woman of light discussion questions: This Thing of Darkness: Shedding Light on Evil Claudio V. Zanini, Lima Bhuiyan, 2019-01-04 This volume was first published by Inter-Disciplinary Press in 2016. Evil has been historically associated to people, facts and situations labelled disturbing, weird, non-civilised, bizarre, or out of standards. Many artistic, fictional and media representations associate evil to darkness; because of its apparent ugliness, we tend to make all kinds of efforts so as to hide this 'thing of darkness', which is intrinsic to humanity and social relations. Through its chapters, this volume sheds light on evil, questioning its status quo, places, origins and pointing out its importance for social balance. The discussions and viewpoints rely on approaching evil, human wickedness and violence in real and imagined prisons, contemporary media, representations of the feminine, and witches from Salem and Blair alike. While movies, television series, works of literature, media coverage, public institutions and social relations are analysed, evil is approached from different philosophical perspectives, theories pertaining to mass media, documentary film, history, anthropology and psychoanalysis.

woman of light discussion questions: **The Gospel of Ruth** Carolyn Custis James, 2008 This isn't the Ruth, the Naomi, or the Boaz we thought we knew. Carolyn James has unearthed startling new insights from this well-worn story ... insights that have life-changing implications for you. Naomi

is no longer regarded as a bitter, complaining woman, but as a courageous overcomer. A Female Job. Ruth (typically admired for her devotion to Naomi and her deference to Boaz) turns out to be a gutsy risk-taker and a powerful agent for change among God's people. She lives outside the box, and her love for Yahweh and Naomi compels her to break the rules of social and religious convention at nearly every turn. Boaz, the Kinsman Redeemer, is repeatedly caught off-guard by Ruth's initiatives. His partnership with her models the kind of male/female relationships that the gospel intends for all who follow Jesus. Carolyn James drills down deeper into the story where she uncovers in the Old Testament the same passionate, counter-cultural, rule-breaking gospel that Jesus modeled and taught his followers to pursue. Within this age-old story is a map to radical levels of love and sacrifice, combined with the message that God is counting on his daughters to build his kingdom. The Gospel of Ruth vests every woman's life with kingdom purposes and frees us to embrace wholeheartedly God's calling, regardless of our circumstances or season of life. This story of two women who have lost everything contains a profound message: God created women not to live in the shadowy margins of men or of the past, but to emerge as courageous activists for his kingdom.

woman of light discussion questions: How The Light Shines Trisha Elliott, 2021-09-01 This book is for caregivers who have a desire not only to hone their caring skills, but also to deepen their relationship with God through their care. It explores feelings of loss and challenge, but turns always towards potential and hope. THESE ARE THE FACTS: There are over 100 types of dementia affecting over 50 million people around the world. But if you're picking up this book, you probably already know that. Unfortunately, knowing the hard numbers doesn't make caregiving less demanding, challenging, exhausting, and, yes, many times and in many ways, potentially uplifting. Caregiving is typically understood as an activity, as something we do - likely because caregivers do a lot. But caregiving is deeper than what we do. It is more than a series of tasks. It is, first and foremost, a call to love. In How the Light Shines each chapter engages an issue raised by caregivers themselves and is filled with real-life stories that convey the realities of caregiving, as well as tips and advice, and spiritual insight and guidance. It is written with both individuals and groups in mind. Each chapter includes questions and, for personal or group reflection, a spiritual practice and a prayer grounded in the pain and possibilities of it all.
