

how to get my relationship back

How to Get My Relationship Back: A Thoughtful Guide to Rekindling Love

how to get my relationship back is a question many people find themselves asking after a breakup or a rough patch in their partnership. The desire to restore what once was—a connection filled with love, trust, and companionship—can be overwhelming. But getting a relationship back on track isn't about quick fixes or grand gestures alone; it requires introspection, honest communication, and genuine effort from both sides. If you're wondering how to rebuild that bridge and nurture the bond you had, this guide will walk you through meaningful steps and insights to help you on your journey.

Understanding Why the Relationship Ended

Before diving into ways to mend the relationship, it's crucial to understand the root causes of the separation or conflict. Reflecting on what went wrong can provide clarity and direction on how to move forward.

Identify the Core Issues

Whether it was communication breakdown, lack of trust, growing apart, or external stressors, pinpointing the main reasons behind the breakup can help you address those specific problems. Sometimes, unresolved arguments or unmet emotional needs pile up over time and create distance.

Take Responsibility

It's tempting to assign blame entirely to the other person, but relationships involve two people, and each plays a role in its dynamics. Acknowledging your own mistakes or shortcomings is a powerful step toward healing and shows maturity and willingness to grow.

How to Get My Relationship Back Through Effective Communication

One of the biggest hurdles in rekindling a relationship is communication. After a breakup, emotions can run high, making it difficult to have open and honest conversations.

Start With a Genuine Apology

If you recognize that you hurt your partner or contributed to the pain, offering a sincere apology can

open doors to dialogue. Avoid excuses or justifications; instead, focus on expressing empathy and understanding.

Listen Actively and Without Judgment

When you do get the chance to talk, listen more than you speak. Give your partner space to share their feelings without interrupting or defending yourself immediately. This kind of active listening helps rebuild trust and shows that you value their perspective.

Express Your Feelings Clearly

Be honest about how you feel and what you hope for the future. Using “I” statements rather than accusatory “you” statements can reduce defensiveness and create a safe environment for conversation.

Rebuilding Trust and Emotional Intimacy

Trust is often one of the first casualties when a relationship falters. Without it, rekindling love becomes difficult.

Consistency is Key

Showing up consistently in your partner’s life, keeping promises, and being reliable can slowly restore trust. This means being punctual, following through on commitments, and being emotionally available.

Be Vulnerable

Sharing your fears, hopes, and insecurities can deepen emotional intimacy. Vulnerability fosters connection because it invites your partner to understand you on a deeper level.

Spend Quality Time Together

Rebuilding emotional bonds requires shared experiences. Plan activities that you both enjoy, whether it’s cooking dinner together, taking walks, or simply having a movie night. These moments help rebuild a sense of partnership.

Personal Growth and Self-Improvement

Sometimes, getting your relationship back starts with focusing on yourself. Personal development not only makes you feel better but also positively impacts your relationship.

Work on Your Emotional Health

If past issues have left you feeling anxious, depressed, or insecure, consider seeking support through counseling or therapy. Healing yourself can make you a better partner.

Reflect on What You Want

Understand your own needs and boundaries. What kind of relationship do you envision? What are your deal-breakers? Clarity about your desires helps you communicate more effectively and avoid repeating past mistakes.

Develop New Habits

Whether it's improving your communication skills, managing stress better, or becoming more patient, small changes can make a big difference in how you relate to your partner.

Knowing When and How to Reconnect

Timing and approach matter when trying to get your relationship back.

Give It Time

Immediately rushing to reconnect after a breakup might not be the best approach. Allow some space for emotions to settle and for both people to gain perspective.

Reach Out Thoughtfully

Start with a casual and non-threatening message or gesture. A simple "I've been thinking about you and hope you're doing well" can open the door without pressure.

Be Patient and Respect Boundaries

If your partner needs more time or is hesitant, respect their feelings. Pushing too hard can backfire and cause further damage.

When to Seek External Help

Sometimes, professional guidance can facilitate the process of healing and reconciliation.

Couples Therapy

A trained therapist can help both partners communicate better, resolve conflicts, and rebuild intimacy. Therapy offers a safe space to explore underlying issues with support.

Relationship Coaching

If you're unsure how to navigate the complexities of rekindling your relationship, a coach specializing in relationships can offer practical tools and advice tailored to your situation.

Support Groups

Joining groups where others share similar experiences can provide emotional support and insights that might resonate with your journey.

Realistic Expectations and Moving Forward

It's important to approach the process of getting your relationship back with realistic expectations. Not all relationships can or should be revived, and sometimes, the healthiest choice is to move on.

Focus on Growth Rather than Perfection

No relationship is flawless. Aim for progress, not perfection, and celebrate small victories along the way.

Accept the Outcome

Whether you succeed in rekindling your relationship or not, accept the outcome with grace. Each experience teaches valuable lessons and prepares you for healthier connections in the future.

Keep the Lines of Communication Open

Even if things don't go back to the way they were, maintaining respectful and kind communication can foster healing and possibly new kinds of relationships, such as friendship.

Rebuilding a relationship is a journey that requires patience, empathy, and commitment. By understanding the reasons behind the breakup, communicating openly, working on yourself, and respecting the process, you can increase your chances of reconnecting with your partner in a meaningful way. Remember, love is not just about finding the right person but also about becoming the right partner.

Frequently Asked Questions

How can I start rebuilding trust in my relationship?

Start by having open and honest communication, showing consistency in your actions, and being patient as trust takes time to rebuild.

What are effective ways to apologize and make amends to my partner?

A sincere apology involves acknowledging your mistake, expressing genuine remorse, and discussing how you plan to avoid repeating the behavior.

How do I know if my relationship is worth trying to get back?

Assess whether both partners are willing to work on the relationship, if there is mutual respect, and if the core issues can be resolved.

What steps can I take to improve communication with my partner?

Practice active listening, avoid blame, express your feelings calmly, and set aside regular time to talk without distractions.

How important is counseling or therapy in getting my relationship back?

Counseling can provide a neutral space to address underlying issues, improve communication, and

develop strategies for rebuilding the relationship.

Can changing myself help in getting my relationship back?

Personal growth can positively impact the relationship, but changes should be genuine and not solely to win back your partner.

How long does it typically take to rebuild a broken relationship?

The timeline varies depending on the issues, willingness of both partners, and effort invested; it can range from weeks to months or longer.

What are common mistakes to avoid when trying to get my relationship back?

Avoid forcing reconciliation, blaming your partner, neglecting self-care, and ignoring underlying problems without addressing them.

How to Get My Relationship Back: A Professional Review on Rekindling Love

how to get my relationship back is a question that countless individuals ask themselves after experiencing the pain and confusion of a breakup or separation. The desire to restore a meaningful connection with a former partner is often accompanied by uncertainty about the best approach to take. Understanding the dynamics of relationships, emotional triggers, and communication patterns is essential when seeking reconciliation. This article explores evidence-based strategies, psychological insights, and practical steps for those wondering how to rebuild a relationship after it has faltered.

Understanding the Root Causes of Relationship Breakdowns

Before delving into methods on how to get my relationship back, it is crucial to analyze why relationships end in the first place. Research consistently points to several common factors:

- **Communication Breakdown:** Misunderstandings, lack of effective dialogue, and emotional disconnect are among the leading causes of relationship failure.
- **Trust Issues:** Infidelity, dishonesty, or broken promises can erode the foundation of trust.
- **Incompatibility:** Over time, partners may discover fundamental differences in values, goals, or lifestyles.

- **External Stressors:** Financial pressures, family conflicts, or career challenges often strain relationships.

Recognizing these factors allows individuals to address the specific problems that contributed to the breakup, rather than approaching reconciliation with vague intentions.

Key Strategies for Rebuilding a Relationship

Reflect and Assess Personal Readiness

One of the first steps in figuring out how to get my relationship back is self-reflection. Emotional readiness is pivotal. Attempting to reconnect without healing personal wounds or understanding one's own motivations can lead to repeated patterns of conflict.

Psychologists recommend journaling or seeking therapy to gain clarity on feelings, expectations, and areas for personal growth. This process ensures that the desire to reunite stems from genuine commitment rather than loneliness or fear of being single.

Open and Honest Communication

Effective communication is the cornerstone of any healthy relationship. When contemplating how to get my relationship back, initiating a respectful conversation about past issues and future possibilities is essential.

Key elements include:

- Using "I" statements to express feelings without assigning blame.
- Active listening to understand the partner's perspective.
- Setting boundaries and discussing mutual needs.

Studies have shown that couples who engage in constructive communication are more likely to rebuild trust and intimacy.

Addressing and Resolving Past Conflicts

Ignoring unresolved conflicts can sabotage attempts at reconciliation. It is important to identify recurring themes in disagreements and work collaboratively toward resolution.

Couples therapy or mediation can provide a neutral space to explore these issues with professional guidance. Evidence suggests that structured interventions improve conflict resolution skills and deepen emotional bonds.

Rebuilding Trust and Emotional Intimacy

Trust is often the hardest pillar to restore but remains non-negotiable for a sustainable relationship. Transparency, consistency, and patience are necessary to rebuild confidence in one another.

Moreover, engaging in shared activities, expressing appreciation, and fostering vulnerability contribute to renewing emotional intimacy. The natural progression from acquaintance to deep connection requires time and intentional effort.

Potential Challenges and Considerations

When to Move On

While the question of how to get my relationship back is valid, it is equally important to recognize when reconciliation may not be healthy or feasible. Relationships marked by abuse, chronic disrespect, or fundamentally incompatible values may not benefit from attempts at reunification.

Decision-making tools such as weighing the pros and cons, evaluating emotional safety, and consulting trusted advisors can help individuals determine their best path forward.

Managing Expectations

Rekindling a relationship often involves compromise and adjustments. Unrealistic expectations about immediate resolution or a return to the previous status quo can lead to frustration.

Acknowledging that both partners have evolved and that the renewed relationship may look different encourages flexibility and resilience.

The Role of External Support

Support networks, including friends, family, and professional counselors, play a significant role in the reconciliation process. They can offer objective perspectives, emotional encouragement, and practical advice.

Online forums and relationship coaching services also provide resources for individuals seeking guidance on how to get my relationship back.

Practical Steps to Take When Reaching Out

For those ready to make contact, the following sequence can facilitate a positive reconnection:

1. **Initiate Contact Thoughtfully:** A simple message expressing interest in catching up can open the door without pressure.
2. **Meet in a Neutral Environment:** Choose a comfortable, private setting conducive to open dialogue.
3. **Express Feelings Calmly:** Share reflections on the relationship and hopes for the future, avoiding accusations.
4. **Listen and Validate:** Acknowledge the partner's feelings and experiences.
5. **Discuss Boundaries and Next Steps:** Agree on how to proceed, whether through continued communication, counseling, or gradual rebuilding.

Leveraging Technology Responsibly

In today's digital age, social media and messaging apps offer new avenues for connection but also pose risks of miscommunication or intrusion. Setting clear intentions and respecting privacy during the reconciliation process is critical.

The Psychological Perspective on Relationship Recovery

Attachment theory and emotional regulation research provide insights into why relationships break down and how they can be repaired. Individuals with secure attachment styles tend to navigate reconciliation more effectively, while anxious or avoidant patterns may require targeted interventions.

Practicing empathy, mindfulness, and emotional intelligence enhances the capacity to reconnect authentically. Therapists often incorporate these elements into couples' counseling to facilitate healing.

Comparative Success Rates

Data from relationship studies indicate that approximately 60-70% of couples who actively engage in counseling and apply structured reconciliation strategies experience improved relationship satisfaction. However, success varies based on factors such as commitment level, communication skills, and external stressors.

Understanding these statistics helps set realistic goals for those seeking to restore their relationship.

Navigating the path toward reconciliation is complex and deeply personal. The question of how to get my relationship back involves a multifaceted approach that balances introspection, communication, and practical action. While not every relationship can or should be revived, informed and deliberate efforts can lead to renewed connections that are healthier and more fulfilling than before.

how to get my relationship back: The Old Man in the Club Curtis Bunn, 2014-06-17 He's the "old guy in the club" who everyone judges and scorns, but there's so much more to his story—travel into the mind and soul of a complex man on the road to redemption in this riveting, true-to-life novel. Almost everyone who has been to a nightclub has seen him: the "old man in the club." He's the graying, balding loner looking totally out of place, like he could be everyone's father. Or grandfather. And almost everyone's wondering the same thing: Why is he in here? In Curtis Bunn's *The Old Man in the Club*, you learn why. Meet Elliott Thomas, sixty-one years old, and not afraid of spending a night among twenty-something strangers. But his motivation for hanging out in clubs isn't his fear of growing old; it's his desire to catch up on what he's missed. Recently released as a free man after years of false accusations and his wrongful incarceration, Elliot is on his journey to redemption. How he goes about it, however, gives some people pause. Some find him charming, some find him creepy. The women his age find him disgusting. His buddies marvel at his nerve. His children loathe his existence. But no matter who judges him, Elliott is set on reclaiming his youth—the way he wants to. A page-turner that outlines the depth, complexities, and motivations of an intriguing character, this novel will surprise and touch you—and make sure you'll never look at the "old man in the club" the same way again.

how to get my relationship back: *How She Really Does It* Wendy Sachs, 2009-04-27 The kids are sick but the boss needs the presentation on her desk by ten. The parent-child kindergarten brunch can't be missed, yet the business meeting beckons. When the only thing she knows for sure is that her day will bring a new set of challenges and priorities to be juggled, how does a stay-at-work mom do it all? Wendy Sachs, stay-at-work mother of two, has interviewed women from every walk of life-- from celebrities like makeup maven Bobbi Brown, designer Vera Wang, CNN's Soledad O'Brien, the Today Show Ann Curry to everyday moms from all over the country--and has uncovered some inspiring answers. For starters, some stay-at-work moms have given up striving for balance; for true happiness and sanity, integration is the real key. Others have discovered that compartmentalization--wearing different hats at different times of day--is the only way to thrive. For all, the psychological, emotional, and financial payback of work is what keeps them feeling alive; even if they could afford not to work (and many can afford the choice), they wouldn't have it any other way. Demonstrating that a byproduct of having career ambition is a happier marriage and family, *How She Really Does It* will validate the millions of women now attempting to have it all, or at least some of it all the time. Revealing the keys to staying-at-work, staying sane, staying satisfied, and staying at the heart of her family as well, *How She Really Does It* is a modern working woman's handbook.

how to get my relationship back: *Why Smart Girls Get Into Bad Relationships and How Not To Do It Again* Barbara Leigh, 2024-08-17 Have you ever asked yourself, "How did I get here?" and then were struck by the fact that if you don't know how you got here, you will probably be here again? Does that terrify you? You thought you were doing everything right. And yet, you ended up in a place you didn't want to be. Where was the wrong turn? Was there a sign you missed? How did this happen?? Those questions are like asking if you got the license plate of the truck that hit you. If you knew the truck was out of control, you probably would have been better at avoiding being hit. Rather than worrying about the next truck, maybe it's time to explore how that truck got to the point

of hitting you. Perhaps you chose to ignore the clues that a truck was careening down the street at you. Is it possible you trusted the truck driver and just assumed they were able to see you and actively avoid you? Could it be you thought you could outrun the truck? Maybe the problem lies in your beliefs about you and the truck. With wit and impactful common sense, Barbara Leigh raises your romantic situational awareness by looking at how beliefs about yourself and relationships can eventually lead to that hit-by-a-truck feeling. Tapping into your own truth to rewrite those beliefs, Leigh guides you to a healthier and more aware place where you can learn to trust yourself to move forward, truck-free.

how to get my relationship back: *Never Too Late* Amber Portwood, 2017-04-11 MTV reality star Amber Portwood's autobiography describes her shocking downward spiral and recovery after prison. When Amber Portwood debuted on MTV's hit reality series *16 & Pregnant*, no one could have predicted that the teenager from Anderson, Indiana with the dry sense of humor would go on to become one of the most controversial young celebrities in reality TV history. But soon after Amber stepped into the public eye, her life spiraled into chaos. From her struggles with anxiety, depression and addiction to her brutal onscreen fights with her boyfriend, Amber seemed a troubled young woman destined to destroy herself. And that was all before she shocked everyone by sending herself to prison for seventeen months! But behind Amber Portwood's shocking behavior is a story the cameras never captured. It's a story of hardship and hope, of relationships torn apart by tragedy and addiction and put back together with strength, love and determination. After years of losing herself in a daze of sex, drugs and depression, Amber made the decision to stand up and do whatever it took to save her life, her family, and herself. With her trademark honesty, Amber tells the real story of how she learned to deal with the demons that nearly destroyed her. *Never Too Late* sends a powerful message that no matter how far down a person might fall, it's never too late to get back up and change the future.

how to get my relationship back: *How Did I Get Here?* Michele Greene, 2012-05 A young girl growing up between two households; that of her grandmother and her stepfather. She experiences sexual abuse at one and witnesses domestic abuse at the other. As she becomes a young woman branching out on her own, she searches for a better life. Freeing herself of the sexual abuse and hoping to find love. Her path is filled with heartbreak, betrayal, danger and disappointments.

how to get my relationship back: *Navigating Intimate Relationships* Kanika K. Ahuja, 2025-04-29 This book spotlights the complexities of relationships, drawing on theories that have guided relationship scholars, classic studies, and current research - juxtaposed with the current Indian milieu. While some believe that the study of interpersonal relationships lacks academic rigour, this book argues that relationships not only play a critical role in human behaviour and development but also are central to our well-being, happiness, and health. One of the first mainstream books in India to address relationships beyond the binary of man/woman, this volume presents an inclusive view of gender and sexuality, including non-heterosexual relationships. It also touches on multiple types of relationships in the 21st century, such as mixed families, singles, live-in, living apart together (LAT), role of dating apps, and so on. This book would be useful to students, researchers, and teachers of Psychology, Applied Psychology, Mental Health, Sociology, Family Studies, and other allied disciplines. It will be a useful guide for students to build and maintain relationships and practice positive relational attitudes, like self-acceptance, gratitude, and forgiveness. It will also be an equally indispensable resource for counsellors, researchers, practitioners in mental health, family caregivers, relationship counsellors, and professionals in related fields.

how to get my relationship back: *How to Get Away with Murder* Tam Barnett, 2025-01-27 A delightfully twisty and darkly comic crime thriller, for fans of *My Sister*, the *Serial Killer* and *How to Kill Your Family* I'm obsessed with true crime. All the podcasts, the documentaries... I can't get enough. And now there's a murderer on the loose where I live. What a rush! Of course, some people might wonder if it's me. Am I an innocent soul with an unhealthy fascination, or a deadly psychopath? It's the killer question. After all, I would love to know how to get away with murder...

Tam Barnett's debut novel is perfect for readers of Katy Brent, CJ Skuse or Bella Mackie.

how to get my relationship back: *The Others* Siba al-Harez, 2012-01-16 A best-seller in Arabic, *The Others* is a literary tour de force, offering a glimpse into one of the most repressive societies in the world. Siba al-Harez tells the story of a nameless teenager at a girls' school in the heavily Shi'ite Eastern Province of Saudi Arabia. Like her classmates, she has no contact with men outside her family. When the glamorous Dai tries to seduce her, her feelings of guilt are overcome by an overwhelming desire for sexual and emotional intimacy. Dai introduces her to a secret world of lesbian parties, online flirtations and hotel liaisons - a world in which the thrill of infatuation and the shame of obsession are deeply intertwined. Al-Harez's erotic, dreamlike story of looming personal crisis is a remarkable portrait of hidden lives.

how to get my relationship back: *How to Stay in Love* James J. Sexton, 2018-04-10 Hard-hitting divorce lawyer James J. Sexton shares his insights and wisdom to help you reverse-engineer a healthy, fulfilling romantic relationship with *How to Stay in Love*. With two decades on the front lines of divorce Sexton has seen what makes formerly happy couples fall out of love and "lose the plot" of the story they were writing together. Now he reveals all of the "what-not-to-dos" for couples who want to build—and consistently work to preserve—a lasting, loving relationship. Sexton tells the unvarnished truth about love and marriage, diving straight into the most common issues that often arise from simple communication problems and relationships that develop by "default" instead of design. Though he deals constantly with the heartbreak of others, he still believes in romance and the transformative power of love. This book is his opportunity to use what he has learned from the mistakes of his clients to help individuals and couples find and preserve lasting connection. Previously published as *If You're In My Office, It's Already Too Late*.

how to get my relationship back: *The Optimist* Dwight Estava, 2012-03-08 Callum Eden is a hotshot financial executive who in time becomes an insatiable womaniser, with a scorn for commitment and happy living life at the top of his game. But, one day, having already woken up in a bad mood, he is greeted by some bad news. His life rapidly falls apart, and he struggles to make sense of it all. He is perplexed as to why he's experiencing such a dramatic contrast to his life. He had everything going for him, particularly in his career, but he has to learn very quickly that there is no such thing as a perfect life. Callum now faces a torrent of emotions that he struggles to cope with and feelings he is unable to express. The accident, the change to his fortune, and his new allies sets him on a journey of mental and emotional self-discovery. In Callum's opinion, his own lack of concerns added to his fallen angel syndrome. He redeems himself by learning to rely on action rather than imagination to steer himself out of his crisis. However, his interpretation is problematic because they cause a chain reaction. His only comfort is his subconscious reality; a place where he finds some form of sanity until actual reality resumes once again. Thus, he must try to establish a link between the two realities to find comfort and confidence in what he is experiencing. His life changes and veers off course, with compelling complexities and brutal and seemingly honest decisions. Some of which are rewarded with quick fixes, but results are above the pleasures of deeper self-discovery. Others are extremely deceptive with scenes of betrayal and corruption. His biggest critic comes from an unusual source, with whom he agrees in time may bring him closure. But, just when he thinks everything is fine, the unexpected occurs. An option arises that could give the impression of remoteness, a distant hope, but will it be to his advantage?

how to get my relationship back: *The Emotion Regulation Skills System for Cognitively Challenged Clients* Julie F. Brown, 2015-12-06 Informed by the principles and practices of dialectical behavior therapy (DBT), this book presents skills training guidelines specifically designed for adults with cognitive challenges. Clinicians learn how to teach core emotion regulation and adaptive coping skills in a framework that promotes motivation and mastery for all learners, and that helps clients apply what they have learned in daily life. The book features ideas for scaffolding learning, a sample 12-week group curriculum that can also be used in individual skills training, and numerous practical tools, including 150 reproducible handouts and worksheets. The large-size format facilitates photocopying. Purchasers also get access to a webpage where they can download and print the

reproducible materials.

how to get my relationship back: The Love Playbook La La Anthony, Karen Hunter, 2025-01-07 Reality TV personality La La Anthony shares her hard-won wisdom and no-nonsense advice on love, sex, and relationships while encouraging readers to be true to themselves. La La Anthony—actress, entrepreneur, star of *La La's Full Court Life*, and ex-wife of New York Knicks star Carmelo Anthony—found love and success on her own terms. But before she was a strong woman balancing a growing career, a high-profile marriage, and motherhood, she suffered through bad dates, tumultuous relationships, and backstabbing friends. She learned the hard way how to rise above it all to live the life she loves. In *The Love Playbook*, La La gives you the play-by-play, from teaching your man the right way to treat a lady to dealing with a fickle friend, and, of course, how to snag a baller. With her attitude of no nonsense and no judgments, La La is the one her friends come to for relationship advice. She always tells it like it is, and now she's laying down the rules she has learned to live by, while sharing her personal experiences and revealing intimate details about her marriage. Full of honest and direct advice, *The Love Playbook* also features real-life examples from her inner circle, including Kelly Rowland, Kim Kardashian, Serena Williams, and more, providing a behind-the-scenes peek at the advice La La doles out to her best friends.

how to get my relationship back: The Goddess Guide to Divorce Evelyne Michaut, 2019-11-04 Compelled by a mysterious force to doggedly investigate her chronic pain, dysfunctional sex life, and relationship failures, Evelyne eventually uncovers the handicap that was holding her back from living the fulfilling life that she always knew was possible. In candid, sometimes heartbreaking, sometimes hilarious prose, the author allows us a front-row seat to three very different marriages and their eventual demises as she confronts the traumatic source of her many dysfunctions—while also learning to rejoice in her Femininity, and ultimately finding the capacity to truly Love...herself included.

how to get my relationship back: New Understandings of Twin Relationships Barbara Klein, Stephen A. Hart, Jacqueline M. Martinez, 2020-12-23 *New Understandings of Twin Relationships* takes an experience-based approach to exploring how twin attachment and estrangement are critical to understanding the push and pull of closely entwined personal relationships. Based on the research expertise of each of the authors (all identical twins in their own right), and vignettes from twins across the globe, this book describes the inner workings of the twin-world, showing how the twin-world creates experiences that are often more intense and intricately textured than those in the singleton-world. Chapters debunk myths surrounding twinship and analyze the developmental stages of the twin relationship as well as the effect of being a twin on one's mental health from different perspectives. The authors articulate how attachment, separation anxiety, loneliness, estrangement, and the subjective experience of the twin and non-twin other impact behavior, thinking, and feeling. Through its careful study of the many psychological challenges that twins face throughout their lifetime, this text will help psychologists, scholars, clinicians, and twins themselves attain a deeper understanding of all interpersonal relationships.

how to get my relationship back: The Joy of Burnout Dina Glouberman, 2007

how to get my relationship back: Cognitive-Behavioral Conjoint Therapy for PTSD Candice M. Monson, Steffany J. Fredman, 2012-07-19 Presenting an evidence-based treatment for couples in which one or both partners suffer from posttraumatic stress disorder (PTSD), this step-by-step manual is packed with practical clinical guidance and tools. The therapy is carefully structured to address both PTSD symptoms and associated relationship difficulties in a time-limited framework. It is grounded in cutting-edge knowledge about interpersonal aspects of trauma and its treatment. Detailed session outlines and therapist scripts facilitate the entire process of assessment, case conceptualization, and intervention. In a large-size format for easy photocopying, the book includes 50 reproducible handouts and forms.
