

life in the spirit world

Life in the Spirit World: Exploring the Mysteries Beyond Physical Existence

Life in the spirit world is a concept that has fascinated humanity for centuries, crossing cultures, religions, and philosophies. It speaks to the idea that existence does not end with physical death, but rather continues in an unseen realm where souls reside, learn, and evolve. Whether approached from a spiritual, metaphysical, or philosophical perspective, understanding life in the spirit world invites us to explore mysteries about consciousness, the afterlife, and the unseen forces that may influence our earthly journey.

What Is the Spirit World?

The spirit world is often described as a dimension beyond the physical plane, where spirits, souls, angels, and other ethereal beings dwell. Unlike the material world we inhabit, the spirit world is not bound by time, space, or physical laws as we understand them. Many traditions depict it as a place of transition, reflection, and sometimes, transformation.

Different Cultural Perspectives

Around the world, countless cultures have unique interpretations of life in the spirit world:

- **Ancient Egyptian beliefs** portray the spirit world as a realm where the soul undergoes judgment before moving on to an eternal resting place or rebirth.
- **Indigenous traditions**, such as those of Native American tribes, often see the spirit world as interconnected with the natural world, where ancestors and spirits guide the living.
- **Eastern philosophies**, including Hinduism and Buddhism, describe the spirit realm as part of the cycle of rebirth and karma, where souls evolve through successive lives.
- **Christianity and Islam** conceptualize the spirit world as heaven, hell, or purgatory—realms where souls experience reward, punishment, or purification.

These varied perspectives underline the universal human curiosity about what happens after death and the hope for continuity beyond the physical existence.

Experiencing Life in the Spirit World

Many people who have had near-death experiences (NDEs) or spiritual awakenings report vivid encounters with the spirit world. These accounts often describe feelings of peace, illumination, and profound understanding, suggesting that existence in the spirit realm may be fundamentally different from earthly life.

Common Themes in Spirit World Experiences

- **A sense of timelessness:** Many describe the spirit world as a place where time slows down or disappears entirely.
- **Enhanced consciousness:** Souls may experience heightened awareness, clarity, and connection with universal truths.
- **Meeting loved ones:** Encounters with deceased relatives and spiritual guides are frequent in these narratives.
- **Learning and growth:** The spirit realm is often portrayed as a school or workshop where souls review their earthly lives and prepare for future incarnations.

These elements suggest that life in the spirit world is not static but dynamic, filled with opportunities for healing and evolution.

The Role of Spirits and Guides

In many spiritual teachings, the spirit world is populated by a variety of beings that serve different roles. Understanding these entities can provide insight into the nature of the spirit realm and its connection to our daily lives.

Spirit Guides and Angels

Spirit guides are believed to be souls who have advanced beyond the physical plane and dedicate themselves to assisting those still living. They offer wisdom, protection, and encouragement, often communicating through intuition, dreams, or signs.

Angels, as messengers of divine energy, are also said to inhabit the spirit world, acting as intermediaries between higher realms and humans. Their presence symbolizes hope, guidance, and unconditional love.

Deceased Loved Ones

Many who practice mediumship or spiritual communication claim to connect with the spirits of departed family members and friends. These interactions can bring comfort, closure, and valuable insights, reinforcing the belief that bonds of love transcend physical death.

How to Connect with the Spirit World

For those curious about exploring life in the spirit world themselves, there are several practices that can facilitate connection and awareness.

Meditation and Mindfulness

Regular meditation helps quiet the mind and opens channels for subtle spiritual experiences. Mindfulness enhances present-moment awareness, making it easier to detect messages or energies from the spirit realm.

Dream Work

Dreams are often considered portals to the spirit world. Keeping a dream journal and paying attention to recurring symbols or figures can reveal guidance from spiritual entities or subconscious insights.

Spiritual Practices and Rituals

- **Prayer and invocation:** Calling upon spirit guides or angels with intention can foster communication.
- **Energy healing:** Modalities like Reiki or chakra balancing can clear blockages that impede spiritual connection.
- **Use of tools:** Tarot cards, pendulums, or crystals are sometimes used as focal points to access spiritual information.

It's important to approach these practices with respect, patience, and discernment, as the spirit world is believed to respond to the energy and intentions we bring.

Living with Awareness of the Spirit World

Integrating an awareness of life in the spirit world into everyday life can transform how we perceive existence, relationships, and personal growth.

Embracing Spiritual Growth

Realizing that life extends beyond the physical encourages us to cultivate virtues such as compassion, forgiveness, and gratitude. It also inspires us to seek meaning beyond material success, focusing on soul development and service to others.

Handling Grief and Loss

Belief in the spirit world can offer solace during times of bereavement. Knowing that loved ones continue their journey in another realm can ease fear and sadness, fostering hope and connection through prayer, remembrance, or spiritual communication.

Understanding Energy and Vibrations

Many spiritual teachings emphasize that everything is energy, vibrating at different frequencies. By raising our own vibration through positive thoughts and actions, we can align more closely with the spirit world's higher energies, experiencing greater peace and clarity.

Modern Science and the Spirit World

While science has traditionally focused on the material world, recent research in fields like quantum physics and consciousness studies hints at the possibility of dimensions beyond our perception. Phenomena such as near-death experiences, psychic abilities, and unexplained events challenge the notion that consciousness ceases at death.

Researchers are increasingly open to exploring how the spirit world might intersect with physical reality, suggesting that life in the spirit world could be more than metaphorical—it might be a genuine dimension awaiting further understanding.

Whether one approaches these ideas from a skeptical or open-minded standpoint, the concept of life in the spirit world encourages us to expand our horizons and ponder the mysteries that lie beyond the visible.

Exploring life in the spirit world invites us into a vast and profound conversation about existence itself. From ancient traditions to modern spiritual practices, the belief in a realm beyond the physical continues to inspire curiosity, comfort, and a deeper appreciation for the journey of the soul. Whether encountered through dreams, meditation, or extraordinary experiences, the spirit world remains a source of mystery and hope, reminding us that life is a tapestry woven from both seen and unseen threads.

Frequently Asked Questions

What is the spirit world according to popular beliefs?

The spirit world is often described as a non-physical realm where souls reside after death, existing beyond the material plane.

How do people communicate with spirits in the spirit world?

Communication with spirits is believed to occur through mediums, spiritual rituals, dreams, or meditation, allowing messages to be conveyed between realms.

What is the purpose of life in the spirit world?

Many traditions suggest that life in the spirit world involves learning, healing, and preparing the

soul for future incarnations or spiritual growth.

Do spirits in the spirit world have individual identities?

Yes, spirits are often thought to retain their individual consciousness, memories, and personalities, though they may evolve spiritually over time.

Is time experienced differently in the spirit world?

Many accounts indicate that time in the spirit world is non-linear or experienced differently, with past, present, and future existing simultaneously or fluidly.

Are there different levels or planes within the spirit world?

Yes, numerous spiritual traditions describe multiple levels or planes in the spirit world, ranging from lower realms to higher, more enlightened states.

How does karma affect existence in the spirit world?

Karma is believed to influence the conditions and experiences a soul encounters in the spirit world, often reflecting the moral quality of their earthly life.

Can spirits in the spirit world influence the physical world?

Many cultures believe that spirits can affect the physical world through subtle energies, signs, or by influencing the thoughts and emotions of living individuals.

What role do guides or guardian spirits play in the spirit world?

Spirit guides or guardians are thought to assist souls with protection, guidance, and support during their journey in the spirit world and beyond.

How do near-death experiences inform our understanding of life in the spirit world?

Near-death experiences often provide personal accounts of the spirit world, describing feelings of peace, encounters with beings of light, and a sense of transitioning to another realm.

Additional Resources

****Exploring Life in the Spirit World: An Analytical Perspective****

life in the spirit world has been a subject of fascination, speculation, and belief across various cultures and religious traditions throughout history. Whether approached from spiritual, philosophical, or metaphysical angles, the concept often centers around the existence of an intangible realm where consciousness or souls continue after physical death. This article seeks to

provide an objective, investigative review of life in the spirit world, analyzing interpretations, reported experiences, and the implications such beliefs have on human understanding of existence.

Understanding the Concept of the Spirit World

The spirit world is generally defined as a non-physical dimension or plane where spirits, souls, or entities reside beyond the material life. It is often described as a transitional domain between earthly life and other existential states such as heaven, hell, reincarnation, or ultimate dissolution. Interpretations of what life in the spirit world entails vary widely, influenced by religious doctrines, cultural narratives, and personal spiritual experiences.

Many faiths, including Christianity, Hinduism, Buddhism, and Indigenous spiritualities, reference the spirit world either explicitly or implicitly. For instance, in Christian theology, the soul's journey post-death involves an interim state before final judgment, often conceptualized as a spirit realm. Conversely, Eastern philosophies might emphasize cycles of rebirth and karmic existence in various spiritual planes, suggesting life in the spirit world is dynamic and multifaceted.

Key Features of Life in the Spirit World

Descriptions of life in the spirit world commonly highlight several characteristics:

- **Non-physical existence:** Entities in the spirit world lack a corporeal form but may manifest in various energetic or ethereal states.
- **Timelessness or altered time perception:** Many accounts suggest time operates differently, with past, present, and future interwoven.
- **Emotional and cognitive continuity:** Spirits often retain memories, personalities, and emotions similar to their earthly selves.
- **Interdimensional communication:** The spirit world is believed to allow interaction with living humans through mediums, dreams, or paranormal phenomena.

These features are drawn from a combination of ancient texts, contemporary spiritual literature, and anecdotal reports from near-death experiences (NDEs) and mediumistic communications.

Investigative Insights from Near-Death Experiences

One of the most researched phenomena related to life in the spirit world is the near-death experience. Individuals who have temporarily been clinically dead or close to death often report vivid encounters with an alternate realm that aligns with descriptions of the spirit world. Common elements include moving through a tunnel, meeting deceased relatives, experiencing a life review, or

encountering beings of light.

Scientific investigations have attempted to analyze these reports to understand whether they represent neurological activity, psychological constructs, or genuine perceptions of an afterlife realm. While some skeptics argue that NDEs are products of oxygen deprivation or brain chemistry changes, others point to the consistency and transformative impact of these experiences as indicators of a reality beyond physical life.

Studies published in medical journals have noted that about 10-20% of cardiac arrest survivors report NDEs, with many describing a profound sense of peace and continued consciousness. These findings contribute to ongoing debates on the existence and nature of life in the spirit world.

Cultural Variations in Spirit World Beliefs

Across cultures, the spirit world is conceptualized differently, reflecting diverse spiritual paradigms:

- **Ancient Egyptian afterlife:** A carefully structured spirit realm where souls undergo judgment before entering the Field of Reeds, a paradise.
- **Shamanic traditions:** Shamans journey through spirit worlds to gain knowledge, heal, or communicate with ancestors.
- **Japanese Shinto beliefs:** Emphasis on kami (spirits) inhabiting natural objects and the persistence of ancestral spirits influencing the living.
- **Western esotericism:** The spirit world comprises multiple planes of existence, including astral and etheric layers accessible through meditation or psychic abilities.

These variations highlight the multifaceted nature of spirit world concepts and how they shape cultural attitudes toward death, morality, and the afterlife.

Psychological and Social Implications of Belief in the Spirit World

Belief in life in the spirit world profoundly affects individual and collective psyches. Psychologically, it can provide comfort in facing mortality, reduce fear of death, and encourage moral behavior based on expectations of posthumous consequences or rewards. Socially, such beliefs often foster community cohesion through shared rituals, mourning practices, and commemorations of the deceased.

However, there are critiques regarding potential downsides, such as reliance on spirit communication that might exploit vulnerable individuals, or dogmatic adherence to afterlife doctrines that hinder critical thinking. Balancing faith with empirical inquiry remains a challenge in

evaluating the spirit world's role in human life.

Mediumship and Spirit Communication

Mediumship—the practice of communicating with spirits—is a central aspect of many contemporary beliefs about the spirit world. Mediums claim to act as intermediaries, relaying messages from departed souls to the living. Historically, spiritualism gained prominence in the 19th century, with séances and psychic readings becoming widespread.

Modern scientific scrutiny of mediumship has produced mixed results. While some experiments suggest that certain mediums can provide verifiable information unknown to them beforehand, others attribute successes to cold reading or psychological suggestion. Nevertheless, the popularity of spirit communication underscores humanity's enduring desire to connect with life beyond the physical.

Life in the Spirit World and Modern Spirituality

In recent decades, interest in metaphysical subjects has surged globally, facilitated by digital media, books, and workshops on spirituality and consciousness. Concepts of life in the spirit world have been integrated into New Age philosophies, blending traditional beliefs with contemporary ideas about energy, vibration, and universal interconnectedness.

This evolving understanding often emphasizes personal experience over dogma, encouraging individuals to explore altered states of consciousness through meditation, lucid dreaming, or psychedelic substances as portals to the spirit realm. Such approaches reflect a broader trend toward experiential spirituality in the 21st century.

Challenges in Studying the Spirit World Scientifically

The primary obstacle in analyzing life in the spirit world scientifically lies in its inherently non-material nature. Unlike physical phenomena, spiritual experiences are subjective and elusive to empirical measurement. Researchers rely on qualitative data—testimonies, case studies, and phenomenological analyses—which can be difficult to validate or generalize.

Additionally, cultural biases and personal beliefs influence reports, complicating objective assessment. Despite these challenges, interdisciplinary fields like parapsychology, consciousness studies, and transpersonal psychology continue to investigate phenomena related to the spirit world, seeking to bridge the gap between spirituality and science.

Life in the spirit world remains a domain where faith, experience, and inquiry intersect. While definitive proof of its existence eludes modern science, the persistence of spirit world beliefs across time and cultures attests to their deep resonance with human consciousness. As individuals and societies continue exploring these realms—through religious practice, personal experience, or

scientific investigation—the spirit world maintains its place as a profound and enigmatic facet of human understanding.

life in the spirit world: *The Spirit World: A Guide to Communicating Beyond the Veil* Vikki Strack, In the tapestry of human experience, the threads of life and death intertwine, creating a fascinating and often perplexing landscape. For centuries, humanity has grappled with the mysteries of the afterlife, seeking answers and solace in the face of mortality. The spirit world, a realm beyond our physical senses, has captivated imaginations and inspired countless stories, rituals, and beliefs. This book serves as a guide to navigating the enigmatic world of spirits, offering a respectful and informed approach to communication with the other side. It is not a definitive answer to the complexities of the afterlife but rather an invitation to explore the fascinating world of mediumship, Ouija boards, and other spiritual practices. Through a blend of historical insights, practical techniques, and personal anecdotes, this book aims to shed light on the nuances of the spirit realm and equip readers with the tools and knowledge to embark on their own journey of exploration. This is not just a book about communicating with spirits; it is a journey of self-discovery, spiritual growth, and a deeper understanding of the interconnectedness of all beings. Whether you are a seasoned seeker or a curious beginner, *The Spirit World: A Guide to Communicating Beyond the Veil* provides a valuable resource for those seeking to bridge the gap between the physical and spiritual realms.

life in the spirit world: Life In The Spirit World Volume -1 Venture Omor, 2016-09-12 UNFOLDING MAN'S INVOLVEMENT IN THE SPIRIT WORLD PARTAKING IN THE SPIRIT WORLD" is Volume 1 in a series of two volumes on "Life in the spirit world". This classic on deliverance and spiritual warfare is the result of several years of diligent study by Dr. Venture O. Omor. The question of man's involvement in the activities of the spirit world has long aroused the curiosity of many believers in Christ and the author Dr. Venture O. Omor. And in the very words of the author he said, "Many Christians have been unable to differentiate between spiritism and spirituality. After years of prayerful study of the bible, he discovered that there are three major spirit worlds in the universe, viz- The spirit world of God, The spirit world of man, The spirit world of satan. This book is quite a great revelation on life in the spirit world.

life in the spirit world: Life in God's World Life Is for Ever Jamie LR, 2011-02-15 This book will strengthen the faith of God's followers and will help those find their way to God and to inspire more people to find peace and joy from God, just for loving God from the pure heart! This book will show ways and to guide those looking for more answers and a happier, stress free life from God! The way Life was meant to be! The messages in this book will help those go on that adventure with God through the Holy Bible and to learn more of God and God's true way of Life In God's World and to get answers that most are looking for! Amen! Amen for God's love! Have faith in Our Savior Jesus Christ, who will lead us to God's kingdom. Trust in God that all will be good! Amen!

life in the spirit world: *Lydia Mendoza's Life in Music / La Historia de Lydia Mendoza* Yolanda Broyles-Gonzalez, 2001-05-17 Lydia Mendoza began her legendary musical career as a child in the 1920s, singing for pennies and nickels on the streets of downtown San Antonio. She lived most of her adult life in Houston, Texas, where she was born. The life story of this Chicana icon encompasses a 60-year singing career that began with the dawn of the recording industry in the 1920s and continued well into the 1980s, ceasing only after she suffered a devastating stroke. Her status as a working-class idol continues to this day, making her one of the most prominent and long-standing performers in the history of the recording industry and a champion of Chicana/o music. This bilingual edition presents Lydia Mendoza's historia in an interview between the artist and Yolanda Broyles-González: first is the English translation, then the Spanish original, as told by Mendoza herself. Broyles-González concludes the volume with an extended essay on the significance of Mendoza's career and her place in Tejano music and Chicana studies. Known as a lone artist and performer, Lydia Mendoza's voice and twelve-string guitar-playing figure prominently in her ability

to both nurture and transmit the vast oral tradition of popular Mexican song with beauty and integrity. She sang the songs of the people across generations in the old tradition; all are indigenous to the Americas, and many of them to Texas. It is the music that emerged from the experiences of native peoples (on both sides of the U.S.-Mexico border) within the colonial context of the nineteenth century. Mendoza's prominence and stature as a Chicana idol stems from her sustained presence and perpetual visibility within a complex network of social and cultural relations in the twentieth century. Along with being one of the earliest female recording and touring artists, she is loved as a voice of working-class *sentimiento*, sentiment and sentience, through song, which is one of the most cherished of Chicana/o cultural art forms. Through her vast repertoire and unmistakable interpretive skill in the shaping of songs she is a living embodiment of U.S.-Mexican culture and a participant in *raza* people's protracted struggles for survival.

life in the spirit world: The Apocalypse Explained According to the Spiritual Sense. By Emanuel Swedenborg, Etc. [With the Text. Translated by William Hill. Vol. 1, 4, 5, 6 Revised by Francis de Soyres, Vol. 2, 3, Revised by James Mitchell.] , 1836

life in the spirit world: Life to the Fullest in a Troubled World Lulu Tira, 2022-05-02 The world we live in is a beautiful world. But why are there negative things that man faces almost every day? This book will help you understand why and how you can overcome them and live life to the fullest. In the author's own words: This book is my journey to living LIFE TO THE FULLEST in a troubled world- my journey to freedom, journey in overcoming the negatives of life, journey in learning to enjoy the positives of life empowering me to bloom where I am planted. It is a journey encountering God in so many events in life. I have not attained all that God would have for me, but I trust and pray that in these pages you will find inspiration to seek God deeper and personally, that you will find the courage and strength to press on towards Life to the fullest (God's plan for your life). This book discusses how I found LIFE and how I navigated in both the earthly realm and spiritual realm. This book is my testimony of God's dealing in my life. It contains His revelations to me with the centrality of the Bible - the Scriptures, the Living Word and my personal experiences with Him. Reviews: This book shows the unfolding of God's wonderful plan in a person's life as she relates with Him personally and intimately. Lulu shares her personal testimony in how she is overcoming life's challenges. How do you respond to the goodness of God? How do you react when facing trials and difficulties? How do you deal with your negative emotions like fear and anger or even suicidal tendencies? As you read Lulu's stories, may they give you hope and encouragement in your own life's journey. Mrs. Bunny Tiangson, Pastor's Wife, Toronto Life to the Fullest in a Troubled World is a great book. I have the privilege of knowing Joy and Lulu since they first joined O.M. Ships but never really felt I knew Lulu until I read this unusual unique book. As I walked with her through the pages and especially saw the photos I felt I was really getting to know this special woman. Her story is such a great testimony to the power and grace of God and the reality of the HOLY Spirit. I hope you will not only read this book but become a proactive distributor. Dr. George Verwer, Author, Founder of Operation Mobilization and OM Ships International Ministry Lulu's unwavering devotion to prayer and her ability to see God's hand in everything is a common thread through this book. Discover Lulu's ability to take a chance meeting and turn it into a spiritual encounter. Her passion for reaching the lost is evident throughout. Her story will bring laughter, tears and joy as the pages unfold. You will be blessed. Del and Carol Dyck, Elders, Spruce Groove Alliance Church The sweet presence of the Lord shines through Lulu Tira no matter what continent she steps down on. In the Middle East she has worked beside her husband to share the good news of Jesus, to strengthen and disciple believers, and to help churches for diaspora people put down roots. In Japan with great compassion she has pioneered a ministry to lonely Southeast Asian wives and their families. In the Philippines and in her adopted homeland, Canada, she has calmed up a storm, exhorted congregations from the pulpit, prayed and cried out to the Lord, supported her powerhouse husband--and through it all Lulu has channeled the sweet presence of the Lord. Dr. Miriam Adeney, Author, Professor, Seattle Pacific University, USA Lulu Tira in her book Life to the Fullest has demonstrated what happens when one's life is fully committed to God and His Word, attentive and

obedient to the voice of the Spirit, and displays an unwavering faith in the power of the Gospel to transform lives. I admire her vulnerability and am inspired by her transformation from a girl who battled low self-esteem to a victorious, confident and beautiful royal child of God. Our kababayan around the globe (Filipino Diaspora) will especially appreciate her immigrant story and God's favor and power in her life and ministry. Lisa Espineli Chinn, Leadership Mentor, InterVarsity, USA Singular words flood my memory after reading this up-to-date journey. Vision! Capacity! Availability! Here is servant waiting for the next jet...reaching... occupying. Cutting edge mission employing every strategy. These snippets represent the motion and impact of Lulu Tira...non stop. This autobiography is her story...no holds barred. Be prepared for take off. Fasten your seat belt. These years Joy and Lulu served with Advancing Indigenous Missions were wonderful and incredible! Rev. Dr. David L. Robbins, Founder and President of Advancing Indigenous Mission

life in the spirit world: *Light from the Spirit World, Or, Revelations from the Spirits* Andrew Jackson McBride, 1856

life in the spirit world: The Golden Leaf Zara Borthwick, Nicholas Arnold, 2016-01-12 The Golden Leaf - The Awareness of Divine Love Messages; Edges and Smooth Surfaces and Future Memory are now published in a single hardcover volume. These spirit communications begin the hardback series of spirit communication books that extend the vision and experience of humanity, the spirit world and living with Divine Love. life in the spirit world: Edges and Smooth Surfaces Zara Borthwick, Nicholas Arnold,

life in the spirit world: The Joy of Sharing Charles Boyd, 2007 This book gives an insight into two very fascinating aspects of parapsychology, namely psychic phenomena, and reincarnation, which are closely linked. This would become apparent to you, as you become enthralled in the book. Parapsychology could be defined, as the scientific approach to paranormal activities, which are outside the domain of physical laws. Millions of people throughout the world are craving for answers to burning questions, such as: WHERE DID WE COME FROM ? WHY ARE WE HERE ? WHERE DO WE GO FROM HERE ? This book provides answers to these, and other questions based on real life experiences, extensive research done by eminent psychiatrists, and case studies based on facts. The author has had several experiences, and these are analysed in detail. The entire book is in a question and answer format. The author has put himself in your position, and has anticipated the questions you would ask, and provides convincing answers. Some of the topics covered are 'near-death, ' and 'out-of-body' experiences, self and inner self, psychokinesis, super conscious, spirit guides, karma, 'continuation of vocational competence, ' karmic debts and illnesses, child/parent relationships, aptitudes and traits. This is an invaluable reference book, and an encyclopaedia of knowledge and facts; and should take pride of place on the bookshelves of every household. It explains in simple language the meaning, and purpose of life, and most importantly what positive steps you could take to change your life style. He points out that the adoption of the 'Charles Boyd Philosophy Of Life' principles could lead you to a life full of unconditional love, peace and harmony, humility, compassion, and selfless service. He is confident you could thereafter look forward to a better, and spiritually richer life now, and in the life to come.

life in the spirit world: Interpreting Sapiens' Consciousness through Paleolithic Cave Art Gary J. Maier, 2023-08-08 This book is the first to identify an interpretive path through Paleolithic cave art that can provide plausible meaning to the animal figures in the Lascaux cave in France. The artwork was created during a period described as the Creative Explosion, spanning from 35,000 to 11,000 BC. The author has found that the artists, or shamans, have left clear evidence of aspects of their worldview and by using ethological evidence, such as a bison shedding its winter coat to identify spring as the season portrayed in a specific panel, he adds a level of certainty to his interpretations. In sum, this book argues that the cave art describes the journey of

the soul from the spirit world to the natural world and back, and that it identifies a spectrum of consciousness involving the five traditional senses: sight, smell, touch, taste and hearing. Moreover, the book explores the hunting strategies employed early survival groups which are depicted in the cave art. The role of the shamans' impact on the artwork is also addressed.

life in the spirit world: Universal Input Zara Borthwick, 2011

life in the spirit world: The Padgett Messages-Soulful Teachings Living with Divine Love- Zara Borthwick, Nicholas Arnold, 2018-07-31 Between the years 1914-1920 James E. Padgett received spirit communications that introduce the Divine Love and natural love that are connected with teachings relating to the mortal soul, God and the spirit world. When James himself passed into his spirit-life his friend Eugene Morgan received 3 known communications from James 1923-1925. In the year 2017, the message of Divine Love continues as James conveys spirit-life experience that relates with his experiences as a man receiving spirit communication and now as a spirit living with Divine Love in his spirit-life in the spirit world. There is at present a worldwide readership of The Padgett Messages and now we are fortunate to have James the receiver and James the conveyer along with all the spirits who have contributed toward the realisation and fulfilment when living with Divine Love and perfecting our natural love. The Padgett Messages 1914-1920 and 2017-2018 provide a great reach of love that is an example for us all.

life in the spirit world: Journey of Souls Michael Newton, 2002-09 When reincarnating, do we have a short spell in a disembodied phase? Hypnosis reveals what goes on.

life in the spirit world: The Spirituality of the Igbo People of Nigeria as an Example of Religious Modernization in a Global World Henry CHUKWUDI OKEKE, 2020-02-18 If there is no religion in the world, the world would more or less become a jungle. The world will be inhuman. Religion touches all aspects of human life. Identifying God's will in our world today has become a major problem for many religions of the world. In the past, in Igbo Traditional Religion, human sacrifice as well as the killing of twins were practised. For the Igbo traditionalists then, that was the will of the deities and equally not against God's will. But following the encounter of Igbo Traditional Religion with Christianity these are no longer practised. Misinterpretation of God's will by some religions of the world has given rise to religious violence, religious extremism, fanaticism and terrorism we are experiencing today in the world. For these problems to be resolved, it is pertinent that the study of various religions be taken seriously. This study should be aiming at better understanding, co-existence, respect for one another and frequent inter-religious dialogues among the various religions of the world. When this is achieved, the believers of various religions would realize that many are worshipping one God and their desire is to communicate with Him, although they may approach Him differently.
