

guarding your heart in a relationship

Guarding Your Heart in a Relationship: Finding Balance Between Vulnerability and Self-Protection

Guarding your heart in a relationship is a delicate dance many people grapple with as they navigate the complexities of love, trust, and emotional intimacy. It's about striking the right balance between opening yourself up to someone and protecting your emotional well-being. When you guard your heart wisely, you create a foundation for healthy relationships that nurture growth and happiness rather than pain and regret.

In today's fast-paced world, where relationships often move quickly and expectations can be high, understanding how to protect your emotional core is more important than ever. This article explores the significance of guarding your heart in a relationship and offers insights into how to cultivate trust without losing yourself in the process.

Why Guarding Your Heart Matters

At first glance, guarding your heart might sound like building walls or shutting down emotionally. However, it's much more nuanced than that. Guarding your heart means being mindful of whom you allow close to your emotional world. It's about discerning genuine intentions and nurturing relationships that respect and honor your feelings.

Emotional vulnerability can be a beautiful thing—it allows for deep connection and intimacy. But uncontrolled vulnerability, especially too early or with the wrong person, can leave you exposed to hurt or disappointment. By guarding your heart, you're not avoiding love; you're preparing yourself to love wisely.

The Risks of Not Guarding Your Heart

When you enter relationships without healthy boundaries or emotional awareness, you risk becoming emotionally drained or heartbroken. Some common pitfalls include:

- Falling for someone too quickly without truly understanding their character
- Ignoring red flags or incompatible values
- Overinvesting emotionally when the other person may not reciprocate
- Losing your sense of self in the relationship

These risks highlight why emotional self-protection isn't about mistrust—it's about self-respect and emotional safety.

How to Guard Your Heart in a Relationship

Guarding your heart effectively is a skill that grows with experience and introspection. Here are

several strategies that can help you stay open yet protected.

1. Know Your Worth and Set Boundaries

Understanding your value is fundamental. When you know your worth, you are less likely to tolerate disrespect or neglect. Setting clear emotional and physical boundaries creates a safe space for both partners. Boundaries might include:

- Communicating your needs and limits early on
- Deciding how much personal information you share and when
- Defining what behaviors are unacceptable
- Taking time for yourself when needed

Boundaries help prevent emotional exhaustion and maintain your individuality within the relationship.

2. Take Time to Truly Know Your Partner

Rushing into emotional intimacy can lead to misplaced trust. Guarding your heart means allowing the relationship to develop naturally over time, observing how your partner treats you and others. Pay attention to:

- Consistency in words and actions
- How they handle conflict or stress
- Their respect for your boundaries
- Shared values and life goals

Taking this measured approach helps ensure that your heart is guarded without shutting out genuine connection.

3. Practice Emotional Awareness and Reflection

Being in tune with your emotions lets you recognize when your heart feels safe or vulnerable. Journaling, meditation, or talking to trusted friends can help process feelings and identify patterns. Ask yourself:

- Am I feeling pressured to move faster than I want?
- Do I feel respected and valued?
- Is this relationship enhancing or diminishing my self-esteem?

When you listen to your emotional signals, you can make informed decisions about how much to

invest.

Balancing Vulnerability and Self-Protection

It's important to remember that guarding your heart doesn't mean avoiding vulnerability altogether. Vulnerability is the gateway to intimacy and trust. The key is to be vulnerable selectively and gradually, allowing your partner to earn your trust.

Building Trust Through Vulnerability

Trust grows when vulnerability is met with kindness, understanding, and respect. Sharing your feelings, fears, and dreams bit by bit creates a safe emotional environment. This approach strengthens the bond without overwhelming either person.

Recognizing Healthy vs. Unhealthy Vulnerability

Healthy vulnerability feels safe and reciprocated. You feel heard and supported without fear of judgment. Unhealthy vulnerability, on the other hand, leaves you feeling exposed or dismissed. Guarding your heart means learning to differentiate these experiences and adjusting accordingly.

The Role of Self-Love in Guarding Your Heart

Self-love is the cornerstone of emotional protection. When you love and accept yourself, you're less likely to settle for less than you deserve. Self-love empowers you to:

- Recognize toxic behaviors and walk away
- Communicate your needs clearly
- Forgive yourself for past relationship mistakes
- Cultivate resilience after heartbreak

Investing in your own happiness and growth ensures that your heart remains whole, regardless of relationship outcomes.

Practical Ways to Cultivate Self-Love

- Engage in activities that bring you joy and fulfillment
- Practice positive affirmations and self-compassion
- Surround yourself with supportive friends and family

- Seek therapy or counseling if needed to heal past wounds

Building a strong foundation of self-love naturally enhances your ability to guard your heart wisely.

Knowing When to Let Your Guard Down

While it's essential to protect yourself, it's equally important to recognize when it's safe to lower your defenses. Signs that you might be ready to fully open your heart include:

- Your partner consistently demonstrates trustworthiness
- You feel comfortable expressing your authentic self
- There is mutual respect and support
- You experience emotional safety and security

Letting your guard down at the right time deepens intimacy and allows love to flourish.

Trusting Your Intuition

Your gut feelings are powerful guides in relationships. If something feels off, it's worth exploring why. Conversely, if you feel peace and confidence around your partner, it may be time to embrace vulnerability more fully.

Guarding your heart in a relationship is not about building impenetrable walls but about creating a balanced approach to love—one where you protect your emotional well-being while remaining open to connection. It takes patience, self-awareness, and courage to navigate this balance, but doing so enriches your relationships and nurtures your soul.

Frequently Asked Questions

What does it mean to guard your heart in a relationship?

Guarding your heart means protecting your emotional well-being by setting healthy boundaries, being mindful of whom you trust, and not rushing into intimacy too quickly.

Why is it important to guard your heart in a relationship?

Guarding your heart helps prevent emotional pain, disappointment, and vulnerability to unhealthy relationship patterns, allowing you to build a stronger and more secure connection.

How can I effectively guard my heart while still being open to

love?

You can guard your heart by communicating your needs clearly, taking time to truly know your partner, maintaining your independence, and being cautious about who you allow into your inner circle.

What are some signs that I am not guarding my heart enough?

Signs include rushing into relationships, ignoring red flags, constantly feeling hurt or anxious, and losing your sense of self or boundaries in the relationship.

Can guarding your heart too much be harmful in a relationship?

Yes, being overly guarded can prevent you from forming deep connections and may lead to loneliness or mistrust; balance is key to protecting yourself while remaining open to intimacy.

****Guarding Your Heart in a Relationship: Navigating Emotional Boundaries for Lasting Connection****

Guarding your heart in a relationship is an essential yet often overlooked aspect of building a healthy and sustainable partnership. While love and vulnerability are vital components of intimacy, protecting one's emotional well-being ensures that relationships develop on a foundation of mutual respect, trust, and security. This balance between openness and self-preservation is critical in preventing emotional burnout, heartbreak, and unhealthy dependency. As relationship dynamics evolve in the digital age, understanding how to guard your heart has become more complex, necessitating a nuanced approach to emotional boundaries and personal resilience.

Understanding the Concept of Guarding Your Heart

At its core, guarding your heart in a relationship means maintaining emotional boundaries that safeguard your mental and emotional health without shutting down genuine connection. It involves being discerning about whom you allow into your inner world and how much vulnerability you share at different stages of a relationship. This protective mechanism is not about building walls that isolate but about constructing healthy limits that foster trust and respect.

Psychologists emphasize that emotional boundaries help individuals maintain autonomy and a sense of self within intimate relationships. According to a study published in the *Journal of Social and Personal Relationships*, couples who establish clear emotional boundaries report higher levels of satisfaction and lower rates of conflict. Conversely, overly porous boundaries often lead to codependency, resentment, or emotional exhaustion.

Why Guarding Your Heart Matters

The importance of guarding your heart cannot be overstated, especially in the context of modern dating culture, which often encourages rapid emotional disclosure and premature intimacy. While vulnerability is a cornerstone of intimacy, premature emotional exposure can leave individuals susceptible to manipulation, unmet expectations, or heartbreak.

Moreover, guarding your heart promotes emotional intelligence. By recognizing your emotional needs and limits, you enhance your capacity for empathy and communication, which are critical components of successful relationships. Rather than fostering mistrust, it encourages healthy skepticism and self-awareness, equipping individuals to recognize red flags and avoid toxic dynamics.

Practical Strategies for Guarding Your Heart

Navigating the balance between openness and protection requires intentional strategies. Here are several approaches that can help individuals guard their hearts effectively while nurturing intimacy.

1. Establish Clear Emotional Boundaries

Setting emotional boundaries involves defining what you are comfortable sharing and what you prefer to keep private until trust is firmly established. This might mean pacing the disclosure of personal histories, feelings, or vulnerabilities. It also includes recognizing and asserting your limits when your partner's behavior feels intrusive or disrespectful.

2. Prioritize Self-Awareness and Reflection

Understanding your emotional triggers and past relationship patterns is crucial. Reflecting on previous experiences can illuminate areas where you might be prone to over-investing too quickly or tolerating unhealthy behaviors. Journaling, therapy, or conversations with trusted friends can facilitate this process.

3. Communicate Boundaries Clearly

Guarding your heart is ineffective without clear communication. Partners should openly discuss their emotional needs and boundaries early in the relationship to avoid misunderstandings. Honest dialogue fosters mutual respect and collaboration in maintaining a healthy dynamic.

4. Recognize Red Flags Early

Being attuned to warning signs such as inconsistency, disrespect, or controlling behavior enables

timely decisions about emotional investment. Early recognition can prevent deeper emotional wounds and protect one's heart from unnecessary pain.

The Role of Trust and Vulnerability in Guarding Your Heart

Many conflate guarding the heart with emotional detachment, but the two are distinct. While guarding involves protection, vulnerability is the pathway to genuine connection. The challenge lies in discerning when and with whom to be vulnerable.

Building trust gradually fosters a secure environment where vulnerability can flourish without fear of exploitation. Trust acts as a filter that informs how much emotional exposure is safe. This dynamic underscores the importance of pacing relationships and allowing time for mutual understanding to develop.

Balancing Vulnerability with Emotional Safety

Emotional safety is a prerequisite to vulnerability. Without it, opening up can lead to feelings of rejection or betrayal. Guarding your heart means ensuring that emotional safety is established before deep vulnerability is embraced. This balance enhances intimacy rather than undermines it.

Impact of Technology and Social Media on Guarding Your Heart

In today's digital landscape, guarding your heart takes on additional complexity. Online dating, social media, and instant communication can accelerate emotional intimacy but also expose individuals to risks such as ghosting, misrepresentation, or privacy breaches.

Digital Boundaries

Setting digital boundaries is an extension of guarding your heart. This might include limiting the amount of personal information shared online, managing expectations around response times, and being cautious about divulging emotional content via text or social platforms.

Managing Emotional Overexposure

The immediacy of digital communication can lead to emotional overexposure before a relationship is fully established. Being mindful about pacing interactions and maintaining offline boundaries helps mitigate this risk.

Challenges and Potential Pitfalls

While guarding your heart is beneficial, it is not without challenges. Over-guarding can lead to emotional isolation, mistrust, or difficulty forming deep connections. On the other hand, insufficient guarding exposes individuals to hurt and exploitation.

Pros and Cons of Guarding Your Heart

- **Pros:** Protects emotional well-being, fosters healthy boundaries, prevents codependency, encourages self-awareness.
- **Cons:** Potential for emotional detachment, risk of loneliness, may inhibit spontaneity or deep intimacy if overdone.

Striking the right balance requires ongoing assessment and adjustment based on the evolving nature of the relationship.

Guarding Your Heart as a Continuous Process

Guarding your heart is not a one-time action but a continuous process that evolves with each relationship and life stage. Emotional needs and boundaries shift over time, influenced by personal growth and external circumstances.

Regularly revisiting and recalibrating your emotional boundaries ensures that your heart remains protected without closing off the potential for meaningful connection. This dynamic approach fosters resilience, allowing individuals to engage fully in relationships while minimizing vulnerability to harm.

In sum, guarding your heart in a relationship involves a disciplined yet compassionate approach to emotional engagement. It requires self-knowledge, clear communication, and an understanding of when to open up and when to hold back. By mastering these skills, individuals can cultivate relationships marked by trust, respect, and lasting emotional fulfillment.

insightful book for Christian men who want to lead their families, stand firm against moral challenges, and pursue a fresh course with God. It teaches how to defend against attacks on moral character and become accountable. This book calls men to guard their hearts, explains the critical importance of this biblical call, examines the attacks men must guard against—including career, sexual temptations, status, control, and passivity—and teaches the steps they can take to meet this vital challenge.

guarding your heart in a relationship: The Relationship Roadmap Dr. Amy Rucker, 2020-05-01 The Relationship Roadmap is a practical and insightful read that has simplistic tips that helps one navigate through the complexities of today's time. It gives intrinsic truths, principles, relevant, and actionable wisdom that is guaranteed to work.

guarding your heart in a relationship: The Toxic King's Guide to Love & Relationships Dave Parker, The Toxic King's Guide to Love & Relationships is the ultimate playbook for anyone tired of being told to "just be yourself" and "find the one." This isn't your average relationship manual with the same old recycled advice about sacrificing for love or giving until it hurts. Instead, this guide cuts through the fluff, showing you how to approach dating and relationships with strategy, self-respect, and unbreakable standards. Because here's the truth: in the modern world, love is a game, and if you're not playing with purpose, you're playing to lose. This book isn't here to teach you how to be perfect for someone else; it's here to help you prioritize yourself—your goals, your ambitions, your peace—before anyone else. With a bold, no-nonsense approach, The Toxic King's Guide gives you the tools to keep your emotions in check, recognize red flags before they turn into heartache, and keep the upper hand, whether you're navigating first dates, long-term commitments, or learning when it's time to walk away. You'll learn the art of controlled detachment, the power of boundaries, and the importance of holding onto your own identity. Each chapter is packed with the mindset shifts you need to stop chasing, start leading, and build relationships that actually add value to your life—not ones that drain it. This book doesn't shy away from hard truths or bold perspectives; it's an unapologetic guide for those who know that respect, power, and confidence come first, and that true loyalty starts with yourself. Whether you're tired of losing yourself in relationships or just looking to elevate your game, The Toxic King's Guide to Love & Relationships reminds you that you're the prize. Love is part of the journey, but self-respect is the destination. So, are you ready to master the art of dating on your terms? Because this book isn't about settling for anything less than you deserve—it's about demanding more.

guarding your heart in a relationship: Relationships for Life Richard Marks, 2011-03 We all have these. Sometimes, they can be the most wonderful treasure this world has to offer. At other times, they can break your heart. I'm talking about relationships. Everybody has a myriad of different relationships in this adventure called life. Each relationship has its own dynamics, its own foibles, and its own language. We interact with parents, children, siblings, co-workers, spouses, authority, and, for some, even God. The greatest resource of joy, progress, hope, and prosperity is in connections with each other. But the problem is that the way we develop, sustain, and communicate in relationships is unhealthy. The reason they are unhealthy is because we as individuals bring error into them from the past and from harmful views of ourselves. If you can't think healthy about yourself, how can you interrelate with others in beneficial relationships? How can you have a strong family and an intimate love life if you don't know how to communicate or meet each other's needs? What would be the purpose of building friendships if you don't know how to nurture and sustain them? This book is designed to answer all those questions and more. Each chapter builds on how to improve yourself, your self-image, and the relationships around you. You will discover from documented research how your brain works in diverse situations, the different ways you handle conflict, how to communicate effectively with others, and how to build the theme of Us-ness in life's important relationships and much more.

guarding your heart in a relationship: Change My Relationship Karla Downing, 2021-05-08 Do you wish you could get difficult relationship advice from a therapist right when you need it without paying for a therapy session? That is exactly what you will have in this topically indexed

daily devotional. Karla understands what you are going through because she has been there. Raised in a dysfunctional home and married with her own dysfunctional family, she has dealt with all kinds of problems where she used the relationship-changing principles she teaches. These devotions offer understanding, validation, comfort, and practical advice based on biblical principles. Written in the popular and easy to understand style of Karla's teachings, they give you the principles and tools you need to radically change your life and relationships whether the other person changes or not. You will read them again and again and turn to them when you are struggling with frustrating and confusing dilemmas in your difficult relationships.

guarding your heart in a relationship: The Lifegiving Collection: The Lifegiving Home / The Lifegiving Table / The Lifegiving Parent Sally Clarkson, Clay Clarkson, Sarah Clarkson, 2019-01-08 This collection of lifegiving titles offers a great value and includes three books: The Lifegiving Home by Sally and Sarah Clarkson, The Lifegiving Table by Sally Clarkson, and The Lifegiving Parent by Clay and Sally Clarkson. The Lifegiving Table In The Lifegiving Table, Sally shares her own family stories, favorite recipes, and practical ideas to help you get closer to the people you love . . . and to help you grow in faith together.. The Lifegiving Parent The key to shaping a heart begins at home as you foster a deep and thoughtful God-infused relationship with each child. Filled with biblical insight and classic Clarkson stories, The Lifegiving Parent will equip you with the tools and wisdom you need to give your children much more than just a good Christian life. You'll give them the life of Christ.

guarding your heart in a relationship: Relationships-Reflection of the Image of God Crawford Clark, 2016-07-25 There are many couples struggling in their relationships with each other. Couples, who are dating and who are married, are settling for less than God's best. There are several reasons why, but perhaps there is a lack of understanding about the dynamics and expectations of their relationships. God lets us know He has a plan for our lives as well as our relationships. That plan for couples is to reflect His Image. In order to be able to look like God, we must be willing to look at what God intended for us and examine how we got into the predicament that many couples find themselves. There is an enemy that constantly tries to keep you thinking that you are okay in your relationship with God and your life mate. Can we honestly say that we are where we need to be in our relationship with God and with each other? In this book, you will find out from Genesis how God created us in His Image and how we are able to live His image every day in our lives. He created us to be a reflection of His image and that image reveals itself in many ways. Every couple can be that reflection, even if you find your relationship or marriage in shambles. This book offers you the answers and the steps to grow as a couple through Christ. As a couple, you can reflect the presence of Jesus and truly inspire others. This can happen, if you allow the word of God and the Holy Spirit to transform your relationship to be a powerful witness for Christ. You can become a Reflection of His Image.

guarding your heart in a relationship: The Heart: The Key to Everything in the Christian Life Tim Rowe, 2016-03-10 We need to recover a truth that has been all but lost in modern-day Christianity. It has been buried for too long, and it is too valuable to be forgotten. This life-changing truth is that the heart is the key to everything in the Christian life. The heart is the wellspring of all our actions, emotions, motives, and character. Everything we are, everything we say, and everything we do flows directly from the heart. In The Heart-The Key to Everything in the Christian Life, believers will discover how the heart is central to spiritual growth and how it will help us better reflect the image of Christ in a fallen world. The heart is the key to our service and obedience to the Father. The heart is the key to the purity and depth of our worship, praise, and love of God. It is time the Christian church once again teaches a proper understanding of the heart so that we can fully embrace and manifest the life of Christ within us.

guarding your heart in a relationship: *Relationship Empowerment* Katina Willis, 2020-02-06

Mission reach as many Christian desire a biblical base relationship in singleness, marriage, or coming out of a divorce. the books will be teaching biblical teachings and prayer. The main focus of helping Christian singles divorcees and married couples what's a christian relationships and how they are to pray and be in the will of God in each book their is videos and discussions with a guidebook for Christians and nonbelievers. Many of the discussions will feature of a variety of popular topics with a relationships between a man and a woman. The goals is to apply time word of God and prayer to Modern topics and questions in relationships for singles divorcees married couples for true obeience in God will for their life marriage. The Bible has the answer to the worldly strategy of today needs and wants. the true love of God is the Bible. This love points us to Jesus Christ being our Lord Master and Savoir.

guarding your heart in a relationship: *The Father Son Encounter* Another Touch of Glory Press, 2007

guarding your heart in a relationship: The Rich Single Life Andrew Farmer, 1998

guarding your heart in a relationship: **Hell's Spells** Jim Raley, 2012 Are we living in a spellbound world? When we think of spells, the picture conjured up in our minds often has more to do with fables we learned as children. An ugly old woman in a pointed hat reciting incantations at a boiling cauldron. The reality, however, is much more dangerous. Once given access to our lives, Satan can manipulate, dominate, and intimidate even the strongest Christian. Hell's Spells draws from Paul's writings to the Galatian church to bring you a fresh awareness of Satan's spells and strategies, demonstrating how you can break free from the influence of such evils as: · Controlling spirits · Generational curses · Witchcraft in the home Cutting through the sensationalism and spookiness of spiritual warfare, Raley enables you to identify, understand, and break every bewitching spell the devil wants to launch against your life, your family, and your purpose.

guarding your heart in a relationship: *Beyond The Lens of Love* Olajumoke Bello, 2024-12-21 Beyond the Lens of Love is a heartfelt explanatory book on love, friendship, and marriage through the lens of God's intentionality. This book delves beyond the surface to uncover the unsung ingredients that build and sustain meaningful relationships. From love and trust to compromise and spiritual connection, each chapter serves as a guide to building relationships that reflect God's purpose and design. Unlike many relationship books, this work emphasizes not only the beauty of marriage but also the necessity of friendship before and within marriage. It provides practical wisdom for navigating challenges, fostering unity, and establishing foundations rooted in faith. Through relatable anecdotes, scriptural truths, and thought-provoking insights, Beyond the Lens of Love inspires readers to approach relationships with humility, vulnerability, and intentionality. Whether single, engaged, or married, readers will find valuable lessons to strengthen their relationships. This is not a step-by-step manual but an invitation to partner with God in building relationships that glorify Him.

guarding your heart in a relationship: Pathway to Intimacy Carol Welch, 2008-02 Does your marriage need a tune-up? Are the pressures of life pulling you apart? Have you gotten so busy with your lives that you have forgotten about your dreams? What you need is a little bit of faith and a great big change of perspective. What you need is a fresh word from God. Most of you believe Psalms 119:105, Thy word is a lamp unto my feet and a light unto my path. But all too often, the reality is that we don't really understand God's will, and we don't know his plan for our marriage. If I have hit the nail on the head take courage, take hope, and take this book home with you. In it you will discover the pathway of God's Living Word. Pathway to Intimacy will teach you how to seek God's will for your marriage, how to find answers in God's Word, how to empower your relationship with renewed love, and how to intertwine God in your marriage. My God can change your perspective and empower you to change your circumstances. My God has a word for your marriage, and once you hear that word, you will never be the same again.

guarding your heart in a relationship: **Above All Else, Guard Your Heart!** Lynn Stuhr, 2025-02-20 Ever wonder why we do what we do? Especially when what we do doesn't make sense or fit the vision we have of ourselves. Ever wonder why we don't do what we should do? Especially if

we know what we should do is good for us and others. Failing to do what is right is senseless! Yet, at many times, we fail to do what we know we should. Why? In Proverbs 4:23 (NIV), God provides a simple explanation. He says it's all about our spiritual hearts. And He commands us to guard our hearts above all else! In this book, you'll discover why we do what we do or don't do and how we can change. It's a simple, quick read, but oh, so helpful! 2

guarding your heart in a relationship: "Divine Destinies" CHRISTOPHER WILLIAMS, 2025-02-27 In a culture that reduces love to fleeting attraction, this book reveals a timeless, faith-based approach to forming lasting relationships. Inspired by the story of Ruth and shaped by decades of teaching adult Bible study, it shows why biblical courtship remains vital today. Readers will learn how to cultivate godly character, navigate boundaries, and center their relationships on Christ. With clarity, warmth, and real-life examples, each chapter provides scriptural insights for singles, couples, and anyone seeking a deeper, more genuine connection. By combining devotion to God with practical wisdom on communication, accountability, and serving others, this guide offers a roadmap to enduring love that honors Him. Ideal for both curious readers and committed believers, it reminds us that when faith leads, the bond between two people reflects God's redemptive plan.

guarding your heart in a relationship: Finding the One Christian Dunn, 2007-04-20 How do I know if I am in love? How far is too far? How do I know if I've found the one? Christian Dunn answers these questions and more. Upon speaking to thousands of teenagers and young adults-many struggling to find answers about dating and marriage-he was inspired to write this book. Through sound advice and personal stories, he encourages a new view of dating-as a tool that God uses to help you find lifelong companionship. Finding the One outlines a Godly plan, from before you go on the first date, to the day you walk down the aisle. Teens, young adults, and parents of teens will find this an invaluable resource. Also, youth (or young adult) pastors, can use this book as a small group study/discussion tool. There are study questions provided in the back of each chapter, and a leaders guide is available for download at www.christianjdunn.com

guarding your heart in a relationship: Seduction of the Heart Tim LaHaye, Ed Hindson, 2010-06-14 Christians are engaged in the ultimate battle-the battle for the heart. The overwhelming influences of the media, materialism, and selfish ambition threaten to decay even the most tender of hearts. While the world screams to the contrary, every Christian must fight to maintain a clear conscience and discover what it really means to have the heart of God. On the heels of his New York Times bestseller Mind Siege, Tim LaHaye, with Ed Hindson, equip readers with armor to guard their hearts and draw nearer to God. Some chapter titles include: The Battle for the Heart The Ultimate Deception The Erosion of Trust A Prescription for the Heart Finding God's Heart

guarding your heart in a relationship: Teen Virtue Vicki Courtney, 2005 Designed like a magazine, TeenVirtue provides girls with information that counters culture's lies and distortions about who they are and who they should become.

guarding your heart in a relationship: Redefining Love Seye Oluwole, 2012-07-17 SOMETHING IS MISSING! Marriages are ending in divorce, fathers are walking out on their children and home is no longer the heaven it was intended to be. We have lost the true meaning of what love is because love was meant to be an act of worship but instead some of us are now victims of love. We have become a slave to the very thing that was meant to set us free. Scientist calls it emotions, philosophers call it affection and the theologians call it a virtue but the church said no, it is God. But what exactly is love?
