Compendium of Social Doctrine of the Church: A Guide to Catholic Social Teaching

**Compendium of social doctrine of the church** serves as a vital resource for understanding how the Catholic Church views and addresses social, economic, and political issues through the lens of faith and morality. This comprehensive document offers a rich tapestry of principles and teachings that guide the faithful in promoting justice, peace, and the common good. Whether you are a student of theology, a social activist, or simply curious about the Church's stance on contemporary social challenges, exploring the compendium provides invaluable insights into living out Christian values in society.

## **What Is the Compendium of Social Doctrine of the Church?**

The compendium is an official collection of the Catholic Church's social teachings, first published by the Pontifical Council for Justice and Peace in 2004. It synthesizes centuries of papal encyclicals, council documents, and pastoral letters into a coherent framework that addresses the pressing social realities of our time. Its purpose is to present the Church's social doctrine in an accessible way, helping individuals and communities apply these principles in everyday life.

At its core, the compendium emphasizes human dignity, solidarity, subsidiarity, and the common good as foundational pillars. These concepts are not abstract ideals but practical guides that influence how Catholics are called to act in realms such as economics, politics, work, family, and environmental stewardship.

## **Key Principles of the Compendium of Social Doctrine of the Church**

### **Human Dignity and the Common Good**

Central to the compendium is the unwavering belief in the inherent dignity of every human person. This principle asserts that all people deserve respect and protection regardless of race, status, or background. Recognizing this

dignity grounds the Church's commitment to social justice and human rights.

Closely linked to human dignity is the pursuit of the common good. The compendium teaches that society should be organized in a way that benefits all its members, especially the poor and marginalized. This collective welfare is not merely the sum of individual goods but a shared condition that fosters peace, security, and opportunity.

## **Solidarity and Subsidiarity**

Solidarity calls for a profound sense of unity among people, urging individuals and communities to support one another. It challenges selfishness and promotes a spirit of cooperation and empathy. The compendium highlights solidarity as essential for addressing global inequalities and creating a just world order.

Subsidiarity complements solidarity by emphasizing that social issues should be handled at the most immediate or local level possible, empowering smaller communities before involving larger institutions. This principle ensures that governance respects individual freedom and responsibility while promoting effective decision-making.

## **The Historical Development of Catholic Social Teaching**

Understanding the compendium also means appreciating its historical roots. Catholic social teaching evolved in response to major social upheavals, such as industrialization, war, and economic crises. One landmark moment was Pope Leo XIII's 1891 encyclical *\*Rerum Novarum\**, which addressed workers' rights and the conditions of labor during the Industrial Revolution.

Subsequent popes built on this foundation, responding to new challenges with documents like *\*Quadragesimo Anno\** by Pope Pius XI, *\*Pacem in Terris\** by Pope John XXIII, and *\*Centesimus Annus\** by Pope John Paul II. The compendium brings these teachings together, illustrating the Church's consistent dedication to social justice over time.

## **Modern Applications in Global Issues**

Today, the compendium's principles are applied to a wide range of global concerns:

- **Economic Justice:** Advocating for fair wages, ethical business practices,

and the eradication of poverty.

- **Environmental Stewardship:** Promoting care for creation, a theme strongly emphasized in recent papal encyclicals like *\*Laudato Si'\**.
- **Peace and Human Rights:** Encouraging dialogue, reconciliation, and respect for the rights of all individuals.
- **Migration and Refugees:** Calling for compassionate responses to displacement and the protection of vulnerable populations.

## How the Compendium of Social Doctrine of the Church Guides Individual and Community Action

The practical value of the compendium lies in its ability to inspire action. It is not simply a theoretical document but a call to live out the Gospel in social contexts. Individuals are encouraged to reflect on their roles as workers, citizens, and consumers. Communities are urged to foster inclusive environments that uphold justice and dignity.

## Living Out Social Doctrine in Daily Life

Applying the compendium can be as straightforward as:

1. Advocating for policies that protect the vulnerable and promote equitable development.
2. Engaging in volunteer work and charitable initiatives that support marginalized groups.
3. Promoting ethical consumption and sustainable lifestyles that respect the environment and workers' rights.
4. Participating in dialogue and civic activities that seek peace and social cohesion.

By integrating these teachings, Catholics and others inspired by the Church's vision become agents of transformation in their societies.

# **The Role of the Church in Promoting Social Doctrine**

The Church acts not only as a moral voice but also as an active participant in social development. Through its various organizations, educational institutions, and charitable arms, it works to implement the values outlined in the compendium. This includes advocacy at international forums, grassroots community organizing, and providing social services.

Moreover, the Church encourages dialogue between faith and reason, bridging religious principles with contemporary social science to address complex issues effectively.

## **Challenges and Opportunities**

While the compendium offers a robust framework, applying its teachings in a rapidly changing world is not without challenges. Issues like globalization, technological advancement, and cultural shifts require ongoing reflection and adaptation.

However, these challenges also present opportunities for the Church to renew its commitment to social justice, deepen its engagement with diverse communities, and advocate for policies that reflect human dignity and solidarity on a global scale.

Exploring the compendium of social doctrine of the church reveals a rich tradition that continues to be deeply relevant. It invites all people of goodwill to consider how faith can inform social responsibility, fostering societies where justice, peace, and human flourishing are not just ideals but lived realities.

## **Frequently Asked Questions**

### **What is the Compendium of the Social Doctrine of the Church?**

The Compendium of the Social Doctrine of the Church is a comprehensive document published by the Vatican that summarizes the Catholic Church's teachings on social, economic, political, and cultural issues.

### **When was the Compendium of the Social Doctrine of the Church published?**

The Compendium of the Social Doctrine of the Church was published in 2004 by

the Pontifical Council for Justice and Peace.

## **Who authored the Compendium of the Social Doctrine of the Church?**

The Compendium was prepared by the Pontifical Council for Justice and Peace under the guidance of Pope John Paul II.

## **What are the main themes covered in the Compendium of the Social Doctrine of the Church?**

The main themes include human dignity, common good, solidarity, subsidiarity, social justice, economic ethics, political responsibility, and peace.

## **How does the Compendium address the concept of human dignity?**

The Compendium emphasizes that human dignity is the foundation of all social teachings, affirming that every person is created in the image of God and deserves respect and protection.

## **What role does the principle of subsidiarity play in the Compendium?**

Subsidiarity is highlighted as a principle that encourages decisions to be made at the most local level possible, empowering individuals and smaller communities while ensuring support from higher authorities when necessary.

## **How does the Compendium of the Social Doctrine of the Church influence Catholic social teaching today?**

It serves as a key reference for bishops, clergy, and laypeople worldwide, guiding the Church's response to social issues and promoting justice, peace, and human rights.

## **Can the Compendium be applied to contemporary social issues?**

Yes, the Compendium provides principles that can be applied to modern challenges such as poverty, globalization, environmental concerns, and social inequalities.

## **Is the Compendium of the Social Doctrine of the Church available to the public?**

Yes, the Compendium is publicly available and can be accessed online through

the Vatican's official website and other Catholic resources.

## **How does the Compendium relate to other Church documents on social teaching?**

The Compendium synthesizes and updates key teachings from various papal encyclicals, councils, and Church documents, providing a coherent and accessible summary of Catholic social doctrine.

## **Additional Resources**

Compendium of Social Doctrine of the Church: An In-Depth Review

**compendium of social doctrine of the church** represents a pivotal document within the Catholic tradition, serving as a comprehensive synthesis of the Church's teachings on social, economic, political, and cultural issues. Officially promulgated by the Pontifical Council for Justice and Peace in 2004, this compendium aims to articulate a coherent framework that guides Catholics—and indeed all people of goodwill—toward justice, peace, and human dignity in the modern world. Its significance lies not only in its theological depth but also in its practical application to contemporary social challenges.

## **Understanding the Compendium of Social Doctrine of the Church**

The compendium is essentially an authoritative collection of principles and reflections drawn from papal encyclicals, conciliar documents, and writings of the Church Fathers. It consolidates centuries of social teaching into a structured format that addresses a broad array of issues ranging from the rights of workers and the common good to the role of the state and international relations.

Unlike individual encyclicals that often tackle specific issues in particular historical contexts, the compendium functions as a stable reference point, offering a panoramic view of Catholic social thought. This makes it invaluable for clergy, educators, policymakers, and laypersons who seek to understand how faith intersects with social ethics.

## **Historical Context and Development**

The genesis of the compendium can be traced back to earlier foundational texts such as Pope Leo XIII's *\*Rerum Novarum\** (1891), widely regarded as the birthplace of modern Catholic social teaching. Over the decades, subsequent

popes expanded and deepened this body of thought, addressing new realities such as global inequality, technological advances, and human rights.

The decision to compile these teachings into a single, accessible document was driven by the need to offer clarity amidst the proliferation of social issues facing modern society. By 2004, under Pope John Paul II's guidance and the stewardship of the Pontifical Council for Justice and Peace, the compendium was released, reflecting a coherent and updated articulation of Church doctrine.

## **Core Themes and Principles**

At its heart, the compendium of social doctrine of the church emphasizes several foundational themes that underpin Catholic social ethics:

### **Human Dignity and the Common Good**

Central to the compendium is the inviolable dignity of every human person. This principle insists that all social, economic, and political structures must respect and promote fundamental human rights. The notion of the common good complements this by stressing the importance of societal conditions that allow individuals and communities to flourish.

### **Solidarity and Subsidiarity**

Two key organizing principles highlighted in the compendium are solidarity and subsidiarity. Solidarity calls for a commitment to the welfare of others, especially the poor and marginalized, fostering a sense of unity and mutual responsibility. Subsidiarity, on the other hand, advocates that matters ought to be handled by the smallest, least centralized competent authority, promoting empowerment at local and community levels.

### **Rights and Responsibilities**

The document underscores that rights are inseparable from responsibilities. The Church teaches that while individuals possess inherent rights—such as the right to work, education, and participation in society—these must be exercised with an awareness of duties toward others and the common good.

# Practical Applications of the Compendium

The compendium's teachings are not merely theoretical; they have palpable implications for various sectors and social policies.

## Economic Justice and Labor

Addressing economic inequalities and labor rights is a significant focus. The compendium advocates for fair wages, ethical business practices, and the protection of workers' rights, urging societies to prioritize human dignity over profit maximization. In a globalized economy, these principles challenge exploitative labor practices and encourage sustainable development.

## Political Authority and Governance

Concerning governance, the compendium outlines the role of the state as a promoter of justice and peace, tasked with safeguarding rights while respecting individual freedoms. It warns against authoritarianism and corruption, emphasizing transparent and participatory political systems.

## Environmental Stewardship

Though the compendium predates the widespread ecological focus seen in *\*Laudato Si'\** (2015), it nonetheless addresses care for creation as a moral imperative. It calls for responsible use of natural resources and intergenerational justice, laying groundwork for the Church's evolving environmental advocacy.

## Comparative Insights with Other Social Teaching Documents

When placed alongside individual papal encyclicals such as *\*Rerum Novarum\**, *\*Quadragesimo Anno\**, and *\*Caritas in Veritate\**, the compendium acts as an integrative tool. It synthesizes diverse teachings into a cohesive narrative, enabling a clearer understanding of how Catholic social doctrine has matured over time.

For instance, while *\*Rerum Novarum\** primarily responded to the industrial revolution's challenges, the compendium addresses 21st-century issues like globalization and technological advancements, contextualizing traditional principles in contemporary realities.

## **Strengths and Limitations**

A key strength of the compendium lies in its comprehensive nature and accessibility. By providing a structured exposition of complex theological and social ideas, it serves as an educational resource across multiple contexts.

However, some critics argue that its dense theological language and extensive citations may pose challenges for lay audiences unfamiliar with Church terminology. Additionally, the document's emphasis on universal principles sometimes lacks detailed policy prescriptions, requiring further interpretation for practical implementation.

## **Impact on Global Catholic Social Engagement**

The compendium of social doctrine of the church has significantly influenced Catholic social action worldwide. It has been instrumental in shaping educational curricula in Catholic institutions, guiding pastoral activities, and informing advocacy efforts on issues like poverty alleviation, human rights, and peacebuilding.

Moreover, its principles have been echoed in the Church's engagement with international bodies such as the United Nations, reinforcing the moral dimensions of global policymaking.

## **Integration into Contemporary Debates**

In today's polarized social and political climate, the compendium offers a framework for dialogue rooted in shared human values. Its insistence on dignity, solidarity, and justice provides common ground for addressing challenges related to migration, economic disparity, and environmental crises.

This adaptability underscores the enduring relevance of the compendium, highlighting how Church social teaching continues to contribute thoughtfully to global ethical discussions.

The compendium of social doctrine of the church thus remains a vital document—both as a theological milestone and as a practical guide. Its balanced synthesis of faith and reason, tradition and modernity, positions it as an essential resource for those committed to fostering a more just and compassionate society.

**compendium of social doctrine of the church:** *Compendium of the Social Doctrine of the Church* Pontifical Council For Justice Staff, The Vatican, 2006-09 Through landmark encyclicals issued by popes since Rerum Novarum, the Church has built up a wide-ranging body of teaching on justice, equality and human rights. This compendium will introduce and explain all these documents.

**compendium of social doctrine of the church: Compendium of the Social Doctrine of the Church** Catholic Church. Pontificium Consilium de Iustitia et Pace, 2005 The Catechism of the Catholic Church was a document of outstanding importance which sold millions of copies worldwide. Many critics at the time of publication said the Catechism lacked sufficient coverage of the social teaching of the Catholic Church, teaching on justice, peace and human rights. To remedy this, the Vatican commissioned this remarkable new publication from the Pontifical Council for Justice and Peace and Burns & Oates are now its proud publishers. Throughout the course of her history, and particularly in the last hundred years, the Church has never failed, in the words of Pope Leo XIII, to speak the words that are hers with regard to questions concerning life in society. To maintain this tradition, Pope John Paul II has for his part published three great encyclicals that represent fundamental stages of Catholic thought in this area. Moreover, numerous Bishops in every part of the world have contributed to a deeper understanding of the Church's social doctrine as have numerous scholars. This new book also shows the value of Catholic social teaching as an instrument of evangelisation because it places the human person and society in relationship with the light of the Gospel. The principles of the Church's social doctrine, which are based on the natural law, are then seen to be confirmed and strengthened in the faith of the Church by the Gospel of Christ. The Pope hoped that the present publication would help humanity in its quest for the common good.

**compendium of social doctrine of the church: Compendium of the Social Doctrine of the Church** Catholic Church. Canadian Conference of Catholic Bishops, Catholic Church. Pontificium Consilium de Iustitia et Pace, 2005-01-01

**compendium of social doctrine of the church: Companion to the Compendium of the Social Doctrine of the Church** Pádraig Corkery, 2007 The Compendium of the Social Doctrine of the Church gives a complete and up-to-date overview of the social teachings of the Catholic Church in a contemporary context. Tackling issues as diverse as the morality of the free market, poverty and workers' rights, and as topical as democracy, globalization and the fight against terrorism, it is an invaluable resource for anyone searching for solutions to many of the social and ethical problems facing the modern world. This new Companion to the Compendium of the Social Doctrine of the Church will be of use to parish adult education groups, schools and individuals who have little or no formal theological training. It is a user-friendly guide to the Compendium written in accessible language with discussion questions to enable further study and reflection.

**compendium of social doctrine of the church: Catholic Social Teaching and Social Entrepreneurship** Adam Zadroga, 2023-11-13 One of the significant factors in the responsible implementation of social entrepreneurship is the appropriate shape of the norms and values that determine it. With this in mind, this book draws on Catholic social teaching (CST) to make an original contribution to understanding and describing the axionormative determinants of social entrepreneurship. In the course of analysis and meta-scientific reflection, it was established that the axionormative determinants of social entrepreneurship revolve around three areas: (1) the axiology of (the idea of) social entrepreneurship; (2) the moral principles of social enterprise management; (3) the professional ethics of social entrepreneurs. This approach to research has allowed the original formulation of: (1) the constitutive values of the idea of social entrepreneurship; (2) the concept of the moral dimension of social enterprise management; (3) the concept of professional ethics of social entrepreneurs.

**compendium of social doctrine of the church: Catholic Social Teaching in Practice** Andrew M. Yuengert, 2023-05-31 Although the virtues are implicit in Catholic Social Teaching, they are too often overlooked. In this pioneering study, Andrew M. Yuengert draws on the neo-Aristotelian virtues tradition to bring the virtue of practical wisdom into an explicit and wide-ranging engagement with the Church's social doctrine. Practical wisdom and the virtues clarify the meaning of Christian personalism, highlight the irreplaceable role of the laity in social reform, and bring attention to the important task of lay formation in virtue. This form of wisdom also offers new insights into the Church's dialogue with economics and the social sciences, and reframes practical political disagreements between popes, bishops, and the laity in a way that challenges both laypersons and episcopal leadership. Yuengert's study respects the Church's social tradition, while showing how it might develop to be more practical. By proposing active engagement with practical wisdom, he demonstrates how Catholic Social Teaching can more effectively inform and inspire practical social reform.

**compendium of social doctrine of the church: Understanding the Compendium of the Social Doctrine of the Church** Martin Schlag, 2016-08-22 The Compendium of the Social Doctrine of the Church was published in 2004 by the Pontifical Council of Justice and Peace. Since then, it has been translated in more than thirty languages. The Compendium has proved to be a useful pastoral instrument to spread the social teachings of the Church. This book offers a summary in order to render a more accessible the content of those teachings. At the same time, the collaborators have added recent ideas introduced by new documents regarding the social teachings of the last popes.

**compendium of social doctrine of the church: Catholic Social Teaching** O'Neill, SJ, William, 2021-04-21 A guide to key themes of the Catholic social teaching tradition and its implications for ethical issues such as war, peacemaking, and the global refugee crisis--

**compendium of social doctrine of the church: Pope Francis and the Event of Encounter** John C. Cavadini, Donald Wallenfang, 2018-01-19 Since being elected to the Chair of St. Peter on March 13, 2013, Pope Francis has given unique shape to the meaning of the new evangelization. With his emphasis on the concept of encounter, and his stunning expression of pastoral ministry in *Evangelii gaudium*, the present pontiff has breathed new life into the Christian vocation to evangelize. This

book brings together the voices of fifteen American Catholic scholars around the theme of Pope Francis and the Event of Encounter. Inaugurating the new series, *Global Perspectives on the New Evangelization*, this book incorporates a variety of approaches and questions in order to amplify the theology behind the pontificate of Pope Francis and the most recent developments in the new evangelization. Among the topics treated in the book are mercy, ecology, doctrine, culture, and the life and ministry of Jorge Mario Bergoglio. The reader will be delighted with an array of perspectives that promise to give inspiration for embarking on further frontiers of the new evangelization.

**compendium of social doctrine of the church:** Catholic Social Teaching Gerard V. Bradley, E. Christian Brugger, 2019-08 Few treatments of Catholic Social Teaching are as comprehensive as this, and none is nearly so devoted to a critical scholarly presentation and analysis of the whole corpus.

**compendium of social doctrine of the church: A Christian Approach to Corporate Religious Liberty** Edward A. David, 2020-09-21 This book addresses one of the most urgent issues in contemporary American law—namely, the logic and limits of extending free exercise rights to corporate entities. Pointing to the polarization that surrounds disputes like *Burwell v. Hobby Lobby*, David argues that such cases need not involve pitting flesh-and-blood individuals against the rights of so-called “corporate moral persons.” Instead, David proposes that such disputes should be resolved by attending to the moral quality of group actions. This approach shifts attention away from polarizing rights-talk and towards the virtues required for thriving civic communities. More radically, however, this approach suggests that groups themselves should not be viewed as things or “persons” in the first instance, but rather as occasions of coordinated activity. Discerned in the writings of Saint Thomas Aquinas, this reconceptualization helps illuminate the moral stakes of a novel—and controversial—form of religious freedom.

**compendium of social doctrine of the church:** Óscar Romero and Catholic Social Teaching Todd Walatka, 2024-10-15 This book explores the life, mission, and writings of martyred Salvadorian archbishop St. Óscar Romero in the light of contemporary work for justice and human development. Many historians, theologians, and scholars point to St. Óscar Romero as one of the most perceptive, creative, and challenging interpreters of Catholic social teaching in the post-Vatican II period, while also recognizing the foundational importance of Catholic social teaching in his thought and ministry. Editor Todd Walatka brings together fourteen leading scholars on both Romero and Catholic social teaching, combining essays that contextualize Romero’s engagement historically and focus on the challenges facing Christian communities today. The result is a timely, engaging collection of the most rigorous scholarly engagement with Romero and Catholic social teaching to date. Contributors: Ana María Pineda, R.S.M., Michael E. Lee, Matthew Philipp Whelan, Jon Sobrino, S.J., Edgardo Colón-Emeric, David M. Lantigua, Leo Guardado, Stephen J. Pope, Kevin F. Burke, S.J., José Henríquez Leiva, Meghan J. Clark, Elizabeth O'Donnell Gandolfo, Rubén Rosario Rodríguez, Peter Casarella, and Todd Walatka

**compendium of social doctrine of the church:** Finding Meaning in Business B. Okonkwo, 2012-11-12 Combining creative biblical interpretation, Christian moral reflection, and business expertise, *Finding Meaning in Business* is a thoughtful and thought-provoking look at how business leaders, professionals, and students can integrate a sense of calling into their careers and into the business world as a whole.

**compendium of social doctrine of the church: A Living Tradition** A. Alexander Stummvoll, 2018-04-17 On the world stage, the Holy See acts as both a religious and a political actor. As the head of over 1.2 billion Catholics, the pope is a widely recognized spiritual authority. Politically, the Holy See maintains diplomatic relations with other states and actively participates in international organizations such as the United Nations. *A Living Tradition* examines the normative sources and the dilemmas underpinning papal diplomacy. It does so in the context of four diverse case studies: the Vietnam War, John Paul II and Poland, the United Nations conferences in Cairo and Beijing, and the global campaign for debt relief. While Catholic Social Doctrine offers a principled basis for Holy See diplomacy, living out religious norms is more complicated than simply preaching them,

especially in global politics. This process leads to political and ethical policy dilemmas as well as to changing patterns of conflict and cooperation with other international actors. By drawing upon unpublished archival documents from five countries, *A Living Tradition* offers a fresh and interdisciplinary view of both Catholic Social Doctrine and papal diplomacy that explores a key issue of the religious resurgence we are experiencing in the twenty-first century: how religious traditions function in global politics.

**compendium of social doctrine of the church: *Essential Catholic Social Thought* 2nd edition** Brady, Bernard V., 2017-10-12

**compendium of social doctrine of the church: *International Business Ethics*** Stephan Rothlin, Dennis McCann, 2015-07-29 This book addresses an essential need felt by many who seek to promote best business practices in China and East Asia – namely the need for culturally appropriate instructional materials (basic information, case studies and ethical perspectives) that will allow managers and entrepreneurs to understand and embrace the challenge of moral leadership in business. In an era characterized by globalization and the increasing importance of the economies of China, India, Japan and SE Asia, international business ethics must reflect the concerns of the people living and working in this area, the moral and spiritual traditions that have nurtured them and their specific contributions to sustainable development. This book presents twenty important case studies, taken from newsworthy events of the past few years, in which Asians and others have attempted to respond to this challenge. Each case study has been selected and shaped in order to highlight various aspects of doing business in Asia, starting with basic principles and moving on to the specific responsibilities that businesses have towards their various stakeholders. The authors contend that the best way to appreciate the relevance of Asian moral and spiritual traditions is to determine their specific contribution to virtue ethics, where the ancient traditions of both East and West converge in their focus on the qualities of moral leadership that form the basis of best business practice. Exploring the case studies will enable readers to appreciate the continued relevance of these ethical perspectives in Asian business. Best business practice clearly involves learning to do business and playing the game according to the rules; but the necessity of playing by the rules is not likely to become clear until one takes up the path that leads to a virtuous life in business, developing a moral character chiefly based on integrity.

**compendium of social doctrine of the church: *Faith. Works. Wonders.*** Fred Kammer, 2009-09-16 Written in preparation for the 2010 centennial of the national organization Catholic Charities USA, *Faith. Works. Wonders.* introduces the mission, scope, and impact of Catholic Charities agencies in communities across the nation. This book also describes the work, motivation, and spirituality of the three hundred thousand staff, board members, and volunteers in local Charities agencies; this network composes the largest voluntary social service network in the country. In addition, the author draws on the broad experience of Catholic Charities and his long association with Charities to explain the sometimes-surprising positions of the organization and its

leaders in our continuing national discussions on social welfare, faith-inspired organizations, and the appropriate roles of the private and public sectors in promoting the common good and caring for the least fortunate. Within the framework of the registered slogan of Catholic Charities of the archdiocese of Washington DC, the nine chapters in turn lay out Faith-the mission, identity, and power of Catholic Charities rooted in the Scriptures, experience, history, and Catholic thought. Works-the focus of agencies and people on service to people in need, advocacy and empowerment for justice and compassion, and convening religious and civic partners to create a better society. Wonders-the who, what, and why of volunteers; the quest for quality and innovation; the stance of determined pluralism in the Church community and public square; and the miracle of virtue and spirituality born in the service of others. Appendices provide 1) an outline of the history of Catholic Charities in the USA dating back to 1727 in the author's hometown of New Orleans, and 2) the principles developed by Catholic Charities and other voluntary-sector leaders for the protection of the sector in this country.
