rising out of hatred ebook: The Wish-Fulfilling Golden Sun of the Mahayana Thought Training: Directing in the Short Cut Path to Enlightenment eBook Lama Zopa Rinpoche, 2020-07-14 The Wish-Fulfilling Golden Sun of the Mahayana Thought Training was used as textbook for the third (October 1972) through seventh (November 1974) Kopan meditation courses and contains Lama Zopa Rinpoche's summaries of and meditations on many important topics from the lam-rim. The textbook is currently recommended as part of FPMT Education Services' Discovering Buddhism course. From the original preface, written by Lama Zopa Rinpoche: This book has not been written because there is some new Dharma that was not shown by Guru Shakyamuni. And because of my limited-experience realizations, in no way I have deserved to write such a book, and there is scant hope that it can benefit others. But in view of the remarkable fact that in this time, already beyond the period of the five degenerations and an age in which there is the great danger of atomic explosion, an increasing number of Westerners are finding the Buddhadharma as they seek like blind men opening their eye, and as it is extremely important to make meaningful this once-received Wisdom Eye, which analyses all dharmas, clearly discriminating between what to avoid and what to practise, my depthlessly kind venerable Guru, Thubten Yeshe, has given the Vajra instruction that it is necessary to write a book such as this in English. 2016 edition, 292 pages.

rising out of hatred ebook: *Once Too Many Times* Oliver E Cadam, 2015-07-31 As Old Flo sat there, watching and listening, she became easily convinced of several important observations. The first was that her daughter-in-law seemed uncharacteristically distracted, even remote, from the events around her. Secondly, she understood with complete clarity that her own son was infatuated with the pretty little thing sitting opposite. She could see the longing in his eyes and trace it through every behavioural tick on show. She felt sure that the others, including the girl herself, must surely have registered such transparency, and she wondered what fireworks lay ahead. Another intriguing factor was the big blonde lad who sat there, apparently comfortable and confident, and yet in some way preoccupied. Something there required further investigation. Flo just couldn't see why the

man's attractive wife would ever find anything worth straying for in her own son's rather tawdry realm. Time would tell, but she knew her son wanted that girl. Spanning a generation, this mystery thriller moves between the City of London and Cape Town, rural Kent and the hills of Girona in north-eastern Spain, weaving a tale of lust and deception, romance and retribution.
