

rumpole of the bailey dvd

Rumpole of the Bailey DVD: A Timeless Classic for Legal Drama Enthusiasts

rumpole of the bailey dvd collections have captivated fans of British legal drama for decades. This beloved series, centered around the witty and irascible barrister Horace Rumpole, has earned a special place in the hearts of viewers who appreciate sharp writing, engaging courtroom scenes, and a dash of humor. If you're considering adding "Rumpole of the Bailey" to your DVD collection or simply want to learn more about what makes this show a must-watch, this article will provide a comprehensive guide to everything you need to know.

The Legacy of Rumpole of the Bailey

Before diving into the specifics of the Rumpole of the Bailey DVD sets, it's important to understand why the series remains so cherished. Created by writer and actor John Mortimer, the show originally aired in the late 1970s and continued through the 1990s. It follows Horace Rumpole, a seasoned London barrister who defends a variety of clients in the courtroom of the Old Bailey, the central criminal court in England.

What sets Rumpole apart from typical legal dramas is its unique blend of sharp wit, character-driven storytelling, and insightful commentary on the British legal system. The show's signature style combines humor with a deep respect for justice, making it both entertaining and thought-provoking.

Why Choose the Rumpole of the Bailey DVD Collection?

In today's streaming-centric world, DVDs might seem outdated, but for classic series like Rumpole of the Bailey, owning a physical DVD collection offers several advantages:

1. Comprehensive Access to All Episodes

Many streaming platforms do not have the complete Rumpole series available, or the rights may change over time. By owning the DVD sets, you guarantee full access to every episode, including rare specials and later series entries.

2. Superior Video and Audio Quality

DVD releases often come with remastered video and audio, providing better quality than some online streams. This is especially important for a show filmed several decades ago, where restoration can enhance the viewing experience.

3. Bonus Features and Extras

Rumpole of the Bailey DVDs sometimes include interviews with cast members, behind-the-scenes footage, and commentary tracks that give fans a richer understanding of the show's production and legacy.

Exploring Different Rumpole of the Bailey DVD Sets

There are several Rumpole of the Bailey DVD collections available, each catering to different preferences and budgets. Understanding the options can help you choose the best set for your collection.

Complete Series Box Set

For die-hard fans and collectors, the complete series box set is the ultimate choice. This usually includes all six series along with the TV movies and specials. It's perfect for immersing yourself fully in Rumpole's world and following his cases from start to finish.

Individual Series Releases

If you prefer to sample the show or focus on specific seasons, individual series DVDs are available. These are ideal for viewers who want to start with the earliest episodes or jump into their favorite seasons.

Special Edition Releases

Some DVD collections come with special packaging, booklets, or exclusive interviews, making them a great gift for fans or collectors looking for something unique.

Tips for Buying Rumpole of the Bailey DVDs

If you're ready to purchase your own Rumpole of the Bailey DVD set, consider these tips to ensure you get the best value and quality:

- **Check Region Codes:** DVDs are often region-locked, so make sure the set you buy is compatible with your DVD player.
- **Look for Remastered Versions:** Remastered editions tend to offer better picture and sound quality.

- **Compare Prices:** Prices can vary significantly between retailers and online marketplaces, so shop around.
- **Verify Content:** Confirm that the DVD set includes all episodes and any bonus features you may want.
- **Read Customer Reviews:** Reviews can provide insight into the quality and completeness of the DVD set.

The Appeal of Rumpole's Character and Storytelling

A big part of the show's enduring popularity lies in its central character, Horace Rumpole. Portrayed memorably by Leo McKern, Rumpole is a curmudgeonly yet kind-hearted barrister who champions the underdog. His witty remarks, love of poetry, and complicated relationship with his formidable wife Hilda ("She Who Must Be Obeyed") add layers of charm to the series.

The storytelling often delves into the nuances of British law, courtroom tactics, and ethical dilemmas, but it never feels dry or overly technical. Instead, the narratives are driven by character interactions and witty dialogue, making the show accessible even to viewers unfamiliar with legal procedures.

Legal Drama with a Human Touch

Unlike many modern legal dramas that focus on high-stakes cases and fast-paced action, Rumpole of the Bailey takes a more measured and character-centric approach. Each episode often revolves around a particular client or case, revealing social issues and human complexities.

This grounded approach allows the show to explore themes such as justice versus bureaucracy, the role of tradition in law, and the moral challenges faced by lawyers. Watching Rumpole navigate these issues with a mix of humor and determination is both entertaining and enlightening.

Where to Find Rumpole of the Bailey DVDs

Finding Rumpole of the Bailey DVDs is relatively straightforward, but availability can vary depending on your location and the edition you want.

Online Retailers

Websites such as Amazon, eBay, and specialty DVD retailers often have new and used copies of the complete series or individual seasons. Checking multiple sellers can help you find the best deal.

Specialty and Independent Stores

Vintage and specialty stores that focus on classic TV and film may carry Rumpole DVDs. Visiting such shops can sometimes yield rare or out-of-print editions.

Library Sales and Auctions

Libraries and auction platforms occasionally offer DVD collections at discounted prices. This can be a cost-effective way to build your set.

Enhancing Your Viewing Experience

Once you have your Rumpole of the Bailey DVD collection, there are ways to make your viewing experience even more enjoyable:

- **Watch with Friends or Family:** The witty banter and courtroom drama make for great shared viewing.
- **Explore Companion Books:** John Mortimer's original Rumpole stories are available in book form and provide additional context and depth.
- **Take Notes on Legal Insights:** If you're fascinated by law, the show offers plenty of interesting perspectives on the British legal system.
- **Host a Themed Viewing Marathon:** Pair episodes with British teas or snacks to create a fun atmosphere.

Rumpole of the Bailey DVDs offer more than just entertainment; they provide a window into classic British television, legal culture, and timeless storytelling. Whether you're a lifelong fan or a newcomer curious about legal dramas with heart and humor, investing in these DVDs is a rewarding choice.

Are 'Rumpole of the Bailey' DVDs region-locked?

Yes, 'Rumpole of the Bailey' DVDs are typically region-locked, so it's important to check the region code before purchasing to ensure compatibility with your DVD player.

Additional Resources

Rumpole of the Bailey DVD: A Definitive Exploration of the Classic Legal Drama

rumpole of the bailey dvd collections have long been a sought-after item for fans of British television drama, particularly those with an affinity for legal storytelling. Since its original airing in the late 1970s and 1980s, the series has earned a reputation as a clever, witty, and nuanced portrayal of courtroom life through the eyes of Horace Rumpole, a seasoned barrister practicing at London's Old Bailey. With the resurgence of interest in classic TV on home media, the availability and quality of Rumpole of the Bailey DVD editions have become central to discussions among collectors, legal drama aficionados, and new viewers alike.

The Enduring Appeal of Rumpole of the Bailey

Rumpole of the Bailey stands out in the genre of legal drama not only for its compelling courtroom

narratives but also for its character-driven storytelling. Created by John Mortimer, who himself was a barrister, the series captures the intricacies of British law with authenticity and a dry sense of humor. The protagonist, Horace Rumpole, often finds himself defending seemingly hopeless cases, demonstrating a mix of humility, sharp wit, and moral conviction.

This authentic representation, combined with strong performances—most notably by Leo McKern in the original TV series—has cemented Rumpole's status as a beloved figure in television history. The availability of Rumpole of the Bailey DVD sets allows audiences to revisit or discover these stories in a format that offers convenience and preservation beyond their original broadcast.

Analyzing the Rumpole of the Bailey DVD Editions

When considering the Rumpole of the Bailey DVD, several factors come into play: video and audio quality, packaging and extras, completeness of the series, and accessibility for different regions.

Video and Audio Quality

Given the series' age, the restoration quality of Rumpole of the Bailey DVD releases varies. Early DVD editions sometimes suffered from grainy visuals and subpar sound, reflecting the limitations of the source material and transfer technology at the time. However, more recent remastered editions have significantly improved picture clarity and audio fidelity, enhancing the viewing experience without compromising the original aesthetic.

For collectors prioritizing audiovisual quality, it is advisable to seek out the remastered box sets that include digitally cleaned episodes and balanced soundtracks. These editions often present the series as intended, making the courtroom dialogues and subtle background sounds more immersive.

Completeness and Series Coverage

One critical aspect for potential buyers is the completeness of the DVD collections. The Rumpole of the Bailey series spans several seasons, including TV movies and specials, which sometimes are released separately or bundled inconsistently across regions.

Some DVD sets feature just the initial seasons, while comprehensive box sets aim to include the full run—from the early Thames Television productions through the later Granada Television adaptations. Fans eager to experience the entire arc of Rumpole's career should verify the included episodes and specials before purchasing.

Extras and Bonus Features

Bonus materials can elevate a DVD set from mere content delivery to a collector's treasure. Rumpole of the Bailey DVD editions vary widely in this respect. Some packages include interviews with cast members, behind-the-scenes footage, and commentary tracks that provide valuable insights into the

production process and the characters' development.

Such extras are particularly beneficial for viewers interested in the historical context of British legal television or in the craftsmanship behind the series' writing and acting. However, many basic editions lack these features, so buyers should carefully evaluate which version best suits their interests.

Comparing Rumpole of the Bailey DVD to Streaming Availability

The rise of streaming platforms has shifted how audiences access television series. While some legal dramas have found new life online, Rumpole of the Bailey's presence on streaming services remains inconsistent or limited due to licensing restrictions.

This dynamic makes the Rumpole of the Bailey DVD an attractive option for those seeking reliable access to the entire series without dependence on the fluctuating availability of digital platforms. DVDs offer permanence, allowing viewers to watch episodes at their leisure without concerns over content removal or subscription cancellations.

Physical Media Versus Digital Convenience

- ****Advantages of DVDs:****
- Ownership ensures indefinite access.
- Often includes exclusive bonus content.
- Collectible packaging appeals to fans and archivists.
- ****Drawbacks of DVDs:****
- Requires physical storage space.
- Potential compatibility issues with region-locked discs.
- Lacks the portability and instant access of streaming.

Ultimately, the choice between DVD and streaming depends on individual preferences, but for those dedicated to classic legal drama, DVDs remain an essential medium.

Where to Find and Purchase Rumpole of the Bailey DVD Sets

Availability is a crucial consideration for anyone interested in acquiring a Rumpole of the Bailey DVD collection. The series has been released through various distributors across different markets, making some editions rarer than others.

Retailers and Marketplaces

- **Major online retailers:** Amazon, eBay, and specialty DVD shops often stock multiple versions, including remastered box sets and single-season releases.
- **Secondhand markets:** Vintage and used DVD stores can be excellent sources for out-of-print or rare editions.
- **International sellers:** Some editions are region-specific (e.g., Region 2 for Europe, Region 1 for North America), so buyers should confirm compatibility with their DVD players.

Price Range and Value Considerations

Prices for Rumpole of the Bailey DVD collections vary depending on completeness, condition, and edition. Complete sets with extensive bonus features generally command higher prices, while single-season or partial collections are more affordable but less comprehensive.

Collectors should weigh the importance of extras and remastering quality against budget constraints. Additionally, purchasing from reputable sellers ensures the authenticity and quality of the DVDs, avoiding counterfeit or damaged products.

The Cultural and Legal Significance Reflected in the DVD Series

Beyond entertainment, Rumpole of the Bailey holds cultural significance as a window into British legal traditions and social commentary of its time. The series offers nuanced critiques of the legal system, class dynamics, and moral dilemmas faced by practitioners and defendants alike.

Owning the Rumpole of the Bailey DVD series allows viewers to engage repeatedly with these themes, making it a valuable resource not just for casual watching but also for academic and professional reflection on legal practices and ethics.

The character of Rumpole himself embodies the ideal of the dedicated lawyer fighting for justice amid bureaucratic challenges and personal eccentricities. The DVD format preserves these timeless narratives for future generations interested in law, literature, and television history.

The presence of well-crafted courtroom drama on DVD ensures that Rumpole's sardonic wit and legal wisdom remain accessible, bridging the gap between past and present storytelling styles.

In sum, the Rumpole of the Bailey DVD stands as a testament to the enduring appeal of intelligent, character-driven legal drama. Whether approached as a collector's item, an educational tool, or an engaging series to enjoy, the DVDs provide a tangible link to one of British television's most iconic depictions of the courtroom and its colorful inhabitants.

rumpole of the bailey dvd: TV Guide: TV on DVD 2006 TV Guide, 2005-10 From the foremost authority on TV viewing comes a complete guide to television shows on DVD.

rumpole of the bailey dvd: *Bewigged and Bewildered?* Adam Kramer KC, Ian Higgins, 2016-06-30 Misunderstandings and jargon prevent many from seriously considering a career as a barrister in the belief that such a career is not for them or that they are not for it. Others know that they might want to become barristers but not how to go about it, or just want to know more about this somewhat mysterious profession. This book, written by two barristers, clearly but informally explains the traditions, terminology and institutions of the Bar, and what it is actually like to be a barrister. With this aim, several barristers practising in different fields describe in detail a typical week in their life. Advice is then given on how to be accepted into, fund and survive the various academic and other stages that precede qualification as a barrister, including work experience, Bar School and pupillage (the barrister's apprenticeship). It explains how to transfer to the Bar, for the benefit of solicitors, overseas lawyers or those in a non-legal career. This third edition is fully updated to take account of the most recent changes to the Bar, training for it, and the process of recruitment to it.

rumpole of the bailey dvd: *The DVD Novel* Greg Metcalf, 2012-07-06 Now that television shows can live forever as DVD sets, the stories they can tell have changed; television episodes are now crafted as chapters in a season-long novel instead of free-standing stories. This book examines how this significant shift in storytelling occurred. In 1981, NBC's *Hill Street Blues* combined the cop show and the soap opera to set the model for primetime serial storytelling, which is evident in *The Sopranos*, *The Wire*, and *Breaking Bad*. In 1963, ABC's *The Fugitive* showed how an anthology series could tell a continuing tale, influencing *The X-Files*, *House*, and *Fringe*. In 1987, NBC's *The Days and Nights of Molly Dodd* changed the situation comedy into attitudinal comedy, leading to *Weeds*, *Nurse Jackie*, and *Entourage*. *The DVD Novel: How the Way We Watch Television Changed the Television We Watch* not only examines how American television shows changed, but also what television artists have been able to create. The book provides an alternate history of American television that compares it to British television, and explains the influence of Dennis Potter's *The Singing Detective* on the development of long-form television and the evolution of drama shows and sitcoms. The work considers a wide range of network and cable television shows, paying special attention to the work of Steven Bochco, David Milch, and David Simon, and spotlighting the influence of graphic novels and literary novels in changing television.

rumpole of the bailey dvd: DVD & Video Guide 2004 Mick Martin, Marsha Porter, 2003 Featuring more than 400 new entries among reviews and ratings of 18,000 movies, this guide to films that are available on video and DVD includes brand-new DVD listings, director and star indexes, and much more. Original.

rumpole of the bailey dvd: The Video Librarian , 2006

rumpole of the bailey dvd: *The DVD-laser Disc Newsletter* , 2004

rumpole of the bailey dvd: *Handbook of Communication in the Legal Sphere* Jacqueline Visconti, 2018-09-24 This volume explores communication and its implications on interpretation, vagueness, multilingualism, and multiculturalism. It investigates cross-cultural perspectives with original methods, models, and arguments emphasizing national, EU, and international perspectives. Both traditional fields of investigations along with an emerging new field (Legal Visual Studies) are discussed. Communication addresses the necessity of an ongoing interaction between jurilinguists

and legal professionals. This interaction requires persuasive, convincing, and acceptable reasons in justifying transparency, visual analyses, and dialogue with the relevant audience. The book is divided into five complementary sections: Professional Legal Communication; Legal Language in a Multilingual and Multicultural Context; Legal Communication in the Courtroom; Laws on Language and Language Rights; and Visualizing Legal Communication. The book shows the diversity in the understanding and practicing of legal communication and paves the way to an interdisciplinary and cross-cultural operation in our common understanding of legal communication. This book is suitable for advanced students in Linguistics and Law, and for academics and researchers working in the field of Language and Law and jurilinguists.

rumpole of the bailey dvd: Burma, Kipling and Western Music Andrew Selth, 2016-11-03
For decades, scholars have been trying to answer the question: how was colonial Burma perceived in and by the Western world, and how did people in countries like the United Kingdom and United States form their views? This book explores how Western perceptions of Burma were influenced by the popular music of the day. From the First Anglo-Burmese War of 1824-6 until Burma regained its independence in 1948, more than 180 musical works with Burma-related themes were written in English-speaking countries, in addition to the many hymns composed in and about Burma by Christian missionaries. Servicemen posted to Burma added to the lexicon with marches and ditties, and after 1913 most movies about Burma had their own distinctive scores. Taking Rudyard Kipling's 1890 ballad 'Mandalay' as a critical turning point, this book surveys all these works with emphasis on popular songs and show tunes, also looking at classical works, ballet scores, hymns, soldiers' songs, sea shanties, and film soundtracks. It examines how they influenced Western perceptions of Burma, and in turn reflected those views back to Western audiences. The book sheds new light not only on the West's historical relationship with Burma, and the colonial music scene, but also Burma's place in the development of popular music and the rise of the global music industry. In doing so, it makes an original contribution to the fields of musicology and Asian Studies.

rumpole of the bailey dvd: Video Movie Guide 2002 Mick Martin, Marsha Porter, 2001 This bestselling video guide to films, serials, TV movies, and old TV series available on video is completely updated with the newest releases. rumpole of the bailey dvd: The Video Movie Guide 2001 Mick Martin, Marsha Porter, 2000 Presents brief reviews of more than nineteen thousand films and other videos that are available at rental stores and through mail order, arranged alphabetically by title; also includes actor and director indexes.

rumpole of the bailey dvd: Leo 'Rumpole' McKern George Whaley, 2009 This long-awaited biography tells the story of a working-class Sydney boy who left Australian shores in the 1940s and went on to an extraordinary and renowned acting career. In England he became a major Shakespearean actor and made many films. Yet it was the gravelly-voiced, potato-faced Horace Rumpole in the long-running series Rumpole of the Bailey that made him a household name in Britain and Australia.

rumpole of the bailey dvd: A Fistful of Dust Nasser Hashmi, 2015-12-22 Breaking Baghdad... Widower Shah Rafiq moves in with his daughter Nadia after being diagnosed with an industrial disease. Once he's settled in, he sleeps in his grandson's empty bed - who is presumed to be in Kashmir, helping out with the aftermath of the 2005 earthquake. But one morning, Shah intercepts a letter addressed to Nadia and her husband. Salaam Ameer and Abujee, What a mission! Allah-thallah has rewarded me to come to this great land and I'm enjoying every moment of it. Now, I've found the right path and, I hope, with your blessing, that I will succeed in this critical mission. It's from Wasim, who is not in Kashmir at all, but Iraq, where he is fighting US-led forces. Shah decides to abandon everything and fly out to Iraq and bring his grandson home. He leaves a note for his daughter and sells his car. He takes a flight from Manchester to Vienna and then on to Kurdistan. Once he gets into Iraq, he uses the cash from the house sale, his car and his personal savings to

track down Wasim in Sadr City. After a series of scrapes, which include an exorcism ritual and a romantic entanglement involving his grandson, he eventually brings Wasim home to his parents. Back at home, Wasim regrets his actions and promises to change. He fights a campaign against industrial disease and tries to get compensation for his grandfather. Shah believes this is the right form of jihad. But police eventually raid Wasim's house and he has to stand trial accused of terrorism overseas. If he is sentenced, it will be the catalyst of several devastating events for the Rafiq family...

rumpole of the bailey dvd: Representations of Justice Antoine Masson, Kevin O'Connor, 2007 The public understanding of law is gleaned from the cultural representation of justice which, in turn, reflects popular culture. Movies, caricatures, portrayal of trials by media or crime fiction shape the image of justice. However these representations play an important role in the legal system itself through the representation of truth as conveyed by litigating parties in their arguments. Studying how justice is represented in society is thus interesting for citizens who want to understand the popular culture but also for lawyers who want to understand their clients' expectations. This book explores in a multidisciplinary way the aspects of those representations of justice in their various forms in popular culture and in economics.

rumpole of the bailey dvd: The Ian Willock Collection on Law and Justice in the Twenty-First Century Eamon P. H. Keane, Peter Robson, 2023-08-15 The essays presented in The Ian Willock Collection on Law and Justice in the Twenty-First Century by those who knew Ian Willock, as well as those who have been inspired by his concerns, represent the wide compass of Ian's interests. These range from a concern with the development of legal regulation to the relationship between social change and the justice system, as well as his particular interest in the accessibility of the justice system. This tribute provides a microcosm of the changes and shifts which occurred in legal education and the legal profession in the years between 1964 and the current century. The profound impact of Ian Willock's life work is evident through the wide-ranging essays in this collection.

rumpole of the bailey dvd: Push Back! B. K. Eakman, 2014-01-02 How many times have you had the unsettling experience of being treated as a troublemaker as soon as you question or raise an objection to a school policy, a textbook, a course of study, a new county regulation, or a community proposal? Every day, attendees of conferences, community forums, PTA meetings, and board meetings are made to feel uncomfortable and occasionally foolish by the person or persons leading the meeting. The speakers, moderators, or provocateurs—whom author B. K. Eakman refers to as professional manipulators—hold power over the room and know how to steer the discussion back to their agendas without ever answering audience questions or addressing their concerns. These people use techniques to ostracize those brave enough to stand and question or criticize them. With Push Back!, readers will be able to counter group manipulation tactics by learning to: Recognize psychologically controlled environments Identify the professional agitator/provocateur Examine components of psych war Undercut faulty, distorted, and biased arguments of opponents Squelch techniques used to rebuff audience members who complain or balk Neutralize consensus-building techniques And much more

rumpole of the bailey dvd: King Lear Jeffrey Kahan, 2008-04-18 Is King Lear an autonomous text, or a rewrite of the earlier and anonymous play King Leir? Should we refer to Shakespeare's original quarto when discussing the play, the revised folio text, or the popular composite version, stitched together by Alexander Pope in 1725? What of its stage variations? When turning from page to stage, the critical view on King Lear is skewed by the fact that for almost half of the four hundred years the play has been performed, audiences preferred Naham Tate's optimistic adaptation, in which Lear and Cordelia live happily ever after. When discussing King Lear, the question of what comprises 'the play' is both complex and fragmentary. These issues of identity and authenticity across time and across mediums are outlined, debated, and considered critically by the contributors

to this volume. Using a variety of approaches, from postcolonialism and New Historicism to psychoanalysis and gender studies, the leading international contributors to *King Lear: New Critical Essays* offer major new interpretations on the conception and writing, editing, and cultural productions of *King Lear*. This book is an up-to-date and comprehensive anthology of textual scholarship, performance research, and critical writing on one of Shakespeare's most important and perplexing tragedies. Contributors Include: R.A. Foakes, Richard Knowles, Tom Clayton, Cynthia Clegg, Edward L. Rocklin, Christy Desmet, Paul Cantor, Robert V. Young, Stanley Stewart and Jean R. Brink

rumpole of the bailey dvd: Law, Judges and Visual Culture Leslie J Moran, 2020-11-12 *Law, Judges and Visual Culture* analyses how pictures have been used to make, manage and circulate ideas about the judiciary through a variety of media from the sixteenth century to the present. This book offers a new approach to thinking about and making sense of the important social institution that is the judiciary. In an age in which visual images and celebrity play key roles in the way we produce, communicate and consume ideas about society and its key institutions, this book provides the first in-depth study of visual images of judges in these contexts. It not only examines what appears within the frame of these images; it also explores the impact technologies and the media industries that produce them have upon the way we engage with them, and the experiences and meanings they generate. Drawing upon a wide range of scholarship – including art history, film and television studies, and social and cultural studies, as well as law – and interviews with a variety of practitioners, painters, photographers, television script writers and producers, as well as court communication staff and judges, the book generates new and unique insights into making, managing and viewing pictures of judges. Original and insightful, *Law, Judges and Visual Culture* will appeal to scholars, postgraduates and undergraduates from a variety of disciplines that hold an interest in the role of visual culture in the production of social justice and its institutions.

rumpole of the bailey dvd: AS Law Andrew Mitchell, 2008-07-15 Written for sixth form and college students, *AS Law* covers the content of AS Law for AQA and OCR students in a lively and reader-friendly style. Topics are broken down into manageable parts, with clear headings and are illustrated throughout with photographs, diagrams, boxes and illustrations. Each chapter includes: an introduction outlining learning objectives relating to the subject specifications 'developing the subject' sections explaining a particularly important or difficult point in more detail, designed to challenge more able students a list of useful websites enabling students to access primary law materials intended to support chapter-by-chapter reading 'it's a fact!' sections highlighting interesting and contemporary applications of the legal principle under discussion dedicated sections providing detailed examination of key cases, within the context of the chapter discussion hints and tips for revision topics and strategies helping students to prepare for the types of questions that are most likely to come up in exams. The book contains a wealth of opportunities to test and apply knowledge, with revision quizzes, quick tests and sample questions and answers within each chapter and there are additional opportunities for self-testing and revision available via the Companion Website. This third edition has been revised and updated to take into account the new 2008 AQA specifications and contains a new chapter on contract liabilities, as well as expanded material on sentencing and court procedures. It also addresses recent legal developments such as the establishment of the Ministry of Justice, changes in the legal profession and the constitution, and the reform of the House of Lords. *AS Law* provides a stimulating and exciting approach to the subject, profiling famous legal figures and examining law in films, fiction, non-fiction and on the internet whilst offering comprehensive coverage of the AQA and OCR subject specifications fulfilling all syllabus requirements.
