just one more thing by peter falk weddingfo: *Just One More Thing* Peter Falk, 2007 In JUST ONE MORE THING, Peter Falk takes us on an acting journey that begins not in Hollywood but in Hartford, where he worked as a management analyst for the Connecticut State Budget Bureau. His time there was no more successful than an earlier attempt to find work with the Central Intelligence Agency. At loose ends, Falk turned to an old college interest: acting. He came to prominence as an actor in 1956 in the highly successful Off-Broadway revival of 'The Iceman Cometh' with Jason Robards. Although he worked continuously for the next three years, bouncing from one Off-Broadway theater to the next, a theatrical agent advised him not to expect much work in motion pictures because of his glass eye. Surgeons had removed his right eye, along with a malignant tumor, when he was three years old. But in 1958, the actor made the jump to Hollywood, where he landed his first movie, 'Murder Incorporated', and was nominated for an Oscar. Next came Frank Capra's 'A Pocketful of Miracles' starring Bette Davis, which garnered Falk his second Oscar nomination. Falk was a favorite among moviegoers during the 1960s, admired for his roles in classic comedies such as 'It's A Mad, Mad, Mad, Mad World' and 'The Great Race'. However, it was through his collaboration with filmmaker John Cassavetes that Falk entered into his most creative period in 1970. Motion pictures such as 'Husbands' and 'A Woman Under the Influence' helped launch the independent film movement. Nevertheless, Falk continued to act in light film comedies, including 'The In-Laws' and Neil Simon's 'The Cheap Detective' and 'Murder by Death', among others. Yet it was through television that Falk reached his widest audience. He has portrayed the beloved Lt. Columbo since the 1970s, winning four Emmys. The series was so successful that ten years after it's demise, 'Columbo' was re-launched, bringing Falk to a new generation of viewers. JUST ONE MORE THING also chronicles the author's more recent work, such as movie appearances in 'A Shark's Tale' and Paul Reiser's 'The Thing About My Folks', as well stories of growing up in New York, Hollywood and Broadway luminaries, and the author's accomplished passion for drawing and painting.

The author provides an overview of texts beginning with the rise of Jewish speculative fiction anthologies in science fiction and fantasy and delving into emerging subgenres such as alternate history, post-apocalyptic, cold war, second-wave feminism, counterculture parodies, new wave, postmodernism, and cyberpunk to illustrate how Jewish culture made its mark on popular culture. The book also covers the Silver Age and Bronze Age of comics which saw Stan Lee, Jack Kirby, Julius Schwartz, and Marv Wolfman form new superhero teams to battle prejudice and draws parallels with some of the most impactful shows made by Jewish creators, including Star Trek, Twilight Zone, and Doctor Who. The analysis also looks beyond the American context to include texts from Germany, the Soviet Union, Brazil, and Israel.

It takes us from mid-nineteenth century villages in Hungary during the Austro-Hungarian Empire to cosmopolitan Budapest before, during, and after World War II, and finally to post-war New York City. It is also the story of a culture that transformed from tolerant to virulently intolerant in a single generation: Kati's father served as an officer in the Hungarian army during WWI but was deported and killed during WWII. Sensing the coming disaster, Kati went to England to give birth to her first child, hoping that a British birth certificate would protect him against anti-Semitism. She returned to Budapest to be with her ailing parents, survived the war and its aftermath with her husband and two sons, and found a way to immigrate to New York to be near her brother, Gabor Carelli, who became a principal soloist at the Metropolitan Opera Company. In her new world she built on her sewing skills to become an assistant dress designer of high-end bridal gowns in the then vigorous New York garment industry and later a pattern maker at Simplicity Patterns. Augmenting Kati's story is a large selection of family photographs and official documents, many in color, dating back to the mid-nineteenth century, which remarkably survived the war and emigration in excellent condition. Also included are several color maps indicating places mentioned in the text, family trees, and footnotes about historical and geographical details.
