But they fear that simply “laying down the law” will alienate their kids. Can parents stay connected to the media while staying connected to God and to each other? This book makes a powerful case for teaching kids media discernment, but doesn’t stop there. sold a story discussion guide: The Final Race Eric T. Eichinger, 2018-04-03 An award-winning biography of a man whose faith and resilience continues to inspire. On July 19, 1924, Eric Liddell was on top of the world. He was the most famous Briton at the time, having just won the gold in the Olympic 400-meter race. The story of that race—and the one he didn’t run—was told in the popular movie classic Chariots of Fire. But what most of us don’t know is what became of Eric Liddell in the years after the credits rolled. As the storm clouds of World War II rolled in, Eric had already made decisions in his life that gave him the resilience to stand tall while others fell into despair. His strength of character led him to choose an uncertain future in China during World War II in order to continue helping the Chinese. He lived purposefully even as his world crumbled and he experienced the horror and deprivations of a Japanese internment camp. Eric’s story is a story of hope in the face of uncertainty, resilience in the face of unspeakable odds, and inspiring vision of what life means, even when the final hour comes. The first race you run isn’t your most important one. It’s the final race that matters most. You won’t want to miss this story of an Olympian who chose the better way. The book was awarded the Kirkus Star, which placed it in the Best Books of 2018 according to Kirkus Reviews.

sold a story discussion guide: The Last Supper on the Moon Bible Study Guide plus Streaming Video Levi Lusko, 2022-02-01 This Study Guide includes: Individual access to five streaming video sessions Discussion and reflection questions with video notes Personal study between sessions Leader's Guide In the summer of 1969, Buzz Aldrin had a mission. His goal was to fly 240 million miles from earth and, along with fellow astronaut Neil Armstrong, be the first to walk on the moon. But moments before that historic step, Aldrin poured a specially prepared drink into a cup and partook of a sacred celebration that had first occurred two thousand years before. The lunar Last Supper was full of meaning, just as it had been when Jesus himself took of the elements and acknowledged his calling and purpose. But the significance didn't end there. Today, as we remember the sacrifice of Christ on the cross, followed by his resurrection, we are reminded that what seemed to be an end became the genesis of everything—including the rescue and restoration of anyone who calls on Jesus' name. In this five-session study, bestselling author and pastor Levi Lusko journeys back in time and forward in hope, using the 1969 lunar mission as an analogy of the metamorphosis that was unleashed by the man from Galilee. Along the way, he uncovers the remarkable seven statements that Jesus made from the cross—words that provide us everything we need in the chaos of our world to conquer judgment, persecution, anxiety, and pain. Designed for use with The Last Supper on the Moon Video Study (sold separately). Streaming video access code included. Access code subject to expiration after 12/31/2027.
