

bloodline of jesus and mary magdalene

****Exploring the Bloodline of Jesus and Mary Magdalene: Myth, Mystery, and Historical Perspectives****

bloodline of jesus and mary magdalene is a phrase that has fascinated scholars, theologians, and conspiracy theorists alike for centuries. This topic dives deep into the mysteries surrounding the life of Jesus Christ and Mary Magdalene, a figure often portrayed as one of his closest followers. Over time, various books, movies, and alternative historical theories have proposed that Jesus and Mary Magdalene were not only companions but possibly married, with descendants carrying a secret bloodline that has influenced history in profound ways. Let's explore the origins, evidence, and cultural impact of this captivating subject.

The Historical Context of Jesus and Mary Magdalene

Understanding the bloodline of Jesus and Mary Magdalene requires a look into the historical and biblical accounts about these two figures. Jesus of Nazareth, central to Christianity, is described in the New Testament as the Son of God, whose mission was spiritual salvation. Mary Magdalene appears in the Gospels as a devoted follower and witness to Jesus's resurrection.

Who Was Mary Magdalene?

Mary Magdalene is often misunderstood or minimized in traditional Christian narratives. Historically, she was a significant disciple, known for her close association with Jesus. Contrary to some early Church teachings that labeled her as a repentant prostitute, recent scholarship highlights her as a prominent figure who was present at critical moments, including Jesus's crucifixion and resurrection.

Is There Biblical Evidence for a Bloodline?

The canonical Bible does not explicitly mention a marital relationship or offspring between Jesus and Mary Magdalene. However, some apocryphal texts and Gnostic gospels, such as the Gospel of Philip, hint at a special bond. Phrases like Jesus kissing Mary Magdalene "often" have fueled speculation about their relationship. While these texts are not part of the official biblical canon, they add layers to the story that popular culture has embraced.

Theories Behind the Bloodline of Jesus and Mary Magdalene

Many theories about the bloodline emerge from alternative historical interpretations, folklore, and modern fiction. These ideas often challenge traditional Christian doctrines, suggesting a more

humanized and complex relationship between Jesus and Mary Magdalene.

The Holy Grail Connection

One of the most popular ideas links Mary Magdalene to the legendary Holy Grail. Contrary to the traditional view of the Grail as a chalice, some theories propose it symbolizes the “Sang Real,” or “royal blood.” According to this view, Mary Magdalene carried Jesus’s child, and the Grail represents the bloodline itself, preserved secretly through history.

The Merovingian Dynasty and Secret Descendants

This theory suggests that descendants of Jesus and Mary Magdalene intermarried with the Merovingian dynasty, an early medieval Frankish royal family. Proponents argue that this bloodline was hidden and protected by secret societies like the Knights Templar and later the Priory of Sion, a supposed clandestine group dedicated to preserving this legacy.

Popular Culture and The Da Vinci Code

Dan Brown’s bestselling novel **The Da Vinci Code** brought the bloodline theory into mainstream consciousness. The book portrays Mary Magdalene as Jesus’s wife and mother of his child, with a secret bloodline protected by a secret society. Although fictional, the story reignited interest and debate around these ancient mysteries.

Historical and Scholarly Perspectives

While the bloodline narrative is compelling and rich in intrigue, historians and theologians approach these claims with caution. The lack of concrete historical evidence makes it challenging to separate fact from fiction.

Critical Examination of Sources

Most scholars emphasize that the canonical gospels, the most reliable historical sources about Jesus’s life, do not support the bloodline theory. Apocryphal texts are often symbolic or allegorical rather than literal historical accounts. Additionally, genealogical records from the era are scarce and unreliable.

Why Does the Bloodline Theory Persist?

The enduring fascination with the bloodline of Jesus and Mary Magdalene can be attributed to a few

key factors:

- **Humanizing Religious Figures:** The idea that Jesus had a family makes him more relatable and less divine, which appeals to many.
- **Secrets and Conspiracies:** Hidden knowledge and secret societies are always intriguing and fuel curiosity.
- **Empowerment of Mary Magdalene:** Highlighting her as a central figure challenges traditional male-dominated religious narratives.

Impact on Modern Spirituality and Culture

The bloodline theory has influenced various spiritual movements and cultural expressions, reshaping how people view early Christianity and its teachings.

The Feminine Divine and Mary Magdalene's Role

Many contemporary spiritual groups emphasize Mary Magdalene as a symbol of the feminine divine. This shift highlights balance in spirituality, emphasizing both masculine and feminine energies. The narrative of a bloodline adds a mystical dimension to this empowerment.

Tourism, Pilgrimage, and Historical Sites

Regions in France, particularly around Rennes-le-Château, have become pilgrimage destinations for those interested in the bloodline story. These locations are rich with legends connecting Mary Magdalene and hidden treasures, attracting tourists, spiritual seekers, and researchers.

Influence on Art and Literature

The theme of Jesus and Mary Magdalene's bloodline has inspired countless works — from novels and films to paintings and documentaries. This cross-pollination of art and spirituality keeps the conversation alive and evolving.

Exploring the Possibility: What Would It Mean?

Though the bloodline theory remains speculative, pondering its implications opens up fascinating discussions about history, faith, and identity.

Reevaluating Historical Narratives

If evidence of such a bloodline were ever found, it could profoundly change our understanding of early Christian history and the development of religious doctrines. It might also shift theological views on Jesus's nature and mission.

Personal and Cultural Identity

For some, believing in this bloodline offers a sense of connection to a divine heritage, merging spirituality with lineage. It reflects a broader human desire to find meaning and continuity in our origins.

Tips for Exploring This Topic Further

- Read both canonical and apocryphal texts to understand varying perspectives.
- Study historical contexts of early Christianity to see how myths and facts intertwine.
- Engage with both scholarly research and cultural interpretations to form a balanced view.

The story of the bloodline of Jesus and Mary Magdalene, whether fact or legend, continues to captivate imaginations and inspire inquiry. It invites us to explore the boundaries between history, faith, and myth, reminding us that some mysteries may remain forever open to interpretation.

Frequently Asked Questions

What is the bloodline of Jesus and Mary Magdalene according to popular theories?

Popular theories, particularly those inspired by works like 'The Da Vinci Code,' suggest that Jesus and Mary Magdalene were married and had children, thus establishing a secret bloodline that continued through history.

Is there historical evidence supporting the bloodline of Jesus and Mary Magdalene?

There is no credible historical or biblical evidence supporting the claim that Jesus and Mary Magdalene had a bloodline. These ideas are largely speculative and based on non-canonical texts and modern interpretations.

How does mainstream Christianity view the idea of Jesus and Mary Magdalene's bloodline?

Mainstream Christianity rejects the notion of a bloodline descending from Jesus and Mary Magdalene, affirming that Jesus did not marry or have children, as reflected in canonical scriptures.

What role do Gnostic texts play in the bloodline theories of Jesus and Mary Magdalene?

Gnostic texts, like the Gospel of Philip, mention a close relationship between Jesus and Mary Magdalene, sometimes implying a special bond, which some interpret as evidence of a bloodline, although these texts are not considered historically reliable or canonical.

Have any modern groups claimed descent from the bloodline of Jesus and Mary Magdalene?

Certain secret societies and mystical groups, such as the Priory of Sion (a purported organization popularized in conspiracy theories), claim descent from the bloodline of Jesus and Mary Magdalene, though these claims lack verified historical backing.

Why is the bloodline of Jesus and Mary Magdalene a popular topic in conspiracy theories and fiction?

The bloodline concept combines mystery, religion, and hidden history, making it appealing for conspiracy theories and fiction as it challenges traditional religious narratives and suggests secret knowledge.

Are there any archaeological findings that support the existence of a bloodline from Jesus and Mary Magdalene?

No archaeological findings have been discovered that support the existence of a bloodline from Jesus and Mary Magdalene. Most claims rely on interpretations of texts and legends rather than physical evidence.

Additional Resources

****Exploring the Bloodline of Jesus and Mary Magdalene: Myth, History, and Controversy****

bloodline of jesus and mary magdalene has long been a subject of intrigue, speculation, and scholarly debate. This topic intersects theology, history, and popular culture, combining religious texts with modern interpretations and conspiracy theories. The notion that Jesus Christ and Mary Magdalene could have had descendants challenges traditional Christian doctrines and invites a complex exploration of historical evidence, apocryphal texts, and cultural impact.

Historical and Scriptural Context

The canonical Gospels of the New Testament do not mention any marital relationship or progeny involving Jesus and Mary Magdalene. Mary Magdalene is primarily depicted as a devoted follower of Jesus, present at his crucifixion and the first witness to his resurrection. However, certain non-canonical texts, such as those found in the Nag Hammadi library, present alternative perspectives on Mary Magdalene's role among Jesus's disciples.

The hypothesis of a bloodline begins to take shape in the interpretations of Gnostic gospels, like the Gospel of Philip and the Gospel of Mary, where Mary Magdalene is portrayed as a close companion, sometimes implied to have a special spiritual connection with Jesus. These texts, written centuries after the events they describe, do not explicitly confirm any biological relationship but have fueled theories suggesting a secret marriage or offspring.

The Da Vinci Code and Popularization of the Bloodline Theory

Dan Brown's 2003 novel *The Da Vinci Code* popularized the idea of the bloodline of Jesus and Mary Magdalene in contemporary culture. The novel proposes that Jesus married Mary Magdalene, had children, and that their descendants survived through secret societies like the Priory of Sion. While the novel is fictional, it amalgamates real historical elements, legends, and speculative interpretations, significantly influencing public perception.

This theory has been heavily criticized by scholars and religious authorities for lacking credible historical evidence and misrepresenting Christian doctrine. Nonetheless, it has sparked renewed interest in the historical roles of Mary Magdalene and the possibility of hidden narratives within early Christian history.

Investigating the Genealogical Claims

The concept of a bloodline implies a tangible genealogical lineage extending from Jesus and Mary Magdalene to modern times. Proponents of this theory often point to European noble families, particularly the Merovingians, as potential descendants. The Merovingian dynasty, ruling parts of France from the 5th to 8th centuries, is sometimes linked to this bloodline through documents and symbols interpreted as evidence of secret knowledge.

However, historians emphasize the lack of verifiable genealogical data connecting Jesus to any historical families. The early Christian era was marked by limited record-keeping, political upheavals, and the destruction of many documents, making definitive conclusions difficult. Moreover, many of the supposed "evidence" pieces are drawn from medieval forgeries or speculative interpretations of art and architecture.

Apocryphal Texts and Their Role

The apocryphal gospels, excluded from the canonical Bible, offer alternative narratives that

contribute to the bloodline discussion. For example, the Gospel of Philip refers to Mary Magdalene as Jesus's "companion" and suggests a closeness that some interpret as marital. Similarly, the Gospel of Mary highlights her role as a prominent disciple.

While these texts do not explicitly mention children, their existence challenges the traditional portrayal of Mary Magdalene solely as a penitent sinner and instead elevates her status in the early Christian movement. These writings provide a fertile ground for theories about hidden histories and alternative family structures within early Christianity.

Scientific and Genetic Perspectives

In recent decades, advances in genetics have allowed for the exploration of historical lineages through DNA analysis. Despite this, no credible scientific evidence has emerged to support the existence of a bloodline descending from Jesus and Mary Magdalene. The absence of verified physical remains of Jesus complicates any direct genetic testing.

Some speculative projects have attempted to link modern individuals claiming descent from the alleged bloodline through genetic markers. These efforts remain controversial and are often viewed skeptically by the academic community due to methodological issues and lack of definitive proof.

Pros and Cons of the Bloodline Theory

- **Pros:**

- Encourages re-examination of traditional religious narratives.
- Brings attention to the significant role of Mary Magdalene in early Christianity.
- Stimulates interest in biblical scholarship and historical research.

- **Cons:**

- Lacks solid historical and archaeological evidence.
- Often relies on speculative or apocryphal sources.
- Can distort religious beliefs and historical facts.
- Subject to misuse in conspiracy theories and pseudo-historical claims.

The Cultural and Theological Impact

Regardless of its historical veracity, the idea of the bloodline of Jesus and Mary Magdalene has had a significant cultural impact. It challenges patriarchal structures within Christianity by proposing a lineage that includes a woman often marginalized in traditional interpretations. This narrative has inspired feminist theology and alternative spiritual movements seeking to reclaim Mary Magdalene's role.

Theologically, the concept raises questions about the nature of Jesus's mission and identity. If Jesus had a family, it could have altered early Christian teachings and succession models. However, mainstream Christianity maintains that Jesus's mission was spiritual rather than dynastic, emphasizing his resurrection and divine nature over earthly lineage.

Comparative Perspectives: Other Religious Bloodlines

The fascination with sacred bloodlines is not unique to Christianity. Many religious traditions include myths of divine or semi-divine ancestry passed through specific families or tribes. For example:

1. The Davidic line in Judaism, which traces descent from King David and is connected to messianic expectations.
2. The concept of divine kingship in ancient Egyptian and Mesopotamian cultures, where rulers claimed descent from gods.
3. The lineage of Prophet Muhammad in Islam, traced through his daughter Fatimah and son-in-law Ali.

These parallels illustrate a broader human tendency to link spiritual authority with bloodline legitimacy, thus contextualizing the bloodline theory within a wider historical and cultural framework.

Current Scholarly Consensus and Future Research

Most contemporary biblical scholars and historians regard the bloodline of Jesus and Mary Magdalene as a legend rather than an established historical fact. Critical examination of sources, combined with the lack of archaeological corroboration, keeps the theory within the realm of speculation.

Future discoveries, such as newly unearthed manuscripts or advances in archaeological techniques, might shed more light on early Christian communities and their social structures. Until then, the bloodline remains a compelling narrative that blends faith, mystery, and the human fascination with ancestry and identity.

This ongoing dialogue between history, faith, and popular culture ensures that the bloodline of Jesus and Mary Magdalene will continue to inspire investigation and debate, reflecting humanity's enduring quest to understand its spiritual origins and historical roots.

bloodline of jesus and mary magdalene: The War of the Angels Jesús Ariel Aguirre, 2023-11-02 A mysterious object has been stolen from the British Museum. A group of religious fanatics intends to use it to give life to an evil creature, using an old lost language, that of angels. Adams, a young priest, together with the old chaplain Martin, will seek the help of Professor Thomas

Dee, who knows Enochian, a language created by his great-great-grandfather John Dee. In search of a forbidden book, they will begin this adventure that will take them through Spain, France, Italy, Germany, Greece, the United Kingdom, the Czech Republic, Russia, Turkey, Mexico and Antarctica itself. Following in the footsteps of Lovecraft and his Myths, they will seek the answer in the Necronomicon and other Grimoires that will teach them to close the evil portal. They will come across characters like Nostradamus, Rasputin, Alice Crowley, Van Gogh and Merlin. They will also delve into the mysteries of Kabbalah and Alchemy. They will analyze the Crusades, the Holy Inquisition, the Cathars and the Essenes. Only the Angels will be able to help them with their difficult mission that will take them through great libraries and unveil the mystery of the great Cathedrals.

bloodline of jesus and mary magdalene: Hitler's Doubles Peter Fotis Kapnistos, 2015-04-08
Was the brutal dictator of the 20th century the masked instrument of a double image delusion? Recently released war records reveal political decoys (doppelgangers or body-doubles). It is documented that the Nazi Fuhrer vetted at least four doubles. Look-alikes and crisis actors were used to impersonate Hitler in order to draw attention away from him and to deal with risks on his behalf. Hitler's Doubles details their names, their peacetime occupations, their deaths, and an escape to South America. Cold War II Revision: (Trump-Putin Summit) The Cold War II Revision [2018] is a reworked and updated account of the original 2015 "Hitler's Doubles" with an improved Index. Ascertaining that Hitler made use of political decoys, the chronological order of this book shows how a Shadow Government of crisis actors and fake outcomes operated through the years following Hitler's death -- until our time, together with pop culture memes such as "Wunderwaffe" climate change weapons, Brexit Britain, and Trump's America. (More Russians now have encouraging sentiments toward the U.S. for the first time since 2014.) "Hitler's Doubles" covers modern world history events from WWII until today: The assassination of JFK, the Watergate scandal, the Iran hostage crisis, the Iran-Contra affair, the collapse of the Soviet Union, the attacks of 9/11, the appearance of the Islamic State -- with their cloaked backing of ex-Nazi interests. "Hitler's Doubles" includes much more information than its enigmatic title implies. This document is presented as a series of news articles in book form. Some material is repeated or revised. Many photos date back to pre-war times. (Italic text depicts a what-if scenario analysis by the author.) Thanks to author Fritz Springmeier & biographer William Cross who advised an update. This was fascinating... You seem to have found something important! (John Kiriakou, former CIA officer and anti-torture whistleblower, author of Doing Time Like A Spy.) An entire Grand Unified Conspiracy Theory of the Third Reich... This book covers it all. (Christian Ankerstjerne, Forum Staff, Axis History.) WOW! That is one heck of a book... Your book lends proof that Adolf Hitler did not kill himself in the Bunker nor did Eva... (Harry Cooper, author of Hitler in Argentina.) Wow. Your book just overwhelmed me and caught me by surprise as to what it got into. I wasn't expecting that... You've done a tremendous amount of research here to document a unique aspect of World War II history... This book will blow your mind and give you a more in-depth perspective of various historical events. (David Allen Rivera, author of Final Warning: A History of the New World Order.) Excellent reference book. (A Verified UK Purchase Customer Review) Four Stars. It's very interesting. (A Verified USA Purchase Customer Review) [The author] offers a summary at the end about each double. The information regarding the doubles is very good. However, the evidence is very persuasive that Hitler did escape. (A Verified USA Purchase Customer Review) The world's first donor artificial insemination was with the wife of a Quaker in the late 1800s. Who was the top-secret paternal donor? Was the Quaker-son secret agent Aleister Crowley one of Adolf Hitler's doubles? Why did Walt Disney make use of Nazi scientists to build space technology after he visited South America? Hitler's Doubles covers modern world history events from WWII until today: The assassination of JFK, the Watergate scandal, the Iran hostage crisis, the Iran-Contra affair, the collapse of the Soviet Union, the attacks of 9/11, the appearance of the Islamic State -- with their cloaked backing of ex-Nazi interests. Hitler's Doubles includes much more information than its enigmatic title implies. This document is presented as a series of news articles in book form. Some

material is repeated or revised. Many photos date back to pre-war times. (Italic text depicts a what-if scenario analysis by the author.) Mind of Ali Tara (2019), by the same author is a quick view of Hitler's Doubles with a chronology of shadow governments and crisis actors.

bloodline of jesus and mary magdalene: Inside the Illuminati: Evidence, Objectives, and Methods of Operation Mark Dice, 2014-10-31 When looking into the existence and alleged activities of the infamous Illuminati secret society, one finds an overwhelming amount of conspiracy theories, hidden history, half-truths and hoaxes. But how much truth is there to some of these claims you keep hearing about? What is the real history of the mysterious group? Do they continue to exist today? What is the evidence? And what are they doing? After a decade of research sifting through the facts and the fiction, secret society expert Mark Dice will help you navigate through the complex maze from the original documents to rare revelations by elite politicians, bankers and businessmen, as he takes you Inside the Illuminati. SUBJECTS INCLUDE: How and when the original writings of Adam Weishaupt and the Illuminati were discovered and what they say. See their own contingency plans showing they were prepared to continue operating in the event that they were discovered. The direct link between the Skull & Bones society at Yale University and the Bavarian Illuminati. The connection to communism and Karl Marx' admission that he was a member of a secret society which commissioned him to write The Communist Manifesto. How they control the mainstream news media and use blockbuster films as propaganda tools to promote their agenda and shape our culture. How they created various front groups like the Bilderberg Group, the Council on Foreign Relations, and the Federal Reserve to carry out their plans. Discover the virtually unknown secret society of secretaries and personal assistants who are trusted to serve elite businessmen and politicians. Investigations into the supposed bloodlines of the Illuminati, the Nephilim, and the Divine right of kings. Uncovering the Zodiac Club and their little-known twelve-member intimate dinner parties in New York. The elite secret society of scientists funded by the Department of Defense who were responsible for creating the atomic bomb. The secret of "sex magic" and its alleged capabilities and perverted practitioners. The Jesuits, the Black Pope, and the Vatican's child molesting mafia. Looking into allegations of child abuse, murder, and snuff films rumored to have taken place at the Bohemian Grove. The all-female version of the Bohemian Grove consisting of America's most powerful women. Stunning Rockefeller and Rothschild family admissions and the extent of their power and influence. The secret Jekyll Island meeting that gave birth to the Federal Reserve System. Skull & Bones sister societies Scroll & Key and Wolf's Head at Yale University and the inter-council meetings these "Big Three" hold. The strange spiritual beliefs, philosophies, and occult symbolism of the Mystery Schools and their offshoots. Investigations into alleged ex-members 'Doc' Marquis, Leo Zagami, Kevin Trudeau, Brice Taylor, George Green, Mark Cleminson, and others. The Illuminati's ultimate goal of creating a New World Order, a cashless society, and soon revealing the "royal secret," admitting that they do in fact worship Satan. Their Transhumanist dream to become immortal Gods using advanced anti-aging technology, cybernetic neural interfaces, and mind uploading for what they see as the final step in human evolution. Their preparation for the arrival of the Illuminati messiah (the Antichrist), believing that he will finally rule planet earth as a God. How you can work to free yourself from mental, spiritual, and financial enslavement and avoid many of the traps set to ensnare ignorant and uniformed people. By the author of The Illuminati: Facts & Fiction

bloodline of jesus and mary magdalene: Beguiled: Eden to Armageddon Volume 3 Dr. Joye Jeffries Pugh, 2017-12-09 Your unique journey in this life is about to begin with the book you now hold in your hands. From this day forward, you will become an informed, highly educated, greatly inspired, and blessed person as you commit to studying the contents of BEGUILED: Eden to Armageddon Volumes 1, 2 and 3. Today, your life will be transformed and greatly enhanced by the rarest of information you will ever have had the privilege to read. BEGUILED will motivate you to rethink ancient myths, false doctrinal teachings, and mankind's entire history.

bloodline of jesus and mary magdalene: The Blackwell Companion to Jesus Delbert Burkett, 2013-11-11 The Blackwell Companion to Jesus features a comprehensive collection of essays that

explore the diverse ways in which Jesus has been imagined or portrayed from the beginnings of Christianity to the present day. Considers portrayals of Jesus in the New Testament and beyond, Jesus in non-Christian religions, philosophical and historic perspectives, modern manifestations, and representations in Christian art, novels, and film Comprehensive scope of coverage distinguishes this work from similar offerings Examines both Christian and non-Christian perspectives on Jesus, including those from ethnic and sexual groups, as well as from other faiths Offers rich and rewarding insights which will shape our understanding of this influential figure and his enduring legacy

bloodline of jesus and mary magdalene: The Solomon Key and Beyond W. Frederick Zimmerman, 2005-02 The Unauthorized Dan Brown Update includes information about Digital Fortress, Angels & Demons, Deception Point, The Da Vinci Code (book and movie), The Solomon Key, and subsequent novels. It's a mini book in the sense that it is fairly thin - 96 pages to start with, although it will grow over time. (For example, detailed chapter-by-chapter analysis of The Solomon Key will be added soon after that novel is published.) This is a meta book in the sense that it complements, without trying to replace, the many worthy books that are already available about The Da Vinci Code. This book is unique in that it provides a nimble, timely report on *all* of Dan Brown's activities, including everything that is known about The Solomon Key, The Da Vinci Code movie, and beyond.

bloodline of jesus and mary magdalene: The Magdalene Legacy Laurence Gardner, 2005 An historical detective story, presenting secret archives on the mysterious life of Mary Magdalene, the hidden lineage of Jesus and Mary, and the real 2,000-year-old conspiracy involving the entire history of Christianity.

bloodline of jesus and mary magdalene: Eden: The Knowledge Of Good and Evil 666 Volume 1 Dr. Joye Jeffries Pugh, 2018-05-15 EDEN - The Knowledge of Good and Evil 666 is a comprehensive story of good and evil-brilliantly told, thought provoking, enlightening, and uniquely timely! Dr. Joye Jeffries Pugh has a tenacious grip on the history of the continuing journey of good and evil. This is a one-of-a-kind book paralleling the history of the Garden of Eden, with a Christian view, to the present time, with a credible exposé of the New Age Agenda for exactly what it is. This book is a must read for all people with inquiring minds, whether or not one agrees with all of the presented premises. Recognizing the evil forces that have brought us to this moment in history, the author presents a sense of awareness not seen in most publications today.

bloodline of jesus and mary magdalene: Power of Creative and Worthwhile Living Cecelia Frances Page, Thomas Wignall, 2007-02 Power of Creative and Worthwhile Living is a focus on creative ingenuity, virtuous and fulfilling living. bloodline of jesus and mary magdalene: His-Story on How the Word Came to Be Randall Cripps, 2012-08 Every faith in the world is based on fabrication. That is the definition of faith—acceptance of that which we imagine to be true, that which we cannot prove. Every religion describes God through metaphor, allegory and exaggeration, from the Early Egyptians through modern Sunday school. Metaphors are a way to help our minds process the Unprocessable. The problems arise when we begin to believe literally in our own metaphors. Religious allegory has become a part of the fabric of reality. And living in that reality helps millions of people cope and be better people.

bloodline of jesus and mary magdalene: What The Bible Do We Know About the Bible? Bettye Johnson, 2012-06-23 Few people understand the history of the Bible containing the Old Testament and the New Testament. Bettye Johnson became a researcher when she began writing her award-winning book *Secrets of the Magdalene Scrolls* after a trip to southern France. Johnson became intrigued with what she learned and realized that with the primary languages of Hebrew, Aramaic, Greek and Latin that over the two thousand years plus - in each language there have been numerous translations. Johnson also realized that most Christian historians did not look beyond the obvious unobvious. She knew that few people truly understood the history of both the Old Testament and the New Testament and therefore in this book is sharing the information she learned. Welcome to the journey of discovery.

bloodline of jesus and mary magdalene: Revelation of the Holy Grail Chevalier Emerys, 2007-09-01 The Holy Grail has become a popular field of study in recent years, however most books on the subject are written by authors who are not themselves initiated into the mystery school tradition of the Grail. *Revelation of the Holy Grail* is one of the first books on the subject which is written by an initiate within several of the Knighthood Orders associated with the Grail Tradition. This book provides many previously unpublished facts about the history and tradition of the Grail movement, which includes some of the most influential people in human history. The Quest of the Holy Grail has proved to really be about the quest for human civilization. It has spawned not only the greatest political movements in history, but also it has been the cornerstone of human technology. Alchemy, Hebrew Mysteries, Templar Secrets, ancient technologies, Gnostic traditions, and secret societies have all been involved in this exciting history which is the backbone of our modern day world.

bloodline of jesus and mary magdalene: The Secret Teachings of Mary Magdalene Clare Nahmad, Margaret Bailey, 2012-01-05 Claire Nahmad and Margaret Bailey re-evaluate the significance of Mary Magdalene and cast her in an entirely new light. They have discovered that not only was she wife to Jesus Christ and mother to his child, but she was his spiritual equal and their partnership exemplified the crucial balance of male and female in spiritual and worldly life. Jesus gave her the title of Magdalene which means both tower and magnificent, because he recognized her as his consort and co-teacher. However, Mary's role was re-written by the early church and it is only now that her secret teachings can be made known - thanks to the revelation to the authors of the lost verses of *The Gospel of Mary*, through their skills of inner listening. Her teachings are not religious in the narrow sense, they are spiritual and accessible to everyone. They not only reveal the hidden key to unlocking the powers of the soul, which is the next stage of development for humanity, but also signal the beginning of a new age in which the sacred feminine assumes its rightful place.
