## History of Santa Muerte: Unveiling the Enigmatic Saint of Death

history of santa muerte is a fascinating journey into a unique cultural and spiritual phenomenon that blends indigenous beliefs, Catholicism, and folk traditions. Often misunderstood and shrouded in mystery, Santa Muerte – or “Saint Death” – has captured the imagination and devotion of thousands, particularly in Mexico and parts of the United States. To truly appreciate the significance of this figure, it’s important to explore where she originated, how her worship evolved, and why she continues to resonate deeply with so many people today.

## Origins and Early Influences in the History of Santa Muerte

The history of Santa Muerte is deeply entwined with the rich tapestry of Mesoamerican spirituality and colonial history. Before the arrival of Spanish conquistadors, indigenous cultures such as the Aztecs revered deities associated with death, the afterlife, and the cycle of life. The goddess Mictecacihuatl, known as the “Lady of the Dead,” was a central figure in Aztec mythology, overseeing the underworld and the spirits of the deceased. This early veneration of death as a natural and sacred part of existence laid the foundation for what would eventually become the cult of Santa Muerte.

When Spanish colonizers introduced Catholicism in the 16th century, indigenous beliefs didn’t vanish; instead, they blended with Christian iconography and saints. The skeletal imagery of death, symbolized by figures like the Grim Reaper, merged with the symbolism of Catholic saints, giving birth to a syncretic figure that combined fear, reverence, and a sense of protection. This blending is crucial to understanding the history of Santa Muerte – she represents both a continuity of ancient traditions and an adaptation to new religious frameworks.

## **The Role of Catholicism in Shaping Santa Muerte**

While Santa Muerte is not officially recognized by the Catholic Church, her iconography borrows heavily from Catholic symbols. The imagery often depicts a skeletal figure dressed in robes reminiscent of the Virgin Mary or other saints, holding objects like a scythe or globe that signify mortality and power over life and death. This fusion allows devotees to approach Santa Muerte with the same kind of devotion they might offer other saints, seeking her intercession for protection, healing, or justice.

## **The Evolution and Spread of Santa Muerte Worship**

The modern veneration of Santa Muerte is a relatively recent development, gaining prominence mostly in the late 20th and early 21st centuries. While there were scattered instances of death-related folk practices earlier, it wasn't until the 1940s and onward that Santa Muerte began to emerge as a widely recognized figure of worship. The movement grew organically among marginalized communities, including the poor, the incarcerated, and those living on the fringes of society who felt neglected by formal religious institutions.

## **Santa Muerte and Marginalized Communities**

One of the most compelling aspects of the history of Santa Muerte is her appeal to people often overlooked by mainstream religion and society. For many devotees, Santa Muerte offers a direct, personal connection to the divine that transcends traditional doctrines. She is seen as a protector of the vulnerable — including criminals, sex workers, immigrants, and those struggling with addiction. Her cult provides comfort by acknowledging the harsh realities of life and death in a way that is both honest and empowering.

## **Global Expansion and Cultural Impact**

In recent decades, the worship of Santa Muerte has expanded beyond Mexico's borders, particularly into the United States, where Mexican-American communities have carried their traditions. Today, shrines dedicated to Santa Muerte can be found in urban centers like Los Angeles, Chicago, and New York. This spread has been facilitated by globalization, migration, and the internet, where online forums and social media have helped devotees share prayers, rituals, and experiences.

## **Symbolism and Rituals in the History of Santa Muerte**

Understanding the history of Santa Muerte also means exploring the rich symbolism and practices surrounding her. Her image is highly symbolic, with each color of her robes representing different aspects of life and death. For example, red signifies love and passion, white stands for purity and protection, black symbolizes vengeance and power, and gold relates to prosperity.

## **Common Rituals and Offerings**

Devotees often create altars adorned with candles, flowers, fruits, and personal items. Offerings might include cigarettes, tequila, coins, or sweets, depending on the petition. Rituals are typically intimate and personal, involving prayers, petitions, and sometimes elaborate ceremonies. These acts of devotion are a way for followers to establish a relationship with Santa Muerte, seeking her favor in matters ranging from health and safety to financial success and justice.

## **Santa Muerte and the Law: Controversies and Misunderstandings**

The history of Santa Muerte is also marked by controversy. Due to her association with death and the underworld, some have linked her worship to criminal activity, particularly drug cartels. While it's true

that some criminals have adopted Santa Muerte as a figure of protection, this association oversimplifies and unfairly stigmatizes a complex spiritual practice. Many devotees are everyday people seeking solace and guidance. Authorities in Mexico have sometimes cracked down on shrines, but this has also sparked debates about religious freedom and cultural expression.

## **Why the History of Santa Muerte Matters Today**

Exploring the history of Santa Muerte offers valuable insights into how spirituality evolves to meet the needs of its followers. In a world where traditional institutions can feel distant or irrelevant, figures like Santa Muerte provide a personal, relatable form of faith. Her history reflects resilience, adaptation, and the human need to confront mortality with dignity and hope.

Moreover, Santa Muerte's growing visibility challenges stereotypes about death and religion. Instead of something to fear or avoid, death is embraced as a natural transition and a source of power. This perspective resonates with many people facing difficult circumstances, offering a sense of control and companionship in an uncertain world.

The history of Santa Muerte is not just about a figure of death; it's about the living communities that keep her tradition alive. Their stories, struggles, and devotion form an ongoing narrative that continues to unfold, inviting us to reconsider our own relationship with life, death, and spirituality.

## **Frequently Asked Questions**

### **What is the origin of Santa Muerte?**

Santa Muerte originated in Mexico and is believed to have roots in indigenous Mesoamerican beliefs combined with Spanish Catholic influences, evolving over centuries into a folk saint representing death.

## **How did Santa Muerte become popular in modern times?**

Santa Muerte gained popularity in the late 20th and early 21st centuries, particularly among marginalized communities in Mexico and the United States, as people sought protection, healing, and justice from this non-traditional spiritual figure.

## **What cultural influences shaped the image of Santa Muerte?**

The image of Santa Muerte is shaped by a blend of pre-Columbian indigenous death deities, such as Mictecacihuatl, and Catholic iconography of the Grim Reaper, reflecting a syncretism of native and European religious traditions.

## **When is the feast day of Santa Muerte celebrated?**

The feast day of Santa Muerte is celebrated on November 1st and 2nd, coinciding with the Day of the Dead festivities in Mexico, although devotees may honor her on different days depending on personal or regional practices.

## **How has Santa Muerte been perceived by the Catholic Church?**

The Catholic Church officially condemns the veneration of Santa Muerte, considering it incompatible with Christian teachings, and often warns followers about the dangers of associating with this figure.

## **What roles does Santa Muerte serve for her devotees?**

Devotees of Santa Muerte pray to her for various reasons including protection, healing, financial success, love, and safe passage to the afterlife, seeing her as a powerful and impartial spiritual figure who answers prayers regardless of social status.

## **Additional Resources**

The History of Santa Muerte: Origins, Evolution, and Cultural Significance

history of **santa muerte** traces the development of one of the most intriguing and controversial folk saints in contemporary Mexico and beyond. Often depicted as a skeletal figure cloaked in robes and wielding a scythe, Santa Muerte represents death but also serves as a symbol of protection, healing, and justice for millions of devotees. Unlike canonical saints recognized by the Catholic Church, Santa Muerte occupies a unique, syncretic space that blends indigenous beliefs, colonial influences, and modern sociocultural dynamics. This article delves deeply into the origins, evolution, and cultural implications surrounding Santa Muerte, providing a nuanced view of its historical trajectory.

## Origins and Early Influences of Santa Muerte

The history of Santa Muerte is complex and rooted in a blend of pre-Columbian religious practices and Spanish colonial Catholicism. Scholars suggest that the veneration of death as a personified figure predates European contact, with indigenous groups like the Aztecs venerating deities associated with death and the afterlife, such as Mictecacihuatl, the “Lady of the Dead.” This figure, often depicted as a skeletal woman, bears a striking resemblance to the modern image of Santa Muerte, indicating a possible cultural continuity.

With the arrival of Spanish colonizers in the 16th century, Catholicism was imposed upon indigenous populations, leading to a syncretism between native beliefs and Christian iconography. The Catholic cult of death, embodied in figures like the Grim Reaper, merged with indigenous death deities, creating fertile ground for Santa Muerte’s symbolic emergence. However, historical documentation of Santa Muerte as a distinct folk saint remained sparse until relatively recent times, suggesting that its veneration operated covertly or informally for centuries.

## Syncretism and Religious Symbolism

The syncretic nature of Santa Muerte is crucial to understanding its appeal and resilience. The figure incorporates elements of Catholic saints and ritual practices, such as the use of candles, prayers, and altars, alongside indigenous motifs and magic. This blending allows devotees to navigate between

official religious structures and marginalized spiritual expressions.

Santa Muerte's iconography borrows heavily from the Grim Reaper, a European personification of death, yet her feminine form and maternal associations evoke indigenous goddesses. This dual symbolism serves multiple functions: it acts as a reminder of mortality, a protector in dangerous environments, and a mediator between the living and the spiritual realm.

## **Modern Revival and Popularization**

The contemporary history of Santa Muerte is marked by a significant revival beginning in the late 20th century. While references to skeletal figures of death appear in Mexican culture throughout history, the organized veneration of Santa Muerte as a folk saint gained momentum primarily in the 1960s and 1970s. This revival coincided with social upheaval, economic instability, and widespread violence, contexts in which marginalized communities sought alternative spiritual support.

## **Urbanization and the Growth of Devotion**

Mexico's rapid urbanization and the expansion of informal settlements created environments where traditional religious institutions were often perceived as inaccessible or ineffective. In these settings, Santa Muerte's image as a non-judgmental, accessible protector resonated deeply. Her devotees include a broad spectrum of society, from the working class and the poor to middle-class individuals, all seeking protection, healing, or justice.

The history of Santa Muerte in urban areas reveals a dynamic interplay between socioeconomic factors and spiritual needs. Devotees often petition Santa Muerte for practical concerns—health, financial stability, love, and safety—reflecting a pragmatic approach to faith. This practical religiosity contrasts with more doctrinally rigid forms of Catholicism and underscores the adaptability of folk saints in changing social landscapes.

## Controversies and Institutional Responses

Santa Muerte's rise has not been without controversy. The Catholic Church officially condemns the veneration of Santa Muerte, labeling it a form of idolatry and superstition incompatible with Christian doctrine. Church authorities warn of potential associations with criminality and occult practices, concerns fueled partially by media portrayals linking some devotees to drug cartels or illicit activities.

However, academic research suggests that the majority of Santa Muerte followers are law-abiding citizens who turn to the saint for spiritual solace and empowerment in contexts where official institutions fail them. This disparity between institutional condemnation and popular devotion exemplifies the tension between formal religion and grassroots spirituality in Mexico.

## Cultural Impact and Global Spread

In recent decades, the history of Santa Muerte has extended beyond Mexican borders, reflecting broader patterns of migration and cultural exchange. The saint's image and rituals have spread to the United States, Central America, and even parts of Europe, carried by diasporic communities.

## Santa Muerte in Diaspora Communities

Mexican immigrants in the United States have brought their Santa Muerte devotion with them, adapting practices to new environments. In cities like Los Angeles, Chicago, and Houston, altars, shrines, and public celebrations dedicated to Santa Muerte have become visible markers of cultural identity and spiritual resilience.

The global diffusion of Santa Muerte highlights the adaptability of folk religious traditions and their capacity to provide meaning amid displacement and marginalization. It also raises questions about cultural authenticity, commodification, and the interplay between local practices and global religious

trends.

## Representation in Popular Culture

Santa Muerte has also penetrated popular culture, appearing in literature, film, music, and art. This visibility contributes to both awareness and misunderstanding. While some portrayals emphasize the saint's protective and healing aspects, others sensationalize her association with death and crime.

The commercialization of Santa Muerte imagery—through statues, jewelry, and apparel—reflects a growing commodification of folk spirituality. While this can increase accessibility, it also risks diluting the religious significance and alienating traditional devotees.

## Features and Practices Associated with Santa Muerte

Understanding the history of Santa Muerte involves examining the rituals and features that define her veneration. The saint is often depicted in various colored robes, each representing different aspects or petitions:

- **White:** Purity, protection, and spiritual cleansing
- **Red:** Love, passion, and emotional strength
- **Black:** Protection against evil and defense
- **Gold:** Wealth, prosperity, and financial success
- **Green:** Justice, legal matters, and health

Devotees may create home altars adorned with candles, flowers, photographs, and offerings such as tequila, cigarettes, or sweets. Prayer and petition are central, often involving personal promises or sacrifices in exchange for favors granted.

Unlike many traditional saints, Santa Muerte does not require formal church-sanctioned rituals, making her accessible to individuals outside established religious hierarchies. This openness is a defining feature of her contemporary appeal.

## Pros and Cons of Santa Muerte Devotion

Analyzing the history of Santa Muerte also entails recognizing the benefits and challenges associated with her veneration.

### 1. Pros:

- Provides a spiritual outlet for marginalized populations
- Offers psychological comfort in dangerous or uncertain environments
- Encourages community building through shared rituals
- Represents a form of resistance to institutional religious authority

### 2. Cons:

- Faces stigma and misrepresentation, especially in media

- Potential association with criminal elements, though not inherent
- Lack of formal recognition can lead to social exclusion
- Commercialization risks trivializing deeply held beliefs

The complexity of Santa Muerte's role in society reflects broader themes about religion, identity, and power in contemporary Mexico and beyond.

The history of Santa Muerte is a testament to the enduring human need to confront mortality, seek protection, and find meaning amid adversity. Her evolution from indigenous deity to modern folk saint encapsulates centuries of cultural negotiation and resilience, making her one of the most fascinating figures in the study of popular religion today.

**history of santa muerte: Santa Muerte** Tracey Rollin, 2017-01-01 This is a complete ritual guide to working with Santa Muerte, the Mexican folk saint--

**history of santa muerte: Santa Muerte: The History and Rituals of the Mexican Folk Saint** Renata Lopez, 2021-10-02 Discover The History and Rituals of The Saint of Death Santa Muerte is responsible for protection, healing, and safe passage to the afterlife for those who venerated her in life. This deity has significantly grown in popularity over the past few decades, much to the dismay of the Catholic Church, Mexican government, and other official bodies. You can see her now in many places in Mexico with shrines erected in her name and the many followers associated with the Santa Muerte movement.

**history of santa muerte: The Santa Muerte** Gustavo Vazquez-Lozano, 2025-06-20 European and American scholars are fascinated by her. She is exotic; they look at her with the romantic look of the anthropologist and the sociologist; she is Mexican, colorful, and third-worldly (not to mention that she is a fantastic reason to get funding from their universities). Many see in her, correctly, a prodigious syncretism, so common in the troubled history of Latin America. The Catholic hierarchy, the predominant religion in Mexico, is horrified; the church calls her a satanic cult figure, associated with organized crime. Similarly, governmental authorities watch cautiously, deny official recognition to her “churches,” and destroy her solitary shrines in northern Mexico, in roads riddled with crime. However, among her followers —besides prisoners, drug traffickers and many well-meaning men and women seeking other spiritual alternatives— there are some working on the side of the law, especially soldiers and police officers. Enter La Santa Muerte, the “Holy Death”, a skeletal figure dressed like a Catholic saint, whom her faithful raised to the altars without asking anyone for permission. From her followers, she gets not only candles, prayers and petitions, as any other saint; they also call her loving names that to the outside observer would seem to be a joke: beautiful, skinny, cute girl, little mother, and at the height of the confusion, virgin. What then is the Santa Muerte movement? As a practice, it has borrowed extensively from Catholicism, Santeria and even New Age, depending on the leader of the moment and the region, from Central America to Chicago. In the variety most similar to Catholicism, people find images of the skeleton dressed in a green robe with stars and golden borders, with rays of light coming out of her head: a negative image of the Virgin of Guadalupe. It's our little mother, our skinny, she always takes care of us, says an anonymous woman who refers to Santa Muerte in the same way Mexican Catholics refer to The Virgin. Although fleshless, Santa Muerte is, without a doubt, a female figure (in the Spanish language, death is a feminine noun). But the garments of the Virgin of Guadalupe are not the only thing that the white girl borrowed. In fact, one of the main features of this cult is its extraordinary elasticity. It will adapt to anything. Anyone can dogmatize. Everybody contributes according to his or her feelings and experiences. Young cholos (street punks) prefer a version more reminiscent of some Iron Maiden albums, and the elderly of the Tepito neighborhood, another more similar to those found at small town churches, with flowers in her hair, and a robe with embroidery. Therefore, for the casual observer watching the candles, the flowers, listening to the murmur of prayers and noticing the insistence on receiving miracles, Santa Muerte is like another Catholic saint, despite the fact the cult of the Holy Death is not only not approved by any Christian denomination but is not even tolerated. One cannot approach the Santa Muerte movement without acknowledging its affiliation, real or not, to drug trafficking, violence and organized crime. For some, this is an undeniable fact; for others, a blatant attempt to discredit the cult. Although there's no doubt that the movement is intimately related to the population that was or is currently in prison, and those who have a close relative behind bars (Kristensen, 2015), it's more difficult to establish a relationship between the organized crime and Santa Muerte. Does the cult produce transgressors, like some point out, or did some of them adopt it to accommodate their inner world and justify their actions, since she does not judge, you can ask her anything you want?"

**history of santa muerte: La Santa Muerte** Trent Piechota, 2021-03-11 The Mexican folk saint of death -- an intimidating skeletal figure holding a scythe -- goes by many names, most notably La Santa Muerte. Though worship of La Santa Muerte has become inextricably intertwined with drug cartels, she has become an all-purpose deity for working-class and poor mexicanos, not just criminals. This is the story of Santa Muerte, the so-called cult of crisis, a red-hot combo of a kermesse (Mexican carnival), Catholicism and New Age; a hedonist practice but involving bodily sacrifice too. It is an expression of economic, psychological and social forces, bigger than perhaps any of her acolytes suspect. This book looks at the folk saint and the manner in which her cult grew.

Along with pictures of important people, places, and events, you will learn about Santa Muerte like never before.

**history of santa muerte: Blood+Death** John Lee Brook, 2016-02-08 The White Sister... The Bony Lady... The Godmother... The Pretty Girl... This is Santa Muerte, personification of death. A veiled skeleton with an unquenchable thirst for destruction, Santa Muerte is Mexico's grim and vengeful goddess. She is worshipped by outcasts and sinners, those for whom the traditional Christian deities of Jesus and the Virgin Mary have no place. For the notorious drug cartels, Santa Muerte is venerated as the saint who does not judge. She provides divine protection against authority and from rival gangs, demanding human sacrifice in return. The cult of Santa Muerte has become inextricably linked to the Mexican cartels over the past decade, resulting in barbaric rituals that have escalated the tide of violence across the streets. Bodies of cartel members are executed en masse at Santa Muerte shrines, and rumors abound of even worse atrocities in the name of magical protection. This book is the story of unholy alliance, of drug gangs and Santa Muerte, and a galvanic passion for blood and death.

**history of santa muerte: Devoted to Death** R. Andrew Chesnut, 2017-09-06 R. Andrew Chesnut offers a fascinating portrayal of Santa Muerte, a skeleton saint whose cult has attracted millions of devotees in the past eight years. As a personification of death, the Grim Reapress has become one of the most popular and powerful saints on both the Mexican and American religious landscapes. Although condemned as satanic by both Catholic and Protestant churches, this folk saint's supernatural powers appeal to millions of Mexican citizens and Central American and Mexican immigrants.

**history of santa muerte:** *Santa Muerte* Bitter Kalli, 2024

**history of santa muerte:** *Death and Dying* Timothy D Knepper, Lucy Bregman, Mary Gottschalk, 2019-09-02 The medicalization of death is a challenge for all the world's religious and cultural traditions. Death's meaning has been reduced to a diagnosis, a problem, rather than a mystery for humans to ponder. How have religious traditions responded? What resources do they bring to a discussion of death's contemporary dilemmas? This book offers a range of creative and contextual responses from a variety of religious and cultural traditions. It features 14 essays from scholars of different religious and philosophical traditions, who spoke as part of a recent lecture and dialogue series of Drake University's The Comparison Project. The scholars represent ethnologists, medical ethicists, historians, philosophers, and theologians--all facing up to questions of truth and value in the light of the urgent need to move past a strictly medicalized vision. This volume serves as the second publication of The Comparison Project, an innovative new approach to the philosophy of

religion housed at Drake University. The Comparison Project organizes a biennial series of scholar lectures, practitioner dialogues, and comparative panels about core, cross-cultural topics in the philosophy of religion. The Comparison Project stands apart from traditional, theistic approaches to the philosophy of religion in its commitment to religious inclusivity. It is the future of the philosophy of religion in a diverse, global world.

**history of santa muerte:** *The Routledge History of Death since 1800* Peter N. Stearns, 2020-10-13 The Routledge History of Death Since 1800 looks at how death has been treated and dealt with in modern history – the history of the past 250 years – in a global context, through a mix of definite, often quantifiable changes and a complex, qualitative assessment of the subject. The book is divided into three parts, with the first considering major trends in death history and identifying widespread patterns of change and continuity in the material and cultural features of death since 1800. The second part turns to specifically regional experiences, and the third offers more specialized chapters on key topics in the modern history of death. Historical findings and debates feed directly into a current and prospective assessment of death, as many societies transition into patterns of ageing that will further alter the death experience and challenge modern reactions. Thus, a final chapter probes this topic, by way of introducing the links between historical experience and current trajectories, ensuring that the book gives the reader a framework for assessing the ongoing process, as well as an understanding of the past. Global in focus and linking death to a variety of major developments in modern global history, the volume is ideal for all those interested in the multifaceted history of how death is dealt with in different societies over time and who want access to the rich and growing historiography on the subject. Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution-Non Commercial-No Derivatives (CC-BY-NC-ND) 4.0 license.

**history of santa muerte: Santa Muerte Meaning** JULIO ACUÑA, 2025-09-01 Santa Muerte Meaning: Understanding the Spiritual, Cultural, and Symbolic Power of Mexico's Most Revered Folk Saint Have you ever seen her image — a skeletal figure in a flowing robe — and wondered: Who is she? Why do millions risk judgment to honor her? And why do the forgotten, the desperate, and the hopeful turn to her when no one else listens? You're not alone. In a world where faith is often silenced, commercialized, or politicized, Santa Muerte has emerged as one of the most powerful, misunderstood, and rapidly growing spiritual figures of the 21st century. But what does she really mean? In Santa Muerte Meaning, you'll discover the truth behind the myths, the history behind the devotion, and the profound spiritual power that draws over 20 million people — from Mexico to the United States, Spain, and beyond — to her altar. This book is not about fear. It's not about crime. It's not about sensationalism. It's about understanding. For too long, Santa Muerte has been misrepresented — reduced to a symbol of narcocultura, violence, or dark magic. But the reality is far deeper. She is a folk saint, a spiritual refuge, and for many, a last hope when the world has turned its back. This book answers the questions you've been too afraid — or too curious — to ask: Who is Santa Muerte, really? Why is she growing in popularity across the U.S. and the world? What do her colors mean? How do people pray to her — and why do they believe she listens? Is it safe to honor her? What are the risks of doing it wrong? This is the guide you've been waiting for. Written with respect, clarity, and deep cultural insight, Santa Muerte Meaning walks you through: Her pre-Hispanic roots and evolution into modern devotion The true meaning of her colors (white, red, gold, black, green, purple) How to build a simple altar at home Powerful prayers for protection, love, work, and justice The difference between reverence and obsession The real people who pray to her — not drug lords, but single mothers, migrants, LGBTQ+ individuals, the sick, and the forgotten You'll learn how she differs from Catholic saints, why the Church doesn't recognize her — and why millions honor her anyway. You'll discover how immigrants carry her devotion across borders, and how her image appears in tattoos, art, and pop culture — not as a sign of rebellion, but of identity and survival. This book doesn't promise miracles. It offers understanding. And in that understanding, you may find something unexpected: Empathy. Clarity. Peace. Whether you're a curious seeker, a spiritual believer, a student of culture, or someone who has already placed a candle before her

image, this book will transform how you see Santa Muerte — not as a myth, but as a living, breathing symbol of hope for the marginalized. □ This is more than a book. It's an invitation to see the sacred in the shadows. Includes a Practical Appendix: Summary of colors and meanings Simple daily prayers (English) How to set up a home altar Sacred days: Tuesday and Friday Recommended readings and cultural resources □ A Note on Ethics & Compliance: This book is intended for educational, cultural, and spiritual purposes. It does not promote hate, violence, or illegal activities. The practices described are part of a folk devotion and should be approached with respect and personal responsibility. This work does not substitute professional medical, legal, or psychological advice.

**history of santa muerte:** *La Santa Muerte* Tomás Prower, 2015-10-01 This is the first book that presents the eclectic history, modern culture, and step-by-step magick spells of La Santa Muerte's mystery schools to the non-Spanish-speaking world. As the patron saint of lost causes, the LGBT community, addicts, and anyone who has been marginalized by society, La Santa Muerte has a clandestine following of millions of devotees in the U.S. alone—and she's only becoming more popular. Join author Tomás Prower as he shows step-by-step instruction for spells, magick, and prayers for practical results and long-term goals, including money, love, sex, healing, legal issues, protection, and more. La Santa Muerte also includes detailed information on: • History, myths, and symbols • Language, etiquette, and names • Tools, altars, and offerings
