

the floating admiral

The Floating Admiral: A Dive into a Unique Mystery Classic

the floating admiral is not just a phrase that evokes images of naval adventures or maritime legends; it is also the title of a fascinating collaborative mystery novel that has intrigued readers and mystery enthusiasts for decades. This peculiar book stands out in the world of detective fiction because of its unique creation process and the intriguing puzzle at its heart. If you're a fan of classic whodunits or curious about literary experiments, exploring the story and background of The Floating Admiral offers a delightful journey into the Golden Age of detective fiction.

The Origins of The Floating Admiral

The Floating Admiral was published in 1931 and is famous for being a collaborative effort by members of the Detection Club, a society of prominent British mystery writers. The idea was simple yet ingenious: a “locked room” style mystery would be written in parts by different authors, each contributing a chapter and then passing the manuscript along. Each author would craft a section, ending it on a cliffhanger or an unresolved clue, and the next would have to continue the story without knowing the ultimate solution.

This method resulted in a tightly woven narrative that showcases the distinct styles and creative minds of some of the era’s most celebrated writers. Among the contributors were Agatha Christie, G.K. Chesterton, Dorothy L. Sayers, and Margery Allingham. The novel was edited by E.C. Bentley, himself a respected mystery author, who also wrote the concluding chapter that revealed the solution to the murder.

What Makes The Floating Admiral Unique?

Unlike traditional mysteries written by a single author, The Floating Admiral is a mosaic of different writing voices and approaches to detective fiction. Each chapter introduces new twists, red herrings, and character developments that keep readers guessing. The collaborative nature also means the narrative sometimes takes unexpected turns, reflecting the diverse perspectives and storytelling techniques of the contributing writers.

The challenge for each author was to maintain consistency in tone, character, and plot while adding their own flair. This blend of creativity and constraint provides a fascinating study in how different authors approach the same mystery problem. For readers, it’s a rare opportunity to experience a detective story shaped by multiple masterful minds.

Plot Overview: The Mystery of The Floating Admiral

At its core, *The Floating Admiral* is a classic murder mystery set in a quaint English village named Ship's Cove. The story revolves around the mysterious death of Admiral Penistone, whose body is found floating in the harbor. The circumstances of his death are suspicious, and the local police, along with the detective characters introduced throughout the book, attempt to unravel the truth.

The narrative introduces a cast of potential suspects, each with motives and secrets that complicate the investigation. The setting is rich with atmospheric details of coastal life, adding to the intrigue and suspense. As the story unfolds, readers are treated to a puzzle that requires careful attention to clues, character behavior, and alibis.

Key Characters and Their Roles

The novel features a variety of characters typical of Golden Age detective fiction — from the sharp, observant detective to the enigmatic suspects harboring hidden agendas. Some notable types include:

- **Detectives and investigators:** They drive the inquiry and attempt to piece together the puzzle.
- **Villagers and townsfolk:** Each with their own backstory and potential motive.
- **The victim and his acquaintances:** Providing context and emotional depth to the mystery.

Understanding these characters and their relationships is crucial for readers who want to engage deeply with the mystery. The authors skillfully use dialogue and description to create believable personalities that add layers to the story.

The Detection Club and Its Influence

The Detection Club, founded in 1930 by a group of mystery writers, played a pivotal role in the creation of *The Floating Admiral*. The club's ethos was based on the "fair play" principle, meaning that the authors agreed to provide readers with all the clues necessary to solve the mystery themselves. This principle remains a cornerstone of classic detective fiction.

The club's collaborative spirit not only produced *The Floating Admiral* but also influenced the genre by encouraging writers to experiment and innovate. The club meetings often involved lively debates on the rules of detective storytelling, which helped refine the craft. *The Floating Admiral* stands as a testament to this cooperative creativity.

Legacy and Impact on Mystery Literature

While *The Floating Admiral* may not be as widely known as some individual works by Agatha Christie or Dorothy L. Sayers, it has a special place in literary history. It demonstrates the possibilities of collaborative storytelling and remains a source of inspiration for writers and fans interested in the mechanics of mystery writing.

The book also offers a fascinating glimpse into the Golden Age of detective fiction, a time when the genre was flourishing and evolving. For modern readers, it is both an entertaining read and a study in how narrative structure and character development can be approached differently by various authors working towards a common goal.

Tips for Reading *The Floating Admiral*

If you decide to dive into *The Floating Admiral*, here are some tips to enhance your reading experience:

1. **Pay close attention to details:** Since the book is a puzzle, clues are often subtly embedded in character interactions and descriptions.
2. **Note the shifts in writing style:** Each chapter's tone and style may vary slightly, reflecting the author's personality. Embrace these changes as part of the charm.
3. **Keep track of suspects and motives:** Maintaining a mental or written list can help you piece together the mystery.
4. **Engage with the story as a puzzle:** Try to guess the solution before the final chapter. This active participation adds to the enjoyment.
5. **Explore the authors' other works:** Reading other novels by the contributors can deepen your appreciation for their writing styles and thematic preferences.

Where to Find *The Floating Admiral* Today

Although *The Floating Admiral* was first published nearly a century ago, it remains accessible to readers today. The novel is available in various formats, including:

- **Print editions:** Many classic mystery collections include *The Floating Admiral* or it is available as a standalone book in both new and used bookstores.
- **E-books:** Digital versions can be found on popular platforms like Amazon Kindle, Project Gutenberg, and other online libraries that specialize in public domain works.
- **Audiobooks:** For those who enjoy listening, some narrations capture the unique voices of each chapter's author, enhancing the experience of the collaborative format.

Collectors and mystery aficionados often seek out special editions or annotated versions that provide additional context about the authors and the Detection Club.

Exploring Similar Collaborative Mysteries

The success and intrigue of *The Floating Admiral* have inspired other collaborative mysteries and anthologies. If you find yourself captivated by this novel, you might want to explore similar works that showcase multiple authors contributing to a single narrative. Some notable examples include:

- ***The Scoop*** (1931): Another Detection Club project involving famous mystery writers solving a newsroom murder.
- ***Wicked Women*** anthologies: Collections of short stories by various authors focusing on female criminals and mysterious women.
- ***Murder in the Mews*** by Agatha Christie and other short story collections that sometimes involve collaborative efforts.

These projects highlight the creative potential of collective storytelling and offer a fresh take on the mystery genre.

The Floating Admiral remains a remarkable artifact in the history of detective fiction, blending the talents of legendary authors into a single gripping narrative. Whether you're a longtime fan of mysteries or someone discovering the genre's rich traditions, this book offers a unique and entertaining puzzle that continues to engage readers today.

Frequently Asked Questions

What is 'The Floating Admiral' about?

'The Floating Admiral' is a collaborative detective novel first published in 1931, involving multiple authors who each contributed a chapter to solve a murder mystery set on a ship.

Who were the authors behind 'The Floating Admiral'?

'The Floating Admiral' was written by members of the Detection Club, including Agatha Christie, Dorothy L. Sayers, G.K. Chesterton, and others.

What genre does 'The Floating Admiral' belong to?

'The Floating Admiral' is a classic example of a detective fiction or mystery genre novel.

Why is 'The Floating Admiral' considered unique in detective fiction?

It is unique because it is a collaborative novel where each chapter was written by a different famous detective fiction author, each adding to the mystery and attempting to solve it.

When was 'The Floating Admiral' first published?

'The Floating Admiral' was first published in 1931.

What is the setting of 'The Floating Admiral'?

The story is set primarily on a ship, which adds an enclosed, suspenseful atmosphere to the murder mystery.

How does the collaborative writing format affect the story of 'The Floating Admiral'?

Each author brings their own style and perspective, creating a layered and complex narrative where the mystery unfolds through multiple viewpoints.

Can 'The Floating Admiral' be considered a precursor to modern collaborative storytelling?

Yes, it is often cited as an early example of collaborative storytelling in detective fiction, influencing later cooperative writing projects.

Are the authors' individual detective characters featured in 'The Floating Admiral'?

No, the novel features original characters created for the story rather than the authors' famous detectives.

Has 'The Floating Admiral' been adapted into other media?

While 'The Floating Admiral' remains primarily a literary work, its unique format has inspired adaptations and homage in radio plays and detective fiction anthologies.

The Floating Admiral: An Intriguing Collaborative Mystery Novel

the floating admiral stands as a unique and fascinating entry in the annals of detective fiction. Originally

published in 1931, this collaborative novel brought together some of the era's most notable mystery writers, producing a whodunit that continues to intrigue readers and literary scholars alike. Its distinctive structure, thematic depth, and the creative interplay among its authors make *The Floating Admiral* a critical study in early 20th-century mystery literature.

Origins and Collaborative Nature

The Floating Admiral is not a conventional novel penned by a single author but a collaborative work by members of the Detection Club, a literary society of British mystery writers founded in 1930. The club included luminaries such as Agatha Christie, Dorothy L. Sayers, G.K. Chesterton, and others. Each writer was tasked with contributing a chapter to the story sequentially, with the challenge of advancing the plot while maintaining coherence and consistency with previous installments.

This collaborative approach to storytelling was innovative for its time and remains a rare literary experiment. The concept allowed each author to inject their unique style, character insights, and plot twists, creating a layered narrative that encourages readers to actively engage with the mystery. *The Floating Admiral*, therefore, serves as a study in how multiple voices can intersect within a single narrative framework, balancing individual creativity with collective storytelling.

Plot Overview and Setting

Set in the English countryside, *The Floating Admiral* revolves around the mysterious death of the eponymous admiral whose body is found floating in a harbor. The story unfolds through the perspectives of various characters, each chapter revealing new clues and red herrings. The atmospheric setting—typical of British Golden Age mysteries—plays a crucial role, with the quaint village, foggy docks, and tight-knit community adding layers of suspense and intrigue.

The plot's construction is deliberate and methodical. Each author introduces new suspects, motives, and alibis, challenging readers to piece together the puzzle. The narrative tension stems not only from the murder mystery itself but also from the competing interpretations and theories presented by the diverse authors, which enrich the complexity of the storyline.

Literary Significance and Style

One of the most compelling features of *The Floating Admiral* is its stylistic diversity. Each author brings distinct narrative techniques and character development strategies, resulting in chapters that vary in tone and pace. For instance, Agatha Christie's contribution is marked by her trademark concise prose and

psychological insight, whereas G.K. Chesterton's style tends towards philosophical musings and wit.

This multiplicity of voices, while enriching, also presents challenges. The shifts in narrative style can disrupt the flow for some readers, making the work feel episodic rather than seamlessly integrated. However, this very characteristic invites a deeper appreciation of the collaborative process and the individual craftsmanship of each writer.

The Role of the Detection Club

The Detection Club was more than a mere assembly of writers; it was a forum for debating the ethics and techniques of detective fiction. Members adhered to a "fair play" principle, ensuring that readers had access to all clues necessary to solve the mystery before the denouement. *The Floating Admiral* embodies this ethos, as each chapter carefully plants essential information, emphasizing intellectual rigor and respect for the reader.

Impact on the Mystery Genre

While *The Floating Admiral* may not enjoy the widespread popularity of standalone works by Christie or Sayers, its influence is notable. It paved the way for later collaborative detective works and inspired writers to experiment with shared universes and multi-author mysteries. Its existence underscores the communal aspects of genre writing and highlights the potential for collaborative creativity in a field often dominated by solitary authorship.

Comparative Analysis with Contemporary Works

When compared to other Golden Age detective novels, *The Floating Admiral* distinguishes itself through its collaborative genesis. Most contemporaneous mysteries, such as Christie's Hercule Poirot series or Sayers' Lord Peter Wimsey books, are marked by a singular authorial vision. *The Floating Admiral*, by contrast, offers a mosaic of perspectives, which can be both its greatest strength and a source of narrative complexity.

In terms of thematic content, the novel adheres to classic tropes of the era: a closed circle of suspects, a country house or village setting, and an emphasis on deduction and logical reasoning. However, the interplay of different authors' interpretations adds layers of ambiguity and richness absent from many single-author mysteries.

Strengths and Limitations

- **Strengths:** The novel's innovative structure, intellectual challenge, and the prestige of its authors make it a valuable piece of literary history. Its emphasis on fair play and clue dissemination aligns with the best traditions of the mystery genre.
- **Limitations:** The varying narrative styles can lead to uneven pacing and tonal shifts. For readers seeking a seamless, immersive experience, the episodic nature might prove distracting.

Legacy and Modern Relevance

Today, *The Floating Admiral* is appreciated by aficionados of classic detective fiction and scholars interested in collaborative narrative techniques. Its model has inspired modern multi-author projects and shared literary universes, especially within genre fiction. Digital platforms and fan fiction communities have further expanded the scope of collaborative storytelling, echoing the pioneering spirit of the Detection Club.

Furthermore, the novel serves as a testament to the enduring appeal of the mystery genre's intellectual puzzles. *The Floating Admiral* invites readers not just to follow a story but to actively participate in unraveling it, a quality that resonates strongly in contemporary interactive and immersive storytelling formats.

Readers approaching *The Floating Admiral* should do so with an understanding of its historical context and experimental nature. Appreciating the novel's unique place in literary history enriches the reading experience, offering insight into the collaborative dynamics that shaped early 20th-century detective fiction.

In sum, *The Floating Admiral* remains a noteworthy and thought-provoking work, emblematic of an era and a creative approach that continues to inspire both writers and readers in the mystery genre.

the floating admiral: The Floating Admiral The Detection Club, Agatha Christie, Dorothy L. Sayers, G. K. Chesterton, Canon Victor L. Whitechurch, G. D. H., M. Cole, Henry Wade, John Rhode, Milward Kennedy, Ronald Knox, Freeman Wills Crofts, Edgar Jepson, Clemence Dane, Anthony Berkeley, 2019-07-09 It's "great fun" when a baker's dozen of Golden Age authors collaborate on a whodunit—including Agatha Christie, Dorothy L. Sayers, and G. K. Chesterton (The Guardian). Originally published in 1931, *The Floating Admiral* is a classic literary collaboration by members of the Detection Club, in which each chapter is written by a different mystery author, with G. K. Chesterton adding a prologue after the novel was completed. Each writer was tasked with building on what the previous writer created, without ignoring or avoiding whatever plot points had come before. Although Anthony Berkeley wrote the definitive conclusion to the mystery in his final chapter, the writers all provided their own individual solutions, each in a sealed envelope, which appear in the appendix. In the words of Dorothy L. Sayers in her introduction, the spirit of the project was that of a "detection game," for the amusement of the authors—and their readers. In the sleepy English seaside village of Whynmouth, an old sailor discovers a corpse floating serenely in a rowboat owned by the local vicar. The victim has been stabbed in the chest. It falls to Inspector Rudge to solve this most baffling mystery, in which not only the identity of the killer but the identity of the victim is called into question. *The Floating Admiral* includes contributions by Canon Victor L. Whitechurch, G. D. H. and Margaret Cole, Henry Wade, Agatha Christie, John Rhode, Milward Kennedy, Dorothy L. Sayers, Ronald A. Knox, Freeman Wills Crofts, Edgar Jepson, Clemence Dane, and Anthony Berkeley. "I was . . . hugely entertained by the virtuoso displays of mental gymnastics, which kept me guessing all the way." —The Guardian

the floating admiral: The Floating Admiral Simon Brett, 2016 In 1931, Agatha Christie, Dorothy L. Sayers and ten other crime writers from the newly-formed 'Detection Club' collaborated in publishing a unique crime novel. In a literary game of consequences, each author would write one chapter, leaving G.K. Chesterton to write a typically paradoxical prologue and Anthony Berkeley to tie up all the loose ends. In addition, each of the authors provided their own solution in a sealed envelope, all of which appeared at the end of the book, with Agatha Christie's ingenious conclusion acknowledged at the time to be 'enough to make the book worth buying on its own'. The authors of this novel are: G.K. Chesterton, Canon Victor Whitechurch, G.D.H. Cole and Margaret Cole, Henry Wade, Agatha Christie, John Rhode, Milward Kennedy, Dorothy L. Sayers, Ronald Knox, Freeman Wills Crofts, Edgar Jepson, Clemence Dane and Anthony Berkeley.--Publisher description.

the floating admiral: *Dorothy L. Sayers* Eric Sandberg, 2022-01-04 Dorothy L. Sayers was one of the Queens of Crime. Alongside writers like Agatha Christie, she perfected the whodunnit, but also used the genre to explore social, ethical, and emotional matters. Her characters, particularly Lord Peter Wimsey and his investigative partner Harriet Vane, struggle with the complexities of life and love in a rapidly changing world while solving some of the most intricate and complex mysteries ever offered to the reading public. Sayers was also an important theoretician of detective fiction, a religious dramatist, a public intellectual, and one of the 20th century's most important translators of Dante. While focusing on her mystery fiction, this companion offers a full view of all aspects of Sayers's career. It is an ideal introduction for readers new to Sayers's diverse and rewarding body of work, and an invaluable companion for her many fans.

the floating admiral: *Naked Came the Phoenix* Nevada Barr, J. D. Robb, Nancy Pickard, 2024-07-02 An all-star lineup of 13 women mystery authors has produced one madcap, murderous tale in this serial novel by Nevada Barr, JD Robb, and others (Publishers Weekly). The promise of discretion and pampering—and a long-overdue reconciliation with her mother—draws Caroline Blessing, the young wife of a newly-elected Congressman, to the fancy Phoenix Spa. But after her first night in the beautiful Blue Ridge Mountains, Caroline wakes to find the rich and famous guests in turmoil and under suspicion: the spa's flamboyant and ambitious owner has been murdered. As the secrets come out, and the body count rises, can Caroline keep herself from becoming the next victim? This serial novel features chapters by Nevada Barr, J.D. Robb, Nancy Pickard, Lisa Scottoline, Perri O'Shaughnessy, J.A. Jance, Faye Kellerman, Mary Jane Clark, Marcia Talley, Anne Perry, Diana Gabaldon, Val McDermid, and Laure R. King.

the floating admiral: *Down from London* Carolyn W. de la L. Oulton, 2022-02-15 In the first hundred years of the UK rail network, the seaside figures as a nerve centre, managing and making visible the period's complex interplay between health, death, gender and sexuality. This monograph discusses around 130 novels of the railway age to show how the seaside infiltrates a diverse range of literature, subverting the boundaries between high and low literary culture. The seaside holiday galvanises innovative literary forms, including early twentieth-century holiday crime and romance fiction, which has its origins in the sensational strategies of mid-nineteenth-century authors. Where reading takes place is at least as important as what is read, and case studies on literary Brighton and Dickensian Kent explore the occasionally fraught relationship between seaside towns and the metropolis, as London visitors are represented in - and are the target audience for - literary accounts of the seaside holiday. The act of reading by the sea is itself overdetermined and problematic, a dilemma that is managed in part through the development of text-free literary

tourism in the late nineteenth century. Deploying strategies from literary criticism, histories of reading, libraries and the book, and literary tourism, this book recovers 'seaside reading' as both a literary sub-genre and a deeply contested mode of engagement.

the floating admiral: Secrets from the Agatha Christie Archives Jared Cade, 2025-02-05 The untold story of how Agatha Christie conquered the serial market with her thrilling mysteries. Dame Agatha Christie reigns supreme as the "Queen of Crime." Numerous books have been written about the legendary crime writer, focusing on nearly every aspect of her craft. But until now no one has carried out an in-depth investigation into how she conquered the serial market with her thrilling tales of murder and intrigue. In the UK and US, Agatha Christie's work was serialized in the most prestigious magazines and newspapers of the day, often under an array of different titles, prior to being published by Collins and Dodd, Mead and Company. Second serial rights could result in a single title being syndicated to over 40 newspapers. Over the decades, numerous records have been lost or destroyed and keeping track of her literary legacy has proved a major challenge for her publishers, literary agents and others until now. Jared Cade, author of the ground-breaking biography *Agatha Christie and the Eleven Missing Days*, has unearthed a huge plethora of hitherto unknown facts about the timeline of her publishing history that will delight her devotees and enable future generations to write about her work with far greater authority and accuracy than ever before, especially when correlating her publications to the parallels in her life. Illustrated with rare pictures, *Secrets from the Agatha Christie Archives* is destined to become an essential reference tool for fans, librarians, scholars, antiquarian booksellers, broadcasters and others interested in the making of one of the 20th century's most beloved writers. "Jared Cade is an acknowledged authority on Christianna" "Crime Time

the floating admiral: Gilbert Keith Chesterton Maisie Ward, 2023-08-22 Maisie Ward's 'Gilbert Keith Chesterton' is an insightful biography that delves deep into the life and literary works of one of the most influential writers of the 20th century. The book not only explores Chesterton's famous detective fiction and philosophical essays but also sheds light on his lesser-known poetry and journalistic pieces. Ward's writing style is scholarly yet engaging, making this biography a must-read for anyone interested in Chesterton's work. Ward's analysis of Chesterton's literary context and impact on modern literature adds depth to the book, making it a valuable resource for Chesterton enthusiasts and scholars alike. Maisie Ward's thorough research and thoughtful insights provide a comprehensive understanding of the man behind the iconic literary figure.

the floating admiral: The Wine of Certitude David Rooney, 2014-07-28 A well written and in-depth overview of the life and literary accomplishments of Ronald Knox, the famous Catholic convert and apologist from England who was a major figure in the English Catholic literary revival in the first half of the twentieth century. Rooney presents a look at the full range of Knox's writings including his apologetics, detective fiction, satire and other genres, offering an intellectual portrait that is fascinating and engaging. He includes a heavy dose of sample writings from Knox throughout the book that gives it a kind of mosaic approach, and makes the works and the person of Knox emerge from the pages in a vivid and lively way. Knox was a prolific author who wrote over 75 books, as well as many articles and homilies. He wrote on many topics and genres including satire, novels, spirituality, and detective stories. Among his many books include *The Hidden Stream*, *The Belief of Catholics*, *Captive Flames*, *Pastoral and Occasional Sermons* and many more. There is a Knox revival going on today with much renewed interest in his writings, and is evidenced by the large Ronald Knox Society of North America.

the floating admiral: Promoting Change Through Paradoxical Therapy GERALD WEEKS, 2013-08-21 Originally published in 1985 and now revised and updated, this work presents the seminal theory that has led to the use of paradoxical techniques in different systems of therapy. Dr. Weeks, a pioneer in the field, has gathered well-known therapists to address key issues such as structure and process of paradoxical therapy; theories of health, dysfunction, and change; ethical implications of working paradoxically; and effectiveness of paradoxical interventions. Selected case studies shed light on basic questions such as whether to work paradoxically and how to establish

treatment goals and termination procedures.

the floating admiral: The Annotated Innocence of Father Brown G. K. Chesterton, 2012-04-26 Father Brown, an ordinary priest whose unremarkable exterior conceals extraordinary crime-solving ability, is celebrated for his solutions to metaphysical mysteries, a genre perfected by his creator, G. K. Chesterton. More than lighthearted comedies built around puzzling crimes, these superbly written tales contain deeply perceptive philosophical reflections. The Innocence of Father Brown (1911) was the first collection of stories featuring the ecclesiastical sleuth and is widely considered the best. In this annotated edition of the collection, the Chesterton scholar Martin Gardner provides detailed notes and background information on various aspects of such stories as The Blue Cross, The Secret Garden, The Invisible Man, The Hammer of God, The Eye of Apollo, and seven more, as well as an informative introduction and an extensive bibliography. Included also are eight illustrations reproduced from the first edition. The result is an indispensable companion for all Chesterton enthusiasts and a perfect introduction for anyone who has yet to meet the incomparable Father Brown.

the floating admiral: Elusion Aforethought Malcolm J. Turnbull, 1996 Elusion Aforethought provides significant new material on the work of crime and detection fiction writer Anthony Berkeley Cox, a popular and prolific English journalist, satirist, and novelist in the period between World Wars I and II. Cox has been called one of the most important and influential of Golden Age detective fiction writers by such authorities as Haycraft, Symons, and Keating, yet he occupies a surprisingly ambivalent position in the history of the crime genre.

the floating admiral: The Idea of Education in Golden Age Detective Fiction Roger Dalrymple, Andrew Green, 2024-07-05 This book presents an exploration of how Golden Age detective fiction encounters educational ideas, particularly those forged by the transformative educational policymaking of the interwar period. Charting the educational policy and provision of the era, and referring to works by Agatha Christie, Dorothy L. Sayers, Edmund Crispin and others, this book explores the educational capacity and agency of literary detectives, the learning spaces of the genre and the kinds of knowledge that are made available to inquirers both inside and outside the text. It is argued that the genre explores a range of contemporaneous propositions on the balance between academic curriculum and practicum, length of school life and the value of lifelong learning. This book's closing chapter considers the continuing pedagogic value for contemporary classrooms of engaging with the genre as a rich discursive and imaginative space for exploring educational ideas. Framing Golden Age detective fiction as a genre profoundly concerned with learning, this book will be highly relevant reading for academics, postgraduate students and scholars involved in the fields of English language arts, twentieth-century literature and the theories of learning more broadly. Those interested in detective fiction and interdisciplinary literary studies will also find the volume of interest.
