****Anne Carson The Beauty of the Husband: Exploring Love, Language, and Loss****

anne carson the beauty of the husband is a phrase that invites readers into a rich tapestry of poetic exploration, where love, language, and the complexities of human relationships intertwine. Anne Carson, a celebrated Canadian poet and classicist, has crafted in **The Beauty of the Husband** a work that transcends traditional poetry, blending prose, lyricism, and critical commentary to delve deeply into the nature of desire and the elusiveness of beauty. This long-form article explores the many facets of this remarkable book, illuminating why it continues to captivate readers and scholars alike.

Understanding Anne Carson's Unique Approach

Anne Carson is not your typical poet. Her work often defies easy categorization, merging classical references with contemporary themes, and mixing genres to create something wholly original. **The Beauty of the Husband** epitomizes this approach, as it reimagines a 17th-century French proverb: "Beauty is a wound," to tell a story of love's contradictions—how beauty can both inspire and destroy.

What Makes **The Beauty of the Husband** Stand Out?

Unlike conventional narrative poetry, **The Beauty of the Husband** is part essay, part love letter, and part elegy. This hybrid form reflects the fragmented nature of memory and emotion. Carson's use of multiple voices and shifts in tone invites readers into the intimate space of the speaker's reflections on a failed marriage, marked by passion, betrayal, and disillusionment.

The book's subtitle—**A Fictional Essay in 29 Tangos**—hints at its structure and rhythm. Each "tango" is a poem that moves through time and memory, mimicking the dance's push and pull between

partners. This metaphor enriches the reading experience, emphasizing the interplay of attraction and conflict in relationships.

Diving into the Themes of *The Beauty of the Husband*

At its core, *anne carson the beauty of the husband* explores timeless themes that resonate across cultures and eras. Here are some of the key motifs that animate the work:

1. The Paradox of Beauty

Carson's meditation on beauty challenges the superficial understanding of physical appearance. Instead, beauty is portrayed as something that wounds and haunts—an ideal that is both desirable and destructive. This paradox is central to the narrative, as the speaker grapples with the allure of her husband's beauty and the pain it inflicts.

2. Love and Betrayal

The book recounts a relationship marked by intense love but also marked by infidelity and emotional cruelty. Through poetic language, Carson exposes the fragility of trust and the devastating effects of betrayal. The emotional complexity of love is laid bare, refusing to simplify or romanticize the experience.

3. The Role of Language and Memory

Language itself becomes a character in the work. Carson's use of classical allusions and precise diction underscores how memory is shaped by the stories we tell ourselves. The fragmented narrative

mimics the way memories of love and loss resurface in bits and pieces, colored by emotion and time.

Anne Carson's Literary Style and Influences

Understanding the style of **The Beauty of the Husband** enriches the reading experience, particularly for lovers of poetry and literary innovation.

Classical Roots and Modern Sensibility

Anne Carson's background in classics is evident throughout the book. She draws on ancient Greek literature and mythology, weaving these elements into a modern context. This interplay between the ancient and the contemporary gives the work a timeless quality, as if the emotions and struggles it depicts are universal.

Innovative Structure and Form

Rather than following a linear narrative, the book's episodic format reflects the fragmented nature of memory and emotional experience. The tango metaphor structures the poems as a dance of intimacy and distance, tension and release. This innovative form challenges readers to engage actively with the text, piecing together the story and its emotional resonance.

Why **The Beauty of the Husband Resonates Today**

In a literary landscape often dominated by straightforward narratives, Anne Carson's **The Beauty of the Husband** stands out as a profound exploration of human relationships that feels both intimate and universal. Its exploration of love's contradictions—beauty as both gift and wound—speaks to anyone

who has experienced the complexities of desire and heartbreak.

Impact on Contemporary Poetry

Carson's work has influenced a generation of poets and writers who seek to blur the boundaries between genres and experiment with form. **The Beauty of the Husband** is frequently studied in academic settings for its rich intertextuality and innovative use of language.

Emotional Depth and Intellectual Engagement

Readers often find themselves moved not only by the emotional intensity of the poems but also by the intellectual challenges they pose. The book invites reflection on how beauty and love shape identity, memory, and meaning—a conversation that remains relevant in today's world.

Tips for Reading and Appreciating **The Beauty of the Husband**

If you're new to Anne Carson or this particular work, approaching it with a few strategies can enhance your experience:

- **Take your time:** The book is dense with imagery and allusion. Reading slowly allows the layers of meaning to unfold.
- **Research classical references:** Familiarity with the myths and texts Carson references can deepen your understanding.

- **Reflect on the form:** Consider how the tango structure influences the emotional rhythm of the poems.
- **Engage with the language:** Carson's poetic diction is deliberate and precise; savor the phrasing and word choice.
- **Discuss with others:** Sharing interpretations can reveal new insights and enrich your reading.

Exploring Related Works by Anne Carson

For those captivated by **anne carson the beauty of the husband**, exploring her other works can offer a broader sense of her poetic vision.

Notable Books to Explore

- *Autobiography of Red* – A novel in verse that reimagines a Greek myth in a contemporary setting.
- *Red Doc>* – A sequel to **Autobiography of Red**, continuing the story with fragmented poetic narratives.
- *Decreation* – Essays and poems blending philosophy, personal reflection, and classical themes.

Each of these works shares Carson's fascination with blending genres, exploring classical themes, and probing the intricacies of human emotion.

Anne Carson's **The Beauty of the Husband** stands as a testament to the power of poetry to capture the contradictions of love and beauty through a uniquely innovative form. Its enduring appeal lies in its ability to resonate emotionally while challenging readers intellectually, making it a vital work in contemporary literature. Whether you are a seasoned poetry lover or a newcomer, diving into Carson's world promises a rewarding journey through the tangled dance of desire, language, and loss.

Frequently Asked Questions

What is the central theme of Anne Carson's 'The Beauty of the Husband'?

The central theme of 'The Beauty of the Husband' is the complex and often painful nature of love and desire, exploring the idea that beauty can be both captivating and destructive.

How does Anne Carson structure 'The Beauty of the Husband'?

Anne Carson structures 'The Beauty of the Husband' as a series of elegiac, lyric poems arranged in a narrative sequence, blending poetry with essayistic reflections to tell the story of a failed marriage.

What inspired Anne Carson to write 'The Beauty of the Husband'?

Anne Carson was inspired by the concept of beauty as a form of truth and the classical notion of marriage as a tragic, complex union, drawing on ideas from classical literature and her own experiences with love and loss.

What literary devices are prominent in 'The Beauty of the Husband'?

Prominent literary devices in 'The Beauty of the Husband' include metaphor, allusion, fragmented narrative, and lyrical repetition, which Carson uses to evoke emotional depth and the elusive nature of beauty and desire.

How does 'The Beauty of the Husband' differ from traditional poetry collections?

Unlike traditional poetry collections, 'The Beauty of the Husband' combines poetry with prose-like reflections and classical references, creating a hybrid form that challenges conventional genre boundaries.

What role does classical literature play in 'The Beauty of the Husband'?

Classical literature plays a significant role, as Anne Carson draws on ancient Greek philosophy, mythology, and literary traditions to frame the themes of love, beauty, and tragedy within a timeless context.

Why has 'The Beauty of the Husband' received critical acclaim?

'The Beauty of the Husband' has received critical acclaim for its innovative form, profound emotional insight, and the way Anne Carson masterfully intertwines classical themes with contemporary poetic expression.

Additional Resources

****Anne Carson The Beauty of the Husband: An In-Depth Exploration of Love, Language, and Literary Innovation****

anne carson the beauty of the husband stands as a striking example of contemporary poetry's capacity to meld classical themes with modern innovation. Published in 2001, this work by Anne Carson is a hybrid poetic narrative that challenges traditional genre boundaries, weaving together elements of lyric poetry, essay, and dramatic monologue. The book explores the complexities of love, marriage, and betrayal through the lens of a historical figure, the 18th-century poet John Keats, and his tumultuous relationship with Fanny Brawne. This article delves into the artistic and thematic layers of *The Beauty

of the Husband*, providing a critical analysis that highlights Carson's unique stylistic approach and literary significance.

Contextualizing Anne Carson and Her Poetic Style

Anne Carson is widely recognized for her erudite and genre-defying writing. Her background as a classicist and poet informs much of her work, including **The Beauty of the Husband**. Unlike conventional poetry collections, this book is structured as a “marriage” in seven lessons, each corresponding to stages in a relationship marked by both beauty and inevitable decay. Carson's erudition and poetic sensibility converge to produce a text that is both intellectually stimulating and emotionally resonant.

The use of classical references and philosophical reflection is a hallmark of Carson's oeuvre. In **The Beauty of the Husband**, she draws heavily on Keats's writings and the Romantic era's sensibilities, yet she refracts these through a contemporary lens, making the themes universal and timeless. This fusion appeals to readers interested in both literary history and innovative poetic forms.

In-Depth Analysis of The Beauty of the Husband

At its core, **The Beauty of the Husband** is an exploration of the paradoxical nature of love—a force that is at once beautiful and destructive. Carson herself describes the book as a “fractured sonnet,” a metaphor that captures the fragmented and nonlinear narrative style employed throughout. The work's subtitle, “A Fictional Essay in 29 Tangos,” hints at the interplay between structure and freedom, discipline and chaos, that defines the text.

Structure and Form

The book's seven lessons or "tangos" serve as a structural backbone, each lesson revealing a different facet of the marriage's progression. The lessons encapsulate stages such as seduction, betrayal, and loss, yet they do so in a manner that is elliptical and poetic rather than linear or didactic. Carson's use of form challenges readers to engage actively with the text, piecing together the emotional narrative from the poetic fragments and allusions.

This approach aligns with Carson's broader reputation as an experimental poet. The use of fragmented sonnets, interspersed with prose-like reflections, defies easy categorization. Readers familiar with classical sonnets will recognize the influence of traditional poetic forms, but Carson's work deliberately disrupts these conventions to evoke the instability and ambivalence inherent in love and marriage.

Thematic Depth and Emotional Complexity

Anne Carson's treatment of love in *The Beauty of the Husband* refuses simplistic sentimentalism. Instead, the book presents love as a complex, often painful experience that intertwines beauty with suffering. Throughout the text, the metaphor of "beauty" is both a source of enchantment and a harbinger of doom. The title itself signals this duality, emphasizing the paradox that the very beauty that attracts can also lead to destruction.

The historical context of Keats and Brawne lends an added layer of poignancy. Keats's premature death and the fraught nature of their relationship become symbolic of love's fragility and impermanence. This historical grounding enriches the contemporary reflections, enabling readers to appreciate the timelessness of Carson's exploration.

Language and Imagery

Carson's language is both precise and evocative, balancing intellectual rigor with lyrical beauty. Her imagery often draws on classical mythology, natural elements, and domestic scenes, weaving a rich tapestry that reflects the emotional landscape of the narrative. The recurring motifs of dance (tango), injury, and beauty serve as metaphors for the dynamics of the relationship.

The poetic voice is alternately intimate and detached, mirroring the oscillation between involvement and observation that characterizes human relationships. This nuanced use of tone enhances the work's emotional impact without resorting to overt sentimentality.

Comparative Perspectives and Reception

When compared to other contemporary poetic works that explore love and relationships, **The Beauty of the Husband** distinguishes itself through its erudition and formal innovation. Unlike more narrative-driven or confessional poetry, Carson's work invites readers into a space of contemplation and intellectual engagement. This has led to both praise and critique.

On the positive side, literary critics commend Carson for her ability to fuse classical scholarship with poetic experimentation. The book is often cited as a prime example of how poetry can transcend conventional boundaries to offer new ways of understanding human experience. However, some readers may find the density and fragmentation challenging, requiring multiple readings to fully appreciate the nuances.

Pros and Cons of Anne Carson's Approach

- Pros:

- Innovative fusion of classical references and modern poetic form
 - Rich thematic exploration of love's paradoxes
 - Evocative and precise language that balances intellect and emotion
 - Encourages active reader engagement and interpretation
-
- **Cons:**
 - Complex structure may be challenging for casual readers
 - Fragmented narrative can create ambiguity that some may find frustrating
 - Requires familiarity with classical and Romantic literary contexts for deeper appreciation

Anne Carson The Beauty of the Husband in the Landscape of Modern Poetry

Within the broader landscape of 21st-century poetry, *The Beauty of the Husband* exemplifies a movement toward hybrid forms and interdisciplinary approaches. Carson's work navigates the intersections of poetry, prose, and scholarly essay, reflecting a trend among contemporary poets to experiment with form and content simultaneously.

This book's influence extends beyond poetry alone; it has been discussed in academic circles for its innovative use of genre and in literary studies focused on gender, love, and narrative form. The blending of historical biography with poetic invention also challenges readers to reconsider the boundaries between fact and fiction in literature.

Impact on Readers and Literary Scholars

Readers seeking a poetic meditation on love that avoids cliché will find **The Beauty of the Husband** both rewarding and thought-provoking. Its intellectual depth encourages rereading and critical reflection, making it a staple in university courses on modern poetry and literary theory.

Literary scholars appreciate Carson's method of integrating classical allusions with contemporary themes, positioning the book as a bridge between past and present literary traditions. This fusion enhances the book's relevance and ensures its lasting presence in discussions of innovative poetry.

The use of "tango" as a structural metaphor also resonates with interpretations of love as a dance—complex, coordinated, yet fraught with tension. This motif adds a dynamic layer to the text, emphasizing movement, rhythm, and the interplay of partners in a relationship.

Anne Carson *the beauty of the husband* remains a compelling testament to the power of poetry to capture the elusive and often contradictory nature of human relationships. Its blend of form, theme, and language challenges readers to engage with love not as a static ideal but as an ongoing negotiation of beauty and pain, presence and absence.

anne carson the beauty of the husband: The Beauty of the Husband Anne Carson, 2001
The Beauty Of The Husband is an essay on Keats's idea that beauty is truth, and is also the story of a marriage. It is told in 29 tangos. A tango (like a marriage) is something you have to dance to the end. This clear-eyed, brutal, moving, darkly funny book tells a single story in an immediate, accessible voice—29 "tangos" of narrative verse that take us vividly through erotic, painful, and heartbreaking scenes from a long-time marriage that falls apart. Only award-winning poet Anne Carson could create a work that takes on the oldest of lyrical subjects—love—and make it this powerful, this fresh, this devastating.

anne carson the beauty of the husband: Anne Carson Joshua Marie Wilkinson, 2015-01-28
The first book of essays dedicated to the work of noted writer, Anne Carson

anne carson the beauty of the husband: Anne Carson Elizabeth Sarah Coles, 2023
The scene with which I begin this chapter is the kind of scene that interests Carson. In the words of her 'Essay on What I Think About Most' (1999), a disquisition on mistake in stanzas of unrhyming verse, the 'wilful creation of error' is the action of the 'master contriver' - the poet: 'what Aristotle would call an imitator of reality'. Like the 'true mistakes of poetry', the matter Carson confesses to 'think about most', Streb's choreographed falls perform the conversion of human error into an art form. Under the dancer's regime, and by an extraordinary coup of artifice, the emotions of mistake - shame, exposure, thrill - are handed to us, putting our own contradictions and 'odd longings' centre-stage--

anne carson the beauty of the husband: A Study Guide for Anne Carson's "New Rule"
Gale, Cengage Learning, 2016
A Study Guide for Anne Carson's New Rule, excerpted from Gale's acclaimed Poetry for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Poetry for Students for all of your research needs.

anne carson the beauty of the husband: From Cohen to Carson Ian Rae, 2008-03-26
From Cohen to Carson provides the first book-length analysis of one of Canada's most distinctive fields of literary production. Ian Rae argues that Canadian poets have turned to the novel because of the limitations of the lyric, but have used lyric methods - puns, symbolism, repetition, juxtaposition - to create a mode of narrative that contrasts sharply with the descriptive conventions of realist and plot-driven novels.

anne carson the beauty of the husband: Cézanne Alex Danchev, 2012
A major biography--the first comprehensive new assessment to be published in decades--of the brilliant work and restless life of Paul Cezanne, the most influential painter of his time, whose vision revolutionized the role of the painter.

anne carson the beauty of the husband: Bending Genre Margot Singer, Nicole Walker, 2022-12-15
Ever since the term creative nonfiction first came into widespread use, memoirists and journalists, essayists and fiction writers have faced off over where the border between fact and fiction lies. An early and influential book on questions of form in creative nonfiction, Bending Genre asks not where the boundaries between the genres should be drawn, but what happens when you push the line. The expanded second edition doubles the first edition with 23 new essays that broaden the exploration of hybridity, structure, unconventionality, and resistance in creative nonfiction, pushing the conversation forward in diverse and exciting ways. Written for writers and students of creative writing, this collection brings together perspectives from leading writers of creative nonfiction, including Michael Martone, Brenda Miller, Ander Monson, David Shields, Kazim Ali--and in the new edition--Catina Bacote, Ira Sukrungruang, Ingrid Horrocks, Elena Passarello, and Aviya Kushner. Each writer's innovative essay probes our notions of genre and investigates how creative nonfiction is shaped, modeling the forms of writing being discussed. Like creative nonfiction itself, Bending Genre is an exciting hybrid that breaks new ground. Features in the second edition:
-Updated introduction to the new edition
-Expanded sections on Hybrids, Structures, and Unconventions
-A new section on Resistances
-50 essays in all

anne carson the beauty of the husband: The Undiscovered Country William Logan, 2008-12-22 William Logan has been called both the preeminent poet-critic of his generation and the most hated man in American poetry. For more than a quarter century, in the keen-witted and bare-knuckled reviews that have graced the New York Times Book Review, the Times Literary Supplement (London), and other journals, William Logan has delivered razor-sharp assessments of poets present and past. Logan, whom James Wolcott of *Vanity Fair* has praised as being the best poetry critic in America, vividly assays the most memorable and most damning features of a poet's work. While his occasionally harsh judgments have raised some eyebrows and caused their share of controversy (a number of poets have offered to do him bodily harm), his readings offer the fresh and provocative perspectives of a passionate and uncompromising critic, unafraid to separate the tin from the gold. The longer essays in *The Undiscovered Country* explore a variety of poets who have shaped and shadowed contemporary verse, measuring the critical and textual traditions of Shakespeare's sonnets, Whitman's use of the American vernacular, the mystery of Marianne Moore, and Milton's invention of personality, as well as offering a thorough reconsideration of Robert Lowell and a groundbreaking analysis of Sylvia Plath's relationship to her father. Logan's unsparing verse chronicles present a survey of the successes and failures of contemporary verse. Neither a poet's tepid use of language nor lackadaisical ideas nor indulgence in grotesque sentimentality escapes this critic's eye. While railing against the blandness of much of today's poetry (and the critics who trumpet mediocre work), Logan also celebrates Paul Muldoon's high comedy, Anne Carson's quirky originality, Seamus Heaney's backward glances, Czeslaw Milosz's indictment of Polish poetry, and much more. Praise for Logan's previous works: *Desperate Measures* (2002) When it comes to separating the serious from the fraudulent, the ambitious from the complacent, Logan has consistently shown us what is wheat and what is chaff.... The criticism we remember is neither savage nor mandarin.... There is no one in his generation more likely to write it than William Logan.—Adam Kirsch, *Oxford American Reputations of the Tongue* (1999) Is there today a more stringent, caring reader of American poetry than William Logan? *Reputations of the Tongue* may, at moments, read harshly. But this edge is one of deeply considered and concerned authority. A poet-critic engages closely with his masters, with his peers, with those whom he regards as falling short. This collection is an adventure of sensibility.—George Steiner William Logan's critical bedevilmments-as well as his celebrations-are indispensable.—Bill Marx, *Boston Globe All the Rage* (1998) William Logan's reviews are malpractice suits.—Dennis O'Driscoll, *Verse* William Logan is the best practical critic around.—Christian Wiman, *Poetry*

anne carson the beauty of the husband: *Encountering the Secular* J. Heath Atchley, 2009-02-11 In *Encountering the Secular*, J. Heath Atchley proposes an alternative to the understanding of the secular as that which opposes the religious, and he turns to American and Continental philosophy to support his critique. Drawing from thinkers as disparate as Ralph Waldo Emerson and Gilles Deleuze, and engaging with contemporary literature and film, Atchley shows how the division of experience (individual, cultural, political) into the distinct realms of the religious and the secular overlooks the subtle ways in which value can emerge. Far from arguing that the religious and the secular are the same, he means instead to suggest that the dogmatic separation between these two realms gets in the way of experiencing an immanent value, a kind of value tied neither to a transcendent reality (e.g., a god or an ideal) nor to a self-centered reality (e.g., pleasure or knowledge). Each chapter cultivates a particular concept that challenges the breach between the secular and the religious, rendering that breach ambiguous. Such ambiguity, the author affirms, is relevant to a time when rigid and simplistic notions of religion and secularity are used to justify thoughtlessness and even violence. All too often the secular is thought of either as a triumph in overcoming the presumed irrationality and oppression of religion, or as lament in losing the meaning religion is thought once to have offered. Atchley suggests a view of the secular as an opportunity to experience an immanent value that is neither controlled by the human self nor conferred by a divine entity. Written in a prose that is lucid, lively, and provocative, *Encountering the Secular* shows how a philosophical endeavor might be understood as a spiritual practice.

anne carson the beauty of the husband: The Way of the Strangers Graeme Wood, 2019-05-07 What does ISIS really want? This is the definitive account of the strategy, psychology, and fundamentalism driving the Islamic State. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY FOREIGN AFFAIRS • “Worthy of Joseph Conrad . . . gripping, sobering and revelatory.”—Tom Holland, *New Statesman* The Islamic State inspired a wave of true believers to travel to Syria from Europe, America, and the Middle East, in numbers not seen since the Crusades. What compelled tens of thousands of men and women to leave comfortable, privileged lives to join a death cult in the desert? Steven Pinker called Graeme Wood’s analysis of this phenomenon in *The Atlantic* “fascinating, terrifying, occasionally blackly humorous.” In *The Way of the Strangers*, Wood uses character study, analysis, and original reporting to take us further into the Islamic State’s apocalyptic vision. Though the Islamic State has lost territory, it threatens to rise again, and its followers are plotting on every continent. From the streets of Cairo to the mosques of London, Wood meets with supporters, recruiters, and scholars and asks them why they believe that killing and dying for this cause is the only path to Paradise. With a new afterword, *The Way of the Strangers* uncovers the theology and emotional appeal of this resilient group and explores its idiosyncratic, coherent approach to Islam. Just as Lawrence Wright’s *The Looming Tower* explained the rise of Al Qaida, this book will shape our understanding of a new and deadlier generation of terrorists. Praise for *The Way of the Strangers* “The Way of the Strangers represents journalism at its best: vivid writing, indefatigable legwork, and fearless analysis.”—Robert D. Kaplan, author of *The Return of Marco Polo’s World* “Wood is a brilliant analyst and storyteller, and his firsthand reporting and language abilities make him the most reliable commentator on the Islamic State that I have read. His wit matches his intelligence (‘Well-behaved Salafis seldom make history’)—you don’t get through any two pages in his book without a good laugh.”—Peter Theroux, author of *Sandstorms: Days and Nights in Arabia* “Excruciatingly well observed and devastatingly honest . . . This is the first and only book about the Islamic State to expose, explain, and ultimately undermine its ideology with the relentless irony that comes from blending deep knowledge with hands-on experience. Wood makes it impossible not to laugh, despite the horrors.”—Elisabeth Kendall, senior research fellow in Arabic and Islamic studies, University of Oxford

anne carson the beauty of the husband: Reading, Learning, Teaching Margaret Atwood Paul Lee Thomas, 2007 Literature that confronts our students’ assumptions about the world and about text is the lifeblood of English classes in American high schools and colleges. Margaret Atwood offers works in a wide variety of genres that fulfill that need. This volume introduces readers, students, and teachers to the life and works of Atwood while also suggesting a variety of ways in which her works can become valuable additions to classroom experiences with literature and writing. Furthermore, this volume confronts how and why we teach English through Atwood’s writing.

anne carson the beauty of the husband: Handbook of American Poetry Sabine Sielke, 2025-01-27 This handbook offers scholars an overview of the state of research and students a sense of how American poetry – from its first forms evolving in the 17th-century settler colonies to its current digital modes – has addressed issues and experiences central to human consciousness and to political life over five centuries of cultural practice. At the same time, it aims to show how poetry, philosophy, and theory have always been involved in productive dialogues.

anne carson the beauty of the husband: The Möbius Book Catherine Lacey, 2025-06-17 A singular, bewitching work about cycles of life and loss, the patterns of behavior that seem to lock us into who we are, and the quest for a faith that might break us free. —Hua Hsu, author of *Stay True*

Named a Most Anticipated Book of 2025 by Vulture and LitHub A genre-bending story about breaking—both of the heart and form itself—from the author of *Biography of X*. Adrift in the winter of 2021 after a sudden breakup and the ensuing depression, the novelist Catherine Lacey began cataloguing the wreckage of her life and the beauty of her friendships, a practice that eventually propagated fiction both entirely imagined and strangely true. Betrayed by the mercurial partner she had trusted with a shared mortgage and suddenly catapulted into the unknown, Lacey's appetite vanished completely, a visceral reminder of the teenage emaciation that came when she stopped believing in God. Through relationships, travel, reading, and memories of her religious fanaticism, Lacey charts the contours of faith's absence and reemergence. Bending form, she and her characters recall gnostic experiences with animals, close encounters with male anger, grief-driven lust, and the redemptive power of platonic love and narrative itself. A hybrid work across fiction and nonfiction with no beginning or ending, *The Möbius Book* troubles the line between memory and fiction with an openhearted defense of faith's inherent danger.

anne carson the beauty of the husband: *She Left Me the Gun* Emma Brockes, 2014-06-24 One of those memoirs that remind you why you liked memoirs in the first place... It has the density of a very good novel... As you do with the best writers, you feel lucky to be in Ms. Brockes's company. --Dwight Garner, *The New York Times* A chilling work of psychological suspense and forensic memoir, *She Left Me the Gun* is a tale of true transformation: the story of a young woman who reinvented herself so completely that her previous life seemed simply to vanish, and of a daughter who transcends her mother's fears and reclaims an abandoned past. "One day I will tell you the story of my life," promises Emma Brockes's mother, "and you will be amazed." Brockes grew up hearing only pieces of her mother's past—stories of a rustic childhood in South Africa, glimpses of a bohemian youth in London—and yet knew that crucial facts were still in the dark. A mystery to her friends and family, Paula was clearly a strong, self-invented woman; glamorous, no-nonsense, and frequently out of place in their quaint English village. In awe of Paula's larger-than-life personality, Brockes never asked why her mother emigrated to England or why she never returned to South Africa; never questioned the source of her mother's strange fears or tremendous strengths. Looking to unearth the truth after Paula's death, Brockes begins a dangerous journey into the land—and the life—her mother fled from years before. Brockes soon learns that Paula's father was a drunk megalomaniac who terrorized Paula and her seven half-siblings for years. After finally mustering the courage to take her father to court, Paula is horrified to see the malevolent man vindicated of all charges. As Brockes discovers, this crushing defeat left Paula with a choice: take her own life, or promise herself never to be intimidated or unhappy again. Ultimately she chooses life and happiness by booking one-way passage to London—but not before shooting her father five times, and failing to kill him. Smuggling the fateful gun through English customs would be Paula's first triumph in her new life. *She Left Me the Gun* carries Brockes to South Africa to meet her seven aunts and uncles, weighing their stories against her mother's silences. Brockes learns of the violent pathologies and racial propaganda in which her grandfather was inculcated, sees the mine shafts and train yards where he worked as an itinerant mechanic, and finds in buried government archives the court records proving his murder conviction years before he first married. Brockes also learns of the turncoat stepmother who may have perjured herself to save her husband, dooming Paula and her siblings to the machinations of their hated father. Most of all, *She Left Me the Gun* reveals how Paula reinvented herself to lead a full, happy life. As she follows her mother's footsteps back to South Africa, Brockes begins to find the wellsprings of her mother's strength, the tremendous endurance which allowed Paula to hide secrets from even her closest friends and family. But as the search through cherished letters and buried documents deepens, Brockes realizes with horror that her mother's great success as a parent was concealing her terrible past—and that unearthing these secrets threatens to undo her mother's work. A beguiling and unforgettable journey across generations and continents, *She Left Me the Gun* chronicles Brockes's efforts to walk the knife-edge between understanding her mother's unspeakable traumas and embracing the happiness she chose for her daughter.

anne carson the beauty of the husband: Bandit Molly Brodak, 2018-11-20 One woman's raw, poetic and compulsively readable account of growing up with a bank robber for a father (Kathryn Stockett, author of *The Help*). In the summer of 1994, when Molly Brodak was thirteen years old, her father robbed eleven banks, until the police finally caught up with him. Dubbed the Mario Brothers Bandit by the FBI, he served seven years in prison and was released, only to rob another bank several years later and end up back behind bars. In her powerful and provocative memoir, Molly Brodak recounts her childhood and attempts to make sense of her complicated relationship with her father, a man she only half knew. At some angles he was a normal father: there was a job at the GM factory, a house with a yard, birthday treats for Molly and her sister. But there were darker glimmers, too: another wife he never mentioned to her mother, late-night rages directed at the TV, the red Corvette that suddenly appeared in the driveway, a gift for her sister. In *Bandit*, Brodak unearths and reckons with the fracturing impact her father had on their family and in the process attempts to make peace with the parts of herself that she inherited from this bewildering, beguiling man. With unwavering candor and remarkable grace, Brodak pieces together the years she spent trying to make sense of a volatile, complicated man her family never really knew. — *The Atlanta Journal-Constitution* (online) A poet by training, Brodak writes with great precision and grace, distilling some memories, expanding others; many of her short chapters feel like prose poems. — *The Boston Globe*

anne carson the beauty of the husband: *The ^AOxford Handbook of Shakespeare and Dance* Lynsey McCulloch, Brandon Shaw, 2019-01-28 Featuring new chapters from thirty leading scholars, *The Oxford Handbook of Shakespeare and Dance* examines the relationship between William Shakespeare - his life, works, afterlife - and dance.

anne carson the beauty of the husband: *Poetry Review* Stephen Phillips, Galloway Kyle, 2002

anne carson the beauty of the husband: *Modern Marriage and the Lyric Sequence* Jane Hedley, 2018-06-04 *Modern Marriage and the Lyric Sequence* investigates the ways in which some of our best poets writing in English have used poetic sequences to capture the lived experience of marriage. Beginning in 1862 with George Meredith's *Modern Love*, Jane Hedley's study utilizes the rubrics of temporality, dialogue, and triangulation to bring a deeply rooted and vitally interesting poetic genre into focus. Its twentieth- and twenty-first-century practitioners have included Edna St. Vincent Millay, Robert Lowell, Rita Dove, Eavan Boland, Louise Glück, Anne Carson, Ted Hughes, Claudia Emerson, Rachel Zucker, and Sharon Olds. In their poetic sequences the flourishing or failure of a particular marriage is always at stake, but as that relationship plays out over time, each sequence also speaks to larger questions: why we marry, what a marriage is, what our collective stake is in other people's marriages. In the book's final chapter gay marriage presents a fresh testing ground for these questions, in light of the US Supreme Court's affirmation of same-sex marriage.
