like *The Boy In the Striped Pajamas* or *The Book Thief*,” this remarkable memoir from Leon Leyson, one of the youngest children to survive the Holocaust on Oskar Schindler’s list, “brings to readers a story of bravery and the fight for a chance to live” (VOYA). This, the only memoir published by a former Schindler’s list child, perfectly captures the innocence of a small boy who goes through the unthinkable. Leon Leyson (born Leib Lezjon) was only ten years old when the Nazis invaded Poland and his family was forced to relocate to the Krakow ghetto. With incredible luck, perseverance, and grit, Leyson was able to survive the sadism of the Nazis, including that of the demonic Amon Goeth, commandant of Plaszow, the concentration camp outside Krakow. Ultimately, it was the generosity and cunning of one man, Oskar Schindler, who saved Leon Leyson’s life, and the lives of his mother, his father, and two of his four siblings, by adding their names to his list of workers in his factory—a list that became world renowned: Schindler’s list. Told with an abundance of dignity and a remarkable lack of rancor and venom, *The Boy on the Wooden Box* is a legacy of hope, a memoir unlike anything you’ve ever read.

**the boy on the wooden box:** *The Boy in the Picture* Ray Argyle, 2010-07-26 Edward Mallandaine was there! To prove it he thrust himself into the historic photograph of the Last Spike being driven to mark the completion of the Canadian Pacific Railway. Surrounded by the railway dignitaries of the time, his young face peers out amid their frosty beards. Edward had just turned eighteen when he left his home in Victoria, British Columbia, to join the Canadian militia to fight Louis Riel in the North-West Rebellion of 1885. Hired to ride dispatches over the unfinished stretch of railway in British Columbia, he meets highway men, high officials, men of the North-West Mounted Police, and the denizens of saloons hidden away in mountain passes. He survives the lawlessness of remote towns and railway camps, rubs shoulders with Chinese labourers struggling to blast a right-of-way through the towering peaks of Eagle Pass, and makes a freezing midnight ride by railway flatcar to reach the outpost of Craigellachie just in time.

**the boy on the wooden box: The Dog in the Wood** Monika Schröder, 2017-11-21 When the Russians come, where do you go? Fritz loves his vegetable garden. His tomatoes are delicious, he's attentive to the asparagus, and he remembers how to keep slugs off the strawberries. But his tranquil life on the family farm is about to end—the Russians are near, Hitler has died, and known Nazi sympathizers like the Friedrich family brace for the Bolsheviks to take over their town. Local German supporters of the Bolshevik regime seize the Friedrich farm in the name of Communism, forcing Fritz's family to flee to the distant house of his grandmother, Oma Clara. Life there for Fritz is horrible, made even worse when Communists arrest his mother and Lech, the Polish farmhand who has tended the Friedrich land, for hiding weapons. Though there is no evidence to support the accusation, Gertrude and Lech are taken away, and Fritz commits to finding where they are imprisoned. Despite the boy's heroic efforts, the story ends with one of the war's ambiguities: that Lech and Gertrude may not return home.

**the boy on the wooden box: Holocaust Cinema Complete** Rich Brownstein, 2021-10-01 Holocaust movies have become an important segment of world cinema and the de-facto Holocaust education for many. One quarter of all American-produced Holocaust-related feature films have won or been nominated for at least one Oscar. In fact, from 1945 through 1991, half of all American Holocaust features were nominated. Yet most Holocaust movies have fallen through the cracks and few have been commercially successful. This book explores these trends--and many others--with a comprehensive guide to hundreds of films and made-for-television movies. From Anne Frank to Schindler's List to Jojo Rabbit, more than 400 films are examined from a range of perspectives--historical, chronological, thematic, sociological, geographical and individual. The filmmakers are contextualized, including Charlie Chaplin, Sidney Lumet, Steven Spielberg, Quentin Tarantino and Roman Polanski. Recommendations and reviews of the 50 best Holocaust films are included, along with an educational guide, a detailed listing of all films covered and a four-part index-glossary.

**the boy on the wooden box:** *Boy of Heaven* Morris Hoffman, 2025-04-25 A seventeenth-century Italian orphan finds the long-lost piece of The Last Supper, missing since Dominican friars cut out a portion of the wall to connect the priory's refectory with its kitchen. The painting has long ago dissolved, and the refectory converted to stables. The orphan boy sleeps in the stables, and he begins to have visions of the painting. Each night, the visions get clearer and clearer, until the boy sees the whole painting as Leonardo first painted it two hundred years before. But missing is the segment from the lower center of the painting, depicting the Christ's crossed feet, which was displaced by the kitchen door. With the help of the prior, two loyal brothers, and the twelve workhorses who share the stables with the boy (and whose presence he discovers is necessary to maintain his visions), the boy finds the missing piece of wall. But danger looms for all as soldiers of the Inquisition arrive to investigate the miracles.

**the boy on the wooden box: The Ox-Boy of Ur** Rose Shaw, 2014-03 During a time when men think the stars are little children of the moon, thirteen-year-old Zim-ri is sold into slavery by his uncaring, debt-ridden father. After he is taken from his home, Zim walks in line with the other captives to the noble city of Ur, where he will learn his fate. Along the way, an old woman from his village stumbles in the line ahead of him. Zim rushes to Mara's side and promises the guards he will help her on the journey. As the two quickly bond, Mara teaches Zim how to see the world differently, deal with his fear of demons, and celebrate his talents. When Zim and the group finally arrive in the ancient city, Zim does his best to fit in while he and his ox work in the shadow of the great ziggurat where illness, sandstorms, and the unfamiliar laws make existence a challenge. More adventures wait outside Ur's walls, including robbers and a treasure-but Zim longs for just one thing: a family who loves him unconditionally. In this compelling young adult tale, a teen sold into slavery must build a new life for himself, thwart evil villains, and save a life-all while searching for the kind of happiness and acceptance he has always wanted.
