Venice Self Guided Walking Tour: Exploring the City of Canals at Your Own Pace

**Venice self guided walking tour** offers an incredible way to immerse yourself in the unique charm of this floating city. Unlike traditional guided tours, a self-guided experience allows you to wander through Venice's labyrinth of narrow streets and picturesque canals at your own pace, discovering hidden gems, historic landmarks, and vibrant local life as you go. Whether you're a first-time visitor or returning to explore deeper, a self-guided walk provides the perfect blend of freedom and adventure.

Exploring Venice on foot is perhaps the best way to appreciate its authentic character. The city's layout, with over 400 bridges and countless alleyways, invites curious travelers to get lost on purpose. With a thoughtfully planned itinerary or a map app in hand, you can avoid tourist crowds, stumble upon quaint cafes, and witness Venice's timeless beauty in a truly personal way.

## Why Choose a Venice Self Guided Walking Tour?

Venice is a city that rewards slow exploration. Taking a self-guided walking tour means you decide your schedule, linger wherever you want, and skip what doesn't interest you. Here are a few reasons why this approach is so appealing:

- **Flexibility:** No rush, no fixed timelines. Stop for a gelato, take photos, or sit by a canal to soak in the atmosphere.
- **Cost-effective:** Skip expensive guided tours and entrance fees to certain attractions if you prefer admiring them from outside.
- **Personalized experience:** Tailor your route based on your interests—art, history, food, or architecture.
- **Off-the-beaten-path discovery:** Explore lesser-known neighborhoods like Cannaregio or Dorsoduro away from the bustling tourist hubs.

## Planning Your Venice Self Guided Walking Tour

Before setting off, it's helpful to have a basic plan to make the most of your time. Venice is pedestrian-friendly but can be confusing for first-timers. Here are some practical tips:

### Mapping Your Route

Start with a map—digital or paper. Popular apps like Google Maps or specialized walking tour apps for Venice can help navigate the intricate

street network. A typical walking tour might cover major sights such as Piazza San Marco, the Rialto Bridge, and the Doge's Palace, but consider mixing in quieter districts for a more authentic experience.

## **Timing and Duration**

Venice can get crowded, especially during peak seasons and midday. Early mornings or late afternoons are ideal for a peaceful stroll. Depending on your pace, a comprehensive self-guided walking tour can take anywhere from 3 to 6 hours. Remember to wear comfortable shoes because the cobbled streets and numerous bridges demand sturdy footwear.

## **Essential Items to Bring**

- Comfortable walking shoes
- A bottle of water
- Portable phone charger
- A lightweight raincoat or umbrella (Venice's weather can be unpredictable)
- A camera or smartphone for photos

## **Must-See Highlights on a Venice Self Guided Walking Tour**

Venice is overflowing with architectural marvels, artistic treasures, and scenic views. To help you navigate this sea of wonders, here are some top spots to include:

### **Piazza San Marco (St. Mark's Square)**

Arguably the heart of Venice, this iconic square is surrounded by majestic landmarks like St. Mark's Basilica and the Campanile bell tower. Take time to admire the intricate mosaics inside the basilica or enjoy a coffee at one of the historic cafes lining the square.

### **Rialto Bridge and Market**

One of the oldest bridges spanning the Grand Canal, the Rialto Bridge offers fantastic photo opportunities. Nearby is the bustling Rialto Market, where locals sell fresh produce, seafood, and Venetian specialties—a great spot to experience everyday Venetian life.

## **Dorsoduro District**

For art lovers, the Dorsoduro neighborhood boasts the Peggy Guggenheim Collection and the Gallerie dell'Accademia, featuring masterpieces from Renaissance and modern artists. This area is less touristy and perfect for leisurely exploration.

## **Cannaregio and the Jewish Ghetto**

Cannaregio offers a quieter, authentic glimpse into Venetian residential life. Walk along the Fondamenta della Misericordia canal and visit the historic Jewish Ghetto, one of the oldest in Europe, rich with cultural history.

## **Hidden Squares and Bridges**

Part of the charm of Venice lies in its small, tucked-away campos (squares) and the quaint bridges crossing narrow canals. Don't hesitate to stray from main routes—sometimes the most memorable experiences come from spontaneous discoveries.

## **Tips for Enhancing Your Venice Self Guided Walking Tour**

While wandering at your own pace is liberating, a few insider tips can make your experience even better:

### **Use Audio Guides or Tour Apps**

If you enjoy learning about history and art but prefer to explore independently, consider downloading audio guides or apps dedicated to Venice walking tours. They provide context to landmarks without the pressure of a group.

### **Try Local Food Along the Way**

Venice's culinary scene is vibrant and diverse. Pause at a bacaro (Venetian wine bar) to sample cicchetti—small, flavorful snacks paired with local wine or spritz. This adds an authentic cultural layer to your tour.

### **Mind the Tides and Water Levels**

Venice experiences acqua alta (high water) periodically, which can flood certain areas, especially around St. Mark's Square. Check the forecast and be prepared for temporary raised walkways or detours.

## **Respect Local Customs and Environment**

Venice is a delicate ecosystem and a living city. Avoid littering, be mindful of noise levels, and respect private property to help preserve its magic for future visitors.

## **Discovering Venice Beyond the Tourist Trail**

One of the greatest joys of a Venice self guided walking tour is uncovering the city's quieter corners. Wander into neighborhoods like Castello to find charming artisan shops and peaceful gardens. Explore the lesser-known churches adorned with stunning frescoes or find a bench by a hidden canal to watch gondoliers glide by.

The beauty of this approach is that you can tailor your day according to your mood—whether that means spending hours in an art gallery, browsing in a local market, or simply soaking up the atmosphere on a secluded waterfront.

Venice's unique blend of history, culture, and natural beauty makes every step a discovery. A self guided walking tour invites you to create your own story in this enchanting city, one alleyway and canal at a time.

## **Frequently Asked Questions**

### **What are the must-see attractions on a Venice self-guided walking tour?**

A Venice self-guided walking tour should include must-see attractions such as St. Mark's Square, the Rialto Bridge, the Doge's Palace, the Grand Canal, and the Bridge of Sighs. Exploring lesser-known neighborhoods like Dorsoduro and Cannaregio also offers an authentic Venetian experience.

### **How long does a typical self-guided walking tour in Venice take?**

A typical self-guided walking tour in Venice can take anywhere from 2 to 5 hours, depending on the route and the number of stops. For a comprehensive experience, plan for at least half a day to explore key landmarks and enjoy leisurely breaks.

### **Are there any recommended apps or maps for a Venice self-guided walking tour?**

Yes, several apps like Venice City Guide by GuidePal, Rick Steves Audio Europe, and Google Maps are highly recommended for self-guided walking tours. These apps provide offline maps, audio guides, and detailed walking routes to enhance your experience.

## **What tips can help me navigate Venice during a self-guided walking tour?**

To navigate Venice effectively, wear comfortable shoes, carry a detailed map or use a GPS-enabled app, avoid peak tourist hours, and be prepared to cross many bridges and narrow alleys. Also, keep a small bottle of water and stay aware of your surroundings to avoid getting lost.

## **Is a self-guided walking tour in Venice suitable for first-time visitors?**

Yes, a self-guided walking tour is suitable for first-time visitors as it allows flexibility to explore at your own pace. With proper planning and the use of guides or apps, you can easily cover major sights while discovering hidden gems that might be missed on group tours.

## **Additional Resources**

Venice Self Guided Walking Tour: Exploring La Serenissima at Your Own Pace

**Venice self guided walking tour** offers an unparalleled opportunity to experience the city's intricate network of canals, historic architecture, and captivating culture without the constraints of a fixed schedule or group itinerary. As one of the world's most unique urban landscapes, Venice invites exploration on foot, allowing travelers to uncover its hidden gems, from tucked-away piazzas to centuries-old artisan shops. This article delves into the practicalities, benefits, and considerations of undertaking a self guided walking tour in Venice, highlighting essential routes, must-see sights, and tips for navigating the labyrinthine cityscape effectively.

## **Understanding the Venice Self Guided Walking Tour Experience**

Venice's layout is famously complex, with over 400 bridges connecting 118 small islands separated by canals. Unlike many European cities where walking tours follow broad boulevards and grid-like street plans, Venice's pedestrian routes require a more nuanced approach. A self guided walking tour caters to curious travelers who prefer autonomy, enabling them to tailor their exploration according to personal interests and timing. This type of tour contrasts with guided walking tours, which often focus on popular landmarks and adhere to strict schedules.

When selecting or designing a Venice self guided walking tour, several factors come into play: accessibility, time allocation, and thematic focus. The city's compact size—approximately 4 square kilometers—means that most major attractions are reachable within walking distance, but the maze-like alleys and occasional dead ends demand a reliable map or navigation app. Choosing a self guided approach also allows visitors to avoid the crowds that typically accompany guided groups, especially in high season.

## Advantages of a Self Guided Walking Tour in Venice

The flexibility of a self guided walking tour is arguably its greatest strength. Travelers can linger longer in places that captivate them, such as the serene Campo Santa Margherita or the vibrant Rialto Market, and skip areas that feel less appealing. Additionally, with a self guided itinerary, it's easier to venture off the beaten path to discover lesser-known districts like Cannaregio or Dorsoduro, where authentic Venetian life pulses away from the tourist throngs.

Cost efficiency is another consideration. Unlike guided tours that may charge premium fees, self guided tours generally require only a guidebook, app, or downloadable map, making it a budget-friendly choice without sacrificing depth of experience. Moreover, for those who prefer to avoid group dynamics or language barriers, this style of touring offers independence and privacy.

## Essential Components of a Venice Self Guided Walking Tour

To maximize the experience, a self guided tour should incorporate a mix of iconic landmarks, cultural hotspots, and unique local venues. Here are some key elements to include:

- **St. Mark's Square (Piazza San Marco):** The historic and symbolic heart of Venice, featuring the Basilica di San Marco, Doge's Palace, and the Campanile. Early mornings or late afternoons are ideal to avoid crowds.
- **Rialto Bridge and Market:** A bustling center of commerce and one of Venice's oldest bridges, offering both striking views and vibrant local life.
- **Hidden Campi and Fondamenta:** Squares and canals less frequented by tourists, such as Campo Santa Margherita or Fondamenta della Misericordia, perfect for authentic encounters.
- **Art and Museums:** Including the Peggy Guggenheim Collection or the Gallerie dell'Accademia for those interested in Venetian art history.
- **Local Artisan Shops:** Glassblowing workshops on Murano or lace makers in Burano, accessible via short vaporetto rides combined with walking segments.

## Planning Your Route: Tools and Strategies

A critical aspect of a successful Venice self guided walking tour is route planning. Unlike cities with straightforward street grids, Venice's network demands careful preparation. Digital resources such as Google Maps, Venice-specific apps (e.g., Venice Connected, Venezia Unica), and downloadable GPS tracks can help travelers navigate efficiently. Printed guidebooks with detailed maps remain valuable, especially given occasional mobile signal issues in narrow alleys.

## **Optimizing Time and Route Efficiency**

Given Venice's winding streets and potential for sensory overload, it's advisable to segment the tour into manageable portions. For example, one might dedicate a morning to the San Marco district and a separate afternoon to the artistic Dorsoduro neighborhood. Prioritizing attractions based on personal interest—whether architecture, history, or gastronomy—enables a more meaningful experience.

To minimize backtracking, an effective strategy involves starting from a major transport hub like Piazzale Roma or the Santa Lucia train station and progressing methodically toward the lagoon-facing eastern districts. This approach also facilitates easy access to vaporetto stops should travelers wish to supplement their walking with waterborne transit.

## **Challenges and Considerations**

While the self guided walking tour offers autonomy, it also requires a degree of self-sufficiency. Venice's alleys can be confusing, and signage is sometimes sparse or inconsistent. Tourists unfamiliar with the city may find themselves disoriented without adequate preparation. Furthermore, the high tourist volume during peak seasons can transform narrow walkways into bottlenecks, detracting from the leisurely stroll experience.

Another consideration is physicality. Venice's numerous bridges involve frequent stair climbing, which may pose difficulties for travelers with mobility issues or heavy luggage. Planning rest stops in local cafés or shaded campi can mitigate fatigue.

## **Comparing Self Guided Tours to Guided Alternatives**

While guided walking tours provide expert commentary and curated insights, they often adhere to rigid schedules and routes that might not align with every traveler's interests. Conversely, a Venice self guided walking tour empowers visitors to explore at their own pace and delve deeper into specific areas, but it lacks the contextual storytelling that a professional guide offers.

In terms of cost, self guided tours generally present a more affordable option. However, some travelers may find value in investing in a guided experience, especially on first visits, to gain a foundational understanding of the city's complex history and architecture.

## **Technological Aids Enhancing the Self Guided Experience**

Recent advancements in mobile applications have transformed how tourists engage with Venice independently. Augmented reality apps and audio guides provide rich, layered information accessible on demand, replicating aspects of guided tours without fixed timing. Offline map features are particularly

useful in an urban environment where connectivity can be inconsistent.

## Immersive Experiences Beyond the Landmarks

A self guided walking tour can extend beyond the most photographed sites. Exploring Venice's culinary scene through informal stops at cicchetti bars offers insights into daily Venetian life. Likewise, wandering through artisan workshops reveals traditional crafts that have survived centuries, enriching the walking experience with cultural texture.

Engaging with locals, attending small-scale events, or simply observing the ebb and flow of life along the canals transform a self guided tour from a checklist exercise into a genuine encounter with Venice's living heritage.

---

Navigating Venice via a self guided walking tour demands preparation but rewards with unparalleled freedom and discovery. The city's distinctive geography and rich history invite a personalized approach where travelers write their own narrative, uncovering the myriad layers of La Serenissima at their own tempo. Whether seeking iconic architecture, hidden corners, or authentic local encounters, a self guided walking tour in Venice remains an enduringly compelling way to experience this extraordinary city.

**venice self guided walking tour:** *Venice for Rookies: Venice Travel Guide* Bianca Reyes, 2011-10 Venice for Rookies is an easy-to-follow and riveting city guide with essential survival and budget tips for your upcoming visit to Venice. It is concise and handy, saving you time and money and leading you straight to the must-do activities. Part of the Travel for Rookies series, Venice for Rookies is different from other guide books because it prepares you with a link to a set of easy know-how videos, links to free audible tours of the city, NO directing you to tourist trap restaurants (like some well-known travel guides do), includes off-the-beaten track information and is written

with the same enthusiasm and secrets you would get if you were visiting your best friend in Venice. Discover Venice's local hangouts, pubs, beach clubs and traditional restaurants from an insider's perspective. The author, Bianca, is a Venice resident, foodie and socialite, and she knows all of Venice's in's and out's. She published this insightful city guide so you can have everything you need to know to enjoy and fall in love with Venice! Venice for Rookies goes above and beyond most guide books. Aside from accommodations and restaurant listings, this edition also includes: Step-by-step walking directions to all the Venetian listings (since you'll see soon enough that a map just isn't enough!) Authentic Venetian Recipes Over 50 captivating photographs and illustrations Self-guided walking tours (such as the Ghost and Legends Tour of Venice) A Foodies Glossary (a glossary with just Venetian-specific menu terms to maximize your authentic dining experience) Quick links to free audible tours (online) Over US\$200 in savings tips Essential information on city attractions: Addresses, admissions information (including savings tips), hours of operation, and detailed walking instructions for each site. Suggested itineraries to make the most out of your stay! Tons of fascinating historical tidbits (ex. Where and how Venetian ladies dyed their hair blond or Where the Venetian prostitutes would flag down potential clients by flashing them!) Day trip information for Padua, Verona and Venice's surrounding islands. and more! This guide is designed for optimal navigation on eReaders, smartphones, and other mobile electronic devices. It will answer all your basic questions and lead you to discover the sounds and flavors Venice has lurking around its hidden corners.

**venice self guided walking tour: Rick Steves Venice** Rick Steves, Gene Openshaw, 2016-12-27 You can count on Rick Steves to tell you what you really need to know when visiting the island city of Venice. Following the self-guided tours in this book, you'll explore Venice's most important landmarks and cruise the Grand Canal for a close-up look at the elegant palaces, bridges, and churches. You'll discover picturesque lanes, enjoy the best city views, and tour outlying islands in the lagoon. Dine at a romantic canal-side restaurant, or join the locals at a characteristic cicchetti bar and munch seafood-on-a-toothpick. As the stars shine over St. Mark's Square, sway to the free music of café orchestras. Rick's candid, humorous advice will guide you to good-value hotels and restaurants. You'll learn how to explore Venice hassle-free and get up-to-date advice on what's worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.

**venice self guided walking tour: California Healthy** Patricia Hamilton, Bruce Biron, Janel Willette, 2007 Appealing to the growing numbers of local residents and travellers concerned with finding delicious food that promotes a healthy body and a healthy environment, this unique guidebook provides tempting and wholesome recommendations for every locale. Sections on sustainable foods, wine-tasting, agritourism, recipes with wine pairings, recreational areas, off-leash dog walks, and healthy walking tips from an exercise physiologist round out the wealth of information. Maps, directions, pricing information, hours of operation, and an extensive list of annual events are clearly laid out in an accessible format that is colour- and icon-coded.

**venice self guided walking tour: Spiritual Growth Through Travels, Nature, And Living Life** Lance T. Crawford, 2022-07-26 A lifelong traveler, riding on a train from Long Beach to New Orleans, Louisiana, at age one--in the middle of World War II, to a 520-mile pilgrimage trek on the Camino de Santiago in his mid-seventies--the author describes many ways he has grown internally as a result of his travels and bonding with nature. A few travel highlights include a five-month tour of Western Europe in the early 1970s, many road trips through the United States and Mexico, walking across Northern Spain on the two longest Caminos (one thousand miles total) and walking from Porto, Portugal, to Santiago de Compostela, Spain. In addition are two memorable group pilgrimages: one in Italy; and the other to the three countries of Portugal, Spain, and France. 2

**venice self guided walking tour: Visit Italy - In the footsteps of Ibsen** Lill Vibe Simonsen, Gro Hartun, 2017-08-08 A brand new kind of travelling book! Tracking Ibsen in Italy is a book for you and your mobile phone or tablet. A text- and picture-book that includes several informative links. If you are in Rome f.inst., click the link and it gives you what is going on in Rome to-day - or in ancient

times.

**venice self guided walking tour: Hometown Santa Monica** , 2007-11 A witty, honest, and savvy guide to Santa Monica, Venice, and environs: where to eat, shop, learn, discover and explore.

**venice self guided walking tour: Old House Interiors** , 2001-06 National architectural magazine now in its fifteenth year, covering period-inspired design 1700-1950. Commissioned photographs show real homes, inspired by the past but livable. Historical and interpretive rooms are included; new construction, additions, and new kitchens and baths take their place along with restoration work. A feature on furniture appears in every issue. Product coverage is extensive. Experts offer advice for homeowners and designers on finishing, decorating, and furnishing period homes of every era. A garden feature, essays, archival material, events and exhibitions, and book reviews round out the editorial. Many readers claim the beautiful advertising—all of it design-related, no “lifestyle” ads—is as important to them as the articles.

**venice self guided walking tour: Where To Go When: Europe 1** Lonely Planet,

**venice self guided walking tour: Boardwalks and Long Walks** William Holcomb, 2014-05-27 A guide for the beginning citizen-scientist, and for anyone looking for the hidden natural areas of Florida. A backpack friendly, field ready listing that is not web dependent. It includes the story of the search for the elevated hiking trails called boardwalks. The Long Walks are the primitive paths and longer trails found in the public lands. This book includes a list of the Public Access Lands in Florida of nearly 1,000 sites in all; City Parks and Preserves, County Parks and Preserves, Wildlife Management Areas, Wildlife Environmental Areas, State Parks, State Forests, Conservation Areas of Water Management Districts, National Parks, National Forests, Nature Centers, Indian Mound Sites, and Private Preserves/ Conservation Areas. There are chapters on Florida's habitats, trees, Florida's water cycle, and historic figures and place names.

**venice self guided walking tour: Home Base Hiking Europe** Cassandra Overby, 2024-09-01 One-of-a-kind guidebook showcases ten stunning European destinations to base yourself in for a perfect day-hiking and sight-seeing vacation Foreword INDIES Book of the Year Award Winner in Travel Independent Publisher Book Award Gold Medalist in Travel Guidebook Spotlights “home-base” travel itineraries in Austria, Croatia, France, Germany, Italy, Slovenia, Spain, and Switzerland Each destination features four detailed day-hikes, including maps and directions, as well as food, sights, and other activities Get away from tourists and instead immerse yourself in unique culture and trails Author of the critically acclaimed Explore Europe on Foot, Cassandra Overby now shares her hand-picked destinations and itineraries for a “home-base” adventure--stay in just one or two places while enjoying day trips on the region's trails and other activities. Home Base Hiking Europe focuses on ten unique destinations, each tailor-made for its scenic locales, comfortable lodgings, lively restaurants, interesting cultural and historic sights, and access to fabulous day hiking. Overby provides comprehensive information to help plan the perfect trip, including best time to visit; what to pack; how to get there; tips for traveling with children; as well as recommendations for lodging, restaurants, supplies, attractions, and more. Readers will find turn-by-turn directions and maps on four different trails in each region, plus details on organizing transportation to trailheads, tips for hiring local guides, and how to get the most out of each excursion.

**venice self guided walking tour: Italy: Friuli Venezia Giulia** Dana Facaros and Michael Pauls, 2019-07-09 This new title continues Bradt's coverage of lesser-known but increasingly popular Italian regions and is the only guide available to Friuli Venezia Giulia, a region which forms the major part of the hinterland of Venice (but does not - despite the name - include Venice itself), and which is a convenient and fascinating place to spend time on the beach, in the Alps or relaxing in the country. It is notable also for its wines and distinctive cuisine which, with touches of neighbouring Austria and Slovenia stirred in, are starting to attract attention around the world. Written by long-time travel authors and Italy specialists Dana Facaros and Michael Pauls, background and practical information are complemented by six easy-to-follow chapters, from Trieste to the coast, Gorizia and the Borderlands, Udine, Pordenone and Western Friuli, and The Mountains: Carnia and the Julian Alps. Set in Italy's northeastern corner, Friuli Venezia Giulia is one of the most

ethnically and culturally diverse parts of the country - and also one of the least known. With Bradt's Friuli Venezia Giulia, explore this small but varied region in detail, from the Alps of the north to the coastal resorts, unspoiled wetlands and lagoons, and from medieval towns like Cividale to the strange desert steppe called the Magredi and the lovely wine region of Il Collio. Discover the regional capital, caffeine-mad Trieste, where there are 67 different ways of ordering a cup of coffee, and Gorizia, one of the biggest battle fronts of World War I, which survives almost intact, with miles of trenches and fortifications open for exploration. Bradt's Friuli Venezia Giulia offers everything you need for a successful trip.

**venice self guided walking tour: Rick Steves Italy** Rick Steves, 2022-11-15 Now more than ever, you can count on Rick Steves to tell you what you really need to know when traveling through Italy. He'll help you plan where to go and what to see, depending on the length of your trip. You'll get up-to-date recommendations about what is worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.

**venice self guided walking tour: *Daily Life in Renaissance Italy*** Elizabeth S. Cohen, Thomas V. Cohen, 2019-09-12 A clear, lively, and deeply informed survey of life in Renaissance Italy for students and general readers, this book presents a thoughtful cultural and social anthropology of practices, values, and negotiations. Lively and reader-friendly, this second edition of *Daily Life in Renaissance Italy* provides a colorful and accurate sense of how it felt to inhabit the Renaissance Italian world (1400–1600). In clearly written chapters, the book moves from Renaissance Italy's geography to its society, and then to family. It also looks at hierarchies, moralities, devices for keeping social order, media and communications and the arts, space, time, the life cycle, material culture, health, and illness, and finishes with work and play. This new edition is especially alert to the rich connections between Italy and the rest of Europe, and with Africa and Asia. The book synthesizes a great deal of recent scholarship on social and material history, paying additional attention to the arts and religion. Readers are given an inside view of people from every social class, elite and ordinary, men and women. Written for students of all levels, from secondary school up, it is also an accessible introduction for travelers to Italy.

**venice self guided walking tour: Rick Steves Italy 2020** Rick Steves, 2019-12-17 From the Mediterranean to the Alps, from fine art to fine pasta, experience Italy with Rick Steves! Inside Rick Steves Italy 2020 you'll find: Comprehensive coverage for planning a multi-week trip to Italy Rick's strategic advice on how to get the most out of your time and money, with rankings of his must-see favorites Top sights and hidden gems, from the Colosseum and Michelangelo's David to corner trattorias and that perfect scoop of gelato How to connect with local culture: Walk in Caesar's footsteps through the ruins of the Forum, discover the relaxed rhythms of sunny Cinque Terre, or chat with fans about the latest soccer match (*calcio*, to locals) Beat the crowds, skip the lines, and avoid tourist traps with Rick's candid, humorous insight The best places to eat, sleep, and experience *la dolce far niente* Self-guided walking tours of lively neighborhoods and museums Vital trip-planning tools, like how to link destinations, build your itinerary, and get from place to place Detailed maps, including a fold-out map for exploring on the go Useful resources including a packing list, Italian phrase book, a historical overview, and recommended reading Over 1,000 bible-thin pages include everything worth seeing without weighing you down Annually updated information on Venice, Padua, the Dolomites, Lake Country, Milan, the Italian Riviera, Florence, Pisa, Lucca, Hill Towns of Central Italy, Siena, Tuscany, Rome, Naples, Pompeii, Capri, the Amalfi Coast, and much more Make the most of every day and every dollar with Rick Steves Italy 2020. Planning a one- to two-week trip? Check out Rick Steves Best of Italy.

**venice self guided walking tour: *SH?#! Happens*** John Turzer, 2017-10-31 Both John and Leslie enjoy traveling. While raising their family, Hawaii was a popular getaway destination. They

have traveled to Australia, New Zealand, Fiji, all across the United States and Europe. For the past few trips, it seems like Sh?#! Happens wherever they travel. What started out as daily Facebook posts to family and friends is now documented in this exciting, make you laugh, I cannot believe that happened book.
