global discussions about race, power, and reconciliation.

Lessons on Colonial Legacy

The novel serves as a powerful case study for understanding the long-lasting effects of colonialism on indigenous populations. It encourages readers to consider historical injustices and their modern implications, fostering empathy and awareness.

Inspiration for Contemporary Storytelling

Many contemporary authors and filmmakers draw inspiration from Ruark's approach to storytelling—combining historical fact with rich emotional narratives. "Something of Value" has influenced portrayals of colonial Africa in literature and cinema, contributing to a broader appreciation of African history.

Exploring Related Works and Adaptations

For those intrigued by Robert Ruark's "Something of Value," several related works and adaptations offer further exploration of similar themes and settings.

Film Adaptation

In 1957, "Something of Value" was adapted into a film starring Rock Hudson and Susan Kohner. While the movie captures the essence of the novel, many fans argue that the book's depth and nuance are best experienced through reading. The film, however, helped bring the story to a wider audience and sparked interest in Kenya's history.

Other Robert Ruark Books

Ruark's other writings, including "Horn of the Hunter" and "Uhuru," also reflect his fascination with Africa and its landscapes. Readers who appreciate his style and perspective will find these works equally engaging.

Books on the Mau Mau Uprising

To gain more comprehensive knowledge about the historical events depicted in "Something of Value," consider reading nonfiction accounts such as "The Mau Mau War in Perspective" by Wunyabari O. Maloba or "Britain's Gulag" by Caroline Elkins. These provide detailed analyses that complement Ruark's fictional narrative.

Tips for Reading and Understanding Robert Ruark's Something of Value

For those new to the novel or historical fiction in general, here are some tips to enhance the reading experience:

- **Research the historical background:** Understanding the Mau Mau Uprising and colonial Kenya will provide context for the characters' actions and the story's events.
- **Pay attention to character relationships:** The novel's emotional power lies in the complex interactions between individuals from different cultures and social standings.
- **Reflect on the themes:** Consider how themes like honor, identity, and violence relate to contemporary issues of social justice and cultural conflict.
- **Engage with supplementary materials:** Watching the film adaptation or reading historical analyses can enrich your understanding of the narrative.

Robert Ruark's "Something of Value" stands as a timeless work that invites readers to engage thoughtfully with a turbulent chapter of history. Through its vivid storytelling and profound themes, it challenges us to consider the costs of division and the enduring quest for dignity and respect.

'Something of Value' offered readers insight into the complexities of colonialism and the Mau Mau uprising, challenging some Western perceptions by presenting both sides of the conflict.

Where can I read or buy Robert Ruark's 'Something of Value'?

'Something of Value' is available for purchase in bookstores and online retailers, and can also be found in libraries and some digital book platforms.

Additional Resources

Robert Ruark Something of Value: An Analytical Review of a Classic Work

robert ruark something of value stands as a significant literary piece that delves deeply into the complexities of colonial Africa, human conflict, and the search for identity amidst cultural upheaval. This novel, penned by Robert Ruark, an American author and journalist known for his evocative storytelling and vivid portrayals of Africa, captures not only the physical landscape but also the intense social and political tensions of the time. Examining this work through a critical lens reveals its enduring impact and relevance, as well as its strengths and limitations in portraying colonial dynamics.

Contextualizing Robert Ruark and His Work

Robert Ruark was a prominent writer and columnist whose fascination with Africa was both personal and professional. His experiences as a hunter and traveler influenced much of his writing, providing authentic insights into the landscapes and cultures he described. "Something of Value," published in 1955, emerged during a period when African nations were grappling with the consequences of colonial rule and the rise of independence movements. The novel is set against the backdrop of the Mau Mau Uprising in Kenya during the 1950s, a violent struggle between native Kenyans and British colonial authorities.

This historical context is crucial to understanding the narrative's depth and Ruark's approach to the subject matter. While Ruark was praised for bringing African stories to a Western audience, contemporary readers often scrutinize his perspective for inherent biases common in mid-20th-century Western literature about Africa.

In-depth Analysis of "Something of Value"

At its core, "Something of Value" explores the clash between traditional Kikuyu culture and the imposed colonial order. Ruark's narrative is centered on two main characters: Kimani, a Kikuyu tribesman, and Peter, a white settler. Their intertwined lives symbolize the broader conflict and moral ambiguities of the colonial experience.

Thematic Exploration

One of the novel's primary themes is the concept of "value" itself—what is truly valuable in a world undergoing rapid change. Ruark contrasts indigenous cultural values with those of the colonizers, highlighting the erosion of native traditions under the pressure of modernization and foreign control. The novel interrogates ideas of loyalty, identity, and justice through its characters' struggles.

Another significant theme is the brutality and complexity of the Mau Mau Uprising. Ruark does not shy away from depicting the violence and human cost on both sides, presenting a narrative that is neither wholly sympathetic to the colonizers nor the insurgents but attempts to portray the conflict's harrowing realities.

Character Development and Narrative Style

Ruark's prose is often noted for its vivid descriptions and immersive storytelling, qualities that bring the Kenyan landscape and its people to life. The dichotomy between Kimani and Peter is well-drawn, with both characters embodying the tensions of their respective worlds.

However, some critics argue that Ruark's portrayal of African characters can sometimes reinforce stereotypes or lack the depth afforded to white characters. Despite this, the novel's attempt to present a multifaceted view of the conflict was relatively progressive for its time.

Comparative Perspectives and Legacy

When compared to other literary works about colonial Africa, such as George Orwell's "Burmese Days" or Chinua Achebe's "Things Fall Apart," "Something of Value" occupies a unique space. Ruark's position as an outsider writing about African struggles provides a different angle but also raises questions about authenticity and representation.

Unlike Achebe's work, which is rooted in African voices and perspectives,

Ruark's novel reflects an external viewpoint that can at times feel detached or paternalistic. Nevertheless, it contributed to raising awareness about the Mau Mau Uprising among Western readers during a time when African independence movements were gaining momentum globally.

Pros and Cons of Robert Ruark's Approach

- **Pros:**

- Engaging narrative that humanizes both colonizers and the colonized.
- Detailed and vivid descriptions of the Kenyan environment and culture.
- Raises awareness of a significant but underreported historical event.

- **Cons:**

- Occasional reinforcement of colonial stereotypes or biased portrayals.
- Lack of authentic African voices in the narrative's perspective.
- Historical simplifications that may overlook the complexity of indigenous experiences.

Relevance in Modern Literary and Historical Discussions

In contemporary discourse, "Something of Value" remains a valuable text for understanding both the Mau Mau Uprising and mid-20th-century Western literary engagement with Africa. Scholars and readers interested in colonial history find the novel a useful starting point for exploring the themes of resistance, cultural conflict, and the human cost of imperialism.

The book's portrayal of the psychological and social impacts of colonialism invites reflection on the lingering effects of such histories in present-day Africa and beyond. Although modern readers may critique some aspects of

Ruark's narrative, the novel's ability to provoke dialogue about colonial legacies is undeniable.

Adaptations and Cultural Impact

"Something of Value" was adapted into a film in 1957, which further amplified its reach. The cinematic version brought the Mau Mau Uprising to a wider audience, although it similarly faced criticism for its portrayal of African characters and events.

The novel's imprint on popular culture and historical consciousness highlights Robert Ruark's influence as a storyteller, despite the evolving perspectives on colonial narratives.

Robert Ruark's "Something of Value" thus remains an important literary artifact—one that opens windows into a turbulent era marked by conflict and transformation. Its exploration of identity, loyalty, and the cost of change continues to resonate, inviting readers to examine not only a specific historical episode but also broader questions about cultural value and human dignity.

robert ruark something of value: The White Spaces of Kenyan Settler Writing Terrence L. Craig, 2017-03-27 The White Spaces of Kenyan Settler Writing provides an overview of Kenyan literature by white writers in the half-century before Independence in 1964. Such literature has been over-shadowed by that of black writers to the point of critical ostracism. It deserves attention for its own sake, as the expression of a community that hoped for permanence but suffered both disappointment and dispossession. It deserves attention for its articulation of an increasingly desperate colonial and Imperial situation at a time when both were being attacked and abandoned in

Africa, as in other colonies elsewhere, and when a counter-discourse was being constructed by writers in Britain as well as in Africa. Kenya was likely the best-known twentieth-century colony, for it attracted publicity for its iconic safaris and its Happy Valley scandals. Yet behind such scenes were settlers who had taken over lands from the native peoples and who were trying to make a future for themselves, based on the labour, willing or forced, of those people. This situation can be seen as a microcosm of one colonial exercise, and can illuminate the historical tensions of such times. The bibliography is an attempt to collect the literary resources of white Kenya in this historically significant period.

robert ruark something of value: A Bibliography of Robertson Davies Carl Spadoni, Judith Skelton Grant, 2014-08-01 Robertson Davies (1913-1995), one of Canada's most distinguished authors of the twentieth century, was known for his work as a novelist, playwright, critic, journalist, and professor. This descriptive bibliography is dedicated to his writing career, covering all publications from his first venture into print at the age of nine to works published posthumously to 2011. Entries include each of Davies' signed publications and those pseudonymous or anonymous writings he acknowledged having written. Included are his plays, novels, journalism, academic writing, translations, interviews, speeches, lectures, unsigned articles and editorials, films, audio recordings, and multimedia editions. Also listed is a generous sampling of unsigned articles and editorials. Using Davies' archives and the archives of other authors, organizations, and publishers, Carl Spadoni and Judith Skelton Grant present *A Bibliography of Robertson Davies* to serve the research demands of Canadian literature and book history scholars.

robert ruark something of value: Unadjusted Man in the Age of Overadjustment , The great critic Peter Viereck, in a volume that both reproduces an earlier effort and presents an entirely new work on the intersection of history and literature, offers a biting critique of the American desire for normalcy that leads to a culture of the surrender of personality. In contrast to this voluntary thought control process is the unadjusted person. Cast in the mold of great individualists from Thomas More to Friedrich Nietzsche, such a person responds to fundamental values of conscience rather than conformity built exclusively on ego gratification and icon worship. Viereck's book is a stinging critique of the liberal presumption of a monopoly in critical thought. He argues to the contrary, that most varieties of liberal expression offer little else than the common platitude dressed up as critique. In such a cultural environment, conservatism is the skeleton in the liberal closet. The virtue of conservatism is that in its very stress on liberty as dependent on tradition and law, it permits the human being an opportunity to test all transient things by the touchstone of all lasting ideas. *Unadjusted Man* cuts deep and in many directions: against left totalitarian regimes of Europe and right wannabes like McCarthyism in America. For Viereck, the art of conserving is not an embrace of utopias to come or empires that were, but retaining the sense of individuality over against the senselessness of the massman. Civil liberties in this approach are a right to non-conspiratorial dissent informed by fundamental values. The new material is presented unabashedly--without an attempt to rewrite personal history, and with an admission that not every prediction made in the original edition has come to fruition. That said, the underlying themes of the original are not so much repeated as expanded upon. For those seeking a work in the classic mold of conservatism, rather than the strident reactionary views that have come to dominate much of the conservative dialogue, this will be a special book, a special entrance to the mind of a great figure in American culture wars of present as well as past.

robert ruark something of value: Pointing to the Moon Rochelle Lynn Holt, 2010 Each of us lives an extraordinary life; however, the artists are qualified to share their thoughts in a manner that preserves existence, universally. Two writers, Rochelle Lynn Holt and Virginia Love Long, shared a friendship that was both literary and encompassing of everyday experiences. The writers, however, also revealed their emotions in poems and collaborative published projects. This memorial, *POINTING TO THE MOON*, is a novel biography in epistolary form. Letters have become a lost art now that e-mail exists! But, once, there was time to reflect in long missives.

robert ruark something of value: Zimbabwe Lincoln Hughes, 2005-09 *Zimbabwe* by Lincoln Huhges is an adventure novel of big game hunting in Africa. This exciting novel chronicles the adventures of two generations of a family---the Kirkwood family. They are caught up in Zimbabwe's struggle for black majority rule and democracy. They learn that the concept of democracy is as foreign to Zimbabwe's post-revolutionary ruling party as it was to the country's former colonial

masters. White farmers and their families are attacked---pillaged and raped---with the approval of the Zimbabwean government. They, along with oppressed minority blacks, decide to take matters into their own hands and start a new revolution---one written in blood.

robert ruark something of value: *A Memory of Lies* Johnnie Gallop, 2019-04-29 Negotiating their way through Stalinist terrors, Nazi slavery and British colonial brutality, Pasha Zayky and his wife, Tanya, tell first-hand how a loving family fight for survival during the hell of the twentieth century.

robert ruark something of value: *Obama and Kenya* Matthew Carotenuto, Katherine Luongo, 2016-07-29 Barack Obama's political ascendancy has focused considerable global attention on the history of Kenya generally and the history of the Luo community particularly. From politicians populating the blogosphere and bookshelves in the U.S and Kenya, to tourists traipsing through Obama's ancestral home, a variety of groups have mobilized new readings of Kenya's past in service of their own ends. Through narratives placing Obama into a simplified, sweeping narrative of anticolonial barbarism and postcolonial "tribal" violence, the story of the United States president's nuanced relationship to Kenya has been lost amid stereotypical portrayals of Africa. At the same time, Kenyan state officials have aimed to weave Obama into the contested narrative of Kenyan nationhood. Matthew Carotenuto and Katherine Luongo argue that efforts to cast Obama as a "son of the soil" of the Lake Victoria basin invite insights into the politicized uses of Kenya's past. Ideal for classroom use and directed at a general readership interested in global affairs, *Obama and Kenya* offers an important counterpoint to the many popular but inaccurate texts about Kenya's history and Obama's place in it as well as focused, thematic analyses of contemporary debates about ethnic politics, "tribal" identities, postcolonial governance, and U.S. African relations.

robert ruark something of value: *Imperial Gallows* Stacey Hynd, 2023-11-02 Not just a method of crime control or individual punishment in Britain's African territories, the death penalty was an integral aspect of colonial networks of power and violence. *Imperial Gallows* analyses capital trials from Kenya, Nyasaland and the Gold Coast to explore the social tensions that fueled murder among colonised populations, and how colonial legal cultures and landscapes of political authority shaped sentencing and mercy. It demonstrates how ideas of race, ethnicity, gender and 'civilization' could both spare and condemn Africans convicted of murder in colonial courts, and also how Africans could either appropriate or resist such colonial legal discourses in their trials and petitions. In this book, Stacey Hynd follows the whole process of capital punishment from the identification of a murder victim to trial and conviction, through the process of mercy and sentencing onto death row and execution. The scandals that erupted over the death penalty, from botched executions and moral panics over ritual murder, to the hanging of anti-colonial rebels for 'terrorist' and emergency offences, provide significant insights into the shifting moral and political economies of colonial violence. This monograph contextualises the death penalty within the wider penal systems and coercive networks of British colonial Africa to highlight the shifting targets of the imperial gallows against rebels, robbers or domestic murderers. *Imperial Gallows* demonstrates that while hangings were key elements of colonial iconography in British Africa, symbolically loaded events that demonstrated imperial power and authority, they also reveal the limits of that power.

robert ruark something of value: *Yogi Berra* Allen Barra, 2015-11-19 "Allen Barra brings a legendary figure from the true golden age of baseball to life."—Bob Costas Yogi Berra is one of the most popular former athletes in American history, and the most quoted American since Abraham Lincoln. Part clown, part feisty competitor, Berra is also the winningest player (fourteen pennants, ten World Series, 3 MVPs) in baseball history. In this revelatory biography, Allen Barra presents Yogi's remarkable life as never seen before with nearly one hundred photos and countless "Yogi-isms," and offers hilarious insights into many of baseball's greatest moments. From calling Don Larsen's perfect game, to managing the 1973 "You Gotta Believe" New York Mets, Yogi's life and career are a virtual cutaway view of our national pastime in the twentieth century.
