

# fx schedule tv guide

**\*\*Your Ultimate FX Schedule TV Guide: Never Miss a Show Again\*\***

**fx schedule tv guide** is your go-to resource for staying updated on everything airing on the FX network. Whether you're a fan of gripping dramas, hilarious comedies, or captivating original series, knowing what's on and when can enhance your viewing experience exponentially. With so many shows, specials, and movies rotating through FX's lineup, having a reliable guide ensures you won't miss out on your favorite programs or exciting new content.

In this comprehensive guide, we'll explore how to navigate the FX schedule, highlight some must-watch shows, and share tips on using digital tools to streamline your TV time. If keeping track of your FX favorites has ever felt overwhelming, this article will help you feel more in control and make your TV watching more enjoyable.

## Understanding the FX Schedule TV Guide

FX is known for its diverse programming, spanning genres like crime thrillers, dark comedies, and critically acclaimed original series. The FX schedule TV guide is designed to present all this content in an easy-to-understand format, helping viewers plan their evenings or weekends around their preferred shows.

Many people rely on traditional TV listings, but the FX schedule has evolved alongside technology. Today, you can access the channel's programming information online, via apps, or through your cable or satellite provider's electronic program guide (EPG). These sources provide real-time updates, episode descriptions, and even reminders, making it easier than ever to stay on top of what's airing.

## Why Use an FX Schedule TV Guide?

Following an FX schedule TV guide isn't just about convenience—it's about maximizing your entertainment. Here's why using one makes a difference:

- **\*\*Stay Ahead of New Episodes:\*\*** Many FX shows release episodes weekly, often on the same day and time. Knowing the schedule helps you catch brand-new episodes as soon as they're available.
- **\*\*Discover New Shows:\*\*** The FX network frequently premieres new series, mini-series, or limited runs. The schedule can alert you to fresh content that might become your next favorite.
- **\*\*Avoid Spoilers:\*\*** Watching shows live or soon after airing reduces the risk of encountering spoilers online or from friends.

- **\*\*Plan Your Viewing Time:\*\*** Busy schedules can make TV watching challenging. A clear guide helps you carve out time specifically for your favorite FX programs.
- **\*\*Catch Special Events:\*\*** From award show broadcasts to seasonal marathons, the FX schedule often includes special programming that's worth tuning in for.

## Popular Shows on FX and Their Typical Air Times

To help you start using the FX schedule TV guide effectively, let's look at some of the standout programming that FX offers. Keep in mind that air times can vary by region and season, so always check your local listings.

### Drama Series

FX has built a reputation for producing some of the most compelling dramas on television. Shows like:

- **\*\*"American Horror Story"\*\*** – A horror anthology series that often premieres in the fall with new seasons airing weekly.
- **\*\*"Sons of Anarchy"\*\*** (reruns) – A gritty drama about an outlaw motorcycle club.
- **\*\*"Fargo"\*\*** – Inspired by the Coen Brothers movie, this anthology crime drama usually airs during mid-season periods.
- **\*\*"Atlanta"\*\*** – A critically acclaimed comedy-drama exploring life in the music scene.

These shows typically air during prime-time slots, usually between 8 PM and 11 PM, making it easy to plan your evenings around them.

### Comedies and Specials

FX also offers a variety of comedies and stand-up specials that add humor and light-heartedness to their schedule. Shows like:

- **\*\*"It's Always Sunny in Philadelphia"\*\*** – A long-running comedy series with new episodes often airing weekly.
- **\*\*"Archer"\*\*** – An animated spy comedy that blends action and laughs.
- **\*\*Comedy specials and stand-up performances\*\*** – Occasionally featured in late-night slots or weekends.

Checking the FX schedule TV guide regularly can alert you to these fun additions, which make for great casual viewing.

# How to Access and Use the FX Schedule TV Guide

Nowadays, accessing the FX schedule TV guide is more convenient than ever. Whether you prefer digital platforms or traditional TV guides, here's how you can find the information you need.

## Online TV Listings and Apps

Several websites specialize in TV schedules, including FX's own official site. Here are some useful options:

- **FX's Official Website:** The network's site offers a full weekly schedule with detailed descriptions and air times.
- **TV Guide Websites:** Platforms like TV Guide, Zap2it, and TitanTV provide customizable listings based on your zip code and service provider.
- **Streaming Platforms:** If you watch FX content via streaming services like Hulu Live, Sling TV, or YouTube TV, their apps include integrated program guides.
- **Mobile Apps:** Apps dedicated to TV schedules allow you to set reminders, filter by genre, and even sync with your calendar.

## Using Your Cable or Satellite Provider's Guide

Most traditional TV providers have electronic program guides built into their set-top boxes. These guides display FX's schedule, often with the ability to record shows directly to a DVR.

To make the most of these guides:

- Navigate to the FX channel on your remote.
- Browse the program listings by date and time.
- Set recordings or reminders for upcoming episodes.
- Look out for "new episode" or "series premiere" tags for fresh content.

## Tips for Optimizing Your FX Viewing Experience

Having access to the FX schedule TV guide is just the first step. To truly elevate your viewing habits, consider these tips:

### Create a Watchlist

Keep track of all the FX shows you enjoy by creating a watchlist. Many TV

guide apps and websites allow you to add shows to a personalized list, which can send notifications when new episodes air.

## **Set Calendar Alerts**

Integrate your FX schedule with your digital calendar (Google Calendar, Apple Calendar, etc.) to receive automatic reminders before shows start. This ensures you won't miss premieres or finales.

## **Explore On-Demand and Streaming Options**

Sometimes, life gets busy and you can't watch shows live. FX content is often available on-demand or through streaming platforms affiliated with your TV provider. This flexibility lets you catch up whenever it's convenient.

## **Stay Updated on Schedule Changes**

Networks occasionally adjust their schedules for special events or holidays. Following FX's social media channels or subscribing to their newsletter can keep you informed about any last-minute changes.

## **The Role of FX in Today's TV Landscape**

FX has carved out a unique niche by blending high-quality storytelling with diverse programming. The FX schedule TV guide reflects this by offering a mix of genres that cater to varied tastes. From groundbreaking dramas to laugh-out-loud comedies, FX continues to produce content that resonates with audiences.

Moreover, as more viewers shift to streaming platforms, FX has adapted by making its shows accessible both live and on-demand. This evolution means the FX schedule is no longer just about a fixed broadcast time—it's about flexible, viewer-friendly access.

For anyone looking to dive into the world of FX programming, mastering the FX schedule TV guide is an excellent place to start. It not only helps you keep pace with your favorite series but also unlocks the full spectrum of entertainment the network offers.

As you explore the FX schedule, you might discover new favorites, revisit cult classics, or find yourself eagerly anticipating the next big premiere. Either way, having a reliable, up-to-date FX schedule TV guide at your fingertips ensures every moment spent watching is well planned and truly

enjoyable.

## **Frequently Asked Questions**

### **What is the FX schedule TV guide?**

The FX schedule TV guide provides a detailed listing of all programs, movies, and shows airing on the FX network, including their dates and times.

### **How can I find the most up-to-date FX schedule TV guide?**

You can find the most up-to-date FX schedule TV guide on the official FX website, through your cable or satellite provider's TV guide, or on popular TV listing apps and websites like TV Guide or TitanTV.

### **Does the FX schedule TV guide include original FX series and syndicated shows?**

Yes, the FX schedule TV guide includes both original FX series as well as syndicated shows, movies, and special events airing on the network.

### **Can I watch FX shows live according to the FX schedule TV guide?**

Yes, by following the FX schedule TV guide, you can tune in to FX at the specified times to watch shows live, provided you have access to the channel through your TV service.

### **Are there any FX schedule TV guide apps available?**

While there isn't a specific FX-only app for the schedule, many TV guide apps like TV Guide, Pluto TV, and your cable provider's app include FX's schedule and programming information.

### **How often is the FX schedule TV guide updated?**

The FX schedule TV guide is typically updated daily or weekly to reflect any changes in programming, new show premieres, special events, or schedule adjustments.

### **Can I record shows from the FX schedule TV guide using a DVR?**

Yes, if you have a DVR service through your cable or satellite provider, you

can use the FX schedule TV guide to set recordings for FX shows and movies airing at specific times.

## **Does the FX schedule TV guide show program descriptions?**

Most FX schedule TV guides provide brief descriptions or summaries of programs and episodes to help viewers decide what to watch.

## **Is the FX schedule TV guide available internationally?**

FX schedules may vary by country. While the FX schedule TV guide is primarily for the U.S. network, international versions of FX may have different programming and schedules, which can usually be found on regional FX websites.

## **Additional Resources**

FX Schedule TV Guide: Navigating the Premier Cable Network's Programming

**fx schedule tv guide** serves as an essential resource for viewers seeking to keep abreast of one of cable television's most dynamic and critically acclaimed networks. FX, known for its bold storytelling and innovative original programming, attracts a diverse audience with a taste for high-quality drama, comedy, and limited series. Understanding the intricacies of FX's programming schedule is vital for audiences who want to optimize their viewing experience, especially in an era of on-demand streaming and fragmented content consumption.

## **Understanding the FX Schedule TV Guide**

The FX schedule TV guide is more than a simple listing of showtimes; it reflects the network's strategic placement of flagship series, reruns, and special events. The programming grid is carefully curated to appeal to various demographics, balancing original scripted content with syndicated shows and movies. Unlike traditional broadcast networks, FX often schedules its shows during primetime hours that best capture adult viewers, with particular emphasis on weekday evenings and weekend slots.

One notable aspect of the FX schedule is its adaptability. The network frequently updates its guide to incorporate new series premieres, mid-season replacements, and special marathons. This fluidity requires viewers to consult up-to-date guides regularly, whether through cable providers, official FX websites, or third-party TV scheduling platforms.

# Key Features of the FX Schedule TV Guide

When examining the FX schedule, several features stand out that enhance user experience and content accessibility:

- **Comprehensive Listings:** The schedule typically includes all programming blocks, including original series, repeats, movies, and special events, allowing viewers to plan their viewing with precision.
- **Time Zone Adjustments:** Since FX caters to a nationwide audience, many guides provide time zone conversions to ensure viewers don't miss their favorite shows regardless of location.
- **Integration with Streaming Platforms:** The FX schedule increasingly incorporates information about on-demand availability and digital premieres, reflecting modern viewing habits.
- **Search and Filter Options:** Advanced TV guides enable users to filter by genre, day, or show title, making it easier to navigate the network's expansive offerings.

## Comparing FX's Programming Schedule to Other Cable Networks

In comparison to other cable channels like AMC, HBO, or Showtime, FX maintains a unique scheduling philosophy. While premium networks often focus heavily on original content with limited reruns, FX combines a robust lineup of original programming with strategic reruns and acquired shows. This hybrid approach ensures consistent viewer engagement throughout the day.

For example, FX's approach to scheduling hit series like "American Horror Story," "Fargo," and "What We Do in the Shadows" differs from competitors by often pairing these originals with thematic movie nights or marathons that complement the tone and genre of the shows. This technique not only retains viewers but also introduces new audiences to FX's brand identity.

## How to Access and Utilize the FX Schedule TV Guide Effectively

Accessing the FX schedule is straightforward but requires awareness of the best sources to ensure accuracy and timeliness. Traditional cable providers usually supply electronic program guides (EPGs) embedded in set-top boxes,

but these can sometimes lag behind network updates. To counter this, many viewers turn to online resources.

## Online Platforms for the FX Schedule

Several platforms provide comprehensive and up-to-date FX schedule information:

- **FX's Official Website:** The network's site offers the most reliable and updated schedule, including episode descriptions and premiere dates.
- **TV Guide Websites:** Platforms like TV Guide, Zap2it, and TitanTV aggregate schedules from multiple networks, offering customizable views and reminders tailored to user preferences.
- **Streaming Services:** Services like Hulu + Live TV, Sling TV, and YouTube TV provide live FX streaming along with integrated schedules, enabling viewers to watch live or on-demand seamlessly.

Incorporating these tools helps viewers avoid missing episodes and stay informed about schedule changes or special programming events.

## Challenges in Navigating the FX Schedule

Despite the availability of multiple platforms, some challenges persist for viewers relying on FX schedule TV guides:

1. **Schedule Variability:** FX occasionally shifts showtimes for special events or to accommodate breaking news and sports broadcasts, which can confuse viewers.
2. **Regional Blackouts and Restrictions:** Certain programming may be subject to regional restrictions, impacting the accuracy of national schedules.
3. **Time Zone Confusion:** Not all guides clearly indicate time zones, leading to missed broadcasts or tuning in too early or late.

Awareness of these potential pitfalls encourages viewers to cross-reference multiple sources and set personal reminders.

# Programming Highlights and Strategic Scheduling on FX

FX's programming schedule is designed around a core of critically acclaimed series, punctuated by limited series and blockbuster movie nights. The network has earned a reputation for cultivating high-quality original content that often garners industry awards and critical praise.

## Flagship Series and Their Scheduling

Shows such as "Sons of Anarchy," "The Americans," and newer titles like "Atlanta" and "Reservation Dogs" are typically scheduled during primetime slots to capture peak viewership. FX leverages these series as anchor points in its schedule, around which other programming is structured.

For example:

- **Primetime Placement:** Original episodes often air between 9 PM and 11 PM Eastern Time, capitalizing on adult viewers unwinding after work hours.
- **Rerun Blocks:** Repeats of popular series frequently occupy late-night or weekend afternoon slots, providing accessibility for viewers who missed initial airings.
- **Special Marathons:** Ahead of new season launches or during holidays, FX schedules marathons that help build anticipation and re-engage the audience.

## Seasonal and Event-Based Scheduling

FX's scheduling also adapts to seasonal viewing trends and special programming events. For instance, during awards season or major sporting events, the network may adjust its schedule to maximize exposure or avoid conflicts. Additionally, FX often participates in themed programming blocks—such as horror nights during October—to align with cultural moments and audience interests.

## Impact of Digital Platforms on FX Scheduling

The rise of streaming and digital content platforms has inevitably influenced how FX approaches its schedule. With shows available on-demand shortly after

airing, the traditional TV guide has evolved into a hybrid tool that integrates live broadcast times with digital availability.

## **Streaming and On-Demand Integration**

FX's partnership with Hulu, which hosts FX on Hulu, exemplifies this shift. Many FX titles are accessible for binge-watching anytime, reducing the necessity for strict adherence to the broadcast schedule. Nonetheless, premiere dates and live airing times remain important for audience engagement, social media buzz, and advertising revenue.

## **Benefits and Drawbacks of Streaming on Scheduling**

While streaming offers flexibility, it also diversifies viewing habits, making it harder for the FX schedule TV guide to serve as the sole tool for content discovery. Some viewers prefer to watch episodes live for communal experience or to participate in real-time discussions, maintaining the relevance of the traditional schedule.

Conversely, the availability of entire seasons online diminishes the urgency of scheduled broadcasts, potentially impacting live ratings. FX addresses this by incorporating exclusive live events, premieres, and interactive content that encourage simultaneous viewing.

## **Final Thoughts on Navigating the FX Schedule TV Guide**

For viewers invested in FX's unique blend of original programming and curated content, the FX schedule TV guide remains a critical resource. It provides structure in an increasingly fragmented media landscape, ensuring audiences can engage with their favorite shows as intended. By understanding the guide's features, leveraging online tools, and staying mindful of scheduling nuances, viewers can optimize their FX experience without missing pivotal moments in the network's compelling storytelling.

**fx schedule tv guide: Cable Television Prime Time Programming, 1990-2010** Mitchell E. Shapiro, 2014-01-10 This reference work is an authoritative chronicle of prime time television programming on 20 major cable networks: A&E, ABC Family, AMC, BET, Bravo, Comedy Central, The Disney Channel, FX, GSN, HBO, Lifetime, MTV, Nickelodeon, Oxygen, Showtime, Spike, TBS, TNT, USA and VH1. These 20 represent the mass-oriented cable networks that have been most involved in airing original programming. From January 1990 through December 2010, a detailed listing for each network includes its prime time scheduling history as well as a brief description of each program and a brief "bio" of each network.

**fx schedule tv guide: Focus On: 100 Most Popular Television Shows Set in New York City** Wikipedia contributors,

**fx schedule tv guide: *Focus On: 100 Most Popular Television Series by 20th Century Fox Television*** Wikipedia contributors,

**fx schedule tv guide: TV Guide** , 2007

**fx schedule tv guide: Watching TV** Harry Castleman, Walter J. Podrazik, 2024-12-16 Castleman and Podrazik present a season-by-season narrative that encompasses the eras of American television from the beginning in broadcast, through cable, and now streaming. They deftly navigate the dizzying array of contemporary choices so that no matter where you start on the media timeline, *Watching TV* provides the context and background to this multi-billion-dollar enterprise. Drawing on decades of research, the authors weave together personalities, popular shows, corporate strategies, historical events, and changing technologies, enhancing the main commentary with additional elements that include fall prime time schedule grids for every season, date box timelines, highlighted key text, and selected photos. Full of facts, firsts, insights, and exploits from now back to the earliest days, *Watching TV* is the standard chronology of American television, and reading it is akin to channel surfing through history. The fourth edition updates the story into the 2020s and looks ahead to the next waves of change. This new edition is the first to also be available in a digital format.

**fx schedule tv guide: *Television Game Show Hosts*** David Baber, 2015-06-14 This unique work profiles the private lives and careers of 32 American game show hosts, including the originals (e.g., Bill Cullen, Peter Marshall), the classics (e.g., Bob Barker), and the contemporaries (e.g., Regis Philbin). Organized by host, each chapter includes birth and family information and a complete career history. The most significant developments of each host's early life and career are highlighted--complete with successes, failures, and scandals. Many of the biographies are accompanied by interviews with the host or his family and friends.

**fx schedule tv guide: *Acts of Possession*** Leah Dilworth, 2003 The success of internet auction sites like eBay and the cult status of public television's *Antiques Roadshow* attest to the continued popularity of collecting in American culture. *Acts of Possession* investigates the ways cultural meanings of collections have evolved and yet remained surprisingly unchanged throughout American history. Drawing upon the body of theoretical work on collecting and focusing on individual as opposed to museum collections, the contributors investigate how, what, and why Americans have collected and explore the inherent meanings behind systems of organization and display. Essays consider the meanings of Thomas Jefferson's Indian Hall at Monticello; the pedagogical theories behind nineteenth-century children's curiosity cabinets; collections of Native American artifacts; and the ability of the owners of doll houses to construct meaning within the context of traditional ideals of domesticity. The authors also consider some darker aspects of collecting--hoarding, fetishism, and compulsive behavior--scrutinizing collections of racist memorabilia and fascist propaganda. The final essay posits the serial killer as a collector, an investigation into the dangerous objectification of humans themselves. By bringing fresh, interdisciplinary critical perspectives to bear on these questions, Dilworth and her coauthors weave a fascinating cultural history of collecting in America.

Meadows, 2004-07-06 First Published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

**fx schedule tv guide: X: The Experience When Business Meets Design** Brian Solis, 2015-10-13 Welcome to a new era of business in which your brand is defined by those who experience it. Do you know how your customers experience your brand today? Do you know how they really feel? Do you know what they say when you're not around? In an always-on world where everyone is connected to information and also one another, customer experience is your brand. And, without defining experiences, brands become victim to whatever people feel and share. In his new book *X: The Experience When Business Meets Design* bestselling author Brian Solis shares why great products are no longer good enough to win with customers and why creative marketing and delightful customer service too are not enough to succeed. In *X*, he shares why the future of business is experiential and how to create and cultivate meaningful experiences. This isn't your ordinary business book. The idea of a book was re-imagined for a digital meets analog world to be a relevant and sensational experience. Its aesthetic was meant to evoke emotion while also giving new perspective and insights to help you win the hearts and minds of your customers. And, the design of this book, along with what fills its pages, was done using the principles shared within. Brian shares more than the importance of experience. You'll learn how to design a desired, meaningful and uniform experience in every moment of truth in a fun way including: How our own experience gets in the way of designing for people not like us Why empathy and new perspective unlock creativity and innovation The importance of User Experience (UX) in real life and in executive thinking The humanity of Human-Centered Design in all you do The art of Hollywood storytelling from marketing to product design to packaging Apple's holistic approach to experience architecture The value of different journey and experience mapping approaches The future of business lies in experience architecture and you are the architect. Business, meet design. *X*

**fx schedule tv guide: Head's Broadcasting in America** Michael McGregor, Paul D. Driscoll, Walter McDowell, 2016-01-08 This book documents the dramatic changes in the field of electronic media in the past decade and provides informed insights in the exciting, and changes yet to come. It examines the transition in broadcasting from analog to digital transmission and the changing business models of electronic media.

**fx schedule tv guide: FCC Record** United States. Federal Communications Commission, 2013

**fx schedule tv guide: Best iPad Apps** Peter Meyers, 2010-12-08 What really wows iPad fans is when their touchscreen does what's impossible on other gadgets: the finger-painting app that turns a cross-country flight into a moving art class, the mini music studio (two-dozen instruments strong, each with motion-induced warble effects), and the portable fireworks display that you sculpt by swiping. Problem is, with tens of thousands of apps available for your iPad, who knows what to download? You can try to sort through a gazillion customer reviews with a mix of 5- and 1-star ratings, but that's a head-hurting time-waster. The stakes are getting higher, too: instead of freebies and 99-cent trinkets, the price of iPad apps is steadily creeping up and beyond their iPhone predecessors. *Best iPad Apps* guides you to the hidden treasures in the App Store's crowded aisles. Author Peter Meyers stress-tested thousands of options to put together this irresistible, page-turner of a catalog. Inside these pages, you'll find apps as magical as the iPad itself. Flip through the book for app suggestions, or head directly to one of several categories we've loaded up with best of selections to help you: Get work done Manipulate photos Make movies Create comics Browse the Web better Take notes Outline ideas Track your health Explore the world No matter how you use your iPad, *Best iPad Apps* will help you find the real gems among the rubble -- so you make the most of your glossy gadget.

**fx schedule tv guide: Cable Cowboy** Mark Robichaux, 2002-10-31 An inside look at a cable titan and his industry John Malone, hailed as one of the great unsung heroes of our age by some and reviled by others as a ruthless robber baron, is revealed as a bit of both in *Cable Cowboy*. For more

than twenty-five years, Malone has dominated the cable television industry, shaping the world of entertainment and communications, first with his cable company TCI and later with Liberty Media. Written with Malone's unprecedented cooperation, the engaging narrative brings this controversial capitalist and businessman to life. *Cable Cowboy* is at once a penetrating portrait of Malone's complex persona, and a captivating history of the cable TV industry. Told in a lively style with exclusive details, the book shows how an unassuming copper strand started as a backwoods antenna service and became the digital nervous system of the U.S., an evolution that gave U.S. consumers the fastest route to the Internet. *Cable Cowboy* reveals the forces that propelled this pioneer to such great heights, and captures the immovable conviction and quicksilver mind that have defined John Malone throughout his career.

**fx schedule tv guide:** *The Children's Television Community* J. Alison Bryant, 2014-04-08 This volume presents an analysis of the children's television community--the organizations, major players, and approaches to programming--and offers an overview of the history, current state, and future of children's TV. The Children's Television Community is highly informative for educators, industry professionals, and practitioners in media, developmental psychology, and education.

**fx schedule tv guide:** *Saving the World* Lynnette Porter, Lynette Porter, David Lavery, 2010-12-14 Essays, analysis and exploration of hit TV show *Heroes*, from experts in the field of TV analysis.

**fx schedule tv guide:** *How Internet Protocol-enabled Services are Changing the Face of Communications* United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Telecommunications and the Internet, 2005

**fx schedule tv guide:** *Before Our Very Eyes* David K. Williams, 2008-07-22 *Before Our very Eyes* points out how the laws of man have taken complete precedence over God's Law within the governments of man. It exposes how greed and the lust for power among many other scenarios are the determining factor on how mans laws are written and imposed upon the various societies of human beings. It explains how mans laws are geared to benefit certain individuals deemed to be of a higher rank in society due to their financial wealth or royal lineage. It reveals how mans laws incorporate the spirit of privilege by a particular race, culture, gender, ethnicity, class and society over another. It brings the Holy Bible back to the forefront of today's global madness and chaos due to mans unrighteous laws. It connects the word of God thru scripture found only in the Bible as to the solution for what ails mankind, and it is thru God's Law that man will save himself from himself and gain true salvation.

**fx schedule tv guide:** *Divine Programming* Charlotte E. Howell, 2020 From the mid-90s to the present, television drama with religious content has come to reflect the growing cultural divide between white middle-America and concentrated urban elites. As author Charlotte E. Howell argues in this book, by 2016, television narratives of white Christianity had become entirely disconnected from the religion they were meant to represent. Programming labeled family-friendly became a euphemism for white, middlebrow America, and developing audience niches became increasingly significant to serial dramatic television. Utilizing original case studies and interviews, *Divine Programming* investigates the development, writing, producing, marketing, and positioning of key series including *7th Heaven*, *Friday Night Lights*, *Rectify*, *Supernatural*, *Jane the Virgin*, *Daredevil*, and *Preacher*. As this book shows, there has historically been a deep ambivalence among television production cultures regarding religion and Christianity more specifically. It illustrates how middle-American television audiences lost significance within the Hollywood television industry and how this in turn has informed and continues to inform television programming on a larger scale. In recent years, upscale audience niches have aligned with the perceived tastes of affluent, educated, multicultural, and-importantly-secular elites. As a result, the televised representation of white Christianity had to be othered, and shifted into the unreality of fantastic genres to appeal to niche audiences. To examine this effect, Howell looks at religious representation through four approaches - establishment, distancing, displacement, and use - and looks at series across a variety of genres and outlets in order to provide varied analyses of each theme.

**LEUPOLD SCOPES (REALLY WHAT IS THE DIFFERENCE?)** Beginning in 2005, there were changes to the fixed magnification scope lines, updating them to follow the current convention used by the VX series of scopes; all fixed

**Why are Airguns different?** - Why are Airguns different? When you get into the higher end air rifles, you get all the various options of adjustable trigger, better accuracy and smoother to shoot. My friends own

**Fixed blade carry knife Questions** - For EDC I have a SOG Flash II, blackout tanto. For fixed blade, not hunting, a SOG KIKU FX - BLACKOUT MICARTA. Also have a SOG SEAL, and SOG SEAL Pup, but the

**Fixed 4x scope for .338 Win Mag** Others I found are the Leupold FX-II 4x33 (\$300), Valdada IOR 4x32 (\$360), and a steel/gloss version of the Weaver that would match the rifle perfectly, but costs \$220 for the

**Long draw bow recommendation.** Long draw bow recommendation. I shot a Mathews FX (older) and this year got the Boss. I love it. It is super smooth and really steady at full draw. I was worried because it is a
