

a funny thing happened to me

A Funny Thing Happened to Me: The Day Everything Went Hilariously Wrong

a funny thing happened to me recently that I just can't stop laughing about. It was one of those unexpected moments that catches you completely off guard and turns an ordinary day into a memorable story you'll share for years. Whether it's a quirky misunderstanding, an embarrassing slip-up, or just a bizarre coincidence, these moments remind us not to take life too seriously. I want to walk you through what happened, the lessons I learned, and why embracing these funny experiences can actually brighten your life.

The Day the Universe Decided to Prank Me

It all started on a seemingly normal Tuesday morning. I was rushing to get ready for an important meeting, juggling a cup of coffee in one hand and my phone in the other. You know how it goes—the usual chaos of trying to look professional while also hoping you don't spill coffee down your shirt. Little did I know, the universe had other plans.

The Coffee Catastrophe

As I stepped outside, my foot caught on the edge of the doorstep. Time slowed down, and in true slapstick fashion, the coffee soared through the air in an arc worthy of an Olympic gymnast. The cup landed with a dramatic splash right on the front of my crisp white shirt. At that very moment, I realized two things: one, I was going to be late, and two, I looked like I had been attacked by a caffeinated monster.

This was just the start. I was already flustered but tried to keep my cool. After all, who hasn't had a coffee mishap or two? But then, as I walked to my car, I noticed something odd—a strange sensation on my foot.

The Unexpected Visitor

Looking down, I saw a small, very determined squirrel sitting right by my shoe, eyeing me as if I was the one who had invaded its territory. I stepped back, and it darted forward, grabbing a crumb from my shoe and then scampering away. I couldn't help but laugh. Here I was, dealing with coffee stains and now a squirrel stealing my breakfast crumbs!

Why Sharing a Funny Story Matters

Sharing a funny thing happened to me story isn't just about the laughs. It's about connection, relatability, and even stress relief. When you open up about your silly mishaps, you invite others to

see the lighter side of life. In fact, research shows that laughter and humor can reduce stress hormones and increase endorphins, making us feel happier and more relaxed.

Turning Awkward Moments into Icebreakers

One of the best ways to use a funny story is as a conversation starter. When I arrived at the meeting, coffee-stained and all, I was prepared to apologize and hide in a corner. Instead, I shared my “coffee catastrophe” with the group. To my surprise, everyone laughed, and several people chimed in with their own embarrassing stories.

This created an instant bond and more relaxed atmosphere. So, if you ever find yourself in a similar situation, remember: owning your awkward moments can be a powerful tool for human connection.

Lessons Learned From a Funny Thing Happened to Me

Beyond the humor, there’s always something to learn from these unexpected events. Here are a few insights I took away from my experience:

1. Embrace Imperfection

Life is messy, unpredictable, and sometimes downright ridiculous. Trying to maintain perfect control can add unnecessary stress. When a funny thing happened to me like this, it reminded me that it’s okay to laugh at myself and accept that imperfection is part of being human.

2. Stay Present and Adapt

Instead of panicking about the coffee or the squirrel, I took a deep breath and adapted. Staying present helps you handle surprises with grace and sometimes even find humor in them.

3. Humor Can Diffuse Tension

Whether it’s a work meeting or a social setting, a well-timed funny story can lighten the mood and make everyone feel more at ease.

How to Find Humor in Your Daily Life

Not every day offers a dramatic coffee spill or squirrel encounter, but humor is everywhere if you know where to look. Here are some tips to help you spot and share your own funny moments:

- **Observe the Small Things:** Sometimes, the funniest moments are subtle—like a quirky conversation or a silly typo.
- **Don't Be Afraid to Laugh at Yourself:** Self-deprecating humor can be very relatable and endearing.
- **Share Your Stories:** Whether with friends, family, or coworkers, sharing funny experiences builds rapport and spreads joy.
- **Keep a Humor Journal:** Jot down amusing incidents or thoughts. This can be a great resource when you need a mood boost or a story to tell.

Why Laughter is Good for You

Laughter isn't just a reaction—it's a health booster. Studies have found that laughing can improve immune function, increase pain tolerance, and promote a sense of well-being. So, the next time a funny thing happened to me or you, don't just brush it off. Embrace the laughter and let it work its magic.

Sharing My Funny Story Online

After the incident, I decided to share my experience on social media. The response was amazing. Friends and strangers alike shared their own "a funny thing happened to me" moments, creating a thread full of humor and positivity. It was a reminder that everyone has stories that make life lighter and more enjoyable.

In fact, telling your funny stories online or in a blog can not only entertain others but also boost your own mood and creativity. Plus, you might inspire someone else to see the bright side of their own mishaps.

Looking back, that day was a perfect example of how unpredictable life can be and how a funny thing happened to me can turn a stressful morning into a memorable adventure. Sometimes, what seems like a disaster is just an opportunity to find laughter and connection in the chaos. So next time you spill your coffee or have a squirrel steal your snack, remember—it might just be the start of a great story.

Frequently Asked Questions

What does the phrase 'a funny thing happened to me' usually

imply?

The phrase 'a funny thing happened to me' typically implies that the speaker is about to share an amusing or unexpected incident that happened to them.

How can I start a conversation using 'a funny thing happened to me'?

You can start a conversation by saying, 'A funny thing happened to me today...' to grab attention and create a light, engaging atmosphere for storytelling.

Why do people enjoy sharing stories that begin with 'a funny thing happened to me'?

People enjoy sharing such stories because humor creates connection, makes experiences memorable, and often helps in easing social interactions.

Can 'a funny thing happened to me' be used in professional settings?

Yes, but it should be used carefully; sharing light-hearted, appropriate anecdotes can build rapport, but the content must remain professional and relevant.

What are some tips for telling a funny story that starts with 'a funny thing happened to me'?

Keep the story concise, focus on the surprising or humorous elements, use expressive language, and deliver it with good timing to maximize the comedic effect.

****A Funny Thing Happened to Me: An Unexpected Twist in Everyday Life****

a funny thing happened to me recently, one that underscores how the most mundane moments can take sudden and surprising turns. While life often adheres to routine patterns, it is these unexpected anecdotes that remind us of the unpredictability embedded in daily existence. This article delves into the nuances of such experiences, exploring why humorous incidents resonate deeply, how they impact our perception, and the broader social and psychological implications behind them.

The Anatomy of a Humorous Incident

When we talk about a funny thing happening, it often involves a combination of surprise, incongruity, and timing. Humor researchers have long noted that laughter arises from the unexpected juxtaposition of ideas or scenarios that defy our normal expectations. In my recent experience, what

began as an ordinary grocery store visit quickly transformed into a memorable event, filled with awkward yet amusing moments.

This unexpected event highlighted several key features common in humorous situations:

- **Surprise Element:** The abrupt shift from normalcy to the unexpected.
- **Relatability:** Everyday scenarios that many can identify with.
- **Social Interaction:** The role of others' reactions in amplifying the humor.

Understanding these aspects provides insight into why a funny thing happened to me—and why it might resonate with others.

Context and Setting: Why Location Matters

The setting of an incident often plays a pivotal role in shaping its humorous potential. In my case, the grocery store environment, bustling with shoppers and interspersed with background noise, created the perfect backdrop for a comedic mishap. Public places frequently amplify the embarrassment or amusement factor because of the presence of onlookers, which in turn influences how the event is remembered and retold.

Moreover, public settings tend to increase the stakes of such moments. According to a 2022 study by the Journal of Social Psychology, individuals are more likely to recall and share funny public incidents than private ones due to their social and communal nature. This phenomenon explains why a funny thing happened to me in a store feels more vivid and impactful compared to a private setting.

The Psychological Impact of Unexpected Humor

Humor is not just about entertainment; it has profound psychological benefits. When a funny thing happened to me, the initial surprise quickly gave way to laughter, which has been scientifically proven to reduce stress hormones such as cortisol and adrenaline. This biological response promotes relaxation and improves mood, making such incidents beneficial beyond their immediate comedic value.

Furthermore, laughter serves as a social bonding mechanism. Sharing funny experiences fosters connections, enhances communication, and builds trust. This is particularly important in contemporary society, where digital interactions sometimes overshadow face-to-face communication. The spontaneous humor embedded in real-life encounters thus remains an essential aspect of human connection.

The Role of Timing and Delivery

Timing is crucial when it comes to the effectiveness of humor. A funny thing happened to me precisely because the event unfolded at an unexpected moment, catching me—and others—off guard. In comedy, timing refers to the precise moment a punchline or action occurs, maximizing its humorous impact.

In everyday life, such timing often happens organically. For instance, a perfectly timed slip, a misplaced word, or an awkward interaction can become the source of amusement. The delivery of these moments, whether through tone, facial expressions, or body language, further enhances their comedic effect.

Lessons Learned from an Amusing Encounter

While humor may appear trivial, reflecting on a funny thing happened to me reveals several practical takeaways applicable to both personal and professional contexts:

1. **Embrace Imperfection:** Accepting that mistakes or awkward moments are part of life can reduce anxiety and foster resilience.
2. **Enhance Social Interaction:** Using humor appropriately can improve relationships and ease tension in difficult situations.
3. **Boost Creativity and Problem Solving:** Humor often encourages flexible thinking, enabling individuals to approach challenges from new perspectives.

These insights align with findings from positive psychology, which emphasize humor as a critical component of well-being and emotional intelligence.

Comparing Humor in Different Contexts

Not all humorous incidents carry the same weight or effect. Comparing a funny thing happened to me with other common scenarios reveals interesting distinctions:

- **Workplace Humor:** Often used strategically to build rapport but requires careful navigation to avoid misunderstandings.
- **Family Humor:** Typically more relaxed and personal, reinforcing close bonds.
- **Social Media Humor:** Rapid and widespread but sometimes lacks the nuance of face-to-face interactions.

Each context shapes the reception and impact of humor differently, highlighting the importance of situational awareness.

Why Sharing Funny Stories Matters

Narratives about humorous experiences, such as a funny thing happened to me, serve vital functions in culture and communication. They create shared memories, diffuse stress, and often become icebreakers in conversations. Moreover, storytelling of amusing incidents allows individuals to process and reframe potentially embarrassing moments positively.

In the digital age, sharing funny stories has also become a form of social currency. Viral videos, memes, and anecdotes gain traction precisely because they tap into universal human experiences of surprise and laughter. This phenomenon underscores the enduring power of humor as a tool for engagement and connection.

Reflecting on the incident that prompted this exploration, it is clear that a funny thing happened to me not only provided a moment of levity but also offered a window into the complex dynamics of humor. From psychological benefits to social interaction, humor remains an integral part of human life—one that deserves both appreciation and deeper understanding.

a funny thing happened to me: A Funny Thing Happened B. E. White, Jr., 2014-08-29 The humorous stories that Dr. White tells about in this book are all about people in and out of the church and the ups and downs of life in the parsonage. Funny things can happen at church, and the behavior of some religious people can make you laugh and laugh. Behind the humor in this book is often a spiritual truth. But this is more than a religious book. It is about changing times in North Carolina for three quarters of a century. Dr. White keeps telling about things he has learned during this time, or maybe he is subtly teaching his readers to learn with him what religion is really all about. The people in the stories may seem like someone you know in your own church or family. The comical stories will entertain you while you ponder their meaning. The more serious ones may touch you deeply.

a funny thing happened to me: A Funny Thing Happened on the Way Through My Bible Study Bruce T. Morris, 2008-05 Have you felt failure in forgiving? Do you know how your justices and legislators should be acting upon critical decisions affecting the family? Does your marriage need a boost? Or, even your divorce? Would you like to know more about how to please God and support your friends in marital status? Have other authors avoided the controversial issues from the Bible?

Perhaps you need a little help identifying and using your spiritual gift. Do a few passages of Scripture completely baffle you? Mr. Morris' walk through his Bible studies will surely help you in one or more of your challenges. Why not take your walk with him? Mr. Morris was saved as a 7-year-old. He felt the call to preach as an 11-year-old. He became a pretty serious Bible student right after salvation, and felt that desire grow for years. He graduated from Hardin-Simmons University, Abilene, TX, with a major in Bible. He then spent most of his elective credits in pursuit of the New Testament as he earned a Master of Divinity at Southwestern Baptist Theological Seminary, Fort Worth, TX. He served 27 months in the US Army. He retired from the pastorate after 1-1/3 years as assistant to the pastor and almost 29 years as senior pastor of four other churches. Whether in school, in pastoral ministry, in secular work, or in retirement, Bible reading and Bible study remain an important part of his life. He lives in retirement in Abilene, Texas, with his wife of 52 years, Betty Martin Morris. They have three children, seven grandchildren, and three great grandchildren. Among other pursuits, he is at work on his second book, a Commentary on Romans and his next book on additional Biblical issues.

a funny thing happened to me: A Funny Thing Happened to Me on My Way to the Grave Jack Douglas, 1962

a funny thing happened to me: A Funny Thing Happened on My Way to Freedom Desi Sanchez, 2012-11 Author Desi Sanchez, a native of Cuba, was twenty-two years old when the Bay of Pigs incident took place there in 1961. He had made the decision to side against Fidel Castro long before the confrontation and served as a merchant marine in the SS Houston during the invasion. In 2010 Desi Sanchez received an honorary crew member certificate of the DDE-510 Eaton. Havana was Desi Sanchez's home. He was born there, grew up there, went to school there, and fell in love there. Eventually, however, as Castro's regime began to take hold and everything began to change, he learned that home isn't where your life happened; it's where your heart is. Sometimes you just have to find a new home. Originally writing his memoir in order to bridge the gap between generations within his own family, Sanchez has since come to realize the importance of preserving history from the perspectives of the participants for all to see. Now he shares his life story.

a funny thing happened to me: A Funny Thing Happened on my way Through the Bible James L. Larson, 2015-09-09 In this collection of nearly four thousand Bible verses, author James Larson highlights the humor-and sometimes tragedy-of Scripture through his original and eye-opening interpretation. Respectfully presented with unique commentary and thought-provoking questions, this compilation will be sure to pique interest, inspire deeper contemplation, and launch the curious reader on a journey of reading and reflecting upon God's Word every day.

a funny thing happened to me: A Funny Thing Happened on My Way to a Career Bill Saylor, 2013-12-18 Bill Saylor provides an interesting well written trip through the last half of the Twentieth Century. His insights are those honed by years of an observer who was bound to report the facts. His disappointments and successes are detailed with his humor close at hand. His experience covering the nudist convention is, shall we say, reveling and worth the price of admission. J. Richard GrayMayor, City of Lancaster, PA The pleasure of reading Mr. Saylor's biography and historical narrative comes from his wealth of anecdotes. Enriched by the details of a life lived with passion, spontaneity, and frequently on the edge, readers will be transported by boyhood adventures during the Great Depression, coming of age near the mid-20th Century, career struggles and successes, as well as, personal triumphs and disappointments. For readers familiar with life and personalities in Lancaster, PA in the 1960s - 1990s, this is a must-read. Sally LyallChair, Lancaster County Democratic Committee

a funny thing happened to me: A Funny Thing Happened on the Way to the Pulpit Arnold Lastinger, 2008-06-16 This book is written with no other agenda than to simply entertain the reader. In the truest definition of the word it is not an autobiography; it is a collection of short stories that have happened in the lives of Arnold & Joy Lastinger in over 50 years of ministry. You may laugh; you may cry. But, you will enjoy reading about how the marvelous grace of a loving Lord has carried

this couple through 50 years of ministry together. Some of the stories are too fantastic to be believable. But, every one of them is true. Brace yourself for an enjoyable read!

a funny thing happened to me: Saints: The Story of the Church of Jesus Christ in the Latter Days The Church of Jesus Christ of Latter-day Saints, 2024-10-29 The first three volumes of Saints tell the story of The Church of Jesus Christ of Latter-day Saints from Joseph Smith's First Vision to the dedication of the first temple outside North America. Now, the fourth volume carries the story to the present day, recounting the Church's astounding growth and inspired development since 1955. As the book opens, the Church has nine temples and more than one million members. Thousands of missionaries are preaching the restored gospel of Jesus Christ throughout the world. And for the first time in history, sacred saving ordinances are available in multiple languages. But the work of the Lord is not yet done. While many nations, kindreds, tongues, and people thirst for restored truth, the world is troubled by war, civil unrest, sickness, hunger, and prejudice. The Latter-day Saints, too, have much to learn about each other as the Church spreads far and wide, welcoming people from many cultures and traditions. The Lord's command to "be one" has never been more vital—or more challenging—for His people to follow. Sounded in Every Ear is the final book in Saints, a new, four-volume narrative history of The Church of Jesus Christ of Latter-day Saints. Fast-paced, meticulously researched, and written under the direction of the First Presidency, Saints recounts true stories of Latter-day Saints across the globe and answers the Lord's call to write a history "for the good of the church, and for the rising generations" (Doctrine and Covenants 69:8).

a funny thing happened to me: A Dictionary of Catch Phrases Eric Partridge, 2003-09-02 A catch phrase is a well-known, frequently-used phrase or saying that has 'caught on' or become popular over along period of time. It is often witty or philosophical and this Dictionary gathers together over 7,000 such phrases.

a funny thing happened to me: Star Trek Cookbook Ethan Phillips, William J. Birnes, 2012-04-03 Is there one food that humans, Klingons, Bajorans, and Vulcans would like? If so, what would it taste like? How would you prepare it? Could you find all the ingredients locally? This is the task that faces Neelix, chef for the U.S.S. Voyager™, every time he takes on the challenge of trying to feed its crew of 140 food critics. But over the course of their journey, Neelix's learned a few tricks of the trade. He had to, just as a matter of self-preservation. Ethan Phillips, in the persona of Neelix, and William J. Birnes, the New York Times bestselling coauthor of The Day After Roswell, throw wide the vaults of interstellar haute cuisine, revealing for the first time the secret preparation techniques behind all those exotic dishes and drinks. The favorite foods of characters from every Star Trek series and movie are here, all adapted for easy use in twentieth-century kitchens. The Star Trek Cookbook also features a complete guide for whipping up the all the drinks served at Quark's. Fun, and easy to use, the Star Trek Cookbook is your indispensable guide to the food of the stars!

a funny thing happened to me: Design Made Easy with Inkscape Christopher Rogers, 2023-04-28 Discover quick and easy ways to make charts, diagrams, illustrations, and UX/UI mockups with end-to-end guidance using hands-on tutorials, tips, and tricks Key Features Get up to speed with vector illustration in no time Explore hotkey charts and tips, with best practices developed over ten years of using Inkscape Learn the fundamentals of vector illustration and efficiently leverage Inkscape's powerful toolset Book Description With the power and versatility of the Inkscape software, making charts, diagrams, illustrations, and UI mockups with infinite resolution becomes enjoyable. If you're looking to get up to speed with vector illustration in no time, this comprehensive guide has got your back! Design Made Easy with Inkscape is easy to follow and teaches you everything you need to know to create graphics that you can use and reuse forever, for free! You'll benefit from the author's industry experience as you go over the basics of vector illustration, discovering tips and tricks for getting professional graphics done fast by leveraging Inkscape's powerful toolset. This book teaches by example, using a great variety of use cases from icons and logos to illustration, web design, and product design. You'll learn about hotkeys and take a best-practices approach developed over ten years of using Inkscape as a design tool in production.

What's more, this book also includes links to free graphics resources that you can use in all your projects. Whether you're a new user or a professional, by the end of this book, you'll have full understanding of how to use Inkscape and its myriad of excellent features to make stunning graphics for your projects. What you will learn Understand the benefits of vector illustration and the reasons behind choosing Inkscape over other non-free alternatives Navigate the Inkscape setup and workspace to make effective use of the software Explore the wide range of tools from Inkscape to create amazing and infinitely scalable graphics quickly Use real-world scenarios and practice lessons to learn how to create by example Discover tips and tricks to make Inkscape an extension of your creativity Convert photos to vector art and practice with professional design examples as you work with layers, shading, coloring and much more Who this book is for This book is for aspiring designers, developers, and anyone who wants to leverage the power of Inkscape for vector illustration. No prior knowledge of graphics applications or vector and raster graphics is required. This book simplifies Inkscape for dummies; all you need to know is how to use a mouse and keyboard.

a funny thing happened to me: A Funny Thing Happened on the Way to the Farm...

Sharon Wistisen, 2010-05-07 *A Funny Thing Happened on the Way to the Farm*, written by Sharon Wistisen and illustrated by Kathy Hamann, is a collection of vignettes about farm family living in Southeastern Idaho. In total, the essays tell the story, sometimes warm and thoughtful, often humorous, of a third-generation farmer-rancher who marries a California city girl. It is filled with dialogue depicting the trials and joys of working side by side with their five children – often being raised by them. It is homespun humor, insider's wisdom, and reflections of yesteryear.

a funny thing happened to me: Shorter Dictionary of Catch Phrases Rosalind Fergusson, 2003-09-02 This collection will appeal to everyone who has ever wondered about the origin of phrases like all part of life's rich pattern and long time no see. It covers a wide range of catch phrases in current use in all parts of the English-speaking world. Most entries are drawn from the second edition of Eric Partridge's *Dictionary of Catch Phrases* (second edition, edited by Paul Beale), but have been completely rewritten in the light of recent research, and there are many additions. Catch Phrases include: close your eyes and think of England! have I got news for you! ... refreshes the parts that other ... cannot reach some mothers do've'em! you are awful, but I like you.

a funny thing happened to me: A Dictionary of Slang and Unconventional English Eric Partridge, 2006-05-02 The definitive work on the subject, this Dictionary - available again in its eighth edition - gives a full account of slang and unconventional English over four centuries and will entertain and inform all language-lovers.

a funny thing happened to me: A Funny Thing Happened on the Way to the Closing

Chandler Mason, 2019-10-03 Gone are the days where real estate agents were the gatekeepers of knowledge about local real estate. In fact, potential buyers often know more about a particular property than agents as there is so much information about a property now available on the Internet. A buyer is often keyed in on a particular property and agents have to keep track of hundreds or thousands of listings that are constantly changing. So why hire a real estate agent? Simply upload some pictures and add some basic details and your incredible home will sell itself. If you are a buyer, just find the coolest home and go to the bank to get a loan. Not so fast! It has become easier to get your house online to market it to the world, however it has become increasingly difficult to keep the deal together and move it along to closing once you have a buyer. The real estate agent's job has evolved as it has become increasingly difficult getting from a fully-executed sales agreement to being handed the keys at the closing table. This book gives 123 issues that can arise once the contract is signed. No two deals are alike and there are countless issues that can happen prior to or at the closing table. You might be able to find a buyer on your own or pick out a house on your own, but chances are, getting to the closing table is another story.

a funny thing happened to me: The Mystique of Enlightenment U. G. Krishnamurti, 2022-05-29 In *The Mystique of Enlightenment*, U. G. Krishnamurti offers a provocative exploration of the elusive nature of enlightenment, dismantling conventional spiritual paradigms with an incisive

critique that reflects his unique philosophical outlook. Employing a conversational and accessible prose style, Krishnamurti eschews dogma in favor of a raw examination of the self, identity, and the psychological constructs that bind us. This text stands as a challenge to the romanticized concept of enlightenment, presenting it not as an ultimate attainment, but rather as a persistent, often disconcerting exploration of one's own mind, set against the backdrop of Eastern philosophical traditions and Western existential thought. U. G. Krishnamurti's intellectual journey is deeply rooted in his own radical transformation and rejection of established beliefs, which fueled his desire to strip away the superficial layers of spiritual teachings. Having experienced a profound shift in consciousness, he sought to communicate the nuances of this experience, devoid of the metaphysical embellishments often associated with spiritual awakening. His background, which intermingled with theosophical influences and a critical approach to societal norms, profoundly informed his perspectives, establishing him as a distinctive voice in contemporary spiritual discourse. For those seeking a deeper understanding of enlightenment that transcends platitudes and comfortable notions, *The Mystique of Enlightenment* is an essential read. Krishnamurti's unapologetic examination serves both as a philosophical inquiry and a practical guide, inviting readers to question their assumptions and engage with their innermost selves. This book will resonate with anyone poised at the intersection of spirituality and existential inquiry, urging a reevaluation of what it truly means to be enlightened.

a funny thing happened to me: A Funny Thing Happened on the Way to Beirut Pat Stewart, 2000-04 It's hard to coach a team when your players don't show up. Mafi muscula. Hard to make air flights without reservations. Mafi muscula. Can't tape ankles without tape. Hey! Why isn't Darrin here from the States yet? Mafi Muscula. Can't understand these Hungarian menu forms...we could starve. Mafi muscula. We're almost out of tea. Muscula! In Arabic, mafi muscula means no problem. But a better definition is probably: no problem for ME, big problem for YOU. Saudi Arabia is where mafi musculas start, but they don't end there. From Saudi it's on to a training camp near Budapest then onward to Beirut for the basketball championships of the Eighth Pan Arab Games. Some funny things happen along the way. And there, too. These are recounted through the eyes of an American coach. They sometimes happen on the court., but more often off. Some are pretty peculiar and that's the kind of questions they raise. For example: —Was Bruce Springsteen born in Saudi Arabia? —Do you know how to properly kiss your players? —Why are Homer's underpants radioactive? —Is Martin as dead as he thinks? —Is Adel as dead as Coach tells his mom he is? —How to get a lunatic asylum airborne? —When must camels kill you? And more.

a funny thing happened to me: Funny Things Happened on My Way to the Cemetery Hugh Robert MacDonald, 2014-11-14 Ever been chased by a jealous husband swinging an axe? Or had your shoelaces and socks chewed by a cheetah while you couldn't move? What about having a doctor pass out beside you while he was delivering your child? If your answers are no, then you are lucky. If you want to find out how someone survived these wild and crazy adventures, read this book! The light-hearted autobiography of Hugh MacDonald recounts the laughable and unusual adventures and misadventures of a budding concert pianist, a minister of one of Canada's largest churches, a college professor, a radio talk-show host, a Paris tour guide, and a civil marriage commissioner. MacDonald tells of being carried down a main street in Montreal completely naked; walking a marathon with raw eggs squishing in his boots; being forced to eat beef stew, well-flavoured with cat hair; inadvertently buying 3,125 condoms in preparation for his wedding; being marooned and coming close to death in a Northern Ontario blizzard; and so much more! MacDonald winds these yarns into an interesting account of his long and varied life. This book can be read in one sitting, or you can savour it as bedtime reading, enjoying one or two funny stories each night. Either way, you can't go wrong with this humorous telling of MacDonald's life.

a funny thing happened to me: A Funny Thing Happened on the Way to Heaven Corey Taylor, 2014-06-05 Corey Taylor has seen a lot of unbelievable things. The Grammy Award-winning singer of Slipknot and Stone Sour's curiosity has drawn him into situations that wouldâe(tm)ve sent most people screaming scared and running for the hills. Coreyâe(tm)s ballsy enough to go into the

darkness and deal with the consequences though. As a result, he's seen ghosts up close and personal, whether it be while combing through an abandoned house in his native Iowa as a child or recording an album in the fabled Houdini Hollywood Hills mansion. He's also got the memories (and scars) to prove it. For some reason, he can't seem to shake these spectral stories, and that brings us to this little tome right here... At the same time, being an erudite, tattooed, modern Renaissance Man, he never bought into the whole God thing. Simply put, he's seen ghosts, but he hasn't seen Jesus. Corey especially can't find a reason why people do the insane things they do in HIS name. That's where everything really gets interesting. His second book, *A Funny Thing Happened on the Way to Heaven*, compiles Corey's most intimate, incredible, and insane moments with the supernatural. His memories are as vivid as they are vicious. As he recounts these stories, he questions the validity of religious belief systems and two-thousand-year-old dogma. As always his rapid-fire writing, razor sharp sense of humour, unbridled honesty, and cosy anecdotes make quite the case for his point. You might end up believing him or not. That's up to you, of course. Either way, you're in for a hell of a ride.
