

kansas pro life voter guide 2022

Kansas Pro Life Voter Guide 2022: Navigating the Political Landscape with Confidence

kansas pro life voter guide 2022 is an essential resource for voters who prioritize pro-life values in the Sunflower State. As political climates shift and election seasons approach, having a clear understanding of candidates' stances on life-related issues is more important than ever. Whether you're a first-time voter or a seasoned participant in Kansas politics, this guide aims to provide a comprehensive look at the key elements you need to consider when casting your ballot in 2022.

Understanding the intersection of politics and pro-life advocacy can sometimes feel overwhelming. With multiple candidates across local, state, and federal levels, each with unique platforms and promises, it's crucial to cut through the noise and focus on what truly matters. This article will explore the Kansas pro life voter guide 2022 in depth, highlighting candidates, important legislation, and how you can align your vote with your values.

What Is the Kansas Pro Life Voter Guide 2022?

The Kansas pro life voter guide 2022 is a curated resource designed to help voters make informed decisions based on candidates' positions regarding abortion, fetal rights, and other life-related issues. These guides often come from various pro-life organizations, advocacy groups, and sometimes nonpartisan voter education bodies committed to highlighting candidates who support policies that protect unborn children.

Kansas, known for its diverse political views and history of both conservative and moderate stances, presents a unique landscape for pro-life voters. The guide typically includes:

- Candidate ratings based on their voting records and public statements
- Key legislation affecting abortion laws and reproductive rights in Kansas
- Endorsements from pro-life organizations
- Information on ballot measures or referendums related to life issues
- Tips on how to verify candidate positions and engage in the political process

Why the Kansas Pro Life Voter Guide 2022 Is Important

In recent years, abortion and reproductive rights have become central topics in Kansas politics. The state saw significant attention after the 2022 Kansas abortion referendum, which stirred passionate debate among Kansans. This heightened political activity makes the pro-life voter guide not just

helpful but necessary for those looking to support politicians who align with their beliefs.

Empowering Voters with Accurate Information

One of the biggest challenges voters face is the abundance of conflicting information. The Kansas pro life voter guide 2022 cuts through misinformation by providing fact-checked, unbiased data about candidates' records and views. It empowers voters to make choices that reflect their consciences and values.

Navigating Complex Ballot Measures

Kansas voters have encountered ballot measures that directly impact abortion laws, such as the 2022 referendum on the Kansas Value Them Both Amendment. Guides like this explain the implications of such measures, helping voters understand what a "yes" or "no" vote means for pro-life policies.

Key Candidates and Their Positions in Kansas 2022

When reviewing the Kansas pro life voter guide 2022, it's essential to look at candidates across various offices—governor, state legislature, and federal representatives—all of whom play roles in shaping life-related legislation.

Gubernatorial Candidates

The governor's office is pivotal in influencing state policies on abortion and related issues. In 2022, the candidates' positions ranged from staunch pro-life advocates pledging to protect unborn children through executive actions, to those supporting more moderate or pro-choice stances. The guide helps voters identify which candidate's platform aligns best with pro-life values.

State Legislature

The Kansas House and Senate members hold significant sway over abortion laws. Many pro-life voters use the guide to evaluate incumbents and challengers based on their voting history on bills restricting abortion access or promoting alternatives like adoption support.

Federal Representatives

Though federal lawmakers have a more indirect impact on state abortion laws, their influence on national policies and Supreme Court appointments is critical. The voter guide includes information

on congressional candidates' records on life issues, providing a full picture for voters.

Important Legislation and Ballot Measures to Watch in 2022

Understanding the legal context is vital when using the Kansas pro life voter guide 2022. Here are some of the key legislative issues and ballot measures that shaped the political environment during that election cycle.

Kansas Value Them Both Amendment

This ballot measure aimed to amend the state constitution to clarify that it does not guarantee a right to abortion. The referendum became a major focal point of the 2022 elections, mobilizing pro-life and pro-choice voters alike. The voter guide provided detailed explanations of the amendment's effects and which candidates supported or opposed it.

State Abortion Restrictions

Several bills proposed or passed in the Kansas legislature sought to impose restrictions such as waiting periods, parental consent, and limitations after a certain gestational age. The voter guide summarized these legislative efforts, enabling voters to assess candidates' commitment to advancing or blocking such measures.

How to Use the Kansas Pro Life Voter Guide 2022 Effectively

Having access to a voter guide is one thing; using it effectively is another. Here are some tips to make the most of the Kansas pro life voter guide 2022.

- **Cross-reference Information:** Don't rely solely on one guide. Compare multiple pro-life organizations' endorsements and candidate evaluations to get a well-rounded view.
- **Research Candidates' Public Statements:** Candidates often elaborate their views during debates, interviews, and social media. Use the guide as a starting point, then explore their platforms further.
- **Understand the Nuances:** Some candidates may identify as pro-life but support exceptions or specific policies that may not align fully with your beliefs. Pay attention to these details.
- **Engage with Local Groups:** Many Kansas pro-life organizations host forums, provide

additional materials, and encourage voter education. Getting involved can deepen your understanding.

- **Vote Early or Absentee if Needed:** Use the guide's timelines to plan your voting method, ensuring your voice is heard even if you can't make it on Election Day.

Why Pro-Life Voters in Kansas Should Stay Informed Beyond 2022

While this guide focuses on the 2022 election cycle, the fight for pro-life policies in Kansas is ongoing. Kansas has become a bellwether state for abortion legislation, with shifting political tides that can change the landscape quickly.

Pro-life voters benefit from continuous engagement by:

- Following new bills and court cases that impact abortion laws
- Participating in local government meetings and advocacy efforts
- Supporting candidates in future elections who demonstrate consistent pro-life commitment
- Educating friends, family, and community members about life issues and voting importance

By using the Kansas pro life voter guide 2022 as a foundation, voters can build lasting awareness and influence that extend well beyond a single election.

Final Thoughts on the Kansas Pro Life Voter Guide 2022

Navigating elections with a focus on life issues requires diligence, curiosity, and access to reliable information. The Kansas pro life voter guide 2022 is more than just a list of names and endorsements—it's a tool for thoughtful civic engagement. As abortion and pro-life topics continue to shape Kansas politics, voters equipped with comprehensive guides like this one can confidently support candidates who reflect their values and contribute to policies that protect life.

Whether you're motivated by religious beliefs, ethical considerations, or a desire to influence the future of Kansas, investing time in understanding the nuances of each candidate's pro-life position is invaluable. The 2022 election cycle demonstrated that informed voters are powerful agents of change, and resources like the Kansas pro life voter guide 2022 play a pivotal role in that process.

Frequently Asked Questions

What is the Kansas Pro Life Voter Guide 2022?

The Kansas Pro Life Voter Guide 2022 is a resource that provides information on candidates' positions regarding pro-life issues to help voters make informed decisions in the 2022 elections.

Who publishes the Kansas Pro Life Voter Guide 2022?

The guide is typically published by pro-life organizations in Kansas, such as Kansans for Life or similar advocacy groups focused on promoting pro-life values.

How can I access the Kansas Pro Life Voter Guide 2022?

The guide is usually available online on the official websites of Kansas pro-life organizations or through their social media channels during the election season.

Does the Kansas Pro Life Voter Guide 2022 include information on state and local candidates?

Yes, the guide generally includes information on candidates running for various offices within Kansas, including state legislature and local positions, focusing on their stance on pro-life issues.

Is the Kansas Pro Life Voter Guide 2022 nonpartisan?

The guide focuses on pro-life stances and may be perceived as partisan since it highlights candidates' positions on abortion and related issues, but it aims to provide factual voting information relevant to pro-life voters.

How are candidates' pro-life ratings determined in the Kansas Pro Life Voter Guide 2022?

Candidates' ratings are usually based on their voting record, public statements, and responses to surveys conducted by pro-life organizations.

Can the Kansas Pro Life Voter Guide 2022 influence election outcomes?

Yes, by informing voters about candidates' positions on abortion and life issues, the guide can influence voters' choices and potentially affect election results.

Are there any controversies surrounding the Kansas Pro Life Voter Guide 2022?

Some controversies may arise regarding the accuracy or bias of the guide, as well as debates around its impact on elections and representation of candidates' views.

How often is the Kansas Pro Life Voter Guide updated?

The guide is typically updated annually or in alignment with major election cycles to reflect the most current candidate information and pro-life issue stances.

Kansas Pro Life Voter Guide 2022: Navigating the Political Landscape with Informed Choices

kansas pro life voter guide 2022 emerges as a crucial resource for voters aiming to align their ballot choices with their values on one of the most contentious social issues—abortion. As the 2022 election cycle unfolded in Kansas, a state well-known for its conservative leanings but with pockets of diverse opinions, the pro life voter guide aimed to clarify the stances of candidates and measures related to the protection of unborn life. This article takes a deep dive into the components, significance, and impact of the Kansas pro life voter guide 2022, providing an analytical perspective on its role within the broader political context.

Understanding the Kansas Pro Life Voter Guide 2022

The Kansas pro life voter guide 2022 was designed to help constituents make informed decisions by presenting concise information on candidates' records, public statements, and policy proposals regarding abortion and related reproductive laws. In a state where abortion debates have intensified following national shifts in judicial rulings, such guides have gained prominence as voters seek clarity amid a complex political landscape.

Purpose and Creation of the Guide

Produced by pro life advocacy organizations within Kansas, the guide compiled voting records from the state legislature, candidate questionnaires, endorsements, and public declarations. The intention was to distill relevant information into an accessible format, enabling voters who prioritize anti-abortion policies to identify candidates who would champion pro life legislation.

Key Features of the 2022 Edition

The 2022 guide stood out for its emphasis on:

- **Candidate Profiling:** Detailed summaries of candidates' positions on abortion, including their responses to hypothetical legislative scenarios.
- **Legislative Scorecards:** Evaluation of incumbent lawmakers based on their voting history concerning pro life bills.

- **Ballot Measures Analysis:** Information on any statewide ballot initiatives related to abortion rights or restrictions, presenting pros and cons from a pro life perspective.
- **Resource Links:** Directions to further reading, official statements, and affiliated organization websites for deeper exploration.

These features combined to create a resource that was both comprehensive and user-friendly, catering to a wide spectrum of voters from seasoned activists to first-time voters concerned about life issues.

Political Context and Impact

The 2022 elections in Kansas occurred in the aftermath of the Supreme Court's overturning of *Roe v. Wade*, which dramatically shifted the abortion policy landscape. Kansas, traditionally conservative but with a history of moderate judicial decisions, became a focal point for pro life and pro choice advocates alike.

Shifts in Voter Priorities

The pro life voter guide reflected and influenced shifting voter priorities. Data from voter turnout and polling suggested that abortion policy had become a decisive factor for many Kansans. Candidates who aligned clearly with pro life policies often received heightened support from certain voter blocs, while others faced increased scrutiny.

Comparative Analysis with Previous Guides

Compared to prior years, the 2022 guide incorporated more granular data, including:

- Expanded focus on local races, recognizing the influence of county commissioners and school board members in shaping abortion-related policies.
- Increased emphasis on judicial candidates, given the critical role of courts in interpreting abortion law post-Roe.
- More robust evaluation of candidates' consistency over time, adding depth to the analysis beyond campaign rhetoric.

This evolution in the guide's scope and detail underscored a growing sophistication in voter education efforts by pro life groups within Kansas.

The Role of Kansas Pro Life Voter Guide 2022 in Electoral Outcomes

While it is challenging to isolate the direct impact of a single voter guide on election results, there are indicators that resources like the Kansas pro life voter guide 2022 contributed to mobilizing pro life voters and shaping campaign narratives.

Influence on Voter Mobilization

By providing clear information on candidates' stances, the guide arguably reduced information asymmetry for voters with limited prior knowledge of local political figures. This likely enhanced voter confidence and turnout among pro life constituencies, particularly in down-ballot races that often suffer from lower voter engagement.

Shaping Candidate Campaign Strategies

Candidates aware of the guide's influence tailored their messaging accordingly, emphasizing their pro life credentials or clarifying their positions to avoid alienating key voter groups. This dynamic illustrates the guide's role not only as a voter tool but also as a subtle influencer in campaign strategy.

Balancing the Discussion

It is important to note that while the Kansas pro life voter guide 2022 aimed to present information from a pro life standpoint, it exists within a broader media and advocacy ecosystem where pro choice voter guides and organizations also disseminated their own candidate evaluations. This interplay contributes to a multifaceted electoral dialogue, with voters encouraged to consult multiple sources.

Examining the Content and Presentation

The guide's presentation style combined clarity and professionalism, with a layout that facilitated quick comparisons alongside detailed explanations. This approach was essential in accommodating diverse voter needs—from those seeking a quick reference to those requiring in-depth policy understanding.

Advantages of the Guide's Format

- **Accessibility:** The digital availability of the guide allowed voters easy access on mobile devices and desktops, increasing reach.
- **Transparency:** Citing specific legislative votes and public statements enhanced credibility by grounding endorsements in verifiable actions.
- **Nonpartisan Appearance:** Despite its advocacy origins, the guide maintained a tone that emphasized factual reporting over inflammatory rhetoric, which may have broadened its appeal.

Potential Limitations

No voter guide is without constraints. The Kansas pro life voter guide 2022 faced critiques regarding:

- **Bias:** As expected, the guide prioritized pro life perspectives, which may have limited its usefulness to voters seeking a balanced overview.
- **Candidate Self-Reporting:** Reliance on candidate questionnaires introduced the possibility of strategic or non-committal responses.
- **Scope:** While comprehensive, some voters expressed a desire for more nuanced discussion on related social issues like health care and women's rights that intersect with abortion debates.

These considerations highlight the importance of using voter guides as one tool among many in the electoral decision-making process.

Looking Forward: The Evolving Role of Voter Guides in Kansas

The Kansas pro life voter guide 2022 exemplifies how advocacy groups adapt to changing political climates and voter information needs. As abortion remains a contentious and evolving issue, future iterations of such guides may incorporate even more sophisticated data analytics, multimedia content, and interactive features.

Furthermore, the increasing prominence of judicial elections and local governance in abortion-related policymaking suggests that voter guides will need to expand their scope to remain relevant and helpful.

In sum, the Kansas pro life voter guide 2022 served as a vital informational resource amid a politically charged and socially significant election cycle. By equipping voters with targeted knowledge, it contributed to the democratic process in a state where the question of life and choice

continues to shape political discourse and electoral outcomes.

kansas pro life voter guide 2022: Life After Roe David Closson, 2025-04-01 Life After Roe equips believers with the knowledge and tools needed to navigate the evolving landscape surrounding abortion after the Dobbs v. Jackson decision.

kansas pro life voter guide 2022: The Crossroads Elections Renata Duda, Maciej Turek, 2024-03-28 This wide-ranging collection acquaints American college instructors with insightful contributions and critical reflections from Europe on the study of campaigns, elections, Congress, and political behavior. Using an organizing conceptual framework of a crossroads, which sets two parties apart on traditional democratic values, more than a dozen experts examine the political environment, issues, candidates, campaigns, media, and voters of the 2022 midterm election. Distinctive in its breadth of topics, the book covers many new issues and the most controversial aspects of 2022 using a combination of statistical and descriptive analysis. These include but are not limited to: election results, unique features of midterm elections, the role of the Supreme Court and gerrymandering in 2022, intra-party cleavages, election denialism, the role of media and campaign finance, U.S. support of Ukraine, European public opinion on American democracy, and 2022 midterm as stage setter for the 2024 presidential election.

kansas pro life voter guide 2022: The End of Roe Jeanine E. Kraybill, 2025-09-17 The End of Roe assesses abortion and the American legal and political system in the aftermath of the United States Supreme Court's June 2022 decision in Dobbs v. Jackson Women's Health Organization. In Dobbs, the US Supreme Court held that a woman did not have a constitutional right to terminate her pregnancy. This decision further polarized an already divided nation by overturning nearly fifty years of precedent under Roe v. Wade, following on from two highly contentious presidential elections. Now, as Christian conservative legal organizations seek to tighten access to abortion through attempts to limit chemical abortion, the most widely used method to terminate pregnancies in the United States, as well as cut off other avenues to the procedure, access to abortion seems uncertain and increasingly complicated across the United States. This book discusses how widely differing abortion laws have evolved across the United States, as well as how religious groups and conservatives have turned to the legal process in their fight to restrict abortion further and how more progressive states have countered with the passage and implementation of safe harbor laws shielding physicians who perform abortions and the women who wish to procure them, mainly when their home state is hostile to their medical situation or choice. This book demonstrates how abortion will continue to shape future elections and the consequences of these political contests on this issue. This book will appeal to students and scholars of American politics, ethics, politics and religion, and women and politics, as well as practitioners in the areas of law, political science, sociology, and philosophy, and anyone interested in the abortion debate in the United States.

kansas pro life voter guide 2022: The Hollow Hope Gerald N. Rosenberg, 2023-05-05 Presents a powerful argument for the limitations of judicial action to support significant social reform—now updated with new data and analysis. Since its first publication in 1991, The Hollow Hope has spurred debate and challenged assumptions on both the left and the right about the ability of courts to bring about durable political and social change. What Gerald N. Rosenberg argued then,

and what he confirms today through new evidence in this edition, is that it is nearly impossible to generate significant reforms through litigation: American courts are ineffective and relatively weak, far from the uniquely powerful sources for change they are often portrayed to be. This third edition includes new data and a substantially updated analysis of civil rights, abortion rights and access, women's rights, and marriage equality. Addressing changes in the political and social environment, Rosenberg draws lessons from the re-segregation of public schools, victories in marriage equality, and new obstacles to abortion access. Through these and other cases, the third edition confirms the power of the book's original explanatory framework and deepens our understanding of the limits of judicial action in support of social reform, as well as the conditions under which courts do produce change. Up-to-date, thorough, and thought-provoking, *The Hollow Hope* remains vital reading.

kansas pro life voter guide 2022: Media Messages in the 2022 Midterm Election John Allen Hendricks, Dan Schill, 2025-04-29 The 2022 midterms marked a transformative moment in American politics, as the combined influence of legacy media and social platforms reached new heights. Traditional outlets like television news and print journalism set the stage, while a vast digital ecosystem—spanning Facebook, TikTok, YouTube, and more—enabled campaigns to amplify messages on issues like abortion rights, the economy, and immigration. As these platforms shaped the voter experience in a fragmented and often- polarized media environment, campaigns and citizens harnessed their power to reach diverse audiences and build momentum across both established and emerging channels. This book offers a compelling, scholarly exploration of these dynamics, revealing how communication across traditional and digital media shaped an election forecasted as a Republican “red wave” but instead delivered unexpected, narrower results. Through detailed analyses, data- driven research, and case studies from high- profile races, this book uncovers how media strategies influenced voter behavior, shaped public discourse, and framed electoral outcomes. Essential for academics, political analysts, and media professionals, this work provides crucial insights into the evolving role of media in U.S. elections and the weighty implications for future democratic engagement.

kansas pro life voter guide 2022: Abortion Ian Shapiro, Alicia Steinmetz, 2023-05-01 This new edition of *Abortion: The Supreme Court Decisions* includes all of the major Supreme Court decisions on abortion since the 1960s—as well as many majority, dissenting, and plurality opinions—carefully edited for use by researchers, journalists, and teachers in a variety of disciplines.

kansas pro life voter guide 2022: Dollars for Life Mary Ziegler, 2022-06-21 A new understanding of the slow drift to extremes in American politics that shows how the antiabortion movement remade the Republican Party “A sober, knowledgeable scholarly analysis of a timely issue.”—*Kirkus Reviews* “As Mary Ziegler shows us in this incisive and important book, anti-abortion activists have shaped the GOP in ways that even they could not have anticipated. Everyone interested in the past and future of American politics should read this book.”—Laura Kalman, University of California, Santa Barbara The modern Republican Party is the party of conservative Christianity and big business—two things so closely identified with the contemporary GOP that we hardly notice the strangeness of the pairing. Legal historian Mary Ziegler traces how the anti-abortion movement helped to forge and later upend this alliance. Beginning with the Supreme Court's landmark decision in *Buckley v. Valeo*, right-to-lifers fought to gain power in the GOP by changing how campaign spending—and the First Amendment—work. The anti-abortion movement helped to revolutionize the rules of money in U.S. politics and persuaded conservative voters to fixate on the federal courts. Ultimately, the campaign finance landscape that abortion foes created fueled the GOP's embrace of populism and the rise of Donald Trump. Ziegler offers a surprising new view of the slow drift to extremes in American politics—and explains how it had everything to do with the strange intersection of right-to-life politics and campaign spending.

kansas pro life voter guide 2022: The Politics of Gen Z Melissa Deckman, 2024-09-03 Progressive activism today is increasingly spearheaded by the nation's youngest voters. Gen Z—those born between 1997 and 2012—has come of age in a decade of upheavals. They have witnessed the election of Donald Trump, the murder of George Floyd, and the Dobbs Supreme Court

decision, and they have lived under the constant threats of mass shootings and climate change. In response, left-leaning Zoomers, particularly women and LGBTQ people, have banded together to take action. This book tells the story of Gen Z's growing political participation—and why it is poised to drive U.S. politics leftward. Bringing together original data and compelling narrative—including nearly one hundred interviews with Gen Z activists and several national surveys—political scientist Melissa Deckman explores the world of youth-led progressive organizing, highlighting the crucial importance of gender and sexuality. She reveals why women and LGBTQ Zoomers are participating in politics at higher levels than their straight male peers, creating a historic “reverse gender gap.” Deckman takes readers inside Gen Z's fight for a more inclusive and just future, sharing stories of their efforts to defend reproductive rights, prevent gun violence, stem climate change, and win political office. A deep dive into the politics of Gen Z, this book sheds new light on how young voters view politics and why their commitment to progressive values may transform the country in the years ahead.

kansas pro life voter guide 2022: *The Sage Handbook of Political Marketing* Paul Baines, Phil Harris, Denisa Hejlova, Costas Panagopoulos, 2025-08-07 *The Sage Handbook of Political Marketing* is a comprehensive resource that introduces the theory and practice of political marketing in a global, yet simultaneously localized, world. The practice of political marketing has evolved significantly during the 20th and 21st centuries, adapting to the rise of mass media, marketing communication, advertising, and the web. Traditionally dominated by US, European, and Australasian scholars, the field has up-to-now emphasized the Americanisation and professionalisation of campaigning styles. Since the start of the new millennium, however, political marketing has transformed into a data-driven, specialized profession. With increasing digitalisation and the advent of AI, political marketing involves personally targeted, evidence-based messaging with real-time engagement and sentiment analysis. This approach is not limited to democratic regimes but is also widely adopted by authoritarian states worldwide. The handbook addresses the global perspectives on political marketing, covering a myriad of contexts, cultures, and regimes. It encompasses insights into political marketing in regions seldom discussed in the literature, including Zimbabwe, Japan, India, Hong Kong, and Ukraine. These chapters enrich the debate on political marketing's impact on democracies and its use in non-democratic societies. Organized into four parts, the handbook covers strategy, propaganda, digital evolution, ideology, and contemporary practices in political marketing. It explores topics such as the marketing of ideology, the impact of the internet and social media, the use of AI in political marketing, and the role of fake news and disinformation in campaigns. The handbook addresses the use of political marketing techniques in crisis management, political branding, the measurement of political marketing effects, and political marketing use outside of electoral campaigns. *The Sage Handbook of Political Marketing* is an essential resource for scholars, practitioners, students, and politicians in general, seeking to understand the complexities of political marketing. It provides a comprehensive and nuanced exploration of the field, equipping readers to engage with the theoretical and practical aspects of political marketing in a rapidly changing world. Part 1: Strategy in Political Marketing: Orthodox and Occidental Perspectives Part 2: Political Marketing, Propaganda, and Digital Evolution: Global South and Eastern European Perspectives Part 3: Ideology in Political Marketing: Advocacy, Movements, Lobbying, and Public Diplomacy Part 4: Contemporary Political Marketing: Cybercampaigning, Fake News and Social Media

kansas pro life voter guide 2022: *Making the Supreme Court* Charles M. Cameron, Jonathan P. Kastellec, 2023 *Making the Supreme Court: The Politics of Appointments 1930--2020* tells the story of 90 years of Supreme Court appointments. It examines what happened, why it happened, the consequences for the Supreme Court, the future of appointments, and the prospects for reform. Based on massive data combined with rich qualitative evidence, *Making the Supreme Court* employs new theories, cutting-edge technique, and a novel perspective on political institutions. Finally, it provides a sharp lens on the social and political transformations that created a new American politics. It will appeal not only to students of the Supreme Court but to anyone

concerned with the origins and future of American politics--

kansas pro life voter guide 2022: Roe V. Dobbs Lee C. Bollinger, Geoffrey R. Stone, 2024
With this volume, *Roe v. Dobbs: The Past, Present and Future of a Constitutional Right of Abortion*, we confront the remarkable beginning and end--once again, after a half-century-of the landmark Supreme Court decision in *Roe v. Wade*, shockingly overruled by the Court in *Dobbs v. Jackson Women's Health Organization*. The goal of this book is to bring together some of our nation's leading constitutional scholars, historians, philosophers, and medical experts to share their views on whether there should be a constitutional right to abortion and what the consequences of *Dobbs* might be. What makes this subject unique is how it intersects with our own lives, since both Bollinger and Stone were law clerks at the Supreme Court in the year that *Roe* was decided (1973)--Stone for Justice William Brennan and Bollinger for Chief Justice Warren Burger. During the Court's 1972 Term, when *Roe* was decided, the Court was in a state of flux. President Nixon had just appointed four Justices to the Court--Burger, Blackmun, Powell, and Rehnquist. The era of the Warren Court was clearly over. In those days, the Justices were non-partisan, often joined opinions across the political/ideological spectrum, and approached cases with an open mind. That in large part explains why the Court could reach the decision it did in *Roe*, with five of the six Republican-appointed Justices and two of the three Democratic-appointed Justices in the majority, and one Republican-appointed justice (Rehnquist) and one Democratic-appointed justice (White) in dissent. It was a different Court and a different era.

kansas pro life voter guide 2022: Gender Revolution Pamela Aronson, Matthew R. Fleming, 2023-10-12
Gender Revolution carefully examines the profound transformations happening in both public and private arenas of gender relations. It also draws critical attention to the simultaneous and potent challenges that have risen in response. The authors look to large-scale phenomena in this contemporary study and address how electoral politics and the #MeToo movement are reshaping everyday life. This gender revolution has led to a culture in which women, and increasing numbers of men, refuse to accept traditional gender norms and gender inequalities. People of all genders no longer tolerate abuses of power in politics or in their interpersonal relationships. Despite vigorous resistance, women are seizing power and refusing to back down, in ways both large and small. The authors note on the one hand that people of all genders in support of these transformations are voting for progressive candidates, engaging on social media, and making their interpersonal relationships more equal. On the other hand, they document considerable backlash and contestation, as some people are resisting these changes and creating adversarial gender divisions. Probing across these issues, the book develops an analysis of gendered social and cultural change that reveals how movement ideas diffuse into broader culture. *Gender Revolution* presents a vibrant and essential study for a moment marked by significant changes to attitudes, beliefs, and views surrounding gender and gender relations and will appeal to readers interested in the scholarly study of gender, society, politics, media, law, and culture.

kansas pro life voter guide 2022: Abortion Jessica Valenti, 2024-10-01 NEW YORK TIMES BESTSELLER • In a stirring and succinct examination of post-Roe America, “one of the most successful and visible feminists of her generation” (Washington Post) takes on what’s become the country’s most resonant political issue. In her most urgent book yet, New York Times bestselling author Jessica Valenti shines a light on the conservative assault on women’s freedom, cutting through the misinformation and overwhelm to inform, engage, and enrage. From the attacks Americans know about to the ones anti-abortion lawmakers and groups are trying to hide, Valenti details the tactics and horrors that she’s been painstakingly tracking in her acclaimed newsletter, *Abortion, Every Day*. *Abortion* gives voice to women’s frustration and outrage in a moment when they’re fed up with being talked over and diminished. And in an election year when abortion is dominating the national conversation, Valenti provides the language, facts, and context readers need to feel confident when talking about the attacks on their bodies and freedom. *Abortion* is a handbook for the overwhelming majority of Americans who support abortion rights, whether they’re seasoned activists or those just starting to learn. With the wit, expertise, and blunt moral clarity that’s made

her writing popular for decades, Valenti offers an essential manifesto in an urgent moment.

kansas pro life voter guide 2022: *The Power of Partisanship* Joshua J. Dyck, Shanna Pearson-Merkowitz, 2023 In *The Power of Partisanship*, Joshua J. Dyck and Shanna Pearson-Merkowitz argue that the growth in partisan polarization in the United States, and the resulting negativity voters feel towards their respective opposition party, has far-reaching effects on how Americans behave both inside and outside the realm of politics. In fact, no area of social life in the United States is safe from partisan influence. As a result of changes in the media landscape and decades of political polarization, voters are stronger partisans than in the past and are more likely to view the opposition party with a combination of confusion, disdain, and outright hostility. Yet, little of this hostility is grounded in specific policy preferences. Even ideology lacks meaning in the United States: conservative and liberal are what Republicans and Democrats have labeled conservative and liberal. Dyck and Pearson-Merkowitz show how partisanship influences the electorate's support for democratic norms, willingness to engage in risk related to financial and healthcare decisions, interracial interactions, and previously non-political decisions like what we like to eat for dinner. Partisanship prevents people from learning from their interactions with friends or the realities of their neighborhoods, and even makes them oblivious to their own economic hardship. The intensity and pervasiveness of partisanship in politics today has resulted in political knowledge becoming an endogenous feature of strong partisanship and a poor proxy for anything but partisan behavior. Dyck and Pearson-Merkowitz present evidence that pure independents are, in fact, very responsive to information because they are not biased by partisan elite cues and important and relevant political information is often local, contextual, and personal. Drawing on a series of original surveys and experiments conducted between 2014 and 2020, Dyck and Pearson-Merkowitz show how the dominance of partisanship as a decision cue has fundamentally transformed our understanding of both political and non-political behavior.

kansas pro life voter guide 2022: *The Roads to Congress 2022* Walter Clark Wilson, Sean D. Foreman, Marcia L. Godwin, 2023-12-30 This book analyzes both local and national House and Senate campaigns in the 2022 midterm elections to reveal how distinctive campaign dynamics have a collective national impact. Despite serious efforts to overturn the results of the 2020 presidential race that went mostly unopposed by Republicans, the GOP is poised to gain seats, and perhaps control of Congress less than two years later. Their efforts to accomplish this feat may be explained by the biannual pattern of surging and declining partisan electorates that political scientists have long used to explain election outcomes. But in an era where global pandemic lingers, inflation hit its highest rate in two generations, Wall Street faces its first bear market in more than a decade, war among developed nations has returned to the international stage, and efforts by a former President to maintain his grip on a party that lost the 2020 popular vote by 9 million proved largely successful, the story is clearly more complicated. The 2022 midterms thus arrive on the heels of unprecedented developments for democracy in America. *The Roads to Congress 2022* provides an essential guide to understanding these developments, with thematic chapters authored by more than thirty experts in campaigns and elections that explore the evolving state of party politics, electoral governance, redistricting, participation and representation, and profile the key races of the season.

kansas pro life voter guide 2022: *The Second Coming* Carter Sherman, 2025-06-24 Equal parts investigative reporting and cultural criticism, this is a look at the sex lives of young adults in post-Roe v. Wade, post-#MeToo America—and how the challenges they face are harbingers of what's coming for the rest of us. As a college student, award-winning journalist Carter Sherman, along with several members of her sorority, was interviewed by a writer looking for salacious details about their sex lives. But the sex the girls were having—or the lack thereof—seemed disappointing, and their stories didn't make the book's final cut. A decade later, young Americans are having less sex than past generations, and the sex they are having is infinitely more complicated. Sherman, who has spent years traveling the country reporting on gender and sexuality, wanted to find out why. Based on more than one hundred interviews with teenagers and young adults, activists, and experts, *The Second Coming* reveals how (mis)education, the internet, and politics have not only reshaped

relationships but also unleashed a nationwide power struggle over the future of sex. From abortion clinics crowded with young patients, to “Dating with Dignity” seminars at the National Pro-Life Summit, to school board battles over what students should read, think, and feel, we meet folks from both sides of the aisle who are well-informed, empowered, and active (even if not always sexually). And as measures are taken to limit Americans’ access to rights and resources, they are fighting back. In the tradition of Rebecca Traister and Lisa Taddeo, *The Second Coming* explores how the ballot box has infiltrated the bedroom, and the breaking point as a nation we’ve reached as a result.

kansas pro life voter guide 2022: Fair Shake Naomi Cahn, June Carbone, Nancy Levit, 2024-05-07 A stirring, comprehensive look at the state of women in the workforce—why women’s progress has stalled, how our economy fosters unproductive competition, and how we can fix the system that holds women back. In an era of supposed great equality, women are still falling behind in the workplace. Even with more women in the workforce than in decades past, wage gaps continue to increase. It is the most educated women who have fallen the furthest behind. Blue-collar women hold the most insecure and badly paid jobs in our economy. And even as we celebrate high-profile representation—women on the board of Fortune 500 companies and our first female vice president—women have limited recourse when they experience harassment and discrimination. *Fair Shake: Women and the Fight to Build a Just Economy* explains that the system that governs our economy—a winner-take-all economy—is the root cause of these myriad problems. The WTA economy self-selects for aggressive, cutthroat business tactics, which creates a feedback loop that sidelines women. The authors, three legal scholars, call this feedback loop “the triple bind”: if women don’t compete on the same terms as men, they lose; if women do compete on the same terms as men, they’re punished more harshly for their sharp elbows or actual misdeeds; and when women see that they can’t win on the same terms as men, they take themselves out of the game (if they haven’t been pushed out already). With odds like these stacked against them, it’s no wonder women feel like, no matter how hard they work, they can’t get ahead. *Fair Shake* is not a “fix the woman” book; it’s a “fix the system” book. It not only diagnoses the problem of what’s wrong with the modern economy, but shows how, with awareness and collective action, we can build a truly just economy for all.

kansas pro life voter guide 2022: Catholics and US Politics After the 2020 Elections Marie Gayte, Blandine Chelini-Pont, Mark J. Rozell, 2022-02-18 This book examines the evolution of the Catholic vote in the United States and the role of Catholic voters in the 2020 national elections more specifically. There is a paucity of academic books on Catholic voters, even though Catholics comprise nearly one-quarter of the US national popular vote and commonly are called the “swing vote.” Scholars of religion and politics tend to focus heavily on the evangelical right, thus overlooking the powerful influence of Catholic voters who, by the accounts in this volume, were critical to the presidential election of President Joe Biden. To understand the intersection of religion, politics, and election outcomes in the US requires an analysis of the role played by Catholics. Among key topics covered in this volume are whether Biden’s Catholic identity was key to his achieving a larger percentage of the Catholic vote than achieved by Hillary Clinton in 2016; the role of the Catholic bishops in US elections; the critically important role of the Catholic Latino vote in US elections; the conservative Catholic and evangelical alliance in US politics; and the distinctive politics of social justice Catholics and socially conservative Catholics.

kansas pro life voter guide 2022: Understanding the 2022 U.S. Midterm Congressional Elections Joel Sievert, James C. Garand, Bruce I Newman, 2025-06-27 This book brings together a group of respected congressional election scholars to explore how and why the 2022 midterm congressional elections unfolded as they did. The 2022 midterm congressional elections were full of surprises. Most political observers expected the Republicans to gain substantial majority in House of Representatives, but instead, they secured a narrow majority in the House and lost control of the Senate. So, what happened? Did former President Donald Trump have a negative effect on Republican prospects in both the House and Senate? What was the role of recent abortion decisions by the U.S. Supreme Court in shaping outcomes in House and Senate elections? Did redistricting

play a major part in shaping the electoral context in a way that favoured one party or the other? What about candidate quality— that is, did variation in the quality of congressional candidates matter? What was the role of social media in the 2022 congressional elections? In this book, the authors explore these important questions. This book will appeal to scholars, students, and political analysts interested in U.S. elections, contemporary U.S. politics, public policy, and political behaviour. The chapters in this book were originally published as a special issue of Journal of Political Marketing.

kansas pro life voter guide 2022: Academic Writing as If Readers Matter Leonard Cassuto, 2024-09-24 A short, punchy, prescriptive guide to academic style and writing well for scholars-from students to professors, and humanists to scientists-interested in or in need of becoming better writers--
