Dyer's fans have wondered when he would write a memoir. Well, after four decades as a teacher of self-empowerment and the best-selling author of more than 40 books, Wayne has finally done just that! However, he has written it in a way that only he can—with a remarkable take-home message for his longtime followers and new readers alike—and the result is an exciting new twist on the old format. Rather than a plain old memoir, Wayne has gathered together quantum-moment recollections. In unflinching detail, he relates his vivid impressions of encountering many forks in the road, taking readers with him into these formative experiences. Although we may not be aware of who or what is moving the checkers, life has a purpose, and each step of our journey has something to teach us. As he says, I wasn't aware of all of the future implications that these early experiences were to offer me. Now, from a position of being able to see much more clearly, I know that every single encounter, every challenge, and every situation are all spectacular threads in the tapestry that represents and defines my life, and I am deeply grateful for all of it. *I Can See Clearly Now* is an intimate look at an amazing teacher, but it also holds the key for seekers on a personal path of enlightenment. **dr wayne dyer books amazon: The Tao Made Easy** Alan Cohen, 2018-07-10 "Alan Cohen brings to life ancient wisdom for a new era deeply in need of enlightenment. Fresh insights, practical, easy entry, and immense delight!" — Chungliang Al Huang, president-director, Living Tao Foundation, and co-author with Alan Watts of *Tao: The Watercourse Way* May you live during interesting times: so goes an ancient Chinese blessing—or some say curse. That wish has come true for us. Now what? In this radically illuminating book, Alan Cohen delves into one of the world's most venerated wisdom texts for answers and brings the lofty and enigmatic concepts of the Tao Te Ching down to earth in fresh, easy-to-grasp language with practical, personal examples we can use to uplift our daily lives. Most other interpretations of the Tao march through the stanzas one by one. Here Alan Cohen calls forth the ancient verses around themes that are central to our modern lives —from love to work to the lessons we learn from pain. Then he brings each message to life in short vignettes where he imagines himself a student of Lao Tse and interacts with the master directly and intimately. He invites you to join the ancient sage and the contemporary seeker as they wend their

way through the challenges and triumphs of the same journey you're taking yourself.
